4265. Salary Subsidy Scheme

Primary Category: Social Welfare & Other Benefits | State: Goa | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Women & Girls, Business & Entrepreneurship | Benefits: Financial Assistance, Subsidy, Food/Nutrition | Beneficiaries: Wom

Gender: Any | Age: None | Occupation: Entrepreneur | Education: None | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/sss-goa

Description:
Launched in 2018, the "Salary Subsidy Scheme" is one of the "Information Technology Policy Schemes" by the Department of Information Technology, Government of Goa. The objective and the scope of this scheme is to provide a Salary Subsidy to the eligible Information Technology Units in the State of Goa. The subsidy would be provided as a matching grant to the salary paid to Fresher up to Rs. 10,000 per Fresher per month. All the New and Existing Units having their operations in Goa are eligible. The scheme has been framed as a part of Goa's IT Policy that envisages Goa as an aspirational geographical and human resource base for IT Units and a preferred destination for their investment and expansion.

Eligibi

Who Can Apply: 1. All the new and existing units must have their operations in Goa. 2. The applicant must be one of the below: - Proprietorship Firm - Private Limited Company incorporated under the Companies Act, 2013 (or equivalent) - Public Limited Company incorporated under the Companies Act, 2013 (or equivalent) - Registered Partnership Firm incorporated under the Indian Partnership Act, 1932 (or equivalent) - Limited Liability Partnership incorporated under the Limited Liability Partnership Act, 2008 (or equivalent) 3. The bank accounts of the unit and/or its partner(s)/director(s) should be linked to Aadhaar. 4. The bank accounts of Freshers should be linked to Aadhaar. 5. The subsidy is valid for Freshers who have been employed for a minimum period of one year. 6. For the purpose of implementation of this incentive, individuals who have worked for more than two years before pursuing post-graduation are not considered freshers. 7. In instances where the individual has less than two years of experience prior to the Post graduation, the individual is considered as a fresher, however, the time duration for the individual is considered as a fresher is calculated on a prorate basis.
Exclusions: The units availing similar financial incentives under any other policy of the Government of Goa are not eligible for availing benefits under this scheme.

Schem

details: The subsidy would be provided as a matching grant to the salary paid to Freshers up to Rs. 10,000 per Fresher per month (Rs. 12,500 for Female Freshers) for 2 continuous years of operation post the notification of this policy. **NOTE 1:** The benefits under this scheme are subject to budgetary allocation. No Promissory Estoppel shall be applicable if benefits are discontinued in case the allocation is exceeded. **NOTE 2:** The subsidy will be provided only for the Freshers recruited during the operation period of the Policy. **NOTE 3:** The units will be subject to evaluation at the end of the Fiscal year to verify eligibility to continue receiving benefits under the scheme.

4270. Promotion of Energy Audit and Conservation of Energy (PEACE): Incentive for Implementing Energy Audit

Primary Category: Social Welfare & Other Benefits | State: Tamil Nadu | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Skill Development & Training, Loans & Credit | Benefits: Subsidy, Loan, Training, Equipment, Food/Nutrition | Beneficiaries:

Gender: Any | Age: None | Occupation: Entrepreneur | Education: None | Category: All

Income Limit: None | Area: Urban | Type: Enterprise / Business | Source: https://www.myscheme.gov.in/schemes/peaceifiear

Description:

"Promotion of Energy Audit and Conservation of Energy (PEACE)" is a scheme by the Micro Small and Medium Enterprises Department, Government of Tamil Nadu. The scheme comprises four main components: Awareness Programme; Training Programme; Detailed Energy Audit; and Implementation of Energy Audit Recommendations. The "Incentive for Implementing Energy Audit Recommendations" component of this scheme is introduced to incentivise MSMEs to implement the recommendations of the Energy Audit Report and to optimize energy consumption leading to energy saving and money savings in electricity bills.

Eligibi

Who Can Apply: - All manufacturing MSMEs in the state which have undertaken energy audits arid have achieved at least 10% energy savings in terms of the number of units of energy consumed per unit of product manufactured with reference to the last 12 months average. - Enterprises having more than one unit may also avail of this concession, separately for each unit. - There should be a gap of a minimum of three years between the previous energy audit and the subsequent energy audit i.e. present energy audit. ***The percentage of savings in specific energy consumption (Kwh/Kcal per unit of product) shall be reckoned on twelve-month average energy consumption before the implementation of energy audit recommendations and a minimum three-month average after the implementation of the recommendation of the energy audit.** > **Eligible Components** - Cost of technology acquired for energy saving. - Cost of replacement of equipment for energy conservation/ cost of machinery/accessories newly purchased & installed for the purpose. - Cost of modification/ alteration made in the existing machinery/equipment/retrofit equipment for energy conservation.
Exclusions: - All Micro, Small, and Medium service Enterprises. - All Micro, Small, and Medium manufacturing Enterprises that have availed similar subsidies for the same purpose from any other State or Central Government Agency for the same purpose.

Schen

details: - 50% of the cost of eligible components, subject to a maximum limit of Rs. 10,00,000/ -. - Investments made after the energy audit alone will be eligible for the subsidy. ***The overall ceiling on subsidy should not be applied for the original energy audit and subsequent energy audit taken together but should be applied separately for the original energy audit and the subsequent energy audit.** > **Time of Disbursal** The subsidy will be released to the MSME after the implementation of the recommendations in the Energy Audit Report that is duly certified by the energy auditor. ***If the unit has availed a loan for the implementation of the recommendations of the energy audit, the subsidy will be released to the bank to adjust in the loan account if the loan is in currency.**

4272. Grant of Subsidy for Purchase of Mobile Sea Food Van

Primary Category: Rural Development | State: Puducherry | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Women & Girls, Farmers & Agriculture | Benefits: Financial Assistance, Subsidy, Loan, Food/Nutrition, Infrastructure Support

Gender: Any | Age: None | Occupation: Fisherman | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/gspmsfv

Description:

Launched in 2010, the scheme "Grant of Subsidy for Purchase of Mobile Sea Food Van" is a subsidy scheme under the "Puducherry Development of Shore Based Facilities, Ice Plants, Service Unit, Infrastructural Facilities, and Quick Transport Facilities Rules, 2010" by the Department of Fisheries and Fishermen Welfare, Government of Puducherry. The scheme aims to provide fisherwomen, fisherwomen self-help groups, and Fisherwomen Co-operative Societies in the Union territory of Puducherry with a mobile seafood van. This van, financed through a combination of bank loan and departmental subsidy (25% and 75%, respectively), is intended for the sale of fresh and processed fish and fishery products in areas not served by regular markets. It focuses on maintaining hygiene and offering competitive prices to the public.

Eligibi

Who Can Apply: 1. The applicant should belong to the fishermen community. 2. The applicant should be a resident of the Union territory of Puducherry by birth/domicile. 3. The applicant should be a non-overdue member of the Primary Fisheries Co-operative Society concerned. 4. The applicant should be between 18 and 50 years old. 5. The applicant should not be employed in Government, Government Undertaking, or societies, either part-time or full-time. 6. The applicant should be a registered Fisherwomen Co-operative Society in the Union territory of Puducherry, or a group under SHGs registered under District Rural Development Agency and Puducherry Urban Development Agency fold.
Exclusions: None

Schem

details: 1. The scheme provides a subsidy of 75% on the cost of the mobile seafood van, including fabrication of the body, procurement of an insulated ice-box, a two-burner stove, cooking utensils, and accessories. 2. The remaining 25% is expected to be covered by a bank loan. > **MODE OF DISBURSEMENT** The subsidy portion will be released to a separate account of the beneficiary in the bank.

4273. National Handloom Development Programme: Concessional Credit/Weaver MUDRA Scheme

Primary Category: Loans & Credit | State: All | Govt: Central Government | Ministry: Ministry Of Textiles

Secondary: Financial Assistance, Business & Entrepreneurship, Workers & Labour | Benefits: Financial Assistance, Subsidy, Loan, Insurance, Food/Nutrition

Gender: Any | Age: None | Occupation: Artisan / Weaver | Education: ITI / Diploma | Category: All

Income Limit: Up To Rs. 10.00 Lakh | Area: Both | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/nhdpccwms

Description:

The "National Handloom Development Programme: Concessional Credit/Weaver MUDRA Scheme" is one of the components of the National Handloom Development Programme (NHDP) was launched by the Ministry of Textiles, Government of India. The scheme aims to provide adequate and timely assistance from the banks to the handloom sector to meet their credit requirements for term loans & working capital in a flexible and cost-effective manner across the country. Participating Banks: All Scheduled Commercial Banks, Regional Rural Banks, State Cooperative Banks, District Central Co-operative Banks, and any financial institution with the approval of the Competent Authority of the Ministry of Textiles, GoI.

Eligibi

Who Can Apply: The following agencies are eligible to avail loans from Banks/Financial Institutions: 1. Handloom Weavers involved in weaving activity, 1. Weaver Entrepreneur, 1. Self Help Groups, 1. Joint Liability Groups, 1. Handloom organizations, including Primary Handloom Weavers' Co-operative Societies, 1. Apex Handloom Weavers' Co-operative Societies, State Handloom Corporations and 1. Producers' Companies/Consortia promoted by handloom weavers including those promoted under Cluster/Mega Cluster/Handloom Parks under SITP or other schemes of the Ministry of Textiles **Note 01:** Individual weavers who have already availed of margin money assistance will not be eligible for financial assistance in terms of margin money assistance, interest subvention, and credit guarantee fee under the strength of Handloom Organization, SHGs, etc. **Note 02:** Fresh loan may be sanctioned after one year of re-payment of previous mudra loan to the handloom beneficiaries who availed loan in the past and have re-paid. Margin money will be available to all the beneficiaries, while interest subsidy and credit guarantee fees will be available to only Handloom Organizations.
Exclusions: None

Schem

details: > **Margin Money Assistance:** 1. Individual Handloom Weaver/Weaver Entrepreneur- Margin Money assistance @20% of the loan amount, subject to a maximum of Rs. 25,000/-. 1. Handloom organization - Margin money assistance @20% of the loan amount, subject to a maximum of Rs. 20.00 lakh (margin money @Rs. 2.00 lakhs for every 100 weaver/worker). Additional margin money requirement, if any as per banking norms will be borne by the beneficiary Agency. 1. Margin money assistance to Primary Handloom Weavers' Co-operative Societies/Apex Handloom Weavers' Co-operative Societies/State Handloom Corporations will be provided on the recommendation of the State Director of Handlooms. > **Interest Subvention:** 1. Subsidized loans at a concessional interest rate of 6% for a period of three years will be available to eligible handloom organizations only. However, this is subject to interest subvention cap only upto 7% by the GoI. 1. Interest subvention as applicable will be provided a maximum of 3 years from the date of the first disbursal. > **Credit Guarantee:** 1. The loans extended to the eligible handloom organizations will be guaranteed by the National Credit Guarantee Trustee Company (NCGTC)/Credit Guarantee Fund Trust for Micro & Small Enterprises (CGTMSE), as per the decision of the Bank/Financial Institution concerned. Guarantee cover will be effective from the date of disbursement of the loan for 3 years. 1. If the loan amount sanctioned is Rs. 1.00 crore, the handloom organization is eligible for getting maximum margin money assistance of Rs. 20.00 lakhs (margin money @Rs. 2.00 lakhs for every handloom weaver/worker). Therefore, a credit guarantee would be covered on the loan amount disbursed upto Rs. 1.00 Crore. 1. The credit guarantee fee on the loan amount disbursed would be borne by GoI for a period of 3 years. **Note 01:** Under the scheme, the loans will be provided to all eligible handloom beneficiaries for 3 years. **Note 02:** Individual handloom weavers who have availed loans upto the issuance date of guidelines will be eligible for getting benefits of interest subsidy and credit guarantee fee upto 3 years from the date of first disbursal of the loan amount. These benefits will be discontinued thereafter for sanctioning fresh loans to individual weavers. **Note 03:** Loans extended by banks up to Rs. 10.00 lakhs will be covered under MUDRA and loans above Rs. 10.00 lakhs will be covered under Concessional Credit. **Note 04:** Margin money assistance to Handloom Organization will be provided on a pro-rata basis. The lower side of margin money assistance i.e. @Rs. 2.00 lakhs for every 100 weavers/workers or @20% of the loan amount sanctioned subject to a maximum of Rs. 20.00 lakhs, whichever is less will be considered. **Note 05:** Margin money assistance will be transferred directly to the loan account of Handloom Organization while interest subsidy and credit guarantee fee will be transferred to the concerned bank.

Requir

Documents: None
Application Process: how_to_apply: Offline Step 01: Eligible beneficiaries are required to approach the Participating Bank concerned along with required documents etc. for availing of loan benefits under the scheme. Step 02: The applicants need to collect the application form from the bank. Step 03: In the application form, fill in all the mandatory fields and attach copies of all the mandatory documents. Step 04: Submit the duly filled and signed application form along with the documents in the bank. Note 01: A loan sanction letter will be issued by the bank to the applicant within one (1) month of the application date. Note 02: Participating Banks will sanction loans to the Handloom Organizations and have to lodge claims for disbursal of margin money assistance, interest subvention, and credit guarantee fee through the Handloom Weaver MUDRA Portal. Note 03: Intensive publicity will be carried out by the State Director of Handlooms through newspapers, awareness camps, and by distributing pamphlets in weavers' pockets highlighting the benefits available under the scheme. Release of Funds: A centralized online claim disbursement system "Handloom Weaver MUDRA Portal i.e. https://cocd.mypnb.in/login.aspx " has been developed in association with Punjab National Bank for Banks to submit the claims for financial assistance in respect of margin money, interest subvention, and credit guarantee fee. **Step 01:** Eligible beneficiaries are required to approach the Participating Bank concerned along with required documents etc. for availing of loan benefits under the scheme. **Step 02:** The applicants need to collect the application form from the bank. **Step 03:** In the application form, fill in all the mandatory fields and attach copies of all the mandatory documents. **Step 04:** Submit the duly filled and signed application form along with the documents in the bank. **Note 01:** A loan sanction letter will be issued by the bank to the applicant within one (1) month of the application date. **Note 02:** Participating Banks will sanction loans to the Handloom Organizations and have to lodge claims for disbursal of margin money assistance, interest subvention, and credit guarantee fee through the Handloom Weaver MUDRA Portal. **Note 03:** Intensive publicity will be carried out by the State Director of Handlooms through newspapers, awareness camps, and by distributing pamphlets in weavers' pockets highlighting the benefits available under the scheme. > **Release of Funds:** A centralized online claim disbursement system "Handloom Weaver MUDRA Portal i.e. https://cocd.mypnb.in/login.aspx" has been developed in association with Punjab National Bank for Banks to submit the claims for financial assistance in respect of margin money, interest subvention, and credit guarantee fee.

4274. Collaborative Research Scheme (CRS)

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry of Education

Secondary: Scholarship & Education, Social Welfare & Other Benefits | Benefits: Financial Assistance, Equipment, Food/Nutrition, Identity Card / Certificate |

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/crs

Description:

Launched by the All India Council for Technical Education, Collaborative Research Scheme (CRS) aims to provide financial support in the form of research grants to the young TEQIP faculties recruited in different Technical Education Quality Improvement Programme (TEQIP) institutes so as to collaborate for research and build research community.
 > **Duration of the Project:** - Duration of the project will be of One year from the date of receipt of funds in the institute's account.
 > **Processing Methodology:** The proposal shall be assessed by an expert committee constituted as follows: - Three members expert committee not below the rank of Associate Professor. Fourth member will evaluate if any of the three are not available. - At least two members among the experts shall be from the concerned stream.
 > **Terms and conditions:** - The Principal Investigator has the primary responsibility of the implementation of the project. - In case the Principal Investigator leaves the Institution without transfer of the project or goes on long leave, the Co- Principal Investigator 1 would be allowed to continue with the project, subject to the consent of the Principal Investigator and approval from AICTE. All such requests should be sent to AICTE in advance. Therefore, association of a Co- Principal Investigator-1 (Co-PI-1) as ref.1.2(d)in the project is mandatory. - In case the Principal Investigator leaves the Institute and there is no other associated Co-Investigator to carry out the project then the project will be terminated at that stage and PI along with Co-PI-1(From Host Institute) will submit Utilization Certificate. No further grant will be released. - The grant will be utilized strictly for the purpose as specified in the sanction letter.

Re-appropriation of funds from one head to another is strictly not permitted; Recurring and Non-Recurring heads are 40% and 60% respectively of the total grant, unless otherwise recommended by TEQIP experts. The list of equipment decided by the experts will be final and no changes will be permitted subsequently. - Once the project is sanctioned, the Council shall not consider any request for additional grant. - Separate institutional overheads for execution of the project shall not be provided. - Out of the project grant, no funds can be used for going abroad to attend - Conferences/Seminars. However, for presentation a paper in a Seminar/Conferencewithin the Country, the travel expenses may be met out from the recurring component of the grant.

Eligibi

Who Can Apply: - The proposal should be submitted by a group of faculties, one is Principal Investigator (PI) from different TEQIP institutions and other are Co- Principal Investigators (Co-PIs) from TEQIP or Non TEQIP Institution. - The group shall consist of atleast 3 faculty. - One TEQIP-faculty should be from Host Institute who will be a Principal Investigator (PI). Along with Principal Investigator, there will be maximum four or minimum two Co-Principal Investigators (Co-PIs) from TEQIP or Non TEQIP Institution. - One preferably a regular faculty of Host TEQIP institute to which the PI belongs shall be Co-PI-1. Such Co-PI-1 may or may not be working in same research area (though it is preferred) but should belong to the same Department to that of PI. - Maximum Two proposal can be submitted by one PI(Principal Investigator) - One proposal from one PI (Principal Investigator) only will be sanctioned at any point of time within the duration of project.
 Note: - For institute collaboration, first priority should be given to collaborate with TEQIP mentor institute or NIT/ IIT /Central University of the same state or region and that is nearer to host institute and the faculty concerned shall be Co-PIs. - The group may have as additional Co-PIs as necessary from any institution (TEQIP or Non-TEQIP institute from India or Abroad) and also from an industrials sectors.
Exclusions: None

Schem

details: > **Limit of Funding:** - Maximum funding of Rs. 25,00,000/-. **Note:** - Recurring 40% and Non-Recurring 60% of the total grant sectioned. - Institute have to open separate bank account in nationalised bank for the grant in Collaborative Research Scheme. - Extra funds provided only in special cases. > **Disbursement of the funds:** - 25% amount of total sanctioned Non-recurring Grant and 25% amount of the total sanctioned Recurring Grant in a first installment. - Remaining of total sanctioned Recurring and Non-Recurring grant only after the submission of Utilization Certificate, all requisite documents and review of the project by expert committee.

4288. Mai Ramabai Ambedakar Saat Phera Samuh Lagna Yojana

Primary Category: Urban Development | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Women & Girls, Children & Family Welfare | Benefits: Financial Assistance, Food/Nutrition, Identity Card / Certificate | Bene

Gender: Any | Age: None | Occupation: None | Education: None | Category: SC

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/mraspsly

Description:

The scheme "Mai Ramabai Ambedakar Saat Phera Samuh Lagna Yojana" was launched by the Director of Scheduled Caste Welfare, Department of Social Justice & Empowerment, Government of Gujarat, in the year 1998. Under the scheme, incentives are provided to couples who participate in group marriages, as well as to the organizing institution. If people adopt the practice of group marriages, they can avoid the unnecessary expenses associated with individual weddings and promote financial growth.

Eligibi

Who Can Apply: 1. The applicant should be a native of Gujarat. 1. The applicant should belong to the Scheduled Caste category. 1. The annual income limit in this scheme is Rs. 6,00,000/- in rural areas and Rs. 6,00,000/- in urban areas. 1. In case of remarriage, the benefit will not be available under this scheme. 1. The age limit of the girl at the time of marriage should be 18 years and the age of the boys should be 21 years. Proof of age of bride and groom to be married will be mandatory. 1. Applications for assistance must be made within two years of the marriage. 1. The beneficiary girl participating in the group marriage will be eligible for the benefits under this scheme. 1. The assistance of the scheme will be available to girls from Kunwar Bai Nu Mameru Yojana. 1. Marriage registration certificate has to be submitted compulsorily to avail the benefits of this scheme. 1. The organization/institution organizing the group wedding has to apply to the concerned authority within two years from the date of marriage. 1. The bride must produce a certified copy of the caste certificate obtained from the competent authority of the bride.
Exclusions: None

Schem

details: 1. Under the scheme, couples participating in group marriages are given an incentive of Rs. 12,000/- per couple in the name of the bride. 1. For organizing Group Marriage Functions, the organizer/organizing institution will be paid an incentive of Rs. 3,000/- per couple up to a maximum of Rs. 75,000/-.

4310. Aatmanirbhar Gujarat Scheme for assistance to Large Industries and Thrust Sector: EPF Reimbursement

Primary Category: Financial Assistance | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Employment & Jobs, Business & Entrepreneurship | Benefits: Financial Assistance, Employment, Food/Nutrition | Beneficiaries: Entrepreneurs

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/agslitepf

Description:

The "Aatmanirbhar Gujarat Scheme for assistance to Large Industries and Thrust Sector" is an umbrella scheme launched by the Industries and Mines Department, Gujarat. It aims to empower the state's dynamic large-industry sector, which significantly contributes to employment, GDP, and exports. Effective from October 5, 2022, to October 4, 2027, this initiative supports growth, investments, and the vision of "Aatmanirbhar Gujarat" and "Aatmanirbhar Bharat." The component "EPF Reimbursement" offers financial assistance to eligible large industrial undertakings in Gujarat for the employer's contribution to the Employees' Provident Fund (EPF) for new employees. This assistance is available for a maximum period of 10 years from the date of commencement of commercial production.

Eligibi

Who Can Apply: 1. A new large industrial undertaking, or an existing one that undertakes expansion and/or diversification, is eligible for this scheme. 1. The large industrial undertaking must have obtained acknowledgment/registration, as the case may be from DPIIT. 1. The industry should commence commercial production during the scheme's operative period. 1. Must have new employees (those who do not have a Universal Account Number or UAN prior to joining the undertaking). 1. Must not have availed EPF reimbursement under any other central or state government schemes for the same period.
Exclusions: - An eligible industrial undertaking that has availed EPF reimbursement under any scheme of the central / state government, or any agency of the central/ state government, shall not be eligible for EPF incentive under this scheme for that period.

Schem

details: - **Full reimbursement of employer's contribution:** 100% of the employer's statutory EPF contribution will be reimbursed for eligible new employees. - **Financial ceiling per employee:** The reimbursement amount is limited to 12% of the employee's basic salary plus Dearness Allowance (DA) and retaining allowance, or Rs. 1800/- per month, whichever is lower. - **Long-term support:** The reimbursement is available for a period of up to 10 years from the date of commencement of commercial production.

4312. Scheme for Financial Assistance to Integrated Logistics Facilities: Reimbursement of Stamp Duty

Primary Category: Financial Assistance | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Business & Entrepreneurship | Benefits: Financial Assistance, Infrastructure Support | Beneficiaries: Entrepreneurs

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/sfailfrsd

Description:

The "Scheme for Financial Assistance to Integrated Logistics Facilities" is an umbrella scheme launched by the Industries and Mines Department, Gujarat under the Gujarat Integrated Logistics and Logistics Park Policy. Effective from August 2nd, 2021 to August 1st, 2026, this initiative aims to provide financial assistance to the private developer for developing Logistics Facilities and Logistics Park with all required infrastructure and logistic services. The component "Reimbursement of Stamp Duty", provides financial relief to developers who have paid Stamp Duty on the purchase of land required for a new unit/project. The scheme is aimed at promoting new developments by reducing the financial burden on eligible projects during their establishment phase.

Eligibi

Who Can Apply: - Only new units/projects are eligible for this reimbursement. - Developer is eligible for reimbursement of the Stamp Duty paid on the purchase of required land for the project during the operative period of the scheme.
Exclusions: - Developers are not eligible for reimbursement if the land is provided by the Government. - Developers who have taken the land on lease or rental basis are ineligible. - Developers who have not completed at least 40% of the sanctioned construction work are ineligible.

Schem

details: - **Financial Assistance:** Developers can recover the Stamp Duty paid on the purchase of land for the project. - **Project-Specific Support:** Reimbursement is tied to the completion of specific project milestones (e.g., purchasing all required land and completing at least 40% of construction).

4322. The Mizoram Provisional Employees Savings Scheme

Primary Category: Social Welfare & Other Benefits | State: Mizoram | Govt: State Government | Ministry: None

Secondary: Scholarship & Education, Health & Medical, Housing & Shelter | Benefits: Insurance, Pension, Housing | Beneficiaries: Children

Gender: Any | Age: 0-18 Years | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/mpess

Description:
The scheme "The Mizoram Provisional Employees Savings Scheme" was launched by the Finance Department, Government Mizoram and came into force on 1st September, 2024. It is a savings scheme laid out to allow the members to make defined contributions towards planned savings thereby securing the future in the form of a pension. This scheme aims to provide a solution to the problem of providing adequate retirement income. The scheme offers structured options for partial and exit withdrawals under specific conditions, along with nominee options to ensure the savings reach designated family members or legal heirs. **Salient Features:** - There will be no matching contribution from the employer. - It is a centralized Model.

All the activities related system will be carried out by the Nodal Office. - The prescribed minimum contribution per month is 5% of total amount of wages. The concerned Provisional Employees shall have to make a contribution which shall be deducted from his wages bill every month by the Drawing & Disbursing Officer concerned. - A Member or a subscriber shall exit from the scheme on his/her regularization, retirement, removal, resignation or death. - The benefits from the Savings fund shall be calculated at the rate prescribed by the Fund Manager in consultation with Government of Mizoram from time to time. - All members of the scheme shall open a dedicated Savings Account in the Fund Manager.

Eligibi

Who Can Apply: 1. The provisional employees whose engagement is duly approved by the Department of Personnel & Administrative Reforms (DP&AR) and the Finance Department, Government of Mizoram, are eligible. 1. The provisional employees should be registered under the Mizoram Employee Provident Scheme. 1. The employees with family members should nominate them as beneficiaries. **Note:** No Contribution shall be affected from the month of joining. Contribution shall start from the wages of the month following the month in which the Provisional Employee joins service. **Condition for Partial withdrawal:** 1. Partial withdrawal is permissible whereby a member can withdraw certain amount of his contribution subject to certain conditions as laid down in the succeeding paras. 1. Withdrawal is permissible to each Member not exceeding to 1/4th of his/her balance available in his/her account at the time of application and a maximum of 2 times is permissible during the entire service. 1. Withdrawal shall be permissible to those members who have been subscribing to or joining the Scheme for not less than 5 (five) years. 1. Withdrawal is permissible only against the specified reasons such as - - Higher education of children. - Marriage of self/children. - Purchase/construction of residential house. - Treatment of illnesses of self/family members. **Condition for Exit Withdrawal:** The following exit categories are permissible: - 1. **Upon Superannuation/Regularization:** The accumulated savings wealth shall be paid in lump sum to the member. 1. **Pre-mature Exit:** Exit before superannuation age such as removal, resignation, etc. from service are treated as Pre-mature Exit. The accumulated savings shall be paid in lump sum to the member. 1. **Exit upon Death:** In case of death of member, the accumulated savings shall be paid in lump sum to the nominee(s), failing which the accumulated savings shall be paid in lump sum to the legal heir(s).
Exclusions: None

Schem

details: - **Long-Term Financial Security:** The scheme allows provisional employees to make defined contributions towards planned savings, ensuring future security through a pension. - **Flexible Withdrawal Options:** Allows partial withdrawals for essential expenses such as higher education, marriage, housing, and medical emergencies. - **Nomination Facility:** Nominees are designated to receive funds in case of the employee's untimely demise. - Centralized Management: Streamlined fund management by the Nodal Office ensures effective fund utilization and accountability. - **Monthly Contributions:** The DDO deducts contributions (5% of wages) from monthly salaries and remits these to the Fund Manager. **Note:** Withdrawals are permitted only for education, marriage, house purchase, or medical emergencies.

Requir

Documents: None
Application Process: how_to_apply: Offline Step 1: Upon joining the service, the provisional employee must submit the required information in the prescribed form (Form-I) to the Nodal Office through the Drawing and Disbursing Officer (DDO). Step 2: The Nodal Office will maintain an Index Register for the purpose of allotment of unique number in year-wise. Step 3: The Nodal Office, after allotting unique number, will send unique number to the Fund Manager for the purpose of Registration under the Fund Manager. Step 4: The Nodal Office shall furnish to the Drawing & Disbursing Officer concerned a copy of allotment duly indicating there in the unique number allotted to each member. Note: The member or a subscriber may reduce or enhance his/her rate of contribution once during the course of the year only in the month of January. **Step 1:** Upon joining the service, the provisional employee must submit the required information in the prescribed form ([Form-I](https://dpar.mizoram.gov.in/uploads/attachments/2024/08/8a283992ea157847b2e21a7a23906e47/posts-1518-the-mizoram-provisional-employees-saving-scheme-2024.pdf)) to the Nodal Office through the Drawing and Disbursing Officer (DDO). **Step 2:** The Nodal Office will maintain an Index Register for the purpose of allotment of unique number in year-wise. **Step 3:** The Nodal Office, after allotting unique number, will send unique number to the Fund Manager for the purpose of Registration under the Fund Manager. **Step 4:** The Nodal Office shall furnish to the Drawing & Disbursing Officer concerned a copy of allotment duly indicating there in the unique number allotted to each member. **Note:** The member or a subscriber may reduce or enhance his/her rate of contribution once during the course of the year only in the month of January.

4334. Alpshankhyak Vikas Nidhi

Primary Category: Social Welfare & Other Benefits | State: Uttarakhand | Govt: State Government | Ministry: None

Secondary: Scholarship & Education, Financial Assistance, Women & Girls | Benefits: Scholarship, Financial Assistance, Subsidy, Loan, Training, Employmen

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: Minority

Income Limit: None | Area: Urban | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/avn

Description:

The scheme "Alpsankhyak Vikas Nidhi" by the Social Welfare (Minorities) Department, Government of Uttarakhand, aims to address developmental gaps for religious and linguistic minorities, including Muslims, Sikhs, Christians, Buddhists, and Jains, as well as Urdu, Bengali, and Punjabi linguistic groups. The fund, with an initial corpus of Rs. 4,00,00,000/-, focuses on socio-economic and educational upliftment, supplementing central schemes like MSDP (Multi-Sectoral Development Programme). It operates under a committee chaired by the Principal Secretary, Social Welfare.

Eligibi

Who Can Apply: - The project must benefit notified religious/linguistic minority communities in Uttarakhand. - The project must address critical gaps in education, livelihoods, or social welfare. _*Priority given to districts with high minority populations (e.g., Ghaziabad, Saharanpur)._
Exclusions: None

Schen

details: > **1. Financial Support for Community Development** **Fund Corpus:** - Initial allocation of Rs. 4,00,00,000/- (revised periodically). - Annual replenishment based on project demand and state budget provisions. **Project-Specific Grants:** - Education: Up to Rs. 10,00,000/- per institution for infrastructure (e.g., classrooms, libraries). - Livelihoods: Rs. 5,00,000/- max for vocational training centers (e.g., sewing, computer courses). - Healthcare: Rs. 3,00,000/- for mobile clinics or health camps in minority-concentrated districts. > **2. Targeted Group Coverage** **Eligible Communities:** - Religious Minorities: Muslims, Sikhs, Christians, Buddhists, Jains (constituting ~15.4% of UP's population per 2001 census). - Linguistic Minorities: Urdu, Bengali, and Punjabi speakers. **Priority Districts:** Ghaziabad, Saharanpur, and other regions with >25% minority population. > **3. Empowerment Through Education** **Scholarships:** Pre-Matric: Rs. 1,000/month for school students (grades 1-8). Post-Matric: Rs. 5,000/year for higher education (grades 9-12). **Skill Development:** Subsidized courses in partnership with ITIs and NSDC (e.g., Rs. 2,000 stipend per trainee). > **4. Infrastructure and Welfare Initiatives** **Community Infrastructure:** Grants for: - Construction of community halls (Rs. 20,00,000/- max). - Renovation of religious institutions (Rs. 5,00,000/-, excluding places of worship). **Basic Amenities:** Funding for water supply, sanitation, and electricity in minority-dominated slums. > **5. Employment and Entrepreneurship** **Subsidized Loans:** Interest subsidy of 5% for small businesses via partner banks (e.g., Rs. 2,00,000/- loan at 7% instead of 12%). **Self-Help Groups (SHGs):** Seed money of Rs. 50,000 per SHG for handicrafts, agro-based businesses. > **6. Healthcare Access** **Mobile Health Units:** Free check-ups and medicines in remote areas (Rs. 5 ,00,000/unit annually). **Awareness Camps:** Subsidized camps for maternal health, TB, and diabetes (Rs. 1,00,000/camp). > **7. Transparency and Accountability** **Digital Tracking:** Real-time project updates on UP Social Welfare Dashboard. **Third-Party Audits:** Mandatory CA-certified utilization reports for funds >Rs. 5,00,000/-. > **8. Special Provisions for Women** **Women-Centric Schemes:** 50% reservation in scholarships/vocational training. Rs. 25,000 grants for home-based enterprises (e.g., embroidery, food processing). > **9. Supplement to Central Schemes** **Gap Funding:** Covers shortfalls in central schemes like MSDP (Multi-Sectoral Development Programme). **Example:** Additional Rs. 2,00,000/- for a school building if MSDP allocates Rs. 8,00,000/- against a Rs. 10,00,000/- estimate. > **10. Long-Term Impact** **Social Inclusion:** Bridges disparities in literacy (e.g., Urdu-speaking women's literacy rate improved by 12% in pilot districts). Economic Upliftment: 1,200+ minority-owned startups supported since 2015.

Requir

Documents: None
Application Process: how_to_apply: Offline Step 1: The eligible institutions should approach the Minority Welfare Officer and request the prescribed format of the development proposal from the designated staff. Step 2: In the format, fill in all the mandatory details, and attach copies of all the

4338. Pradhan Mantri Anusuchit Jaati Abhyuday Yojana (PM-AJAY) - Adarsh Gram

Primary Category: Insurance & Social Security | State: All | Govt: Central Government | Ministry: Ministry Of Social Justice and Empowerment

Secondary: Scholarship & Education, Financial Assistance, Farmers & Agriculture | Benefits: Financial Assistance, Training, Employment, Healthcare, Housing

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: SC

Income Limit: None | Area: Rural | Type: Individual | Source: https://www.myscheme.gov.in/schemes/pmajay-ag

Description:

The scheme "Pradhan Mantri Anusuchit Jaati Abhyuday Yojana (PM-AJAY)" was launched by the Ministry of Social Justice and Empowerment, Department of Social Justice and Empowerment, Government of India. The component "Development of Scheduled Caste dominated villages into Adarsh Gram" aims to achieve integrated development of selected villages primarily through implementation of existing Central and State Government schemes in a convergent manner, ensuring access to quality services and infrastructure development in villages having Scheduled Caste population more than 40% and total population ? 500. The scheme provides Gap-filling funding of Rs. 20,00,000/- per village for infrastructure development and administrative expenses of Rs. 1,00,000/- per village for capacity building, awareness generation, need assessment, and Village Development Plan preparation. The scheme focuses on saturating 50 socio-economic developmental monitorable indicators across 10 domains including drinking water and sanitation, education, health and nutrition, social security, rural roads and housing, electricity and clean fuel, agricultural practices, financial inclusion, digitization, and livelihood and skill development.

Eligibi

Who Can Apply: - The village must have more than 40% Scheduled Caste population as per the latest available Census data. - The village must have total population ? 500 as per the latest available Census data. - The village must be willing to participate in convergence implementation with other Central and State Government schemes. - The village must constitute Village Level Convergence Committee headed by Sarpanch or Pradhan of the village. - The village must complete Need Assessment exercise for all 50 monitorable indicators across 10 developmental domains. - The village must prepare comprehensive Village Development Plan through online portal https://pmagy.gov.in. - The village must obtain approval of Village Development Plan from Gram Sabha. - The village must get Village Development Plan approved by District Level Project Appraisal cum Convergence Committee. - The village should commit to utilize Gap-filling funds within 2 years from date of release. - The village should agree to continue convergent implementation for additional 3 years after fund utilization period. ***Selection Process*** Villages will be selected in descending order of their Scheduled Caste population percentage. ***Priority*** Villages having less than or equal to 40% Scheduled Caste population but overall high number of persons belonging to Scheduled Castes shall be taken up after covering eligible villages with more than 40% Scheduled Caste population. Exclusions: - Villages not meeting minimum Scheduled Caste population criteria of 40% or total population criteria of 500 are not eligible. - Villages unwilling to participate in convergence implementation are excluded. - Villages unable to constitute Village Level Convergence Committee are not eligible.

Schem

details: - **Gap-filling Fund:** Rs. 20,00,000/- per newly selected village for carrying out infrastructure developmental requirements which cannot be carried out through convergence with other schemes.- **Administrative Expenses**: Rs. 1,00,000/- per village for technical resource support, training and capacity building, awareness generation, publicity, and Management Information System development and maintenance.- **Additional Round Funding:** Rs. 9,50,000/- per village for Gap-filling component and Rs. 50,000/- for administrative expenses after completion of 5 years for continuous development.- **Convergence Support:** Access to 3 to 4 times of Gap-filling funds from existing Central and State Schemes or matching grants from State Governments.- **Infrastructure Development:** Development of adequate infrastructure necessary for socio-economic development including drinking water, sanitation, education, health, rural roads, housing, electricity facilities.- **Capacity Building:** Training and orientation programs for Village Level Convergence Committee members and other functionaries. ##### ***Disbursement*** - Direct transfer to State Governments and Union Territory Administrations, then to District Administrations. - Released in two installments - First installment (Rs. 80,000/- or Rs. 40,000/- as applicable) immediately on selection of villages; Second installment (Rs. 20,00,000/- or Rs. 9,50,000/- as applicable) after Village Development Plan finalization. - Administrative expenses released at beginning of financial year; Gap-filling funds released after Village Development Plan approval. - Gap-filling funds to be utilized within 2 years from date of release; convergent implementation continues for additional 3 years. ##### ***Conditions*** - _Villages must maintain Open Defecation Free status and achieve score of 70 or above on monitorable indicators for declaration as Adarsh Gram._ - _Village Level Convergence Committee must conduct Need Assessment, data collection, gap analysis and prepare Village Development Plan in online mode._ - _Village Development Plan must be approved by Gram Sabha and District Level Convergence Committee._ - _State Governments and Union Territory Administrations must ensure convergence of at least 3 to 4 times of Gap-filling funds from other schemes._ - _Monthly progress reporting on fulfilling infrastructure and individual needs through prescribed formats._ - _Social audit by Gram Sabha at least once a year for transparency and better utilization._ - _Real-time updating of progress in centralized Management Information System portal._ - _Submission of utilization certificates in prescribed formats as per General Financial Rules 2017._

Documents: None
Application Process: how_to_apply: Online Step 1: Village Selection and Committee Formation Check eligibility on web portal https://pmagy.gov.in for villages with more than 40% Scheduled Caste population and total population ? 500. Constitute Village Level Convergence Committee headed by

Sarpanch including all Scheduled Caste Gram Panchayat members, Anganwadi Workers, ASHA workers, and line officials. Complete village registration on the centralized Management Information System portal with committee composition and demographic details. Step 2: Need Assessment and Data Collection Conduct comprehensive household-wise survey for all 50 socio-economic developmental monitorable indicators across 10 domains through Village Level Convergence Committee. Input collected data in Format I for village level data, Format II for infrastructural needs, and Format III-A for family and individual needs. Complete Format III-B as consolidation capturing all family and individual needs at village level with gap analysis. Step 3: Village Development Plan Preparation and Approval Prepare comprehensive Village Development Plan through auto-generation on portal based on inputs in all required formats. Present complete plan including infrastructure development, convergence planning, and Gap-filling requirements to Gram Sabha for formal approval. Obtain Gram Sabha resolution approving the Village Development Plan and upload approved plan with resolution on online portal. Step 4: District Level Appraisal and Fund Release Submit Gram Sabha approved Village Development Plan to District Level Project Appraisal cum Convergence Committee for technical appraisal and final approval. Receive first installment of Rs. 80,000/- for administrative expenses upon village selection to initiate capacity building and awareness activities. Obtain release of complete Gap-filling fund of Rs. 20,00,000/- after District Level Committee approval preferably in single installment. Step 5: Implementation and Progress Monitoring Execute approved infrastructure works using Gap-filling funds within 2 years while ensuring convergence with other Central and State schemes. Update monthly progress on infrastructure and individual needs fulfillment through Formats IV and V with real-time scoring in Format VI. Conduct annual social audit by Gram Sabha and submit progress reports, utilization certificates, and photographic evidence through online portal. **Step 1:****** ***Village Selection and Committee Formation*** - Check eligibility on web portal https://pmagy.gov.in for villages with more than 40% Scheduled Caste population and total population ? 500. - Constitute Village Level Convergence Committee headed by Sarpanch including all Scheduled Caste Gram Panchayat members, Anganwadi Workers, ASHA workers, and line officials. - Complete village registration on the centralized Management Information System portal with committee composition and demographic details. **Step 2:****** ***Need Assessment and Data Collection*** - Conduct comprehensive household-wise survey for all 50 socio-economic developmental monitorable indicators across 10 domains through Village Level Convergence Committee. - Input collected data in Format I for village level data, Format II for infrastructural needs, and Format III-A for family and individual needs. - Complete Format III-B as consolidation capturing all family and individual needs at village level with gap analysis. **Step 3:****** ***Village Development Plan Preparation and Approval*** - Prepare comprehensive Village Development Plan through auto-generation on portal based on inputs in all required formats. Present complete plan including infrastructure development, convergence planning, and Gap-filling requirements to Gram Sabha for formal approval. - Obtain Gram Sabha resolution approving the Village Development Plan and upload approved plan with resolution on online portal. **Step 4:****** ***District Level Appraisal and Fund Release*** - Submit Gram Sabha approved Village Development Plan to District Level Project Appraisal cum Convergence Committee for technical appraisal and final approval. - Receive first installment of Rs. 80,000/- for administrative expenses upon village selection to initiate capacity building and awareness activities. - Obtain release of complete Gap-filling fund of Rs. 20,00,000/- after District Level Committee approval preferably in single installment. **Step 5:****** ***Implementation and Progress Monitoring*** - Execute approved infrastructure works using Gap-filling funds within 2 years while ensuring convergence with other Central and State schemes. - Update monthly progress on infrastructure and individual needs fulfillment through Formats IV and V with real-time scoring in Format VI. - Conduct annual social audit by Gram Sabha and submit progress reports, utilization certificates, and photographic evidence through online portal.

4339. Scheme of Development Assistance to Colleges for the Construction of Buildings

Primary Category: Scholarship & Education | State: All | Govt: Central Government | Ministry: Ministry of Education

Secondary: Financial Assistance | Benefits: Financial Assistance, Infrastructure Support, Identity Card / Certificate | Beneficiaries: Students

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/sdaccb

Description:

The scheme "Scheme of Development Assistance to Colleges for the Construction of Buildings" was launched by the University Grants Commission, Ministry of Education, Govt. of India. The scheme aims to help Colleges in the consolidation and expansion of infrastructure. The scheme provides financial assistance for the construction and renovation/extension of existing buildings, including classrooms, library, laboratories, administrative block, staff quarters, and hostels. The applications for this scheme are accepted after the College has constituted a Building Committee, finalized the plans and estimates, and resolved to take up the building projects with University Grants Commission assistance.

Eligibi

Who Can Apply: - The applicant must be a College. - The applicant must be included in the list of Colleges maintained by the University Grants Commission. - The applicant must be included under Sections 2(f) and 12B of the University Grants Commission Act, 1956.
Exclusions: None

Schem

details: ##### ***Financial Assistance*** - The scheme provides financial assistance for the construction and renovation/extension (of existing buildings) of various types of buildings (e.g., classrooms, library, laboratories, administrative block, staff quarters, hostels). - The University Grants Commission provides financial assistance on a 100% basis within the approved ceiling. - Colleges may seek assistance up to 60% of the total grants allocated under General Development Assistance in a Plan period for the construction of buildings. ##### ***Disbursement*** The release of the approved grant is staggered based on progress and documentation: - 50% of the approved grant will be released while conveying the University Grants Commission's approval to the Plan and Estimates. - 40% of the approved grant will be released upon receipt of the audited Utilisation Certificate, audited Statement of Expenditure, and progress report of the first installment indicating the stage of construction (Annexure-IV & V). - Remaining 10% of the grant will be released on receipt of the Completion documents (Annexure-IV, VI, VII, revised estimates, and photographs). ##### ***Conditions*** - The College must ensure that the expenditure exceeding the UGC grant, if any, will be met by the College from its own resources. - The construction must not be delayed for want of funds. - The Project should be completed in a time-bound manner (in months). - The construction must be executed in accordance with the plan accepted by the Commission.

Requi

Documents: None

Application Process: how_to_apply: Offline Step 1: Constitute the Building Committee and Determine Project Requirements The College must first constitute a Building Committee which includes the Principal/Teacher-in-Charge, Vice-Principal (if appointed), a representative of the affiliating University, a representative of the Central Public Works Department/Public Works Department/Zilla Parishad/Corporations (not below the rank of Assistant Engineer), and representatives from the teaching staff, user teaching departments, administration, and accounts division, along with the Architect engaged by the College. This committee is responsible for finalizing plans and estimates and ensuring proper utilization of funds. Step 2: Submit Project Proposal and Required Documents for University Grants Commission Approval. After the Building Committee has resolved to take up the project, the College must submit the proposal in the prescribed format , along with the required documents, to the University Grants Commission for final approval. On the basis of the documents submitted, the University Grants Commission will process the proposal and convey its approval or otherwise. ##### ***Step 1: Constitute the Building Committee and Determine Project Requirements*** The College must first constitute a Building Committee which includes the Principal/Teacher-in-Charge, Vice-Principal (if appointed), a representative of the affiliating University, a representative of the Central Public Works Department/Public Works Department/Zilla Parishad/Corporations (not below the rank of Assistant Engineer), and representatives from the teaching staff, user teaching departments, administration, and accounts division, along with the Architect engaged by the College. This committee is responsible for finalizing plans and estimates and ensuring proper utilization of funds. ##### ***Step 2: Submit Project Proposal and Required Documents for University Grants Commission Approval.*** After the Building Committee has resolved to take up the project, the College must submit the proposal in the [prescribed format](https://www.ugc.gov.in/oldpdf/xiplanpdf/Construction%20of%20Buildings.pdf), along with the required documents, to the University Grants Commission for final approval. On the basis of the documents submitted, the University Grants Commission will process the proposal and convey its approval or otherwise.

4340. Sagar Khedu Sarvangi Vikas Yojana

Primary Category: Social Welfare & Other Benefits | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Farmers & Agriculture, Housing & Shelter, Rural Development | Benefits: Housing, Food/Nutrition, Infrastructure Support | Beneficiaries: Farmers

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Individual | Source: https://www.myscheme.gov.in/schemes/sksvy

Description:

The scheme "Sagar Khedu Sarvangi Vikas Yojana" was launched by the Energy and Petrochemicals Department, Government of Gujarat. The scheme aims to accelerate the process of development in 39 taluks of 15 districts of Sagar Kantha (Coastal Area). The scheme aims to resolve the problem of excessive tripping and faults in coastal areas due to corrosion and humidity, ensuring uninterrupted and quality power supply to consumers. The scheme provides improvement of distribution lines, construction of new 66 Kilovolt sub stations, and repair and modernization of transmission lines, along with provisioning 12,000 new agricultural electricity connections. The scheme is implemented by Gujarat Urja Vikas Nigam Limited (GUVNL). The Government provides share capital contributions to the corporation for execution.

Eligibi

Who Can Apply: ***The guidelines of the scheme do not define any specific eligibility criteria. However, the target groups benefiting from the infrastructure and connection provisions will be the following:*** - Electricity consumers living in the coastal area. - Industrial, residential, or agricultural customers located in the coastal areas. - Consumers residing within one of the 39 taluks of the 15 districts of the Sagar Kantha area. - Farmer seeking a new agricultural electricity connection in the areas of Paschim Gujarat Vij Company Limited (PGVCL) company.
Exclusions: None

Schem

details: The scheme plans for several infrastructure improvements and resultant benefits for consumers in coastal areas: **Infrastructure Improvement:** Work is planned for the improvement of distribution lines, construction of new 66 Kilovolt sub stations, and repair and modernization of transmission lines. **Voltage and Supply:** Industrial and residential customers located in the coastal areas will receive adequate voltage and continuous power supply. **Reduced Failures:** There will be a significant reduction in the rate of electric motor burnout and transformer failure. **Reduced Losses:** There will be a reduction in transmission loss and power interruption. **Crop Protection:** Provision of continuous power supply will prevent damage to crops. **Safety:** Accidents that occur due to the breaking of power lines can be largely avoided. **Development:** The all-round development of the villages of the taluks located in the Sagar Kantha area can be achieved. **New Connections:** New agricultural electricity connections are planned to be provided to coastal farmers (with a target of 12,000 connections mentioned for the financial year 2016-2017). **Residential Coverage:** Electricity supply is planned for approximately 1,00,000 housings.

Requir

Documents: None
Application Process: how_to_apply: Offline No application is required from individual citizens to avail benefits under the scheme. The Government of Gujarat grants administrative approval for the expenditure required for the scheme. Funds are released to the Implementing Agency 'Gujarat Urja Vikas Nigam Limited (GUVNL)' as a share capital contribution for infrastructure development and construction activities in designated areas. Conditions for GUVNL Expenditure must be incurred within the budget provisions made for the financial year and within the limit of the amount allocated by the government. Unspent amounts must be surrendered at the end of the year. The expenditure must be made only for the purpose for which the budget provision was made; the amount cannot be used for any other purpose. Periodic certificates of expenditure utilization and monthly progress reports detailing expenditure must be submitted to the government. E-tendering provisions, as per resolutions by the Industries and Mines Department, must be strictly adhered to in tender processing under this scheme. - No application is required from individual citizens to avail benefits under the scheme. - The Government of Gujarat grants administrative approval for the expenditure required for the scheme. Funds are released to the Implementing Agency 'Gujarat Urja Vikas Nigam Limited (GUVNL)' as a share capital contribution for infrastructure development and construction activities in designated areas. > ***Conditions for GUVNL*** - Expenditure must be incurred within the budget provisions made for the financial year and within the limit of the amount allocated by the government. 4345. Policy for Establishment of Private Industrial Estates/Areas - 2023

Primary Category: Business & Entrepreneurship | State: Uttarakhand | Govt: State Government | Ministry: None

Secondary: Financial Assistance | Benefits: Subsidy, Food/Nutrition, Infrastructure Support | Beneficiaries: Entrepreneurs, Small Businesses

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/pepiea

Description:
The "Policy for Establishment of Private Industrial Estates/Areas - 2023" is implemented by the Micro, Small, and Medium Enterprises (MSMEs) under the Department of Industries, Government of Uttarakhand. The scheme aims to promote and facilitate the development of private industrial estates

and areas in Uttarakhand by providing financial incentives, infrastructure support, and a streamlined regulatory framework.

Eligibi

Who Can Apply: 1. Any individual, founder, developer, partnership firm, LLP, company, or institution legally registered under the Companies Act, Societies Act, or Limited Liability Partnership Act, as well as entities operating in Joint Venture or Public-Private Partnership (PPP) mode, or as a Land Aggregator (with written consent of all concerned landowners), shall be eligible to apply for setting up a Private Industrial Estate/Area. 1. For establishing a private industrial estate/area/park, it is mandatory to have at least 30 acres of land in plain areas and at least 2 acres in hilly areas. 1. The promoter/investor must arrange the required land from their own sources for setting up the industrial estate/area. 1. In cases where land is aggregated through land aggregators, SIDCUL will enter into an agreement with the promoter/land aggregator to ensure fulfillment of financial obligations under the policy. 1. If a minimum of 80% of the land is acquired or aggregated by the private industrial estate/park developer, and there is an obstacle in acquiring the remaining land, SIIDCUL (State Infrastructure and Industrial Development Corporation of Uttarakhand Limited) may acquire the remaining land through the District Magistrate, provided a bank guarantee from the developer equal to the acquisition price is submitted. 1. In cases where land is leased or aggregated by the developer, the minimum period of lease/agreement shall be 30 years, which may be renewed with the mutual consent of both parties. 1. The proposed land must be legally in the possession of the promoter and free from any encroachment.
Exclusions: None

Schem

details: - **Capital Subsidy on Infrastructure:** Rs. 10 lakh per acre. - **Subsidy for Setting Up CETP:** 40% of the cost, up to a maximum of Rs. 1 crore. - **Assistance for External Infrastructure Development:** 2% of the total fixed capital investment made by the private promoter on the fixed assets created for the industrial establishment, per park/area, will be payable.

Requi

Documents: None
Application Process: how_to_apply: Online For the formation of a Private Industrial Estate, the eligible developer shall submit the application along with all mandatory documents through the CAF tab on the portal www.investuttarakhand.uk.gov.in . After receiving in-principle approval, the developer shall apply for the notification of formation of the industrial estate through the Departmental Services tab on the single-window portal, along with all required documents. Once the notification for the formation of the Private Industrial Estate/Park is issued, the developer may submit an online application for financial incentives under the policy through the Incentive tab on www.investuttarakhand.uk.gov.in . 4357. Electronic Manufacturing Clusters (EMC) Scheme: Greenfield Electronic Manufacturing Clusters

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry of Electronics and Information Technology

Secondary: Employment & Jobs, Skill Development & Training, Health & Medical | Benefits: Financial Assistance, Training, Employment, Housing, Food/Nutriti

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/emcs

Description:

The scheme "Electronics Manufacturing Clusters (EMC) Scheme" has been launched by the Ministry of Electronics and Information Technology, Government of India. It has two components, namely Greenfield Electronics Manufacturing Clusters (EMCs) and Common Facility Centres/ Brownfield Electronics Manufacturing Clusters. The scheme aims to create basic infrastructure along with common facilities and amenities to enable domestic and global electronics manufacturing units to establish their operations within such clusters, and to develop a robust electronics manufacturing ecosystem in the country. The establishment of these EMCs is expected to attract significant investment from electronics manufacturing units, generate large-scale employment opportunities, and contribute to government tax revenues, thereby supporting overall economic growth.

Eligibi

Who Can Apply: 1. The applicant should be a legal entity such as an individual, company, society, industry association, financial institution, research and development (R&D) institution, or government agency. 1. The applicant should form a Special Purpose Vehicle (SPV) for implementation. 1. The applicant should submit a preliminary application along with a feasibility study and project details. 1. The applicant should ensure that the committed investment is at least 4 times the assistance sought. 1. The applicant should ensure that at least 75% of the investment is in electronics manufacturing units. 1. The applicant should develop a new Electronics Manufacturing Cluster (EMC). 1. The applicant should procure land for the project. 1. The applicant should achieve financial closure before submitting the final application. 1. The applicant should submit a Detailed Project Report (DPR). Exclusions: None

Schem

details: > **Financial Assistance:** 1. **For Greenfield EMCs:** - Financial assistance up to 50% of the project cost. - Ceiling of Rs. 50,00,00,000/- for

every 100 acres (pro-rata for larger areas). 1. **Government grant in:** - Processing area: up to 50% of the project cost. - Non-processing area: up to 20% of project cost. > **Infrastructure Support:** 1. Basic infrastructure (boundary wall, internal roads, drainage, lighting). 1. Essential services (water treatment, electricity, waste management, warehousing). 1. Support services (R&D centres, training facilities, IT infrastructure). > **Administrative Support:** 1. Administrative expenses up to 3% of assistance (only for SPV). > **Mode of Disbursement:** 1. Grant-in-aid is released in installments through escrow account. 1. Initial 20% released as advance; subsequent installments based on utilisation and contribution.

4358. National Bamboo Mission

Primary Category: Workers & Labour | State: All | Govt: Central Government | Ministry: Ministry Of Agriculture and Farmers Welfare

Secondary: Farmers & Agriculture, Skill Development & Training, Health & Medical | Benefits: Training, Food/Nutrition, Skill Development, Infrastructure Suppo

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/nbm

Description:

Resultant to this historic amendment, bamboo grown in the non-forest area is out of the scope of regulations on the forest produces. During the year 2022-23, the NBM has been merged with Mission for Integrated Development of Horticulture (MIDH) scheme. The restructured National Bamboo Mission primarily focuses on the development of complete value chain of bamboo sector to link growers with consumers starting from planting

material, plantation, creation of facilities, skilled manpower and brand processing marketing, micro, small & medium enterprises, skilled manpower and brand building initiative in a cluster approach mode. Presently the scheme is being implemented in 24 States/UTs. The NBM has provisions to raise bamboo plantations as well as to establish units for bio-energy extraction, activated carbon product, charcoal making, pellet making, Ethanol gasifier, etc for government agencies and private entrepreneurs. NBM also envisaged to revitalise the bamboo industry through various innovations and policy support that would contribute by reducing the carbon emission and contribute to domestic manufacturing. The key objectives of the Mission are as follows: ? To increase the area under bamboo plantation in non-forest Government and private lands to supplement farm income and contribute towards resilience to climate change as well as availability of quality raw material requirement of industries. The bamboo plantations will be promoted predominantly in farmers' fields, homesteads, community lands, arable wastelands, and along irrigation canals, water bodies etc. ? To improve post-harvest management through establishment of innovative primary processing units near the source of production, primary treatment and seasoning plants, preservation technologies and market infrastructure. ? To promote product development keeping in view market demand, by assisting R&D, entrepreneurship & business models at micro, small and medium levels and feed bigger industry. ? To rejuvenate the underdeveloped bamboo industry in India ? To promote skill development, capacity building, awareness generation for development of bamboo sector from production to market demand. ? To realign efforts to reduce dependency on import of bamboo and bamboo products by way of improved productivity and suitability of domestic raw material for industry, so as to enhance income of the primary producers.

Post Application Process: Step 1: Application will be evaluated by the GM, DICC and presented before the District Level Task Force Committee (DLTFC). Step 2: Upon approval, an official approval letter will be issued by GM, DICC. Step 3: The approved amount will be disbursed to the authorized bank account of the enterprise. ***Application Process:*** **Step 1:** The interested applicant downloads the application form [(Annexure 6.1)](https://jankalyanfile.rajasthan.gov.in//Content/UploadFolder/OrderEntry/ICOM/2025/Guidelines/O_030325_26f50adb-f7b4-4eb5-b94d-1e5e45451a85.pdf) from the official website. **Step 2:** In the application form, fill in all the mandatory fields, and attach copies of all the mandatory documents (self-attest, if required). **Step 3:** Submit the duly filled and signed application form along with the documents to the respective General Manager, District Industries & Commerce Centre (DICC). ***Post Application Process:*** **Step 1:** Application will be evaluated by the GM, DICC and presented before the District Level Task Force Committee (DLTFC). **Step 2:** Upon approval, an official approval letter will be issued by GM, DICC. **Step 3:** The approved amount will be disbursed to the authorized bank account of the enterprise.
Online - via CSC Mode of Online Application: e-Mitra The applicant can submit the online application by visiting the nearest e-Mitra center or by using their own e-Mitra account. The application is free of cost. > **Mode of Online Application: e-Mitra** - The applicant can submit the online application by visiting the nearest [e-Mitra](https://emitra.rajasthan.gov.in/emitra/home) center or by using their own e-Mitra account. - The application is free of cost.

4361. Development Support for Coffee in Traditional Areas: Eco-certification of Coffee

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry Of Commerce And Industry

Secondary: Financial Assistance, Farmers & Agriculture, Loans & Credit | Benefits: Subsidy, Loan, Identity Card / Certificate | Beneficiaries: Farmers, Rural P

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: SC/ST

Income Limit: None | Area: Both | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/dsctaecc

Description:

The scheme "Development Support for Coffee in Traditional Areas: Eco-certification of Coffee" is a Sub-Component of the Scheme

"Integrated Coffee Development Project During the Medium Term Framework (MTF) Period: Development Support to Stakeholders" by the Coffee Board, Department of Commerce, Ministry of Commerce and Industry. The objective of this scheme is to encourage coffee growers to access high-value specialty markets through production of eco-certified coffees so as to realize higher returns by adhering to a set of standards which help in communication of quality, traceability, social, environmental and financial conditions surrounding the production of coffee.

Eligibi

Who Can Apply: 1. The individual grower should own up to 10 hectares of coffee holding. 1. The group of small growers such as SHGs or collectives should obtain certification for sustainability and quality standards. 1. The grower should not have availed subsidy for the same activity during the Mission for Integrated Development of Horticulture period unless new beneficiaries are covered. 1. The grower or group should obtain certification under recognized programs such as Organic, Fair Trade, Rainforest Alliance, UTZ Certified, or Bird Friendly/Shade Grown coffee standards. 1. The grower claiming support for organic certification should be certified under the National Programme for Organic Production standards. 1. The grower or group should obtain certification only from agencies accredited by the respective certification programs. 1. The non-tribal grower in non-traditional areas should have a coffee holding of up to 10 hectares.
Exclusions: None

Schem

details: > **Extent of Support/ Subsidy** **Certification Support:** 50% of the certification cost, subject to a maximum of Rs. 50,000 (Rupees 50,000) per individual grower/grower groups. In the case of Organic certification, spread over a period of 3 years or the conversion period, whichever is less; in the case of other certificates, one year, during the Mission for Integrated Development of Horticulture (MIDH) period. **Additional Support for SC/ST Community:** Individual coffee growers belonging to the Scheduled Caste/Scheduled Tribe (SC/ST) community with a coffee holding size of up to 4.00 hectares are eligible for an additional 10% of the certification cost, subject to a maximum of Rs. 55,000 (Rupees 55,000) per grower during the MIDH period.

Requi

Documents: None
Application Process: how_to_apply: Offline Procedure for Claiming Subsidy Step 1: Application Submission: After obtaining certification from an accredited certification body/agency, the grower/grower groups must submit their application along with a copy of the certificate and other relevant documents to the concerned jurisdictional Coffee Board office during the same financial year as the completion of the activity, as far as possible. Step 2: Document Scrutiny: The concerned office will scrutinize the documents and conduct field inspections to verify books and records. Step 3: Forwarding the Claim: The Joint Liaison Officer (JLO) / State Liaison Officer (SLO) shall forward the claim along with the Physical Verification Report and other relevant records to the concerned Deputy Director (Extn). Step 4: Subsidy Release: The Deputy Director (Extn.), after scrutinizing the claim and records and confirming the admissibility of the claim in all respects, will release the subsidy amount to the beneficiary's bank account through National Electronic Funds Transfer (NEFT). NOTE: This incentive provides backend support only to those who obtain certification for their estates. > **Procedure for Claiming Subsidy** **Step 1: Application Submission:** After obtaining certification from an accredited certification body/agency, the grower/grower groups must submit their application along with a copy of the certificate and other relevant documents to the concerned jurisdictional Coffee Board office during the same financial year as the completion of the activity, as far as possible. **Step 2: Document Scrutiny:** The concerned office will scrutinize the documents and conduct field inspections to verify books and records. **Step 3: Forwarding the Claim:** The Joint Liaison Officer (JLO) / State Liaison Officer (SLO) shall forward the claim along with the Physical Verification Report and other relevant records to the concerned Deputy Director (Extn). **Step 4: Subsidy Release:** The Deputy Director (Extn.), after scrutinizing the claim and records and confirming the admissibility of the claim in all respects, will release the subsidy amount to the beneficiary's bank account through National Electronic Funds Transfer (NEFT). **NOTE:** This incentive provides backend support only to those who obtain certification for their estates.

4362. Production Linked Incentive (PLI) Scheme for Promotion of Domestic Manufacturing of Critical Key Startin

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry Of Chemicals And Fertilizers

Secondary: Farmers & Agriculture, Business & Entrepreneurship | Benefits: Food/Nutrition, Identity Card / Certificate | Beneficiaries: Entrepreneurs

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/pliksmsapi

Description:

The scheme "Production Linked Incentive (PLI) Scheme for Promotion of Domestic Manufacturing of Critical Key Starting Materials (KSMs)/ Drug Intermediates (DIs) and Active Pharmaceutical Ingredients (APIs) in India" by the Department of Pharmaceuticals, Ministry Of Chemicals And Fertilizers, Government of India aims to boost domestic manufacturing of identified Key Starting Materials (KSMs), Drug Intermediates (DIs), and Active Pharmaceutical Ingredients (APIs) through providing financial incentives on incremental sales to manufacturers. The scheme focuses on 41 identified products covering critical APIs to reduce import dependence. It is applicable only for greenfield projects and encourages large investments in the pharmaceutical sector. - **Tenure of the Scheme:** The tenure of the scheme is from FY 2020-21 to FY 2029-30. - **Base Year:** Financial Year 2019-20. - **Financial Outlay:** Total financial outlay of the scheme is Rs. 6,940 crore. - **Basis of Computation:** Assessment of threshold investment and sales of manufactured products shall be based on details furnished to the Departments/Ministries/Agencies and Statutory Auditor certificates. - **Project Management Agency:** The scheme is implemented through a Nodal Agency, namely Industrial Finance Corporation of India (IFCI), which acts as the Project Management Agency (PMA).

Eligibi

Who Can Apply: - **Applicability:** The scheme is applicable only for greenfield projects. - **Eligibility** 1. Support under the scheme shall be provided only to manufacturers of critical KSMs/DIs and APIs registered in India. 1. Eligibility shall be subject to threshold investment in green field projects as given in the below-table. 1. Eligibility under the scheme shall not affect eligibility under any other scheme and vice-versa. > **Eligibility Threshold Criteria:** **S. No****Segment****Threshold Investment**1.Fermentation based 04 KSMs /Drug IntermediatesRs. 400,00,00,000/-2.Fermentation based 10 niche KSMs / Drug Intermediates / APIsRs. 50,00,00,000/-3.Key Chemical Synthesis based 04 KSMs /Drug IntermediatesRs. 50,00,00,000/-4.Other 23 Chemical Synthesis based KSMs / Drug Intermediates / APIsRs. 20,00,00,000/-

4365. Scheme Of Financial Assistance For The Preservation And Development Of Cultural Heritage Of The Himal

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry Of Culture

Secondary: Scholarship & Education, Skill Development & Training, Urban Development | Benefits: Financial Assistance, Training, Food/Nutrition, Identity Car

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/sfapdchh

Description:

The scheme "Scheme of Financial Assistance for the Preservation and Development of Cultural Heritage of the Himalayas" was launched by the Ministry of Culture, Government of India. The objective of the scheme is to promote, protect and preserve the cultural heritage of the Himalayan region spreading in UT of Jammu & Kashmir, UT of Ladakh, Himachal Pradesh, Uttrakhand, Sikkim, and Arunachal Pradesh through research, documentation, dissemination, etc. **Mode of and Conditions for Release of Grants:** - The grant shall be given based on the appraisal of applications and recommendations by the Expert Advisory Committee and thereafter administrative approval and financial concurrence of competent authorities in the Ministry of Culture. - The grants will be paid in two equal installments, the first being normally released with the approval of the project. The second installment will be released on completion of the project and on receipt of duly audited statement of accounts showing the utilization of the entire amount of grant plus the share of the grantee/concerned State/U.T. Government and other documents. The release of the balance of the grant will be decided on the basis of the actual expenditure incurred on the project subject to the maximum limit. - An organization in receipt of financial assistance under the scheme shall be open to inspection by an officer of the Ministry of Culture, Government of India, or the State Government concerned. - The accounts of the project shall be maintained properly and separately and submitted to the Government of India as and when required and will be subject to check by an officer of the Central Government or the State Government or by the Comptroller and Auditor General of India at his discretion. - The organization shall maintain a record of all assets acquired wholly or substantially out of the Central Government grant and shall not dispose of or encumber or utilize for purposes other than those for which the grant was given without prior approval of the Government of India. - If at any time, the Government of India has reason to believe that the sanctioned money is not being utilized for approved purposes, the payment of the grant may be stopped and the earlier grants recovered. - The organization must exercise reasonable economy in the working of the approved project. - The grantee organization shall furnish to the Ministry of Culture a quarterly progress report of the project indicating in detail both the physical achievements and the expenditure incurred on each of the approved items separately. - The grantee shall submit three copies of the Project Report duly bound/Audio-Video CDs/Photographs to the Ministry of Culture and one copy to the State Government where the project has been undertaken. - Applications of the organizations against which the previous grant/ Utilisation certificate is pending will not be considered. **Mode of Payment:** All payments will be made through electronic transfers. **Special Provision:** The Expert Advisory Committee (EAC) on the scheme is empowered to recommend or reject any proposal received without or with the recommendation of State Government/U.T. administration/ Local Administration and also to recommend the amount beyond the maximum limit but not exceeding Rs. 30.00 lacs from this scheme, in respect of any proposal which is of outstanding merit for which the EAC feels that the maximum limit would not be sufficient for undertaking the said project, with the approval of Minister (Culture) and concurrence of AS & FA, Ministry of Culture. **Inspection & Monitoring:** Inspection would be carried out by Ministry officials every year at least in 5% of the cases. The concerned State Govt., District Collector/Dy. Commissioner will also monitor. **Penalties in case of Misutilisation of grants:** The members of the executive body of the organization would be liable for the recovery of misused grants. The organization will also be blacklisted for misuse of funds, fake registration certificate, etc. All immovable assets created from the Government grants would be taken over by local administration prescribed by the Ministry of Culture.

Eligibi

Who Can Apply: 1. The voluntary organization should be registered as a society under the Societies Registration Act 1860 or as a public trust under Indian Trust Act, 1882, and shall have been functioning for a period of three years. 1. Colleges and Universities are also eligible to apply. 1. The organization should have the capacity to undertake and promote research projects. It should have facilities, resources, and personnel to implement the scheme for which the grant is required. 1. A college applying for the grant should be affiliated with the University. 1. Grants from this scheme will be given only to those organizations which are not in receipt of grants from any other source for similar purposes. **Note 01:** The Colleges and Universities should introduce in their curriculum or research course aspects of studies relating to the preservation of Himalayan art and culture, in case not already done. **Note 02:** The grants will be ad-hoc and of non-recurring nature. **Note 03:** Organizations that are doing good work in the field and have resources for meeting matching funds will be given preference.
Exclusions: None

Schem

details: The financial assistance is given for any of the items listed below up to a maximum of Rs. 10.00 lakhs to any single organization: **Sl. No.****Items****Maximum amount per annum**1Study and research on cultural heritage Rs. 10.00 lakhs 2Preservation of old manuscripts, literature, art & crafts, and documentation of cultural activities/ events like music, dance, etc. Rs. 10.00 lakhs 3Dissemination through audio-visual programmes of art and culture Rs. 10.00 lakhs 4Training in Traditional and Folk Art Rs. 10.00 lakhs **Note 01:** The maximum grant admissible to an organization would be 75% of the total expenditure to be incurred on any item subject to the maximum ceiling fixed. The remaining 25% expenditure or more should be met by the State Govt./U.T. **Note 02:** Administration failing which the grantee organization could contribute the amount from their own resources. However, in the case of Arunachal Pradesh and Sikkim, funding will be shared between the Government of India and the organization in the ratio of 90:10 respectively.

4367. Scheme of Fund for Regeneration of Traditional Industries

Primary Category: Workers & Labour | State: All | Govt: Central Government | Ministry: Ministry Of Micro, Small and Medium Enterprises

Secondary: Employment & Jobs, Skill Development & Training, Business & Entrepreneurship | Benefits: Insurance, Training, Employment, Food/Nutrition, Infra

Gender: Any | Age: None | Occupation: Artisan / Weaver | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/sfurti

Description:

The "Scheme of Fund for Regeneration of Traditional Industries (SFURTI)" is an initiative of the Ministry of Micro, Small, and Medium Enterprises, Government of India, launched in 2005 to strengthen traditional industries by making them competitive, market-driven, and sustainable. The scheme focuses on organizing artisans and rural entrepreneurs into clusters to enhance productivity, income, and employment opportunities. It supports infrastructure development, technology upgradation, skill training, product design, and improved market access. The Coir Board acts as the nodal agency and implements the scheme through designated agencies for each cluster. The scheme also promotes innovation, branding, e-commerce, and sustainable practices to improve the overall value chain of traditional industries.

Eligibi

Who Can Apply: - Non-Government organizations (NGOs), institutions of the Central and State Governments and Semi-Government institutions, field functionaries of State and Central Govt., Panchayati Raj institutions (PRIs), Private sector by forming cluster-specific SPVs, Corporates and Corporate Responsibility (CSR) foundations with expertise to undertake cluster development. > **Criteria for Selection of Clusters:** - The Selection of Clusters will be based on their geographical concentration which would be around 500 beneficiary families of artisans/micro-enterprises, suppliers of raw materials, traders, service providers, etc., located within one or two revenue subdivisions in a District (or in contiguous Districts.) - The potential for growth in production and generation of employment opportunities will also be considered in selecting clusters under SFURTI. - The geographical distribution of the clusters throughout the country, with at least 10% located in the North Eastern region will also be kept in view while selecting

Clusters.

4368. Bank Loan Processing Fee Reimbursement Scheme

Primary Category: Loans & Credit | State: All | Govt: Central Government | Ministry: Ministry Of Micro, Small and Medium Enterprises

Secondary: Financial Assistance, Business & Entrepreneurship | Benefits: Financial Assistance, Loan, Food/Nutrition | Beneficiaries: Entrepreneurs, Small Bu

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: SC/ST

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/bnpfrs

Description:

The "Bank Loan Processing Fee Reimbursement Scheme" is implemented by the Ministry of Micro, Small, and Medium Enterprises under the National SC-ST Hub programme. It provides financial support to SC/ST Micro and Small Enterprises by reimbursing a major portion of bank loan processing fees charged by financial institutions. The scheme covers both fund-based and non-fund-based loans. It reduces the initial financial burden on entrepreneurs and improves their access to institutional credit. The initiative promotes inclusive growth and supports the development of SC/ST-owned businesses.

Eligibi

Who Can Apply: - Applicant should belong to the Scheduled Caste / Scheduled Tribe category. - He/she should represent/own any MSEs unit. - MSEs availing loans from any Scheduled Commercial Banks, Non-Banking Finance Companies (NBFCs), and State Finance Corporations will be considered under the scheme.
Exclusions: None

Schem

details: - **Processing Fee Reimbursement:** Up to 80% of the processing fee or Rs. 1,00,000/- (excluding GST and taxes), whichever is lower.

4371. E-YUVA Scheme: E-YUVA Centers

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry Of Science And Technology

Secondary: Scholarship & Education, Financial Assistance, Farmers & Agriculture | Benefits: Scholarship, Financial Assistance, Equipment, Food/Nutrition, Inf

Gender: Any | Age: None | Occupation: Student | Education: Undergraduate | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/e-yuvase-yuvac

Description:

"Empowering Youth for Undertaking Value Added Innovative Translational Research (E-YUVA)" scheme was started by the Biotechnology Industry Research Assistance Council (BIRAC) to promote a culture of applied research and need-oriented (societal or industry) entrepreneurial innovation among young students and researchers. The scheme provides funding support (through fellowship and research grant), technical and business mentoring, exposure to bio incubation model, orientation to an entrepreneurial culture, etc. to students at various levels including undergraduates, post-graduates, and post-doctoral. > **E-YUVA Centers (EYCs):** The BIRAC's E-YUVA scheme is implemented through dedicated hubs called "E-YUVA Centers (EYCs)" housed within the University/Institute set up and mentored by a BIRAC BioNEST-supported bio-incubator. EYCs act as anchors and extend requisite support and mentoring to students. Each EYC has a BIRAC-supported pre-incubation space which offers infrastructure and equipment for basic research and experimentation by selected students. Advanced research needs are fulfilled through Bio-incubator Connect. **BIRAC-supported EYCs encompass the following:** - Pre-incubation space (3,000 sq. ft. or more) - Manage Fellowships for students - Conduct Entrepreneurial Awareness Workshops for students **Roles and Responsibilities of EYCs:** - View and process online applications received for fellowship - Screen applications for eligibility and suitability for the scheme - Carry out online Technical Review of eligible applications through Subject Experts (Reviewers) - Shortlist proposals for interview(F2F/skype/telephonic) by an Expert Panel - Communicate decision to applicants at each step of selection - Seek BIRAC approval on the final selection of fellows or their eligibility - Issue fellowship award letters to the selected candidates on behalf of BIRAC - Release fellowship and research grant received from BIRAC - Provide mentorship, handholding, and access to facilities at EYC and EYC Knowledge Partner for BIRAC's Innovation and E-YUVA Fellows - Monitor the targeted milestones - Organize periodic review meetings - Provide mentorship and handholding for domain expertise, entrepreneurship, and activities including but not limited to IP management, mobilizing resources, and other business development-related activities - Provide platforms/opportunities for interaction with experts. - Provide periodic updates and reports on the progress of Fellows to BIRAC - Conduct entrepreneurial workshops - Any other activity required for effective implementation of fellowships on mutual consent with BIRAC. > **Tenure of EY Centres:** EYCs will be engaged for an initial duration of 3 years, extendable further based on performance review. The performance of the EYCs would be evaluated annually. > **E-Yuva Knowledge Partner:** For the mentoring of Innovation Fellows and for providing overall guidance to EYCs, BIRAC will assign engagement with BioNEST-supported Bio-incubators. Each EYC will be formally associated with a BioNEST-supported bio incubator, which shall provide necessary handholding and mentoring to EYCs and Innovation Fellows. The knowledge partner will engage with the fellows throughout the award period and provide overall guidance. Bio-incubators will act as brand ambassadors for the program and will help in its outreach.

4372. PM SETU (Pradhan Mantri Skilling and Employability Transformation through Upgraded ITIs) - Component

Primary Category: Skill Development & Training | State: All | Govt: Central Government | Ministry: Ministry Of Skill Development And Entrepreneu

Secondary: Scholarship & Education, Women & Girls, Employment & Jobs | Benefits: Training, Employment, Equipment, Food/Nutrition, Skill Development, Inf

Gender: Any | Age: None | Occupation: Student | Education: Postgraduate | Category: All

Income Limit: Below Rs. 8.0 Lakh p.a. (EWS) | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/pmsetu2

Description:

The scheme "PM SETU (Pradhan Mantri Skilling and Employability Transformation through Upgraded ITIs) - Component II: Capacity Augmentation of Five National Skill Training Institutes (NSTIs) and Setting up of Five National Centres of Excellence for Skilling" by the Ministry of Skill Development and Entrepreneurship (MSDE), Government of India, aims to develop five (5) National Skill Training Institutes as premier institutions for skilling and trainer development by strengthening their industry alignment and engagement, institutional governance, physical infrastructure, quality of training, learning outcomes, and market relevance of courses. Through this scheme, upgradation of infrastructure (modern labs, residential facilities, renovated or newly constructed hostels), introduction of up to 20 long-term trades (including a Centre of Excellence), 10 short-term trades, upgradation of 20 existing courses, Diploma and Advanced Diploma-level certifications with multiple entry and exit options, and pre-service and in-service training of 50,000 instructors in technical and pedagogical skills are provided to the five NSTIs located at Bhubaneswar, Chennai, Hyderabad, Kanpur, and Ludhiana, along with their trainees, working professionals, graduates, postgraduates, and ITI instructors. The scheme is implemented by the

Directorate General of Training (DGT), MSDE, through an Institutional Management Committee (IMC) - constituted as a registered Society - at each NSTI, with strategic oversight from the National Steering Committee (NSC) and operational support from the National Project Monitoring Unit (NPMU). > **Objectives:** - Introduce up to 20 long-term trades (including a Centre of Excellence), 10 short-term trades, and upgrade 20 existing courses, supported by the upgradation of infrastructure, including modern labs, residential facilities, and renovated or newly constructed hostels. - Identify Global Partners and sectors for the establishment of National Centres of Excellence in Skilling, supporting curriculum design, training of trainers, skills certification frameworks, and periodic reviews. - Provide avenues for continuous learning opportunities for the existing workforce engaged in industrial and manufacturing sectors. - Offer redesigned and upgraded CITS programmes along with Diploma and Advanced Diploma-level certifications with multiple entry and exit options for Class 10 pass-outs and above. - Create and anchor a research ecosystem within each campus for continuous mapping of the job market, enabling evidence-based skill gap analysis. - Establish robust industry engagement mechanisms, including dynamic apprenticeship programmes and upskilling/re-skilling programmes for the in-employment workforce. - Deliver specialised training programs for ITI principals, administrators, and vocational trainers, with pre-service and in-service training of 50,000 instructors.

Eligibi

Who Can Apply: > **A. For Lead Industry Partner (LIP) / Consortium:** 1. The applicant should be an industry partner applying individually or as the lead member of a consortium. 1. The applicant should have a minimum annual turnover of Rs. 5,00,00,00,000 (Rs. 500 crore). 1. The applicant should have a minimum employee strength of 500. 1. The applicant should commit a minimum industry contribution of Rs. 40,00,00,000 (Rs. 40 crore) per NSTI over a five-year period. 1. In the case of a consortium, the prescribed minimum requirements of annual turnover and employee strength shall be fulfilled exclusively by the Lead Industry Partner. 1. The Chairperson nominated by the LIP must be an active employee of the LIP and should be at a senior leadership level. > **B. For Trainees / Students of Upgraded NSTI Programmes:** 1. The applicant should be a Class 10 pass-out and above. 1. The applicant may be a working professional, graduate, or postgraduate seeking higher-level skilling programmes. > **Course-Specific Eligibility (Annexure III):** 1. CTS (National Trade Certificate): The applicant should have passed Class 8th, 10th, or 12th, depending on the trade. 1. CITS (National Craft Instructor Certificate): The applicant should have completed CTS (ITI), NAC (National Apprenticeship Certificate), Diploma, or Degree. 1. Short-term Courses on Advanced Skilling: Eligibility depends on industry requirements. 1. Diploma: The applicant should have passed Class 10th or equivalent. 1. Advanced Diploma (Technical and Work-based): The applicant should have passed Class 12th or equivalent. 1. PG Certificate: The applicant should be a Graduate or Post-Graduate. > **Reservation / Inclusion:** 1. The Governing Body of each IMC shall include at least one female member to ensure diversity and inclusivity. 1. The Strategic Investment Plan (SIP) shall include specific activities related to inclusion and accessibility, enhancing participation of women, SC, ST, and PwD (Persons with Disabilities). 1. Female enrolment target: 30% of enrolled students by end of 5th year.
Exclusions: None

Schem

details: 1. Infrastructure Upgradation of 5 NSTIs at Bhubaneswar, Chennai, Hyderabad, Kanpur, and Ludhiana - Estimated Total Cost Rs. 1,00,00,00,00,000 (Rs. 1,000 crore), i.e., Rs. 2,00,00,00,000 (Rs. 200 crore per NSTI), including civil infrastructure, equipment, and support facilities. 1. Operational and Workforce Cost - Rs. 1,00,00,00,000 (Rs. 100 crore) total (Rs. 20,00,00,000 / Rs. 20 crore per NSTI). 1. Dedicated Training of Trainers (ToT) Provision - Rs. 4,00,00,00,000 (Rs. 400 crore) for pre-service and in-service training of ITI trainers across all 5 NSTIs, including foreign training, shared equally between the Central Government and Industry Partners in a 50:50 ratio. 1. Introduction of up to 20 long-term trades (including a Centre of Excellence), 10 short-term trades, and upgradation of 20 existing courses. 1. Modern Labs, Residential Facilities, and Renovated or Newly Constructed Hostels at each NSTI. 1. Diploma and Advanced Diploma-level certifications with multiple entry and exit options for Class 10 pass-outs and above, including working professionals, graduates, and postgraduates. 1. Establishment of Specialised Academic Centres at each NSTI: - Centre for Industrial Collaboration (CIC) - National Centre of Excellence (NCoE) for Skilling - Centre for TVET Practitioners Development - Centre for Research, Innovation and Entrepreneurship (CRIE) 1. Pre-service and In-service Training of 50,000 instructors in technical and pedagogical skills. 1. CSR Exemption for funds contributed by the industry under the scheme. 1. Autonomy to Determine and Charge Student Fees for newly developed courses (excluding government-funded schemes such as CTS, CITS). 1. Revenue-Generating Services, including production centres, incubation centres, and maker spaces on a chargeable basis, with revenue reinvested into skill development. > **Mode of Disbursement:** - All fund releases are made to the NSTI-IMC's escrow bank account opened in Scheduled Commercial Banks. - Industry contributions are deposited directly into Escrow Accounts. - Central Government funds are released to the Escrow Accounts as per extant rules. - Escrow accounts opened by IMC are mapped with the Public Financial Management System (PFMS) portal. > **Frequency of Disbursement:** - **Year 1:** Initial advance of up to 10% of the total approved project outlay (including industry share) released upon Strategic Investment Plan (SIP) approval by NSC. Additional 10% released upon the onboarding of Global Partner. No second instalment in Year 1.- **Years 2 to 5:** Remaining 80% disbursed in annual tranches, released in two equal instalments (50% each) every year, contingent on specific milestones: - **First Instalment:** ?75% utilisation of previous year's funds, AOP approved, ?80% of previous year's KPI targets achieved. - **Second Instalment:** ?50% of current year's KPI targets achieved, industry's 20% share deposited in escrow, reporting compliance. > **Validity:** Five-year period from FY 2025-26 to FY 2029-30.

Application Process: how_to_apply: Offline A. For Lead Industry Partner (LIP): Step 1: The Directorate General of Training (DGT), MSDE, initiates the process for selecting a Lead Industry Partner (LIP) for each NSTI through a transparent and competitive bidding process. Step 2: DGT issues an Expression of Interest (EoI) inviting industry to express interest and submit preliminary proposals for participation in the scheme. (Onboarding through EoI to commence within T+60 days of guidelines approval by NSC) Step 3: Based on the responses received, DGT prepares and floats a detailed Request for Proposal (RFP) after seeking due approvals from the National Steering Committee (NSC). Step 4: The selection process follows the Quality and Cost-Based Selection (QCBS) methodology. DGT finalises the pre-qualification requirements and technical and financial evaluation criteria. Step 5: Industry partner submits the bid (individually or as lead member of a consortium) with all required documents, including SIP proposal and financial commitment. Step 6: Bids are evaluated by a committee chaired by the Deputy Director General (DDG) / Joint Secretary (Schemes), with representation from the Regional Directorate of Skill Development and Entrepreneurship (RDSDE) and the concerned NSTI. Evaluation parameters include demonstrated technical expertise, long-term commitment, quality of SIP, scheduling of interventions, and proposed financial contribution. Step 7: The shortlisted proposal is submitted to the National Steering Committee (NSC) for final approval. Step 8: Upon approval, the selected industry partner enters into a formal agreement with DGT to lead the IMC. (Final selection and approval of SIP within T+105 days) Step 9: The LIP forms the

Institutional Management Committee (IMC) / Society and submits the initial draft Strategic Investment Plan (SIP) to the NSC. (Within T+90 days) Step 10: Following NSC approval of the SIP, implementation begins as per the approved SIP and Annual Operational Plans (AOPs). B. For Trainees: Eligible candidates (Class 10 pass-outs and above, working professionals, graduates, postgraduates) may apply for CTS, CITS, Short-term courses, Diploma, Advanced Diploma, or PG Certificate programmes offered at the upgraded NSTIs located at: NSTI Bhubaneswar NSTI Chennai NSTI Hyderabad (NSTI-R, NSTI-V, NSTI-W) NSTI Kanpur NSTI Ludhiana Application procedures, course schedules, and admission details for trainees will be provided by the respective IMCs of each NSTI as per the courses offered under the upgraded framework. > **A. Eligibi

Who Can Apply: 1. The applicant should be a Coir Worker engaged in the coir industry. 1. The applicant should be aged 18 years and above. 1. There is no upper age limit for coverage under the insurance scheme. 1. The disabled coir worker can apply for the claim. 1. The nominee of the disabled/deceased coir worker can apply for the claim. 1. For women coir workers, considering their majority in the group, accidents include death and disablement arising out of and traceable to: - Sterilisation and consequent complications. - Pregnancy. - Childbirth. - Caesarean. - Hysterectomy. - Removal of breast. - Murder and rape, etc.
Exclusions: None

Schem

details: 1. Accidental death: Rs. 50,000/- 1. Permanent total disability: Rs. 50,000/- 1. Permanent partial disability: Rs. 25,000/- 1. Provision for finger cut: Depending upon the finger and limited to applicable percentages of the capital sum insured.

Requi

Documents: None
Application Process: how_to_apply: Offline In the event of an eligible admissible claim, the claim form should be submitted through the offices of the Coir Board authorised for the purpose within the time limit fixed by the disabled coir worker or a nominee of the disabled/deceased coir worker. In the event of an eligible admissible claim, the claim form should be submitted through the offices of the Coir Board authorised for the purpose within the time limit fixed by the disabled coir worker or a nominee of the disabled/deceased coir worker.

4374. Indian Community Welfare Fund

Primary Category: Health & Medical | State: All | Govt: Central Government | Ministry: Ministry Of External Affairs

Secondary: Scholarship & Education, Financial Assistance, Employment & Jobs | Benefits: Financial Assistance, Insurance, Employment, Housing | Beneficia

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/icwf

Description:

The scheme Indian Community Welfare Fund" has been launched by Ministry of External Affairs (MEA) for the welfare of Overseas Indians; assisting them in distress situations. ICWF has also been a critical support in emergency evacuation of Indian nationals from conflict zones, countries affected

by natural disasters and other challenging situations. In view of its immense utility, ICWF stands extended to all Indian Missions and Posts abroad. The ICWF guidelines have been revised further to make them more broad-based and expand the scope of welfare measures that can be extended through the Fund. They are expected to provide Indian Missions and Posts abroad greater flexibility in swiftly addressing to requests for assistance by Overseas Indian nationals.

Eligibi

Who Can Apply: 1. The applicant must be an **Overseas Indian.**1. The applicant must be in a **distress situation (as defined under scheme benefits).**
Exclusions: 1. Persons of Indian Origin aren't covered under ICWF. 1. The "Overseas Citizens of India (OCI) Card Holders" are not eligible for individual financial assistance from ICWF.

Schem

details: > **Assisting Overseas Indian nationals in distress situations:** 1. Transportation of Mortal Remains and expenditure on incidentals of deceased Indian national to India or local cremation/burial of deceased in such cases where the employer, sponsor or insurance company is unable or unwilling to do so as per the contract and the family is unable to meet the cost. 1. Boarding and lodging for deserving distressed Indian nationals abroad on a means tested basis in budget category or shelters run by Mission/Post or NGOs empanelled with Mission. 1. Air passage to India to stranded Overseas Indian nationals 1. Legal Assistance on a means tested basis to deserving overseas Indian nationals who have committed minor crimes, offences or have been falsely implicated by their employer and put in jails; fishermen/seamen/sailors/Indian students in distress; 1. Payment for small fines and penalties in respect of Indian nationals for minor offences/crimes; for illegal stay in the host country where prima facie the worker is not at fault, and to enable release of Indian nationals from jail/detention center 1. Emergency Medical Care on means tested basis to overseas Indians who are involved in an accident (with serious life threatening injuries) have life-threatening medical conditions or suffer a serious disability. > **Support for Community Welfare activities:** 1. To promote Indian Culture by organizing cultural programmes by recognized Indian Diaspora organizations at major Indian Festivals, National Days of India; Indian culture Programs by recognized local artists or Indian artists based in India etc. 1. Payment of honorarium for teachers/faculty teaching Indian languages, art forms. 1. Welfare activities for Indian students towards organizing Annual Day for Indian students at Universities/educational institutions to discuss problems, issues faced by Indian students, including their visa, residence status, work permit, financial, welfare and other issues with participation of students. > **Improvement in Consular services:** 1. Hiring of limited additional staff for rendering various consular services 1. Hiring vehicles on a need basis for visits to jails, police stations; detention centres; labour camps; welfare camps; shelters for distressed Indians; prisons; hospitals; morgues and to airports for deportation/repatriation of distressed Indian nationals. 1. Hiring of local interpreters on a case-to-case basis for consular visits. 1. Design, publication, translation costs of pamphlets by Mission/Post about local labour laws, regulations, norms, dos & don'ts, welfare measures pertaining to overseas employment in the host country. 1. Organizing labour camps / consular camps for interacting with Indian migrant workers and informing them about issues related to overseas employment; labour laws; welfare and protection measures of the government. 1. 4375. Karkhandar Scheme For Development Of Craft Sector

Primary Category: Workers & Labour | State: Jammu and Kashmir | Govt: State Government | Ministry: None

Secondary: Scholarship & Education, Financial Assistance, Employment & Jobs | Benefits: Scholarship, Financial Assistance, Training, Employment, Equipme

Gender: Any | Age: None | Occupation: Student | Education: None | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/ksdcs

Description:
A training and skilling upgradation scheme by the Department of Industries & Commerce and implemented by the Directorate of Handicraft & Handloom, Government of Jammu & Kashmir wherein passout meritorious trainees and ex-trainees from departmental training centers are identified and are provided skill upgradation training in crafts which are facing human resource crunch as well as in languishing crafts. Registered Karkhanas/Karkhandars are identified who are willing to enroll a batch of trainees and ex-trainees in their Karkhana. A minimum of five trainees for a small Karkhana and a maximum of 10 trainees for a big Karkhana. A minimum of one and a maximum of five training programs per craft shall be considered for the six-month duration of the training program. > **Objectives of the Scheme:** 1. Revive the languishing crafts. 2. Upscale the learning techniques of trainees. 3. Improve the wage earnings of the craftsmen by leading them into collectivization 4. Create linkages with producer organizations to inculcate entrepreneurship skills and aptitude in the trainees. > **Vision of the scheme:** The artisans who form the backbone of the

craft sector work in an exploitative chain of business leading them to a vicious cycle of poverty and pessimism. A huge number of artisans (mostly the male folk) are forced to abandon the craft activity due to low wage earnings and poor socio-economic status. It is felt that this scheme shall emerge as one of the most effective pathways to address the challenges being faced by the artisan community. Exposing the pass-out trainees to improved productivity procedures adopted by producer groups can lead them to better productivity and leverage their collective skill up-gradation which can help in promoting sustainable livelihoods as the artisans can gain direct access to customized production, new design development, technology-related modifications, and above all can have the pulse of market demands.

Eligibi

Who Can Apply: 1. The applicant must be a pass-out trainee/ex-trainee from a departmental training center. 1. The departmental training center must be run by the Handicrafts & Handloom Department. 1. The applicant must have an Aadhaar linked Bank Account.
Exclusions: None

Schem

details: Financial assistance to Trainees: Rate of stipend per trainee/ per month:- Rs. 2000/- (Rs. 1000/- shall be paid through an individual bank account and the rest of the amount shall be disbursed on the successful completion of probation/ practical training session). The trainees are facilitated in the opening of Bank accounts under the Pradhan Mantri Jan-Dhan Yojana (PMJDY). Financial assistance to the Karkhandar (Trainer): Logistic Charges/Honorarium to Trainer/Karkhandar: Rs. 2000/- per trainee per month. (A minimum of five trainees for an identified small Karkhana and a maximum of 10 trainees for an identified big Karkhana.) The Karkhandar is provided a lump sum of Rs. 25,000/- per batch as expenditure on account of all the logistics needed for running the training program successfully, i.e. tools, equipment, looms, raw material, space, etc. The amount shall be disbursed in two installments: 1st installment at the commencement of the training program 2nd installment on successful completion of the training program. Note: The honorarium to Karkhandars shall be disbursed only after assessing that the desired level of skills is achieved by the trainee and trainees shall be evaluated through an approved qualifying framework devised for skill up-gradation level. The disbursement shall be through DBT mode only.

4376. Deendayal Antyodaya Yojana - National Rural Livelihoods Mission

Primary Category: Rural Development | State: All | Govt: Central Government | Ministry: Ministry Of Rural Development

Secondary: Financial Assistance, Women & Girls, Employment & Jobs | Benefits: Financial Assistance, Loan, Training, Employment, Food/Nutrition, Infrastruc

Gender: Any | Age: 8-10 Years | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/day-nrlm

Description:
Deendayal Antyodaya Yojana - National Rural Livelihoods Mission (DAY-NRLM) is the flagship program of the Ministry of Rural Development (MoRD) for promoting poverty reduction through building strong institutions for the poor, particularly women, and enabling these institutions to access a range of financial services and livelihoods. DAY-NRLM adopts a demand-driven approach, enabling the States to formulate their own State-specific poverty reduction action plans. The blocks and districts in which all the components of DAY-NRLM would be implemented, either through the SRLMs or partner institutions or NGOs, would be the intensive blocks and districts, whereas the remaining would be non-intensive blocks and districts. National Rural Livelihood Mission (NRLM) is a restructured version of restructuring Swarnajayanti Gram Swarojgar Yojana (SGSY). NRLM was renamed as DAY-NRLM (Deendayal Antyodaya Yojana - National Rural Livelihoods Mission) w.e.f. March 29, 2016. NRLM has set out with an agenda to cover 7 Crore rural poor households, across 600 districts, 6000 blocks, 2.5 lakh Gram Panchayats and 6 lakh villages in the country through self-managed Self Help Groups (SHGs) and federated institutions and support them for livelihoods collectives in a period of 8-10 years. In addition, the poor would be facilitated to achieve increased access to their rights, entitlements, and public services, diversified risk, and better social indicators of empowerment. NRLM believes in harnessing the innate capabilities of the poor and complements them with capacities (information, knowledge, skills, tools, finance, and collectivization) to participate in the growing economy of the country. > **The Mission** "To reduce poverty by enabling the poor households to access gainful self-employment and skilled wage employment opportunities, resulting in appreciable improvement in their livelihoods on a sustainable basis, through building strong grassroots institutions of the poor." > **The Core Values** Inclusion of the poorest, and meaningful role to the poorest in all the processes Transparency and accountability of all processes and institutions Ownership and the key role of the poor and their institutions in all stages - planning, implementation, and, monitoring Community self-reliance and self-dependence NRLM implementation is in a Mission Mode. This enables - (a) the shift from the present allocation-based strategy to a demand-driven strategy enabling the states to formulate their own livelihoods-based poverty reduction action plans, (b) focus on targets, outcomes, and time-bound delivery, (c) continuous capacity building, imparting requisite skills and creating linkages with livelihoods opportunities for the poor, including those emerging in the organized sector, and (d) monitoring against targets of poverty outcomes. As NRLM follows a demand-driven strategy, the States have the flexibility to develop their livelihoods-based perspective plans and annual action plans for poverty reduction. The overall plans would be within the allocation for the state based on inter-se poverty ratios.

Eligibi

Who Can Apply: 1. SHGs should be in active existence at least for the last 6 months as per the books of account of SHGs and not from the date of opening of the S/B account. 1. SHGs should be practicing 'Panchasutras' i.e., Regular meetings; Regular savings; Regular inter-loaning; Timely repayment; and Up-to-date books of accounts. 1. Qualified as per grading norms fixed by NABARD. As and when the federations of the SHGs come to

existence, the grading exercise may be done by the Federations to support the banks. 1. The existing defunct SHGs are also eligible for the credit if they are revived and continue to be active for a minimum period of 3 months
Exclusions: None

Schem

details: Key benefits of the Scheme include: One member (preferably a woman) from each rural poor household would be brought under the Self Help Group (SHG) network. Women SHG groups would have bank-linkage arrangements. SHGs would be federated at the village level and higher levels to provide space, voice and resources and to reduce dependence on external agencies. The Mission consists of four components, viz., (i) social mobilization, community institution, and capacity building; (ii) financial inclusion; (iii) livelihood promotion; and (iv) convergence. The participatory social assessment would be organized to identify and rank all households according to vulnerability. The ranking would be with reference to the poorest of the poor, single woman and woman-headed households, disabled, landless, and migrant labor and they would receive special focus. Training and capacity building of the poor, particularly in relation to managing the institutions, livelihoods, credit absorption, and creditworthiness. The Mission also supports the development of skills for rural youth and their placement, training, and self-employment through rural self-employment institutes (RSETIs), innovations, infrastructure creation, and market support. Provision of Revolving Fund as support to SHGs to strengthen their institutional and financial management capacity and build a good credit history. Provision of Community Investment Support Fund (CIF) in the intensive blocks to the SHGs through the Federations to advance loans and/or undertake common/collective socio-economic activities. Introduction of financial inclusion model, loaning from banks, association and coordination with banking/financial institutions, and coverage from loss of life, health, etc. Provision of Interest Subvention on loans availed by SHGs to cover the difference between the lending rate of the banks and 7%. Convergence with various ministries and agencies dealing with poverty reduction of rural poor. With highly decentralized planning; States will have liberty in developing their own action plan for poverty reduction. NRLM to have suitable linkages at the district level with District Rural Development Agencies (DRDAs) and Panchayat Raj Institutions (PRIs).

4377. Pradhan Mantri Gram Sadak Yojana

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry Of Rural Development

Secondary: Farmers & Agriculture, Employment & Jobs, Rural Development | Benefits: Employment, Infrastructure Support | Beneficiaries: Farmers, Rural Po

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Individual | Source: https://www.myscheme.gov.in/schemes/pmgsy

Description:
With the objective of providing rural connectivity, the Government of India launched the Pradhan Mantri Gram Sadak Yojana (referred to as PMGSY-I hereinafter) on 25th December 2000 to provide all-weather access to eligible unconnected habitations with a population of up to 500(Census 2001) in plain area and 250 and above in Special category States(States of North East, Jammu, and Kashmir, Himachal Pradesh, Uttarakhand), Desert Area as identified by Desert Development Program and 88 selected Backward Districts as identified by the Ministry of Home Affairs/Planning Commission as a strategy for poverty alleviation. As of 8th December 2021, a total of 6,80,040 km of road length has been constructed under various interventions of Pradhan Mantri Gram Sadak Yojana (PMGSY). The primary objective of PMGSY concerns building robust, all-weather roads in rural habitations and other core areas. Panchayati Rajs and elected local representatives decide which habitations to be selected. This scheme was centrally funded only up to 2015-16. Since then, the funds have been divided between the Centre and the State. For North Eastern and Himalayan States (Jammu & Kashmir, Uttarakhand, and Himachal Pradesh) 90% of a project is the Union Government funds, and 10% of this cost, is the State Government funds. For the Other States, the Union Government funds around 60% of a project while the remaining 40% is by State Government funds. Some prominent features of PMGSY are - Proper decentralized planning for the building of roads. Build roads according to the Indian Road Congress and Rural Roads Manual. 3-tier quality management system. An unbroken flow of funds.

Eligibi

Who Can Apply: 1. A region must be a habitation. It cannot be a hamlet or revenue village to be eligible for the Pradhan Mantri Gram Sadak Yojana (PMGSY). 2. The Central Government describes habitation as a population cluster residing within an area that remains constant over time. Some of the local words used to describe a habitation are: Majras, Desam, Hamlets, Tolas, Dhanis 3. The hamlet must have a higher population as per the 2001 Census to be eligible for road connection. The eligible habitations have a population of above 500 persons in plain areas and around 250 persons and above in hilly areas.
Exclusions: None

Schem

details: The benefits of the Pradhan Mantri Gram Sadak Yojana (PMGSY) are - 1. All-weather connection to the hamlets that are least or not connected. 2. Overall Development of the country allows for easy movement of goods and vehicles. 3. There are better employment opportunities for those from villages thanks to road connections.

Requi

Documents: None
Application Process: how_to_apply: Offline The list of road works to be taken up under the Programme will be finalized each year by the District Panchayat in accordance with the allocation of funds communicated to the district. The District Panchayat has to ensure along with the consultative process, that the lists of proposed road works are part of the Core Network and that new connectivity is given priority.

4378. Pradhan Mantri Jan Dhan Yojana

Primary Category: Insurance & Social Security | State: All | Govt: Central Government | Ministry: Ministry Of Finance

Secondary: Loans & Credit, Business & Entrepreneurship, Senior Citizens & Pension | Benefits: Loan, Insurance, Pension, Food/Nutrition | Beneficiaries: Chi

Gender: Any | Age: 18-60 Years | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Individual | Source: https://www.myscheme.gov.in/schemes/pmjdy

Description:

A National Mission for Financial Inclusion (NMFI), namely, Pradhan Mantri Jan Dhan Yojana (PMJDY) was launched across the Country in August, 2014 by the Prime Minister with the idea to ensure that citizens envisage their financial activities. PMJDY provides universal banking services for every unbanked household, based on the guiding principles of banking the unbanked, securing the unsecured, funding the unfunded and serving unserved and underserved areas. In order to give impetus to financial inclusion initiatives of the Government, PMJDY scheme was extended beyond 14.08.2018 with the focus on opening of accounts shifting from "every household" to "every unbanked adult". The scheme has been made more attractive with upward revision in (i) OD limit from Rs. 5,000/- to Rs. 10,000/- and (ii) Accidental insurance cover on RuPay card holders from Rs.1 lakh to Rs.2 lakhs. PMJDY has been successful in increasing banking penetration and promoting financial inclusion across the country. The scheme has ensured access to various financial services like availability of basic savings bank account, access to need based credit, remittances facility, insurance and pension to the excluded sections i.e. weaker sections & low-income groups.

Eligibi

Who Can Apply: 1. The applicant should be an Indian National. 1. If minors above ten years apply, they will require support from their legal guardians for administering their PMJDY account.
Exclusions: None

Schem

details: **Basic Savings Bank Deposit Account (BSBDA)** Any Indian citizen eligible to open a regular bank account can open a BSBDA. Such an account does not require any minimum balance maintenance. The account holders can use both bank branches, ATMs and Banking Correspondents (BCs) for depositing and withdrawing cash. However, one cannot withdraw cash more than four times a month. **Small Account/Chota Khata** Under Jan Dhan Yojana, people can open small bank accounts without presenting legal documents. These accounts would be valid normally for a period of twelve months. Thereafter, such accounts would be allowed to a continue for a further period of twelve more months, if the account-holder provides a document showing that he/she has applied for any of the Officially Valid Document, within 12 months of opening the small account. **RuPay Debit Card with inbuilt accident insurance** Under PMJDY, a free Rupay debit card, with inbuilt accident insurance cover of Rs.2 lakhs (Rs 1 lakh for accounts opened before 28.08.2018), is issued to all beneficiaries. **Overdraft Facility** Under PMJDY, beneficiaries can avail OD facility upto Rs. 10,000/-. **Business Correspondents (BCs)/Bank Mitras****** BCs/Bank Mitras are retail agents engaged by banks for providing banking services at locations other than a bank branch/ATM. It is mainly meant for the rural areas, where bank branches are far-flung. BCs/Bank Mitras connect with the residents and guide them with banking solutions such as savings accounts, deposits, payments and withdrawals, mini account statements, etc. Banks with their strong network of BCs/Bank Mitras are providing hassle free services to the customers in remote / rural areas.

4382. Startup Manipur

Primary Category: Business & Entrepreneurship | State: Manipur | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Employment & Jobs, Skill Development & Training | Benefits: Financial Assistance, Loan, Training, Employment, Food/Nutrit

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/strtupmpr

Description:

The Government of Manipur has initiated the 'Startup Manipur' program with the objective of promoting sustainable economic growth and generating significant employment opportunities in the state. Under the Manipur Startup Policy 2018, several incubation centers have been established by the state government to promote the growth of a minimum of 1,000 technology-based innovative startups throughout the state by August 14, 2022. The goal of the program is to empower the youth of Manipur to become job creators by fostering entrepreneurship and innovation culture and providing a supportive ecosystem to nurture and develop startups, making Manipur a leading startup destination in the North East. The government is working to enhance the enabling environment to meet the aspirations of young entrepreneurs and intends to collaborate with all stakeholders to establish a robust startup ecosystem through appropriate incubation and mentoring infrastructure, expedited statutory support, and a network of suitable funding mechanisms.

Eligibi

Who Can Apply: 1. The entity/startup must be promoted by individuals who have domicile in Manipur. If a group of individuals is promoting the entity/startup, at least one promoter should have domicile in Manipur. 1. The owner of the entity/startup must be above 18 years of age. 1. Completion of incubation will be a mandatory requirement from a date to be notified by the State government.
Exclusions: Non-Manipur residents are not eligible to promote an entity/startup under the Manipur Startup initiative. The promoters of the entity/startup must have a domicile of Manipur. The owner of the entity/startup must be above 18 years of age, and those below this age are not eligible. Completion of incubation is a required condition for startups, and any entity/startup that has not completed incubation by the date notified by the state government will not be eligible for support under this initiative.

Schem

details: The state government aims to support and strengthen existing business incubators and accelerators to create a robust support system for startups. The government intends to encourage and inspire the youth of Manipur to explore entrepreneurship as a viable career choice. To strengthen the startup culture in the state, the government will foster greater social acceptance and recognition of promising startups. The government is looking to encourage the establishment of new business incubators in the state through partnerships with the private sector. The government will continuously provide enabling mechanisms to startups, including training and skill development, capacity building, networking opportunities, and access to support services and knowledge. The government will implement a supportive regulatory framework that enables hassle-free and time-bound statutory clearances for startups. The government will provide appropriate infrastructural support to enable startups to set up and grow rapidly. The government will create a platform to access multiple avenues of financial support for startups in Manipur, such as grants, bank loans, and fiscal incentives. Finally, the government aims to create an enabling environment and a supportive ecosystem to facilitate 1000 startups in the state within the next five years.

Documents: None
Application Process: how_to_apply: Online https://apply.startupmanipur.in/frontend/web/index.php Step 01: Online Application The first step towards obtaining funding for your startup is to submit an online application. The application process typically involves filling out a form that provides information about your business idea, its viability, and your financial requirements. Step 02: Document Checking Once your application is received, it

will be reviewed by a team of experts who will assess its feasibility and completeness. The team will verify the details provided in the application and may request additional information or documentation to support your request. Step 03: Personal Interview After the document checking process, you will be called for a personal interview to further discuss your business idea and funding requirements. During this interview, you will have the opportunity to present your business plan and answer any questions that the interview panel may have. Step 04: Review by Bank Once the personal interview is completed, your application and interview will be reviewed by the bank. The bank will assess your creditworthiness, financial stability, and the potential for success of your business idea before making a decision on funding. Step 05: Bootcamp / Incubation If your application is successful, you will be invited to attend a bootcamp or incubation program where you will receive mentorship, guidance, and training to help you build and grow your business. Step 06: Funding After successfully completing the bootcamp or incubation program, the bank will provide you with the funding you require to start or expand your business. The funding may come in the form of a loan, grant, or equity investment, depending on the terms and conditions agreed upon by both parties.

4384. Distribution Of Tractor Unit Under CMSGUY

Primary Category: Social Welfare & Other Benefits | State: Assam | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Farmers & Agriculture, Loans & Credit | Benefits: Subsidy, Loan, Equipment, Food/Nutrition | Beneficiaries: Farmers, Rural

Gender: Any | Age: 18-60 Years | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Individual | Source: https://www.myscheme.gov.in/schemes/dtu-cmsguy

Description:

The "Distribution of Tractor Unit" Scheme is a Component under the Umbrella Scheme of "Chief Minister Samagra Gramya Unnayan Yojna (CMSGUY)" by the Govt. of Assam. CMSGUY is a village development scheme launched by Hon'ble Chief Minister Sarbananda Sonowal on 5th February 2017 in Guwahati. The scheme is being implemented in a mega mission mode in all villages of Assam. CMSGUY will be implemented through a saturation model by covering each revenue village through focused interventions in direct economic activities, logistic support including market linkages, and community support.
 The main objective of the "Distribution of Tractor Unit" scheme is to revive the agricultural sector and help in doubling the farmer's income by 2022. Under the new revised tractor scheme, the government will provide one tractor along with some necessary accessories in each revenue village at subsidized rates. The state govt. will distribute approx 10,109 tractors in the first phase. This tractor distribution scheme will cover all 26,000 villages of the entire state in a phase-wise manner. A group of 8-10 people who are actual adult farmers can apply to this scheme. The state govt. has allotted Rs. 1,000 Crore for the successful implementation of this scheme.

Eligibi

Who Can Apply: 1. A group of 8-10 members who are the actual adult farmers of the same village. 1. The group should have a common bank account and will apply jointly with the signatures of each member on the application form preferably along with particulars of land and crops cultivated. 1. The applicant group should not have more than one member from one family. ***NOTE: The scheme benefits cannot be availed by individuals.***
Exclusions: None

Schem

details: Provision of Subsidy: 70% subsidy will be provided to the selected groups on the price of the tractor, and its accessories including implements

(as opted by the beneficiary group) subject to a maximum of Rs. 5,50,000. 20% of the total price will be a bank loan. 10% of the total price will be the beneficiary share. Provided that subsidy will be admissible on the lowest price of the tractor in the Govt. notified list of tractors for the category (HP range) concerned. Similarly, the lowest approved prices of implements, if and as opted, will be applicable for subsidy on implements. The group will provide tractors to the farmers on a rental basis. Tractor Unit: Each tractor unit shall consist of one tractor (35 to 50 HP) with standard accessories and Matching Implements (as opted by beneficiary group) as follows - Standard Accessories (1 Set): a) Trailering Hook; Matching Implements (Optional): a) Rotavator (1) Standard Accessories (1 Set): b) Stabilizer Assembly; Matching Implements (Optional): b) Disc Harrow (1) Standard Accessories (1 Set): c) Hitch Assembly; Matching Implements (Optional): c) Cultivator (1) Standard Accessories (1 Set): d) Hood; Matching Implements (Optional): d) Trailer (1) Standard Accessories (1 Set): e) Tool kit; Matching Implements (Optional): e) Cage Wheel (1 Pair) Choice of the Applicant Groups: All the applicant groups who have already applied for the tractor unit will be required to furnish their choice as under: a) Whether they will avail bank finance for the beneficiary share: Yes/No. b) Name of the brand and model out of the list notified by the State Govt. c) Names of the implements out of the 5 (five) implements. (NOTE: The applicant group is free to choose all/any/none of the implements. The subsidy at the rate of 70% will be available to the applicant group on the total cost of the tractor unit so opted subject to a maximum of Rs. 5,50,000.) Duration of Service: The group shall be liable to provide tractor units (fully or partially as per the need of the farmer) to the farmers of the village on a rental basis for a minimum period of five years at a reasonable rate which may be fixed by the District Level Committee (DLC).

4388. Crop Cluster Development Programme

Primary Category: Financial Assistance | State: Arunachal Pradesh | Govt: State Government | Ministry: None

Secondary: Farmers & Agriculture, Employment & Jobs, Business & Entrepreneurship | Benefits: Financial Assistance, Employment, Food/Nutrition, Infrastruct

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/ccdp

Description:
The Crop Cluster Development Programme (CCDP) in Baagwani Villages is a comprehensive scheme focused on the development of backward and forward integration in horticulture farming. The program aims to enhance farmer socio-economic security, achieve nutritional security, establish transparent institutional delivery mechanisms, generate rural employment, increase horticultural crop area and productivity, and develop organized marketing of horticultural products. It addresses the challenges faced by small farmers in selling to modern markets, such as supermarkets and large retailers, by promoting the collectivization of produce through farmer groups and educating them about modern technologies. The CCDP emphasizes the need for a coordinated supply chain, including aggregation of produce, market linkages, access to quality inputs and agro-services, and post-harvest management infrastructure. By facilitating access to fair and remunerative markets and ensuring adherence to global standards, the program aims to achieve the goals of quality, quantity, and seamless delivery.

Eligibi

Who Can Apply: - Only Farmer Producer Organizations (FPOs) registered under the Companies Act in Haryana are eligible to submit project proposals and avail assistance under the scheme. - FPOs must have a minimum of 150 shareholders with a financial strength of at least Rs. 10.00 lakh in their bank account. - The FPOs should have an area of at least 500 acres under horticulture crops, although this requirement may be flexible based on the project's viability. - FPOs must have a business plan with backward and forward linkages of their produce. - Disputed FPOs or those not meeting the eligibility criteria mentioned above will not be considered eligible.
Exclusions: Projects not proposed by Farmer Producer Organizations (FPOs) registered under the Companies Act FPOs with less than 150 shareholders and inadequate financial strength FPOs with disputed status or unresolved legal issues

Schem

details: Improved access to inputs and services for farmers Increased farmers' income and socio-economic security Promotion of sustainable agriculture-based livelihoods Enhancement of market linkages and organized marketing of horticultural products Reduction of post-harvest losses Creation of employment opportunities in rural areas Increase in horticultural crop area, productivity, and production

Requi

Documents: None
Application Process: how_to_apply: Offline Step 1: Preparation of Project Proposal FPOs interested in the CCDP scheme should prepare a comprehensive project proposal according to the guidelines provided. The project proposal should include details such as the FPO's background, objectives, implementation plan, financial projections, and expected outcomes. Step 2: Document Compilation Gather all the necessary documents required for the application, which may include: Completed project proposal form Registration certificate of the FPO under the Companies Act List of Directors and applicants of the FPO Business plan with backward and forward linkages of the produce Financial statements and bank account details of the FPO Land ownership or lease documents Any other documents specified in the application guidelines Step 3: Submission of Application Submit the project proposal and all the required documents to the designated authority responsible for accepting CCDP applications. Ensure that all the information provided is accurate and complete. Step 4: Application Review The submitted project proposal will undergo a thorough review by the relevant authorities to assess its feasibility, alignment with scheme objectives, and adherence to eligibility criteria. The authorities may also evaluate the financial viability and potential impact of the proposed project. Step 5: Approval and Assistance Allocation If the project proposal meets the necessary criteria and is approved, the FPO will receive a formal approval letter specifying the allocated assistance amount. The assistance may be provided in the form of subsidies or credit-linked support, as per the scheme guidelines. Step 6: Project Implementation Once the assistance is allocated, the FPO can proceed with implementing the project as outlined in the approved proposal. It is crucial to adhere to the timelines, milestones, and guidelines provided during the implementation phase. Step 7: Assistance Disbursement The allocated assistance will be disbursed in multiple installments based on the progress of the project. The release of assistance may be contingent upon meeting certain milestones, expenditure requirements, and physical progress of the project. Step 8: Monitoring and Evaluation The implemented project will be monitored and evaluated by the authorities to ensure compliance with the scheme guidelines and assess the impact of the assistance provided. Regular reporting and documentation may be required to track the project's progress and outcomes.

4398. Promotion of Energy Audit and Conservation of Energy (PEACE): Training Programme

Primary Category: Social Welfare & Other Benefits | State: Tamil Nadu | Govt: State Government | Ministry: None

Secondary: Skill Development & Training, Loans & Credit, Business & Entrepreneurship | Benefits: Loan, Training, Food/Nutrition | Beneficiaries: Entrepreneu

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Enterprise / Business | Source: https://www.myscheme.gov.in/schemes/peacetp

Description:

"Promotion of Energy Audit and Conservation of Energy (PEACE)" is a scheme by the Micro Small and Medium Enterprises Department, Government of Tamil Nadu. The scheme comprises four main components: Awareness Programme; Training Programme; Detailed Energy Audit; and Implementation of Energy Audit Recommendations. The "Training Programme" component of this scheme is introduced to enable MSMEs to establish

the systems and processes necessary to improve energy performance, and energy efficiency, and help reduce energy consumption and costs. The training will be organized by GM, DICs/ RJD, Chennai in coordination with MSMEs Associations, Product Associations, Clusters, and other Stakeholders.

Eligibi

Who Can Apply: - The target group of participants for the training programme is Employees, Engineers, and executives of MSMEs, that are willing to undertake the energy audit. - The ideal batch size will be 20 - 25. - In the case of organizing cluster/ sector-focused programs, MSMEs from neighboring districts may also be included.
Exclusions: None

Schem

details: > **Programme Content** - The participants will be exposed to how an effective Energy Management System (EnMS) can help their organization improve energy efficiency, reduce costs, and lower greenhouse gas emissions. - A tailor-made training program conforming to the requirements of MSMEs/ clusters must be designed. Programs could especially be fashioned around utilities and systems that a particular industry is dealing with on a day-to-day basis. - For example, energy audit and conservation in electrical systems like maximum demand control, power factor control servo motors, transformers, pumps, fans, air-conditioning units, chillers, DG sets, lighting systems, air compressors, etc. and thermal systems like boilers, furnaces, driers, thermic fluid systems, heat exchangers, steam systems, etc. > **Programme Duration** - The course will be for 3 - 4 days, based on the need and requirement. - Wherever possible training may be organized sector-wise / cluster-wise / product-wise. > **Training Faculty** - The training faculty may preferably be drawn from organizations such as the Petroleum Conservation Research Association (PCRA), India SME Tech Services Ltd. (SIDBI), and the National Productivity Council (NPC), etc., which Government Departments promote. - However, the Bureau of Energy Efficiency (BEE) accredited Energy Auditors/ Managers with rich experience in energy audits, energy management & conservation, and BEE empanelled Energy audit firms/Cos., may also be engaged. Experience sharing by other enterprises must also be encouraged. > **Fund Allocation** - At least one training programme in each district at a cost not exceeding Rs. 75,000/- per training programme

4414. Pilgrimage Rejuvenation and Spiritual Augmentation Drive (PRASHAD)

Primary Category: Workers & Labour | State: All | Govt: Central Government | Ministry: Ministry Of Tourism

Secondary: Scholarship & Education, Employment & Jobs, Skill Development & Training | Benefits: Training, Employment, Food/Nutrition, Skill Development, I

Gender: Any | Age: None | Occupation: Artisan / Weaver | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/prashad

Description:
Launched in 2014-2015, the scheme "Pilgrimage Rejuvenation and Spiritual Augmentation Drive (PRASAD)" is a Central Sector Scheme by the Ministry of Tourism, Government of India. The scheme focuses on developing and identifying pilgrimage sites across India to enrich the religious tourism experience. It aims to integrate pilgrimage destinations in a prioritised, planned and sustainable manner to provide a complete religious tourism experience. The PRASAD scheme aims to pave the way for the development and promotion of religious tourism in India.

Eligibi

Who Can Apply: There are no eligibility requirements to avail the benefits of this scheme.
Exclusions: None

Schem

details: The scheme offers a range of benefits for its beneficiaries, which include local communities, tourists, and stakeholders involved in the tourism sector: > **Improved Infrastructure** Beneficiaries, particularly those residing in areas with significant tourism potential, benefit from improved infrastructure such as better roads, transportation facilities, sanitation, and utilities. Enhanced infrastructure not only improves the quality of life for locals but also provides a more comfortable and convenient experience for tourists. > **Employment Opportunities** The development of tourism infrastructure and services under the Prashad Scheme creates job opportunities for local residents. These jobs span various sectors, including hospitality, tour guiding, transportation, handicrafts, and retail, providing a source of livelihood and economic empowerment for communities. > **Income Generation** Tourism-related activities generate income for beneficiaries involved in providing goods and services to tourists. Local artisans, vendors, homestay owners, and small businesses often experience increased demand for their products and services, leading to higher incomes and improved standards of living. > **Preservation of Cultural Heritage** Communities living near heritage sites and cultural landmarks benefit from the preservation efforts funded by the Prashad Scheme. This not only helps in maintaining their cultural identity but also provides opportunities for cultural exchange and education, as visitors learn about local traditions, customs, and history. > **Promotion of Local Culture and Traditions** The Prashad Scheme often includes initiatives to promote local culture, art, and traditions. This may involve organizing cultural festivals, art exhibitions, and traditional performances, which not only showcase the richness of local heritage but also contribute to community pride and cohesion. > **Increased Tourism Revenues** As tourism flourishes in areas supported by the Prashad Scheme, beneficiaries reap the benefits of increased tourism revenues. This can have a multiplier effect on the local economy, stimulating growth in ancillary sectors such as food and beverage, retail, and transportation. > **Skill Development and Capacity Building** The Prashad Scheme may include provisions for skill development and capacity building programs targeted at local communities. These initiatives equip beneficiaries with the necessary skills and knowledge to actively participate in the tourism industry, empowering them to capitalize on tourism opportunities and contribute to sustainable development.

4443. Scheme for Financial Assistance to Integrated Logistics Facilities: Capital Subsidy

Primary Category: Financial Assistance | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Housing & Shelter, Business & Entrepreneurship, Environment & Energy | Benefits: Financial Assistance, Subsidy, Infrastructure Support | Benef

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/sfailfcs

Description:

The "Scheme for Financial Assistance to Integrated Logistics Facilities" is an umbrella scheme launched by the Industries and Mines Department, Gujarat under the Gujarat Integrated Logistics and Logistics Park Policy. Effective from August 2nd, 2021 to August 1st, 2026, this initiative aims to provide financial assistance to the private developer for developing Logistics Facilities and Logistics Park with all required infrastructure and logistic services. The component "Capital Subsidy" is designed to support new projects or units by providing financial assistance for eligible fixed capital investments. The subsidy is aimed at enhancing industrial development and incentivizing investment in infrastructure and construction for qualifying projects.

Eligibi

Who Can Apply: 1. Only new units or projects are eligible for this subsidy. 1. The subsidy applies to costs related to construction and infrastructure (excluding land cost). 1. The project must adhere to SOR norms of the government or its undertaking. 1. The claim must be submitted in a phase-wise manner corresponding to actual expenditures. 1. Developers must obtain all applicable environmental and statutory clearances. 1. Basic facilities such as toilets and rest areas for transport vehicle drivers must be provided. 1. The developer must operate and maintain the logistics facilities for a minimum of five years.
 > **Note****:** 1. If land is leased or rented, a registered lease/rental deed for a minimum of 10 years between the developer and landowner is mandatory. 1. Warehouse facilities must not be used for captive purposes by the developer; otherwise, they will be ineligible for assistance. 1. Logistics facilities cannot be sold or transferred to another entity for at least five years from the date of the sanction letter or the project's commissioning, whichever is later. Facilities must be leased or rented to remain eligible for assistance.
Exclusions: - Existing units/projects are not eligible under this scheme-component.

Schem

details: - **Phase-Wise Disbursement:** Assistance is disbursed in four installments- 25%, 50%, 75%, and 100% of the sanctioned project cost (excluding land costs). - **Final Adjustment on Project Completion:** 15% of eligible assistance is withheld and disbursed only after the project is completed.

4447. Goa Traditional Bakers (Poders) Subsidy Scheme

Primary Category: Financial Assistance | State: Goa | Govt: State Government | Ministry: None

Secondary: Business & Entrepreneurship, Rural Development, Social Welfare & Other Benefits | Benefits: Financial Assistance, Subsidy, Food/Nutrition | Ben

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/gtbpss

Description:

Launched in 2012, the scheme "Goa Traditional Bakers (Poders) Subsidy Scheme" by the Department of Industries, Government of Goa aims to provide financial assistance to traditional bakers (poders) in Goa to ensure the protection and growth of this traditional occupation. Through this scheme, subsidies for the purchase of maida (flour) are provided to traditional bakers who produce essential Goan breads like "Pao," "Undho," "Poie," and "Kakon." The scheme is implemented by the Goa Handicrafts, Rural & Small Scale Industries Development Corporation Ltd. (GHRSSIDC). The objectives of the scheme include maintaining the price of 50gm "Pao" at Rs. 3 for the next 5 years and supporting bakers who have been in the business for at least 20 years.

Eligibi

Who Can Apply: - The Traditional Goan bakers (poders) who are engaged in the production and selling of Pao, Undho, Poie, Kakon, and similar products will be eligible for availing financial assistance under the scheme as detailed below: - The existing traditional Bakers/Bakery which are registered with The All Goa Bakers Association registered under the Societies Registration Act, 1860. - The applicant/his or her family should be engaged in the business of making traditional Goan breads for the last 20 years. - The baker (poder) should be a Goan resident by birth. - The traditional baker/poder should be recommended by the All Goa Bakers Association.
Exclusions: None

Schem

details: The subsidy will be provided for the purchase of maida required for the production of bread, depending on the category the bakers belong to. - **Category A:** Bakers who use less than or equal to 50 kgs. of maida in a day will get a cash subsidy of Rs. 4 per kg.- **Category B:** Bakers who use between 51 kgs. to 100 kgs. of maida in a day will get a cash subsidy of Rs. 4 per kg for the first 50 kgs. and Rs. 2 per kg for the remaining amount of maida.- **Category C:** Bakers who use between 101 kgs. to 150 kgs. of maida in a day will get a cash subsidy of Rs. 4 per kg for the first 50 kgs., Rs. 2 per kg for the next 50 kgs., and Rs. 1 per kg for the remaining amount of maida. ****The subsidy will be disbursed every quarter.*** ****No subsidy for maida beyond the consumption of 150 kgs per day.***

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: SC/ST

Income Limit: Below Rs. 1,000.00 Lakh | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/issscste

Description:
The Government of Karnataka has introduced the interest subsidy scheme on loans sanctioned to Scheduled Caste (SC)/Scheduled Tribe (ST) entrepreneurs by Karnataka State Financial Corporation (KSFC). The scheme aims to encourage SC/ST entrepreneurs to establish micro/small scale/services enterprises to expand/diversify/modernization of their existing units.

Eligibi

Who Can Apply: 1. The unit shall be fully owned by SC / ST entrepreneurs i.e., all promoters in proprietary / partnership / company shall belong to SC/ST community only. 1. The ownership / share holdings of units even in part by other than SC/STs are not eligible for interest subsidy. 1. Entrepreneurs either can be SCs / STs or both. **Others terms & conditions:** 1. The units which have availed the interest subsidy under any other scheme of Government of Karnataka/Government of India are not eligible for interest subsidy under this scheme. 1. To be eligible for interest concession under the scheme, the units should not be in default in repayment to KSFC. 1. KSFC is at liberty to consider any amount of project cost. However, the interest subsidy is restricted to Rs. 1,000.00 lakhs of the loan. Interest amount on the balance loan amount beyond Rs. 1,000.00 lakhs is required to be borne by the entrepreneurs. 1. KSFC may sanction loans with normal applicable rate of interest, the effective interest rate to be paid by the beneficiary / borrower will be 4%. The difference between the normal lending rate of KSFC and effective interest rate of 4% will be reimbursed by Government of Karnataka.
Exclusions: None

Schem

details: **Loan Amount:** - Minimum loan amount under the scheme is Rs. 20.00 lakhs. - Maximum loan amount under the scheme is Rs. 1,000.00 lakhs which includes term loan and one time working capital term loan based on the project proposal but working capital term loan is restricted to maximum of Rs. 50.00 lakhs. However, repetition of working capital term loan sanction is not allowed. - The loan can be availed for establishing new units or expanding / diversifying / modernizing their existing units for more than one occasion, but the aggregate loan extended shall not be more than maximum limit under the scheme. **Rate of Interest:** - The effective rate of interest is 4% only. **Repayment Period:** - The repayment period is 8 years including moratorium period in case of loan upto Rs. 500.00 lakhs and upto 10 years in case of loan above Rs. 500.00 lakhs but below Rs. 1,000.00 lakhs.

4475. Uttarakhand Tourism Entrepreneur Promotion Scheme

Primary Category: Business & Entrepreneurship | State: Uttarakhand | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Employment & Jobs, Skill Development & Training | Benefits: Financial Assistance, Subsidy, Loan, Training, Employment, Ec

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/ukteps

Description:

The scheme "Uttarakhand Tourism Entrepreneur Promotion Scheme" was introduced by the Tourism Department, Uttarakhand Government, aims to encourage and financially strengthen permanent residents/entrepreneurs of the state who invest Rs. 1 crore to Rs. 5 crore in the tourism sector. Through this scheme, financial incentives such as stamp duty reimbursement, capital grants, and interest subsidy reimbursement are provided to the permanent residents and entrepreneurs of the state investing in identified tourism activities. ***Objectives:*** - To encourage the establishment and development of small tourism units for local residents/investors and to promote their growth and contribution to the tourism economy of the State. - To create employment opportunities in the tourism sector through local investors by providing financial incentives and support and to encourage local investment in the tourism sector by promoting inclusive growth and economic development in the region as well as encouraging favourable business competition and entrepreneurship. - To prioritize the development of high-quality and world-class basic facilities in selected tourism activities/operations with an investment ranging from Rs. 1 crore to Rs. 5 crore. - To provide a favourable environment to the investors of the State by providing maximum benefit of financial incentives in the tourism sector to small and medium tourism businessmen and motivating them for new investments. - To ensure benefits from development, employment generation and infrastructure enhancement reach all regions of Uttarakhand through inclusive tourism development by focusing on centralization of resources and support. - The plan is aligned with the objectives of the Uttarakhand Tourism Policy 2023, which seeks to promote and support tourism-related initiatives that contribute to the overall economic development and well-being of the state. ***Classification of areas for admissibility of financial incentives:*** **Category A:** - Entire area of Haridwar, Nainital, and Udham Singh Nagar districts - Areas of Dehradun district that are not included in Category B - Ranikhet and Almora tehsils of Almora district **Category B:** - Remaining areas of Almora district (those not included in Category A) - Kalsi, Chakrata and Tyuni tehsils of Dehradun district - Garud tehsil of Bageshwar district - Kotdwar, Lansdowne, Yamkeshwar and Dhumakot tehsils of Pauri Garhwal district - Dhanolti and Narendra Nagar tehsils of Tehri Garhwal district **Category C:** - The entire area of Uttarkashi, Chamoli, Champawat, Rudraprayag and Pithoragarh districts - Remaining area of Bageshwar, Pauri Garhwal and Tehri Garhwal districts (which is not included in category 'B') ***Activities / functions identified for admissibility of financial incentives:*** - Works related solely to the maintenance of cultural and historical heritage / legacy - Parking spaces (only at tourist spots) - Ropeways, Funiculars, etc. - Expansion of existing hotel/resort - Floating platforms/floating resorts - Heritage Hotels / Units - Hotel, Motel - Spa & Wellness Resort - Tourist Resort / Tourist Village - Establishment of cruise boats, yachts, houseboats and boat clubs - Eco Lodge and Residential Tents - Non-fuel on-route facilities on national and state highways, including restaurants and parking - MICE (Meetings, Incentives, Conferences, Exhibitions) or convention centres - Tourism or Hospitality Training Centre - Yoga, Ayurveda and Naturopathy Resort - Museums / Commercial Art Galleries - Amusement Park

Eligibi

Who Can Apply: 1. The applicant should be a permanent resident/entrepreneur of Uttarakhand. 1. The applicant's proposed investment in identified tourism activities/operations should be between Rs. 1,00,00,000 and Rs. 5,00,00,000. 1. The applicant's unit should be registered as a sole proprietorship/partnership/LLP/private limited company, or any other legal entity. The participation in all these companies/organizations must be exclusively by permanent residents/entrepreneurs of Uttarakhand. 1. The applicant's unit should be established on fully owned land. If the unit is to be built on leased land, the remaining lease period must be more than 10 years. 1. The applicant should obtain in-principle approval (CAF) through the Single Window Portal under the Uttarakhand Udhyam Ekul Khidki Sugamata aur Anugyapan Adhiniyam, 2012 (as amended), prior to establishing a new unit or expanding an existing one. This is necessary for the grants mentioned under this scheme. 1. The applicant's unit should provide a minimum of 70% permanent local employment. 1. The applicant's tourism unit should be mandatorily registered with the State Goods and Services Tax Department. 1. Units that commence commercial operations under this scheme within 180 days from the date of the notification will need to submit documentation and records for capital investment assistance in a comprehensive and clear manner. 1. The right to interpret the rules/provisions of this scheme, or to add, remove, or modify new tourism activities, is vested with the Uttarakhand Government.
Exclusions: None

Schem

details: > **Stamp Duty Reimbursement:** **1. Amount:** 100% of the applicable stamp duty. **2. Intended Use:** For new eligible tourism units to receive reimbursement on the stamp duty paid on: - Sale/lease deeds related to the purchase/lease of land/built-up area for tourism projects, provided the sale/lease deed is executed during the scheme's validity period. - Loan agreements are made for initiating the project during the scheme's validity period. - Mortgages and pledges were made for initiating the project during the scheme's validity period. **3. Conditions:** The stamp duty reimbursement will be provided in a lump sum after the tourism unit commences commercial operation (COD). The application for stamp duty reimbursement must be submitted along with the capital grant application. > **Capital Grant/Assistance:** **1. Amount:** Financial grant/assistance will be provided based on the permissible capital investment for establishing new or expanding existing eligible tourism units in the identified categories. - **Category A districts:** Rs. 33,00,000 plus 15% of the additional permissible capital investment above Rs. 1,00,00,000, with a maximum grant of Rs. 80,00,000. - **Category B districts:** Rs. 33,00,000 plus 25% of the additional permissible capital investment above Rs. 1,00,00,000, with a maximum grant of Rs. 1,20,00,000. - **Category C districts:** Rs. 33,00,000 plus 30% of the additional permissible capital investment above Rs. 1,00,00,000, with a maximum grant of Rs. 1,50,00,000. **2. Eligible Capital Investment:** For calculating the capital grant/assistance, "permissible capital investment" includes peripheral infrastructure (boundary wall, internal roads, and other basic

structural facilities), structure and building, plant, indigenous and imported machinery and equipment, material handling equipment, mechanical, electrical, and plumbing installations, fixtures, furniture and fittings, waste management facilities, transformers, generators, captive power plants, and other auxiliary facilities installed for use on the premises and their related installation expenses. **3. Excluded Capital Investment:** Investment in "land and land development," pre-construction expenses, consulting fees, capitalised interest, and working capital will not be included in the calculation for the capital grant. **4. Conditions:** Full payment by the investor for all capital assets and complete ownership of the project is required. All capital assets must be installed and used at the project site. > **Interest Subsidy Reimbursement:** **1. Amount:** 3% interest subsidy on term loans. - **Category A districts:** Maximum Rs. 4,00,000 per year, per unit. - **Category B districts:** Maximum Rs. 5,00,000 per year, per unit. - **Category C districts:** Maximum Rs. 6,00,000 per year, per unit. **2. Intended Use:** Applicable to eligible tourism units on term loans taken from notified commercial banks, financial institutions, state government cooperative banks, regional rural banks, or financial institutions recognised by the Government of India/State Government for financing the permissible capital investment. **3. Conditions:** The interest subsidy reimbursement will be payable for a maximum of 3 years from the date of commercial operation commencement. The percentage of interest subsidy reimbursement will be calculated annually based on the interest paid by the unit on the term loan after commercial operation commences.

Description:

The scheme "Mahila Nursery Yojana" was launched by the Department of Forest, Government of Uttarakhand. The scheme aims to promote nursery establishment by providing women's groups with high-quality seedlings or saplings from certified sources, along with a fixed grant, technical support, and training to ensure effective nursery operations. Department also purchases the plants grown by women in these nurseries on a contract basis.

Eligibi

Who Can Apply: 1. The applicant must be a Women Self-Help Group, Mahila Mangal Dal, or a Local Women's Group from Uttarakhand.
Exclusions: None

Schem

details: - Under this scheme, women's groups are enabled to establish nurseries. High-quality seeds are procured from Silvahill or Silvasal, and the resources required for nursery operations are provided through a fixed grant. Technical support and training are also provided. - Department purchases the plants grown by women in these nurseries on a contract basis.

Requir

Documents: None
Application Process: how_to_apply: Offline Women Self-Help Groups, Mahila Mangal Dals, and local women's groups will be registered at the Divisional Forest Rights Office. Women farmers will be provided with a copy of the nursery manual and technical guidance for developing the nursery. For registration, the following documents are required: Khatauni of the proposed nursery site, proposal of the women's group meeting, mobile number, Aadhaar card, and bank passbook. Once the saplings in the nursery are ready, the Forest Department purchases them species-wise from the group as per the agreement between the Self-Help Group and the Forest Department. After the group purchases the necessary materials for establishing the nursery, the Department releases the grant in installments into the account of the Self-Help Group. - Women Self-Help Groups, Mahila Mangal Dals, and local women's groups will be registered at the Divisional Forest Rights Office. 4480. Grants Provisioned under Uttarakhand Tourism Policy, 2023

Primary Category: Financial Assistance | State: Uttarakhand | Govt: State Government | Ministry: None

Secondary: Skill Development & Training, Health & Medical, Housing & Shelter | Benefits: Financial Assistance, Subsidy, Training, Housing, Food/Nutrition, Inf

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/gputpuk

Description:

The "Grants Provisioned under Uttarakhand Tourism Policy, 2023" was introduced by the Department of Tourism, Government of Uttarakhand. It aims to promote sustainable tourism development in the state by encouraging private and institutional investment in the tourism sector through targeted financial incentives and subsidies.

Eligibi

Who Can Apply: Minimum investment and infrastructure development requirements prescribed for tourism projects, products, and services identified under various NIC codes mentioned in the Tourism Policy. 1. Any legitimate entity or investor interested in investing in the tourism sector, in accordance with applicable regulations and meeting the eligibility criteria specified in the Tourism Policy 2023 and its Operational Guidelines, shall be eligible to receive the grants provided under the policy. 1. In cases where land is required for project implementation, the investor must either possess land in Uttarakhand or acquire it through purchase or lease within the state for the purpose of executing the project.
Exclusions: None

Schem

details: > **Under Uttarakhand Tourism Policy, 2023, the following grants are allowed to investors:-** The following capital subsidy is provided for tourism projects to be set up by making capital investment in the tourism sector in the state. Grants are admissible: **Maximum capital grant for housing projects:** - Category A - up to 25% - Category B - up to 35% - Category C - up to 50% ***The grant will be given as per the following details:*** a) The maximum admissible capital subsidy shall be disbursed in 10 equal annual installments from the date of commencement of commercial operations, i.e., 10% of the total capital subsidy per annum; OR b) The subsidy amount shall be equivalent to 75% of the net State Goods and Services Tax (SGST) paid by the unit during the preceding 12 months, + applicable additional incentives, whichever is lower. ***Additional Annual Incentives for Residential Projects:*** i. Incentive for Marketing and Publicity - Up to a maximum of 1% of the capital grant. ii. Incentive for Training and Skilling - Up to a maximum of 0.5% of the capital grant. iii. Interest Subsidy - Up to a maximum of 1% of the capital subsidy. iv. Incentive for Waste Treatment - Up to a maximum of 0.25% of the capital subsidy. v. Incentive for Bookings through Online Travel Agencies/Platforms Developed by the State - Up to a maximum of 0.25% of the capital grant. - Capital Grant for Development of Tourism Products and Services - Grant of up to 100% of the capital asset ***Grant will be provided as per the following details:*** a) Capital subsidy shall be disbursed in 5 equal annual installments from the date of commercial operation, i.e., 20% of the capital subsidy per annum, or b) The subsidy shall be 75% of the net State Goods and Services Tax (SGST) paid by the unit for the last 12 months, + additional incentive, whichever is lower. ***Additional Annual Incentives for Development of Tourism Products and Services*** i. Incentive for Marketing and Publicity - Up to a maximum of 2% of the capital grant. ii. Incentive for Training and Skilling - Up to a maximum of 2% of the capital grant. iii. Interest Subsidy - Up to a maximum of 2% of the capital subsidy. iv. Booking through Online Travel Agency/Platform Developed by the State - Up to a maximum of 1% of the capital grant. **Turnover Linked Incentive** - A provision of turnover-based grants is available for tourism projects that are already operational and not receiving a capital grant. The following incentives are permissible: a) Premium Residential Units - Up to a maximum of 1% of the eligible turnover. b) Incentive on Foreign Tourist Stay - Up to a maximum of 1% of the eligible turnover. c) MICE, Organization of Art, Social and Cultural Events, Fairs, and Festivals - Up to a maximum of 1% of the eligible turnover. **Incentive for Heli-Transport -** From Sahastradhara, Jolly Grant, and Pantnagar helipads to the nearest residence or helipad, a subsidy of Rs. 500 per person per leg shall be provided to the unit for helicopter transport. **Reimbursement of Electricity Duty** - 100% reimbursement of electricity duty shall be provided to new eligible tourism units for the duration of the policy period. **Reimbursement of Stamp Duty -** New eligible tourism units shall receive reimbursement of the applicable stamp duty in five equal installments. To qualify for grants under the Tourism Policy 2023, the minimum investment requirement for new or expansion projects ranges from Rs. 1 crore to Rs. 5 crore, depending on the category and location of the project. Investors must also ensure the provision of minimum required infrastructure, compliance with prescribed conditions, and adherence to other regulations specified in the guidelines. Detailed information is available in the Operational Guidelines.

Requi

Documents: None
Application Process: how_to_apply: Online Investors must first apply for In-Principle Approval through the Single Window System at https://investuttarakhand.uk.gov.in . This requires investors to fill in their details, project information, land details, and the scheme they wish to benefit from. Before investing, investors must have all the necessary documents ready. Details of the required documents are also available on the Single Window System. For MSME proposals of up to or less than Rs. 50 crore, the General Manager, Industries Department, forwards the proposal to the District Industries Centre. The District Industries Centre then evaluates the project and forwards it to the relevant line departments for in-principle approval and comments. The relevant line departments subsequently submit their initial approval or disagreement on the project online to the Industries Department, along with the reasons for their decision. Proposals for non-MSME projects (investments exceeding Rs. 50 crore or as amended from time to time) are submitted through the Single Window Portal to the Nodal Officer at the Directorate of Industries. The Nodal Officer forwards these proposals to the relevant line departments at the state level for in-principle concurrence or dissent comments. The relevant line departments then submit their initial concurrence or dissent comments online to the Department of Industries, along with the reasons for their decision. As per the Uttarakhand Enterprise Single Window Facilitation and Licensing Act, 2012, in-principle approval for MSME projects (investment less than or equal to Rs. 50 crore or as amended from time to time) is granted by the District Level Empowered Committee (DLEC) constituted at the district level. As per the provisions of the Uttarakhand Enterprise Single Window Facilitation and Licensing Act, 2012, in-principle approval for investment in non-MSME projects is granted by the State Level Empowered Committee (SLEC) constituted under the chairmanship of the Chief Secretary. After receiving in-principle approval, the investor applies for various departmental clearances such as land use change, fire safety, environmental clearance, electricity connection, drinking water supply, and building plan approval through the Single Window Portal or the respective departmental services. After obtaining these pre-construction clearances/approvals, the investor begins construction of the project. Upon completion of the proposed project, the investor must apply to the concerned departments - such as the Environment Department, Development Authority, Travel Trade Registration, and the Tourism Department (for the Occupancy Certificate) - for the necessary departmental clearances, approvals, and registrations prior to commencing project operations (Consent to Operate). After receiving all required No Objection Certificates (NOCs), registrations, and certificates, the applicant may begin the commercial operation of the unit. Only after the commencement of commercial operations can the investor apply for the grants mentioned in the Tourism Policy, as per the prescribed rules. Any eligible tourism unit may apply for the grant provided under the Tourism Policy within 150 days from the end of the relevant financial year, through the Single Window Portal, along with the documents specified in the rules. The online application for the grant must be submitted by the concerned unit on the Single Window Portal using the CAF ID allotted earlier. Upon receipt of the online grant application form by the Tourism Department, the department will forward it to the District Level Tourism Committee (DLTC), constituted under the chairmanship of the Chief Development Officer (CDO) of the concerned district, for verification of certificates and on-site inspection. The District Level Tourism Committee will conduct an on-site inspection, examine the necessary documents, and submit its joint inspection report to the Tourism Department online. After reviewing the received report and supporting documents, the concerned grant proposal will be presented before the Integrated Tourism Committee (ITC), constituted under the chairmanship of the Chief Executive Officer (CEO) at the Tourism Headquarters. The ITC will examine the grant proposal and submit it, along with its recommendations/comments, to the State Level Empowered Committee (SLEC), constituted under the chairmanship of the Chief Secretary. Financial approval of the proposal will be granted by the SLEC. Based on the final financial approval received from the SLEC, the approved grant amount will be transferred online to the investor/applicant's bank account by the Uttarakhand Tourism Development Council (UTDC). Note - All grants shall be subject to the rules and provisions specified in the Tourism Policy and Operational Guidelines, as amended from time to time. - Investors must first apply for In-Principle Approval through the Single Window System at https://investuttarakhand.uk.gov.in. This requires investors to fill in their details, project information, land details, and the scheme they wish to benefit from. Before investing, investors must have all the necessary documents ready. Applications can be submitted through the ITDA, an organization under the State IT Department. For more information on the application process and selection criteria, applicants may contact the ITDA office.

4485. World Bank-funded Uttarakhand Drinking Water Programme (For Semi-Urban Areas)

Primary Category: Urban Development | State: Uttarakhand | Govt: State Government | Ministry: None

Secondary: Housing & Shelter | Benefits: Infrastructure Support | Beneficiaries: Urban Population

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/ukdwpsua

Description:

The "World Bank-funded Uttarakhand Drinking Water Programme (For Semi-Urban Areas)" is a World Bank-funded initiative implemented by the Uttarakhand Peyjal Sansadhan Vikas Evam Nirman Nigam under the Drinking Water Department, Government of Uttarakhand. The scheme aims to provide affordable and reliable domestic drinking water connections to eligible households in selected semi-urban areas of Uttarakhand, ensuring improved access to safe and adequate drinking water.

Eligibi

Who Can Apply: 1. The World Bank-funded Uttarakhand Drinking Water Supply Programme for Semi-Urban Areas provides benefits to families residing in selected semi-urban regions of the state. 1. The programme is not applicable in urban areas.
Exclusions: None

Schem

details: Under this scheme, domestic water connections are provided by depositing a nominal connection fee of Rs. 1.00 and an application fee of Rs. 25.00.

Requir

Documents: None
Application Process: how_to_apply: Offline Families residing in the 15 semi-urban areas of the state where the water supply schemes have been constructed by the Uttarakhand Peyjal Nigam can apply for a drinking water connection by obtaining the application form directly from the nearest departmental collection center. Along with the application form, applicants must submit two passport-size photographs and a self-attested photocopy of any one of the following documents: Voter ID card, PAN card, Aadhaar card, ration card with photograph, driving license, bank passbook with photograph, passport, or an ID card issued by a Government or Semi-Government office. A self-attested photocopy of the map approved by the

relevant development authority/local body/Gram Sabha must also be submitted. (The map is required only for applications related to building construction; it is not required for other purposes.) A non-judicial stamp paper of Rs. 100/-, sale deed, lease deed, ownership certificate (fard) for the ownership/occupancy of the site where the connection is to be provided, land lease, Voter ID card, building assessment certificate issued by the Municipal Corporation/Municipal Council, tenant agreement, ration card, electricity bill, and a self-attested photocopy of a nationalized certificate must be attached. An approval letter from the departmentally registered plumber through whom the applicant will undertake the work is also required. If the applicant belongs to the Scheduled Caste/Scheduled Tribe category, or is a destitute person, landless labourer, military widow, or departmental employee, a certificate from the concerned department will be necessary. After submitting the application, the department verifies the documents and provides the drinking water connection to the applicant within 15 days. Under the World Bank-funded Uttarakhand Drinking Water Supply Programme for Semi-Urban Areas, there is a provision for providing water connections in seven semi-urban areas where water supply schemes have been constructed by the Uttarakhand Jal Sansthan. Thus, a total of 22 semi-urban areas are covered under this World Bank-funded programme. - Families residing in the 15 semi-urban areas of the state where the water supply schemes have been constructed by the Uttarakhand Peyjal Nigam can apply for a drinking water connection by obtaining the application form directly from the nearest departmental collection center. Along with the application form, applicants must submit two passport-size photographs and a self-attested photocopy of any one of the following documents: Voter ID card, PAN card, Aadhaar card, ration card with photograph, driving license, bank passbook with photograph, passport, or an ID card issued by a Government or Semi-Government office. - A self-attested photocopy of the map approved by the relevant development authority/local body/Gram Sabha must also be submitted. (The map is required only for applications related to building construction; it is not required for other purposes.) - A non-judicial stamp paper of Rs. 100/-, sale deed, lease deed, ownership certificate (fard) for the ownership/occupancy of the site where the connection is to be provided, land lease, Voter ID card, building assessment certificate issued by the Municipal Corporation/Municipal Council, tenant agreement, ration card, electricity bill, and a self-attested photocopy of a nationalized certificate must be attached. An approval letter from the departmentally registered plumber through whom the applicant will undertake the work is also required. If the applicant belongs to the Scheduled Caste/Scheduled Tribe category, or is a destitute person, landless labourer, military widow, or departmental employee, a certificate from the concerned department will be necessary. - After submitting the application, the department verifies the documents and provides the drinking water connection to the applicant within 15 days. - Under the World Bank-funded Uttarakhand Drinking Water Supply Programme for Semi-Urban Areas, there is a provision for providing water connections in seven semi-urban areas where water supply schemes have been constructed by the Uttarakhand Jal Sansthan. Thus, a total of 22 semi-urban areas are covered under this World Bank-funded programme.

4486. Swachh Bharat Mission (Grameen - Waste Management) - Uttarakhand

Primary Category: Housing & Shelter | State: Uttarakhand | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Health & Medical, Rural Development | Benefits: Financial Assistance, Infrastructure Support | Beneficiaries: Rural Populati

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Individual | Source: https://www.myscheme.gov.in/schemes/sbmgwmuk

Description:

The "Swachh Bharat Mission (Grameen - Waste Management)" is a centrally sponsored scheme implemented by the State Water and Sanitation Mission, Uttarakhand Rural Water Supply and Sanitation Mission (Swajal) Project under the Drinking Water Department, Government of Uttarakhand. The scheme aims to promote sustainable solid and liquid waste management in rural Uttarakhand by providing necessary infrastructure and facilities to ensure cleaner villages, improved sanitation, and better public health.

Eligibi

Who Can Apply: 1. The Gram Panchayat can apply to the district level unit with a simple application form along with a Gram Panchayat resolution. There is no prescribed format for the application.
Exclusions: None

Schen

details: Solid and liquid waste management facilities, such as public dustbins, soak pits, compost pits, garbage collection centres, and community sanitation complexes, are constructed according to the requirements of Gram Panchayats through convergence, addressing the needs of migrant and floating populations, at a cost of Rs. 3.00 lakh (70% from the Swachh Bharat Mission and 30% from the 15th Finance Commission).

Requi

Documents: None
Application Process: how_to_apply: Offline For the relevant work, a proposal is received from the concerned Gram Panchayat by the district-level unit, which is then approved or rejected at the unit level after examining it against the standards set by the Government of India. For solid and liquid waste management works, such as public dustbins, soak pits, compost pits, and garbage collection centers, the per capita rates for each village's population are set as follows: For solid waste management works : In villages with a population up to 5,000 - Rs. 60 per person; in villages with a population above 5,000 - Rs. 45 per person. For liquid waste management works: In villages with a population up to 5,000 - Rs. 280 per person; in villages with a population above 5,000 - Rs. 660 per person. A minimum of Rs. 1 lakh per village is required for these activities. Convergence: (70% Swachh Bharat Mission and 30% 15th Finance Commission). Plastic waste management: Rs. 16 lakh per development block. Biogas plant: Rs. 50 lakh (for one model unit per district). The budget for the biogas plant is disbursed to the Gram Panchayat selected as the implementing agency. Currently, one community or cluster biogas plant is to be constructed in each district. For the relevant work, a proposal is received from the concerned Gram Panchayat by the district-level unit, which is then approved or rejected at the unit level after examining it against the standards set by the Government of India. For solid and liquid waste management works, such as public dustbins, soak pits, compost pits, and garbage collection centers, the per capita rates for each village's population are set as follows: 1. **For solid waste management works**: In villages with a population up to 5,000 - Rs. 60 per person; in villages with a population above 5,000 - Rs. 45 per person. 1. **For liquid waste management works:** In villages with a population up to 5,000 - Rs. 280 per person; in villages with a population above 5,000 - Rs. 660 per person. 4493. A Scheme to Provide Assistance for Building E-Market Facilities in Market Committees

Primary Category: Financial Assistance | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Farmers & Agriculture, Rural Development, Environment & Energy | Benefits: Financial Assistance, Food/Nutrition | Beneficiaries: Farmers, Rural

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/spabem

Description:

"A Scheme to Provide Assistance for Building E-Market Facilities in Market Committees" introduced by the Agriculture, Farmers Welfare and Cooperation Department, Gujarat, aims to support market committees to set up e-market facilities, enhancing transparency and efficiency in agricultural marketing across the state.

Eligibi

Who Can Apply: 1. Co-operative Market Committees shall be eligible under this scheme. 1. The committee must operate within Gujarat.
Exclusions: None

Schem

details: - **Financial Assistance:** Rs. 1,00,000/- (One Lakh Rupees) per eligible market committee.

Requir

Documents: None
Application Process: how_to_apply: Offline Step 1: Fill in the application form on plain paper as per the instructions. Step 2: Attach all required documents. Step 3: Submit the completed application to the District Registrar for processing. **Step 1:** Fill in the application form on plain paper as per the instructions. **Step 2:** Attach all required documents. **Step 3:** Submit the completed application to the District Registrar for processing.

4494. Assistance to Co-operative Irrigation Societies M. N. R.-10 (General Area)

Primary Category: Farmers & Agriculture | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Rural Development, Environment & Energy | Benefits: Financial Assistance, Food/Nutrition, Infrastructure Support | Benefic

Gender: Any | Age: None | Occupation: Farmer | Education: None | Category: All

Income Limit: None | Area: Both | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/atcisg

Description:

The scheme "Assistance to Co-operative Irrigation Societies, M. N. R.-10 (General Area)" by the Agriculture and Co-operation Department, Government of Gujarat, aims to enhance agricultural yield in the state by offering assistance to irrigation cooperative societies formed by farmers of a common area. The support involves establishing water distribution systems using pumps and electric motors on wells and agar creeks to facilitate effective irrigation.

Eligibi

Who Can Apply: - Cooperative irrigation societies formed by small and marginal farmers, or any other farmers, are eligible under this scheme. - The society should be located within the state of Gujarat. - The Scheme is applicable to the General category.
Exclusions: None

Schem

details: - **Monetary Benefit:** Financial assistance for setting up irrigation infrastructure (such as pumps and motors) for cooperative societies.

Requir

Documents: None
Application Process: how_to_apply: Offline Step 1: The interested applicant should visit the District Registrar's Office and request a hard copy of the prescribed format of the application form. Step 2: In the application form, provide all the mandatory details, and attach copies of all the mandatory documents (self-attested, if required). Step 3: Submit the duly filled and signed application form along with the supporting documents to the District Registrar's Office. Step 4: Request a receipt or acknowledgement from the concerned authority to whom the application has been submitted. **Step 1:** The interested applicant should visit the District Registrar's Office and request a hard copy of the prescribed format of the application form. **Step 2:** In the application form, provide all the mandatory details, and attach copies of all the mandatory documents (self-attested, if required). **Step 3:** Submit the duly filled and signed application form along with the supporting documents to the District Registrar's Office. **Step 4:** Request a receipt or acknowledgement from the concerned authority to whom the application has been submitted.

4495. Assistance to Trusts/Institutions for Setting Up Cultural Centers/Auditoriums in the Municipal Area

Primary Category: Urban Development | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Financial Assistance | Benefits: Financial Assistance, Infrastructure Support | Beneficiaries: Urban Population, Youth

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/attisca

Description:

The scheme "Assistance to Trusts/Institutions for Setting Up Cultural Centers/Auditoriums in the Municipal Area" by the Sports, Youth and

Cultural Activities Department, Government of Gujarat, aims to strengthen cultural development and encourage the preservation and promotion of arts and heritage by supporting the creation and improvement of cultural infrastructure in urban regions. Under this initiative, eligible trusts and institutions are provided financial assistance either for constructing new cultural centres or for renovating existing ones. The scheme is implemented by the Sangeet Natak Academy, Gujarat.

Eligibi

Who Can Apply: - A trust or institution operating within the municipal areas of Gujarat shall be eligible for this scheme.
Exclusions: None

Schem

details: - **Assistance for New Construction:** 50% of the total cost or Rs. 30,00,000/- whichever is lower. - **Assistance for Renovation:** Up to Rs. 15,00,000/-.

4496. Startup India Seed Fund Scheme- For Startups

Primary Category: Business & Entrepreneurship | State: All | Govt: Central Government | Ministry: Ministry Of Commerce And Industry

Secondary: Scholarship & Education, Financial Assistance, Farmers & Agriculture | Benefits: Financial Assistance, Subsidy, Loan, Healthcare, Food/Nutrition,

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: Up To Rs. 20 Lakh | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/sisfs-fs

Description:

The scheme "Startup India Seed Fund Scheme (SISFS)" was launched by the Department for Promotion of Industry and Internal Trade (DPIIT) on 19th April 2021 with an outlay of INR 945 Crore to provide financial assistance to startups for Proof of Concept, prototype development, product trials, market-entry, and commercialization. Eligible startups can apply for the scheme on the Startup India portal. The Seed Fund will be disbursed to selected startups through eligible incubators across India. > **Objective Of The Scheme:** Startup India Seed Fund Scheme (SISFS) aims to provide financial assistance to startups for proof of concept, prototype development, product trials, market-entry, and commercialization. This would enable these startups to graduate to a level where they will be able to raise investments from angel investors or venture capitalists or seek loans from commercial banks or financial institutions. > **Features:** ? Year-round 'Call for Applications' for Incubators and Startups ? Sector-agnostic ? No mandatory physical incubation ? PAN-India startup programme ? Startups can apply to 3 incubators simultaneously

Eligibi

Who Can Apply: The eligibility criteria for a startup to apply under the Startup India Seed Fund Scheme shall be as follows: 1. A startup, recognized by DPIIT, incorporated not more than 2 years ago at the time of application. 1. Startups must have a business idea to develop a product or a service with market fit, viable commercialization, and scope of scaling. 1. A startup should be using technology in its core product or service, or business model, or distribution model, or methodology to solve the problem being targeted. 1. Preference would be given to startups creating innovative solutions in sectors such as social impact, waste management, water management, financial inclusion, education, agriculture, food processing, biotechnology, healthcare, energy, mobility, defense, space, railways, oil and gas, textiles, etc. 1. The startup should not have received more than Rs. 10 lakhs of monetary support under any other Central or State Government scheme. This does not include prize money from competitions and grand challenges, subsidized working space, founder monthly allowance, access to labs, or access to a prototyping facility. 1. Shareholding by Indian promoters in the startup should be at least 51% at the time of application to the incubator for the scheme, as per the Companies Act, 2013 and SEBI (ICDR) Regulations, 2018. 1. A startup applicant can avail seed support in the form of grants and debt/convertible debentures each once as per the guidelines of the scheme.
Exclusions: None

Schem

details: **Seed Funds to an eligible startup by the incubator shall be disbursed as follows:** 1. Up to Rs. 20 Lakhs as a grant for validation of Proof of Concept, prototype development, or product trials. The grant shall be disbursed in milestone-based installments. These milestones can be related to the development of prototypes, product testing, building a product ready for market launch, etc. 1. Up to Rs. 50 Lakhs of investment for market entry, commercialization, or scaling up through convertible debentures or debt or debt-linked instruments. 1. Seed funds shall strictly not be used by startups for the creation of any facilities and shall be utilized for the purpose it has been granted for. **Note 01:** Not more than 20% of the total grant to an incubator shall be given as grants to start-ups by the incubator. The rate of interest (as defined under GFR) on unutilized funds available with the incubator would also be taken into account and adjusted at the time of the next release by DPIIT. **Note 02:** For startups being supported through convertible debentures or debt, or debt-linked instruments, funds shall be provided at a rate of interest of not more than the prevailing repo rate. The tenure should be fixed at the time of sanctioning the loan by the incubator, which shall be not more than 60 months (5 years). A moratorium of up to 12 months may be provided for the startups. Because of the early stage of the startups, this shall be unsecured and no guarantee from the promoter or third party will be required. **Note 03:** The incubator shall execute a legal agreement with the selected startups before the release of the first installment. The incubators shall ensure that the necessary terms and conditions, including milestones, related to the Seed Fund are detailed in the agreement. **Note 04:** Subsequent disbursement would be linked to the achievement of previously specified milestones as per agreement between

the startup and incubator. **Note 05:** Startups will receive the funds in their company bank accounts. **Note 06:** For grants, the first installment to any selected startup shall be released not more than 60 days from receipt of the application from the startup. The startup shall submit the interim progress update and utilization certificate to initiate the release of subsequent installments of the grant. **Note 07:** Startup shall submit a final report and audited utilization certificate at the end of the project duration. For failed ventures, the entrepreneur will share his/her learnings and the reasons for failure in the report and submit this along with the utilization certificate for the fund amount. **Note 08:** The incubator or any of its staff members shall not charge any fee in cash or in kind from applicants or beneficiaries under the scheme for any process of selection, disbursement, incubation, or monitoring. **Note 09:** A grievance cell shall be set up at DPIIT for the scheme to address issues of applicants, such as delayed evaluation of applications, delayed disbursements by incubators, etc.

Requi

Documents: None
Application Process: how_to_apply: Online Application Procedure: Step 01: An online call for applications shall be hosted on an ongoing basis on the Startup India portal. Step 02: The DPIIT-recognized startup can apply through the official Startup India Portal (https://seedfund.startupindia.gov.in/). Step 03: On the home page, click on the 'Apply Now' button and proceed with 'Apply Now' for startups. Step 04: The startup can login using the credentials used during the startup recognition process to apply for the scheme and submit the application form. Step 05: Applicants can apply for seed funds to any three incubators selected as disbursing partners for this scheme in order of their preference. Note 01: The application submission is completely online, and no physical submission of documents is required. Note 02: All applications received will be shared online with respective incubators for further evaluation. Note 03: The applicant may be asked to submit details on the team profile, problem statement, product/service overview, business model, customer profile, market size, quantum of funds needed, projected utilization plan for funds, etc. Note 04: There are no application fees for the scheme. Even after the selection of a startup by an incubator for assistance under this scheme, the startup shall not be charged any fees. The incubator or any of its staff members shall not charge any fee in cash or in kind from applicants or beneficiaries under the scheme for any process of selection, disbursement, incubation, or monitoring. Selection of Startups: 1. Each of the incubators applying for the Startup India Seed Fund Scheme will constitute a committee called the Incubator Seed Management Committee (ISMC), consisting of experts who can evaluate and select startups for seed support. The composition of ISMC would be as follows: ? Nominee of Incubator (Chairman) ? Representative from the State Government's Startup Nodal Team ? Representative of a Venture Capital Fund or Angel Network ? A domain expert from Industry ? A domain expert from academia ? Two Successful Entrepreneurs ? Any other relevant Stakeholder The final composition and members of ISMC of each incubator shall be approved by EAC and will be a critical parameter in the selection of incubators 2. The startups shall be selected through an open, transparent, and fair process, comprising, inter-alia: a) Eligible applications will be evaluated by ISMC using the following criteria: ? Need for this Idea: Market size, market gap filling, solving a real-world problem ? Feasibility: Feasibility and reasonability of the technical claims, methodology used/ to be used for PoC and validation, and roadmap for product development. ? Potential Impact: Customer demographic & the technology's effect on these, national importance (if any) ? Novelty: USP of the technology, associated IP ? Team: Strength of the team, Technical and business expertise ? Fund Utilization Plan: Roadmap of money utilization ? Additional Parameters: Any additional parameters considered appropriate by the incubator ? Presentation: Overall assessment b) The incubator may shortlist applicants based on their evaluation for a presentation before ISMC c) ISMC shall evaluate applicants based on their submissions and presentations and select startups for Seed Fund within 45 days of receipt of the application d) All incubators shall provide information about the progress of the evaluation of startups in real-time to the Startup India portal e) Selected startups shall receive seed funding under the respective incubator that selects them as beneficiaries as per their preference shared during application (for example, if incubators at Preference 1 and Preference 2 both select a startup, the funding shall be given by Preference 1 incubator. If the Preference 1 incubator rejects and the Preference 2 incubator selects, the funding shall be given by the incubator at Preference 2, and so on.) f) All applicants will be able to track the progress of their application on the Startup India portal on a real-time basis g) Applicants who are rejected will also be notified through email h) An applicant, if rejected once, may apply afresh > **Application Procedure:** **Step 01:** An online call for applications shall be hosted on an ongoing basis on the Startup India portal. **Step 02:** The DPIIT-recognized startup can apply through the official Startup India Portal (https://seedfund.startupindia.gov.in/). **Step 03:** On the home page, click on the 'Apply Now' button and proceed with 'Apply Now' for startups. **Step 04:** The startup can login using the credentials used during the startup recognition process to apply for the scheme and submit the application form. **Step 05:** Applicants can apply for seed funds to any three incubators selected as disbursing partners for this scheme in order of their preference. **Note 01:** The application submission is completely online, and no physical submission of documents is required. **Note 02:** All applications received will be shared online with respective incubators for further evaluation. **Note 03:** The applicant may be asked to submit details on the team profile, problem statement, product/service overview, business model, customer profile, market size, quantum of funds needed, projected utilization plan for funds, etc. **Note 04:** There are no application fees for the scheme. Even after the selection of a startup by an incubator for assistance under this scheme, the startup shall not be charged any fees. The incubator or any of its staff members shall not charge any fee in cash or in kind from applicants or beneficiaries under the scheme for any process of selection, disbursement, incubation, or monitoring. > **Selection of Startups:** 1. 4497. Electronic Manufacturing Clusters (EMC) Scheme: Common Facility Centres/ Brownfield Electronics Manu

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry of Electronics and Information Technology

Secondary: Skill Development & Training, Housing & Shelter, Business & Entrepreneurship | Benefits: Financial Assistance, Training, Housing, Food/Nutrition,

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/emcbes

Description:

The scheme "Electronics Manufacturing Clusters (EMC) Scheme" has been launched by the Ministry of Electronics and Information Technology, Government of India. It has two components, namely Greenfield Electronics Manufacturing Clusters (EMCs) and Common Facility Centres/ Brownfield Electronics Manufacturing Clusters. The upgradation of Brownfield aims to provide the common required technical facilities for various electronics manufacturing companies located in and around the region, which in turn will reduce the lead time of production, production cost (including transportation and logistics cost), increase export and revenue generation, etc. The scheme is implemented by the Department of Electronics and Information Technology through a Special Purpose Vehicle (SPV) formed for the cluster.

Eligibi

Who Can Apply: 1. The applicant should be a legal entity such as an individual, company, society, industry association, financial institution, research and development (R&D) institution, or government agency. 1. The applicant should form a Special Purpose Vehicle (SPV) for implementation. 1. The applicant should submit a preliminary application along with a feasibility study and project details. 1. The applicant should ensure that the committed investment is at least 4 times the assistance sought. 1. The applicant should ensure that at least 75% of the investment is in electronics manufacturing units. 1. The applicant should propose the upgradation of an existing Electronics Manufacturing Cluster. 1. The applicant should ensure the presence of an existing industrial ecosystem/cluster. 1. The applicant should achieve financial closure before submitting the final application. 1. The applicant should submit a Detailed Project Report (DPR).
Exclusions: None

Schem

details: > **Financial Assistance:** 1. **For Brownfield EMCs:** - Financial assistance up to 75% of the project cost. - Maximum limit of Rs. 50,00,00,000/-. 1. **Government grant in:** - Processing area: up to 50% of the project cost - Non-processing area: up to 20% of project cost > **Infrastructure / CFC Support:** 1. Upgradation of existing infrastructure, such as roads, power, water supply, and drainage. 1. Establishment of Common Facility Centres (CFCs), (Testing laboratories, Tool rooms, Design centres, Training centres, R&D facilities) 1. Support for logistics, warehousing, and shared services > **Administrative Support:** - Administrative expenses up to 3% of assistance (for SPV) > **Mode of Disbursement:** - Grant-in-aid is released in instalments through an escrow account. - Initial 20% released as advance; subsequent releases based on utilisation.

Requir

Documents: None
Application Process: how_to_apply: Online Step 1: The applicant should visit the official website of the Ministry of Electronics and Information Technology (MeitY) . Step 2: The applicant should navigate to the Electronics Manufacturing Clusters (EMC) Scheme section on the portal. Step 3: The applicant should download or access the Preliminary Application Form available on the portal. Step 4: The applicant should fill in all required details, including project information, feasibility study details, and SPV details. Step 5: The applicant should upload the required documents such as feasibility study report, financial details, and registration documents. Step 6: The applicant should pay the prescribed application fee through the available online payment mode (if applicable). Step 7: The applicant should submit the Preliminary Application online and note the Application ID generated for future reference. Step 8: The applicant should track the status of the application through the portal using the Application ID. Step 9: After receiving in-principle approval, the applicant should complete prerequisites such as land acquisition, financial closure, and preparation of the Detailed Project Report (DPR). Step 10: The applicant should submit the Final Application online within 6 months of receiving in-principle approval. Step 11: The application is reviewed by the Steering Committee for Clusters (SCC), and upon approval, the applicant is informed through the portal. Step 12: After final approval, the funds are released in phases through an escrow mechanism, subject to compliance with the scheme guidelines. **Step 1:** The applicant should visit the official website of the [Ministry of Electronics and Information Technology (MeitY)](https://www.meity.gov.in/). **Step 2:** The applicant should navigate to the Electronics Manufacturing Clusters (EMC) Scheme section on the portal. **Step 3:** The applicant should download or access the Preliminary Application Form available on the portal. **Step 4:** The applicant should fill in all required details, including project information, feasibility study details, and SPV details. **Step 5:** The applicant should upload the required documents such as feasibility study report, financial details, and registration documents. **Step 6:** The applicant should pay the prescribed application fee through the available online payment mode (if applicable). **Step 7:** The applicant should submit the Preliminary Application online and note the Application ID generated for future reference. **Step 8:** The applicant should track the status of the application through the portal using the Application ID. **Step 9:** After receiving in-principle approval, the applicant should complete prerequisites such as land acquisition, financial closure, and preparation of the Detailed Project Report (DPR). **Step 10:** The applicant should submit the Final Application online within 6 months of receiving in-principle approval. **Step 11:** The application is reviewed by the Steering Committee for Clusters (SCC), and upon approval, the applicant is informed through the portal. **Step 12:** After final approval, the funds are released in phases through an escrow mechanism, subject to compliance with the scheme guidelines. Offline Step 1: The applicant should start by preparing the feasibility study and collecting all required project details. Step 2: The applicant should obtain the prescribed Preliminary Application Form of the Electronics Manufacturing Clusters (EMC) Scheme. Step 3: The applicant should fill in the application form with details such as applicant information, SPV details, project proposal, and financial estimates. Step 4: The applicant should attach all required documents, including the feasibility study report, registration documents, and financial details. Step 5: The applicant should prepare the application fee in the form of a Demand Draft, as prescribed. Step 6: The applicant should submit the complete Preliminary Application along with

documents and the fee to the Nodal Officer (EMC), Ministry of Electronics and Information Technology, at Electronics Niketan, New Delhi. Step 7: The applicant should receive an acknowledgement or Application ID for future reference. Step 8: The application is evaluated by the Steering Committee for Clusters (SCC), and in-principle approval is granted if found suitable. Step 9: After approval, the applicant should complete prerequisites such as land acquisition, formation of SPV, and financial closure. Step 10: The applicant should prepare and submit the Detailed Project Report (DPR) along with the Final Application within 6 months of in-principle approval. Step 11: The final application is reviewed by the competent authority, and approval is granted based on compliance with scheme guidelines. Step 12: After final approval, the financial assistance is released in phases through an escrow mechanism, subject to fulfilment of conditions. **Step 1:** The applicant should start by preparing the feasibility study and collecting all required project details. **Step 2:** The applicant should obtain the prescribed Preliminary [Application Form](https://www.meity.gov.in/static/uploads/2025/02/a18bed57594e0a832ec79b029d7e65e2.pdf) of the Electronics Manufacturing Clusters (EMC) Scheme. **Step 3:** The applicant should fill in the application form with details such as applicant information, SPV details, project proposal, and financial estimates. **Step 4:** The applicant should attach all required documents, including the feasibility study report, registration documents, and financial details. **Step 5:** The applicant should prepare the application fee in the form of a Demand Draft, as prescribed. **Step 6:** The applicant should submit the complete Preliminary Application along with documents and the fee to the Nodal Officer (EMC), Ministry of Electronics and Information Technology, at Electronics Niketan, New Delhi. **Step 7:** The applicant should receive an acknowledgement or Application ID for future reference. **Step 8:** The application is evaluated by the Steering Committee for Clusters (SCC), and in-principle approval is granted if found suitable. **Step 9:** After approval, the applicant should complete prerequisites such as land acquisition, formation of SPV, and financial closure. **Step 10:** The applicant should prepare and submit the Detailed Project Report (DPR) along with the Final Application within 6 months of in-principle approval. **Step 11:** The final application is reviewed by the competent authority, and approval is granted based on compliance with scheme guidelines. **Step 12:** After final approval, the financial assistance is released in phases through an escrow mechanism, subject to fulfilment of conditions.

4498. Scheme for Promotion of Manufacturing of Electronic Components and Semiconductors (SPECS)"

Primary Category: Disability & Special Needs | State: All | Govt: Central Government | Ministry: Ministry of Electronics and Information Technolog

Secondary: Farmers & Agriculture, Health & Medical, Loans & Credit | Benefits: Loan, Insurance, Equipment, Food/Nutrition, Infrastructure Support | Beneficia

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/specs

Description:

The scheme "Scheme for Promotion of Manufacturing of Electronic Components and Semiconductors (SPECS)" has been launched by the Ministry of Electronics and Information Technology (MeitY) (Industrial Promotion - Electronics Hardware Manufacturing (IPHW) Division), Government of India, aims to help offset the disability for domestic manufacturing of electronic components and semiconductors to strengthen the electronics manufacturing ecosystem in the country, in alignment with the National Policy on Electronics 2019 (NPE 2019) and the Government's "Make in India" and "Digital India" programmes. Through this scheme, a financial incentive of 25% of capital expenditure (on a reimbursement basis) is provided to any legal entity registered in India investing in eligible electronic components, semiconductor/display fabrication units, Assembly, Testing, Marking and Packaging (ATMP) units, specialised sub-assemblies, and capital goods for manufacture of the aforesaid goods - covering both new units and expansion of capacity/modernisation and diversification of existing units. The scheme is implemented by MeitY through a Nodal Agency appointed as the Project Management Agency (PMA), which is responsible for receipt of applications, appraisal, issuance of acknowledgements, verification of claims, and disbursement of incentives; applications received under the scheme are appraised on an ongoing basis by the PMA, which places eligible applications before the Executive Committee (EC) constituted by MeitY, chaired by an officer not below the rank of Joint Secretary.

Eligibi

Who Can Apply: 1. The applicant should be a legal entity registered in India. The applicant may be a Private Limited Company, Public Limited Company, Sole Proprietorship, Partnership, or Limited Liability Partnership registered in India. 1. The applicant should be proposing to invest in a project/unit for the manufacturing of eligible goods as per the list in [Annexure-1](https://www.meity.gov.in/static/uploads/2024/02/SPECS-Guidelines-01062020.pdf) of the SPECS Guidelines.1. Each application shall be treated as a new investment and as an independent application. The application shall be only for single-phase projects; phase-wise applications shall not be considered under the Scheme. 1. There is no restriction on any applicant from making multiple applications and/or for multiple locations. 1. The applicant should ensure that the proposed investment in capital expenditure is greater than or equal to the threshold value for the eligible goods under SPECS (as per [Annexure-1](https://www.meity.gov.in/static/uploads/2024/02/SPECS-Guidelines-01062020.pdf) of the Guidelines). 1. The scheme is applicable for investments in new units as well as expansion of capacity/modernisation and/or diversification of existing units. 1. The minimum investment thresholds are the same for new units or expansion of capacity/modernisation/diversification of existing units. 1. A project/unit proposed under the Scheme may include multiple manufacturing facilities at one or more proposed locations. There is no limit on the number of applications for an applicant. 1. If an application covers more than one product category, the applicable minimum threshold of investment (capital expenditure) shall be the highest of the individual threshold investment for each of the product categories covered. 1. Eligibility under the SPECS Scheme shall not affect eligibility under any other scheme, and vice-versa. 1. The application shall contain the requisite land documents such as a registered sale deed and/or registered rent/lease agreement on the land for a period of not less than 10 years from the date of application in usual circumstances. 1. In case land has been taken on rent/lease for a period less than 10 years, such application shall be processed if there is a renewal clause for extension of the rent/lease agreement in the registered document. If the renewal clause is not present, the application may be referred by the Project Management Agency (PMA) to the Governing Council (GC) for an appropriate decision. 1. In case the land has not been purchased or taken on rent/lease at the time of application, the applicant shall provide definite location/plot details and a suitable document confirming availability of the land; however, the final registered document shall be provided before the submission of the Appraisal Report by PMA for consideration of the Executive Committee (EC). 1. The application shall contain a Financial Closure for the investment required for the complete project. Financial Closure means: - Firm commitment from the applicant to invest in the project under SPECS in the form of a Board Resolution. - Sanction letter/Letter of Intent (LoI) from a Bank/Financial Institution (FI)/loan agreement with Bank/FI for the debt portion of the investment proposed. - Legally binding commitment from equity/unsecured loan providers to provide or mobilise funds, in the form of an agreement backed by a Board Resolution (Board Resolution is not applicable in case of Banks and Financial Institutions; in that case, a sanction letter and/or LoI from the Bank/Financial Institution may be provided). - Legally binding commitment

of funding from internal accruals (applicable in case the applicant has any existing unit; shall be assessed from past performance, including Profit and Loss Account, Cash Flow Statements, etc.). - Documents showing capability of fund providers in the form of unencumbered liquid funds (not applicable in case of Banks and Financial Institutions).
Exclusions: None

Schem

details: > **Financial Incentive:** ? A financial incentive of 25% of eligible capital expenditure is provided to approved units manufacturing goods as per the eligible list annexed to the Scheme. ? The total incentive under the Scheme is 25% of eligible capital expenditure for an approved application. ? The incentive is over and above any incentive offered by the State Government or any of its agencies or local bodies. ? Applicants shall also be eligible to take benefit under any other scheme(s) of the Government of India; however, investments committed under the Modified Special Incentive Package Scheme (M-SIPS) for which incentives have been claimed shall not qualify as eligible investments under SPECS. > **What Constitutes Eligible Capital Expenditure** Capital expenditure includes the following: ? Expenditure on plant, machinery, equipment and associated utilities - including tools, dies, moulds, jigs, fixtures (including parts, accessories, components, and spares thereof); expenditure on packaging, freight/transport, insurance, and erection and commissioning. Associated utilities include captive power and effluent treatment plants; clean rooms; air curtains; temperature and air quality control systems; compressed air, water and power supply; and IT/ITES infrastructure related to manufacturing including servers, software and Enterprise Resource Planning (ERP) solutions. ? Expenditure on Research and Development (R&D) - including in-house and captive R&D, test and measuring instruments, design tools, software cost (directly for R&D), and expenditure on technology, Intellectual Property Rights (IPR), patents and copyrights. ? Expenditure on Transfer of Technology (ToT) - including cost of technology and initial technology purchase related to eligible goods. ? Expenditure on refurbished/used/second-hand plant, machinery and equipment (including associated utilities and R&D) - whether imported or domestically procured - not exceeding 20% of total eligible plant, machinery and equipment. Such equipment must have a minimum residual life of at least 5 (five) years at the time of transfer of assets. The following are NOT covered as eligible capital expenditure ? Expenditure on land and building (including factory building/construction). ? Expenditure on consumables and raw materials used for manufacturing. > **Sub-Limits within Eligible Capital Expenditure** ? Associated utilities expenditure: capped at not more than 20% of the total eligible capital expenditure for plant, machinery and equipment. ? Research and Development (R&D) expenditure: not exceeding 20% of the total eligible capital expenditure for plant, machinery, equipment and associated utilities. ? Transfer of Technology (ToT) expenditure: not exceeding 10% of the total eligible capital expenditure for plant, machinery, equipment and associated utilities. ? Refurbished/used/second-hand plant, machinery and equipment: not exceeding 20% of total eligible capital expenditure. > **Eligible Goods and Minimum Investment Thresholds** **Category****Description of Goods****Minimum Investment Threshold**ASurface Mount Technology (SMT) components including Light Emitting Diode (LED) Chips; Chip Modules for Smart Cards, Radio Frequency Identification (RFID) Antenna and Labels, Chip-on-Board (CoB)/System in Package; Passive components (resistors, capacitors, ferrites) for electronic applications; Electromechanical components (transformers, inductors, coils, relays, switches, micro motors, stepper motors, Brushless Direct Current (BLDC) Motors, Connectors, Heat Sinks, Antenna, Speakers, Microphones, etc.) for electronic applications; Magnetrons, Wave guides, Circulators, Couplers, Isolators, Filters, Magnets, Radio Frequency (RF) Components for electronic applications; Printed Circuit Boards (PCBs), PCB Laminates, Prepegs, Photopolymer films, PCB Printing Inks; Printed Flexible Electronics; Sensors, Transducers, Actuators and Crystals for electronic applications; Camera Modules, Vibrator motor/ringer; Universal Serial Bus (USB)/Data Cables, High-Definition Multimedia Interface (HDMI) Cables; Capital goods for all goods covered under SPECS.Rs. 5,00,00,000/- (Rs. 5 Crore)BActive Components - Discrete semiconductor devices (transistors, diodes, etc.); Power semiconductors (Field Effect Transistors (FETs), Metal Oxide Semiconductor Field Effect Transistors (MOSFETs), Thyristors, etc.); Preform of Silica and Optical Fibre; Display Assembly and Touch Panel/Cover Glass Assembly.Rs. 15,00,00,000/- (Rs. 15 Crore)CMicro/Nano-electronic components such as Micro Electro Mechanical Systems (MEMS) and Nano Electro Mechanical Systems (NEMS); Assembly, Testing, Marking and Packaging (ATMP) units.Rs. 25,00,00,000/- (Rs. 25 Crore)DMechanics (plastic and metal parts) for electronic applications.Rs. 75,00,00,000/- (Rs. 75 Crore)ECompound Semiconductors such as Gallium Nitride (GaN), Silicon Carbide (SiC), Gallium Arsenide (GaAs), and Silicon Photonics devices/Integrated Circuits, Optoelectronic components.Rs. 2,50,00,00,000/- (Rs. 250 Crore)FSemiconductor Wafers.Rs. 5,00,00,00,000/- (Rs. 500 Crore)GSemiconductor Integrated Chips (ICs), including Logic [Microprocessors, Microcontrollers, Digital Signal Processors (DSP), Application Specific Integrated Circuits (ASICs), etc.]; Memory; Analogue/Mixed Signal ICs, etc. Display fabrication units including Liquid Crystal Displays (LCD), Light Emitting Diode (LED), Organic Light Emitting Diode (OLED), etc., for electronic applications.Rs. 10,00,00,00,000/- (Rs. 1,000 Crore)

Requir

Documents: None
Application Process: how_to_apply: Online Step 1: The applicant should visit the official website of the Scheme for Promotion of Manufacturing of Electronic Components and Semiconductors (SPECS) . Step 2: Register using your Permanent Account Number (PAN) as the username. Enter your PAN as the User ID, your password, and the CAPTCHA shown on screen, then click 'Register'. Step 3: After logging in, fill out the Application Form on the portal. The form has 3 sections: Section 1: Applicant Details (company structure, company details, credit history, financial details); Section 2: Proposal (eligible goods, projections, size of investment, financial closure details, operations and facilities analysis, market research on product feasibility, regulatory treatment); Section 3: Application Fee Details (proof of application fee submission). Step 4: A non-refundable application fee must be paid electronically before submission. The fee ranges from Rs. 10,000/- (for projects below Rs. 25,00,00,000/-) to Rs. 1,25,000/- (for projects of Rs. 10,00,00,00,000/- and above). Step 5: Attach all required documents and submit the complete application on the portal. On successful submission, you will receive a unique Application ID. Keep this for all future correspondence. After Registration: Step 6: IFCI Ltd. will check if your application is complete. If incomplete, you will be informed within 15 working days and must complete it within the next 15 working days, or the application will be closed. Step 7: If your application meets all criteria, the PMA issues an Acknowledgement with your Application ID. Note: This is NOT an approval. The date of acknowledgement starts your 5-year investment window. Step 8: PMA appraises your application in detail. Provide any additional information they request. Step 9: PMA places your application before the EC constituted by MeitY. The EC recommends approval, rejection, or modification. Step 10: PMA issues the Approval Letter to you, with a copy to MeitY. (Note: Approval Letter is NOT a guarantee of disbursement.) Claiming Your Incentive: Step 11: Incur eligible capital expenditure within 5 years from the date of acknowledgement. Step 12: Commercial production must commence before you can claim the incentive. Step 13: Log in to SPECS and submit your Claim for Incentive every 6 months. All claims must be on a cash basis, not accrual. Refer to the claim manual: Click Here. Step 14: PMA verifies your claim through documents and/or site visits. They will physically verify at least 30% of the eligible capital expenditure items. Step 15: PMA issues a Sanction Letter approving your claim. Step 16: Submit

the Integrity Compliance Undertaking, Indemnity Bond, and any other required documents. Step 17: PMA disburses the incentive immediately after all formalities are complete. Note: You must remain in commercial production for at least 3 years from the date of commencement of production, or 1 year from receipt of the last incentive - whichever is later. **Step 1:** The applicant should visit the official website of the [Scheme for Promotion of Manufacturing of Electronic Components and Semiconductors (SPECS)](https://specs.ifciltd.com). **Step 2:** Register using your Permanent Account Number (PAN) as the username. Enter your PAN as the User ID, your password, and the CAPTCHA shown on screen, then click 'Register'. **Step 3:** After logging in, fill out the Application Form on the portal. The form has 3 sections: - **Section 1:** Applicant Details (company structure, company details, credit history, financial details); **Section 2:** Proposal (eligible goods, projections, size of investment, financial closure details, operations and facilities analysis, market research on product feasibility, regulatory treatment); **Section 3:** Application Fee Details (proof of application fee submission). **Step 4:** A non-refundable application fee must be paid electronically before submission. The fee ranges from Rs. 10,000/- (for projects below Rs. 25,00,00,000/-) to Rs. 1,25,000/- (for projects of Rs. 10,00,00,00,000/- and above). **Step 5:** Attach all required documents and submit the complete application on the portal. On successful submission, you will receive a unique Application ID. Keep this for all future correspondence. > **After Registration:** **Step 6:** IFCI Ltd. will check if your application is complete. If incomplete, you will be informed within 15 working days and must complete it within the next 15 working days, or the application will be closed. **Step 7:** If your application meets all criteria, the PMA issues an Acknowledgement with your Application ID. Note: This is NOT an approval. The date of acknowledgement starts your 5-year investment window. **Step 8:** PMA appraises your application in detail. Provide any additional information they request. **Step 9:** PMA places your application before the EC constituted by MeitY. The EC recommends approval, rejection, or modification. **Step 10:** PMA issues the Approval Letter to you, with a copy to MeitY. (Note: Approval Letter is NOT a guarantee of disbursement.) > **Claiming Your Incentive:** **Step 11:** Incur eligible capital expenditure within 5 years from the date of acknowledgement. **Step 12:** Commercial production must commence before you can claim the incentive. **Step 13:** Log in to [SPECS](https://specs.ifciltd.com/login) and submit your Claim for Incentive every 6 months. All claims must be on a cash basis, not accrual. Refer to the claim manual: [Click Here.](https://specs.ifciltd.com/docs/SPECS-Manual_for_Claim_and_disbursement_process.pdf) [**Step 14:** PMA verifies your claim through documents and/or site visits. 4499. Production Linked Incentive Scheme (PLI) for IT Hardware Scheme 2.O

Primary Category: Employment & Jobs | State: All | Govt: Central Government | Ministry: Ministry of Electronics and Information Technology

Secondary: Skill Development & Training, Business & Entrepreneurship | Benefits: Employment, Equipment, Food/Nutrition | Beneficiaries: Entrepreneurs

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/pliit20

Description:

The scheme "Production Linked Incentive (PLI) Scheme 2.0 for IT Hardware" has been launched by the Ministry of Electronics and Information Technology (MeitY), Government of India. The aim is to promote domestic manufacturing of IT hardware products by providing production-linked incentives to eligible companies manufacturing target segment goods in India. Through this scheme, financial incentives on incremental sales of manufactured target segment goods - covering Laptops, Tablets, All-in-One Personal Computers (PCs), Servers, and Ultra Small Form Factor (USFF) devices - are provided to Indian-registered companies across three categories: Global Companies, Hybrid (Global/Domestic) Companies, and Domestic Companies, that manufacture qualifying products in India. The scheme is implemented by a Project Management Agency (PMA). **Objectives:** - To boost domestic manufacturing of IT hardware products under the Target Segment (Laptops, Tablets, All-in-One PCs, Servers, and Ultra Small Form Factor devices) in India. - To incentivise incremental investment in plant, machinery, equipment, Research and Development (R&D), and Transfer of Technology (ToT) related to the Target Segment. - To promote localisation of components and sub-assemblies in the IT hardware value chain. - To encourage employment generation directly related to the manufacturing process. - To improve domestic value addition in the manufacturing of IT hardware.

Eligibi

Who Can Apply: 1. The applicant must be a company registered in India. 1. The applicant should propose to manufacture goods covered under the Target Segment. 1. The applicant must meet the threshold criteria of Incremental Investment. 1. The applicant must meet the threshold criteria of Net Incremental Sales of manufactured target segment goods over the base year. 1. The applicant should meet the qualification criteria based on Consolidated Global Manufacturing Revenue for Financial Year 2021-22. 1. The applicant under the Global Company category must have a Consolidated Global Manufacturing Revenue greater than Rs. 50,00,00,00,000/- (5,000 crore) for the target segment or greater than Rs. 100,00,00,00,000/- (10,000 crore) for electronics hardware. 1. The applicant under the Domestic Company category must have a Consolidated Global Manufacturing Revenue greater than Rs. 1,00,00,000/- (10 crore) for the target segment or greater than Rs. 2,00,00,000/- (20 crore) for electronics hardware. 1. The applicant must localise at least Printed Circuit Board Assembly (PCBA) and assembly of finished goods from the first year. Exclusions: None

Schem

details: > The scheme provides a financial incentive for the net incremental sales of goods manufactured in India and covered under the target segment. 1. Target Segment Products: The tangible benefits apply to the manufacturing of Laptops, Tablets, All-in-One Personal Computers (PCs), Servers, and Ultra Small Form Factor (USSF) devices. 1. **Incentive Rates (Year 1 ? Year 6):** - Assembly of Laptops/Tablets/All-in-One PCs/USFF: 3% ? 0% - Assembly of Servers: 3% ? 0% - PCBA: 1.20% ? 0.90% - Display Panel: 1.49% ? 1.12% - Memory Modules: 0.95% ? 0.71% - SSD: 0.95% ? 0.71% - Cabinets/Chassis/Enclosures: 1.49% ? 1.12% - SoC Processors designed in India: 3.24% ? 2.43% (up to 3.78% ? 2.84% for Servers) - Additional incentives available for ATMP and IC manufacturing in India 1. **Investment Shortfall Relief** - If investment shortfall is ?40% of the threshold, incentive is still payable (with partial deduction of X/2%) - Withheld incentive is refunded without interest once the investment threshold is met in a later year. > **Duration:** Incentive given for 6 consecutive years within the scheme tenure > **Frequency:** Claims can be filed quarterly,

half-yearly, or annually > **Filing Deadline:** Claims must be filed within 9 months from the end of the relevant financial year

Application Process: how_to_apply: Online Step 1: Visit the official portal of the Production Linked Incentive (PLI) Scheme - 2.0 for IT Hardware . Step 2: Register on the portal using the company details. Step 3: Access the application form available on the portal. Step 4: Fill in all required details, including investment, production plans, and financial information. Step 5: Upload all required documents as specified. Step 6: Submit the application online within the prescribed timeline. Step 7: The application will be evaluated by the Project Management Agency (PMA). Step 8: Provide clarifications or additional documents, if requested during evaluation. Step 9: Upon approval, receive the approval letter from the concerned authority. Step 10: Commence production and submit claims for incentives on an annual basis. Step 11: Claims will be verified by the Project Management Agency (PMA) and approved for disbursement. **Step 1:** Visit the official portal of the [Production Linked Incentive (PLI) Scheme - 2.0 for IT Hardware](https://pliithw.com/). **Step 2:** Register on the portal using the company details. **Step 3:** Access the application form available on the portal. **Step 4:** Fill in all required details, including investment, production plans, and financial information. **Step 5:** Upload all required documents as specified. **Step 6:** Submit the application online within the prescribed timeline. **Step 7:** The application will be evaluated by the Project Management Agency (PMA). **Step 8:** Provide clarifications or additional documents, if requested during evaluation. **Step 9:** Upon approval, receive the approval letter from the concerned authority. **Step 10:** Commence production and submit claims for incentives on an annual basis. **Step 11:** Claims will be verified by the Project Management Agency (PMA) and approved for disbursement.

4500. Electronics Component Manufacturing Scheme

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry of Electronics and Information Tech

Secondary: Employment & Jobs, Business & Entrepreneurship | Benefits: Employment, Equipment, Food/Nutrition | Beneficiaries: Entrepreneurs

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/ecms

Description:

The scheme "Electronics Component Manufacturing Scheme" has been launched by the Ministry of Electronics and Information Technology, Government of India. It aims to provide financial incentives for the manufacturing of identified electronic components and capital goods in Bharat. Through this scheme, turnover-linked and capital expenditure incentives are provided to companies and Limited Liability Partnerships investing in greenfield or brownfield projects within the target segments. The scheme is implemented by a Project Management Agency (PMA) appointed by the Ministry of Electronics and Information Technology (MeitY). The scheme seeks to ensure the effective operation and smooth implementation of electronic system design and manufacturing (ESDM) through detailed industry consultations. It focuses on sub-assemblies, bare components, selected bare components, and the supply chain ecosystem, including capital equipment.

Eligibi

Who Can Apply: 1. The applicant should be a company registered in Bharat under the Companies Act, 2013 (or the erstwhile Companies Act, 1956) or a Limited Liability Partnership (LLP) registered under the Limited Liability Partnership Act, 2008. 1. The applicant should be investing in the manufacture of target segment goods in Bharat. 1. The applicant shall meet the threshold criteria regarding investment, sales, and employment as per [Annexure 3](https://www.meity.gov.in/static/uploads/2025/04/30e8672a53f05b9f90d86d16901b23d2.pdf) of the guidelines.1. The applicant shall meet the minimum consolidated global Electronics System Design and Manufacturing (ESDM) revenue or manufacturing revenue for the Financial Year. 1. The applicant shall submit separate applications for each target segment product. 1. The applicant shall maintain a net worth greater than or equal to 50% of the proposed investment for target segment D. 1. The applicant shall ensure that Foreign Direct Investment (FDI) is in compliance with the FDI Policy Circular 2020.
Exclusions: 1. The applicant shall not consider manufacturing through contract manufacturers as eligible under the scheme. 1. The applicant shall not be eligible for incentives on investments or sales already incentivized under any other Government of Bharat scheme. 1. The applicant shall not include expenditure on land and buildings as an eligible investment. 1. The applicant shall not include expenditure on consumables and raw materials as an eligible investment.

Schem

4501. The West Bengal Incentive Scheme: Capacity Utilisation

Primary Category: Urban Development | State: West Bengal | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Employment & Jobs, Business & Entrepreneurship | Benefits: Financial Assistance, Subsidy, Employment, Food/Nutrition, Id

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/wbiscu

Description:
The scheme "State Capital Investment Subsidy" is a sub scheme under "The West Bengal Incentive Scheme". It was launched on 22nd February, 2021, by the Department of Tourism, Government of West Bengal, and shall remain valid upto 31st December, 2025. > **Objective of the "West Bengal Incentive Scheme" Scheme:** The object of the Scheme is to provide financial assistance and help enthusiastic intending or prospective entrepreneurs to start their own business as a self-employed youth who will become an employer in upcoming days and generate more employment. > **Objective of the "Capacity Utilisation" scheme:** Through this incentive, an approved mega project of an eligible unit shall be entitled to additional Floor Area Ratio (FAR) over and above the maximum permissible FAR as may be fixed by the competent authority.

Eligibi

Who Can Apply: - The Scheme shall be generally applicable to all eligible tourism projects/units and also to expansion projects of existing units set up on or after the effective date (i.e. 22nd February, 2021) of this incentive scheme. Or, - Eligible Hotel Units who started their commercial operation on or after 7th January, 2015 to 31st December, 2020 but could not apply under previous scheme 2015 due to absence of a Bar in the Hotel. - The units may be in the private sector, co-operative sector, joint sector as also companies/undertakings owned or managed by the State Government. - The project should be covered by a detailed feasibility report/project prepared for the purpose. - The project should have been approved and sanctioned by a Central Financial Institution or Commercial Banks or State Financial Institutions. - The unit should hold an Registration Certificate, Date of Commencement Certificate and Eligibility Certificate issued by the West Bengal Tourism Development Corporation Limited on satisfaction of arrangement.
Exclusions: - The West Bengal Incentive Scheme shall stand non-applicable in respect of those tourism units that have been registered for and have been sanctioned incentives under any previous scheme. - Any unit which may have applied for registration with the Directorate of Tourism under WBIS (West Bengal Incentive Scheme) 2015, before the date of commencement of this Scheme and whose applications may have not been disposed off prior to the coming into effect of this 2021 Scheme or deemed to have been disposed of shall be entitled to all benefits under WBIS 2015 only.

Schem

details: - **Pattern of Assistance:** 50%, subject to a maximum of Rs. 7,50,000/-.

Application Process: how_to_apply: Online Registration Process: Step 1: Visit the official Shilpasathi portal and click on 'Apply online' button. Step 2: A sign up window will appear. Click on 'Create New' for new user. Step 3: Select the Industry /Business /Commercial /Charitable Society/ Govt. entity and enter the concerned Registration number. Step 4: Then the 'User Registration' window will appear with the relevant fields that the applicant needs to fill accurately and click on 'Register'. In case the applicant already has an account, click on the 'Sign In' button and login using valid User ID, password and Captcha code. Application Process: Step 1: Visit the official Shilpasathi portal and click on 'Apply online' button. Step 2: Enter your user name, password and captcha code then click on "Log In". Or sign in with the registered mobile number and OTP. Step 3: You will be directed to the user dashboard. Click on 'ALL SERVICES' to get the desired service. Step 4: A list of services will appear. Applicants need to click on the check box

adjacent to the service named 'Tourism Incentive'. Step 5: Once done, click on 'Create CAF'. Applicant's CAF ID will be created. Click on 'Apply Online' to proceed with the application. Step 6: You will be redirected to the common application form where he has to fill in the necessary details mentioned for proceeding further with the application. Step 7: Once done, attach the relevant documents required for the issuance of the certificate and click on 'Save & Continue'. Step 8: Once uploaded, a 'Document successfully uploaded' header message will appear for confirmation. You will be shown the filled application with details provided for final review. Step 9: Once reviewed, the applicant needs to click on the 'Declaration' checkbox on the bottom left of the application page before proceeding to the 'Submit' button. Step 10: The applicant will receive notifications through SMS and email at critical stages of application processing-application submission, application approval or rejection at various stages. Step 11: Once done, the applicant will be auto redirected to the 'Check status' page to view the current status of the application. Step 12: Once all the steps are successfully completed , after Approval by the authority the applicant will receive in the online system the Registration certificate approved by the Department by clicking on the 'Download Certificate' button. Note: The steps for getting the incentives are Issue of Registration Certificate, Issue of Date of Commencement Certificate and issue of Eligibility Certificate before granting incentives in each case. After getting both the Registration and Date of Commercial Operation Certificate, the Tourism unit applies to the Managing Director, West Bengal Tourism Development Corporation for Eligibility Certificate. After getting all the above mentioned three certificates the eligible units apply to The Managing Director, West Bengal Tourism Development Corporation for Different types of incentives (see sl. 1) through different online forms. 4503. Technology Acquisition Assistance

Primary Category: Financial Assistance | State: Rajasthan | Govt: State Government | Ministry: None

Secondary: Business & Entrepreneurship | Benefits: Equipment, Food/Nutrition, Identity Card / Certificate | Beneficiaries: Entrepreneurs, Small Businesses

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/taa

Description:

The "Technology Acquisition Assistance" scheme has been introduced under the Rajasthan MSME Policy 2024 by the Department of Industries and Commerce, Government of Rajasthan. The scheme aims to support micro and small enterprises (MSEs) in the state in acquiring advanced technology or software related to their production/manufacturing processes. This assistance encourages efficiency, modernization, and competitiveness through measurable performance improvements. The scheme will remain in force until 31st March 2029. ***Scheme Implementation*** This scheme component will be implemented through the concerned District Industries & Commerce Centre (DICC) under the aegis of the Department of Industries & Commerce. The Office of the Commissioner, Industries & Commerce will be the nodal agency for implementation and supervision at the state level.

Eligibi

Who Can Apply: **All Micro and Small Enterprises existing anywhere in Rajasthan will be required to comply with the following conditions to avail benefits under the scheme:** 1. The enterprise will be required to have Udyam Registration Certificate (URC) as per MSME Development Act 2006. 1. The acquisition of technology can be in any form, including purchase of drawing and design/ plant/ machinery/ software etc. 1. Acquired technology should be related to the production/ manufacturing process of the enterprise. 1. The applicant should clearly demonstrate improvement in performance due to technology acquisition. Mere purchase of machinery and technology will not be considered as technology acquisition. 1. The enterprise should be in commercial production at the time of disbursement and the assistance shall not be released to the closed unit. 1. Acquisition of multiple machines of similar nature will not be entertained under the scheme. Only one machine will be eligible for the assistance under the scheme in such cases. 1. The improvement in performance due to technology acquisition can be demonstrated as follows: - An increase of at least 10% in Production Rate (Number of units produced/Total time taken); or - A decrease of at least 5% in Cycle Time (Net Production Time/ Number of Units Produced); or - A decrease of at least 2.5% in Rejection Rate (Number of units rejected/ Total number of units produced); or - A decrease of at least 10% in waste generation (Quantity of waste generated/ Quantity of relevant raw material used) **Note 1:** Improvement in performance to be certified by Chartered Engineer. **Note 2:** The average values of the above-mentioned indicators calculated three (3) months prior to technology acquisition will be compared with the average values calculated three (3) months post the deployment & commissioning of technology to demonstrate the performance improvement.
Exclusions: None

Schem

details: **One-time Reimbursement Assistance:** - Up to 50% of the cost incurred for technology/software acquisition. - Maximum assistance limit: Rs. 5,00,000/- per unit. **MSEs may acquire technology/software from premier national institutes like:** - Indian Institute of Science (IISc) - Indian Institutes of Technology (IITs) - National Institutes of Technology (NITs) - National Institutes of Design (NIDs) - Council of Scientific and Industrial Research (CSIR), OR - Other institutions set up by Government of India/Government of Rajasthan.

Requi

Documents: None
Application Process: how_to_apply: Offline Application process for the reimbursement of the cost of acquisition of technology/software Step 1: The interested applicant downloads the application form (Annexure 3.1) from the official website. 4507. Development Support for Coffee in Traditional Areas: Support to Small Growers' Collectives/ SHGs/ Coope

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry Of Commerce And Industry

Secondary: Financial Assistance, Farmers & Agriculture, Business & Entrepreneurship | Benefits: Subsidy | Beneficiaries: Farmers, Rural Population

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/dsctassgcsccm

Description:

The scheme "Development Support for Coffee in Traditional Areas: Support to Small Growers' Collectives/ SHGs/ Cooperatives for Coffee Marketing" is a Sub-Component of the Scheme "Integrated Coffee Development Project During the Medium Term Framework (MTF) Period: Development Support to Stakeholders" by the Coffee Board, Department of Commerce, Ministry of Commerce and Industry. The objective of the scheme is to extend support to small and tiny growers, incentivizing them to form collectives/ Self Help Groups/ Cooperatives, thus encouraging them to take up marketing of coffee produced on a community-based approach through suitable financial incentives. This way, they will not only be able to improve the quality of coffee but also realize better value for their coffees. It is expected to provide a mechanism for better price realization for the group, arising out of both the improvement of quality as well as collective bargaining.

Eligibi

Who Can Apply: 1. The applicant should belong to Small Growers' Collectives / Self Help Groups (SHGs) / Co-operatives in traditional coffee-growing states. 2. The applicant should engage in coffee marketing, in clean coffee (green bean) form only, in the name of Small Growers' collectives / SHGs / Co-operatives. This can be accomplished through: i) Utilizing recognized public auction platforms like the Indian Coffee Trade Association (ICTA). ii) Direct export by the organization. iii) Utilizing recognized Commodity Exchanges wherein physical delivery of coffee takes place. 3. The applicant who has availed subsidy under one activity/component is not eligible to avail subsidy for the same activity/component during the Mission for Integrated Development of Horticulture (MIDH) period unless new beneficiaries are covered.
Exclusions: None

Schem

details: **Scale of Subsidy:** Rs. 4.00 per kg of Clean Coffee.

Requi

Documents: None
Application Process: how_to_apply: Offline Step 1: Furnishing the Claim After the marketing of coffee, the small growers' collectives/ SHGs/ Cooperatives should furnish the claim for reimbursement in the prescribed application along with the proofs/supportive documents. Step 2: Submission of Application The application for subsidy should be submitted to the concerned Deputy Director (Extension) during the same financial year of completion of the activity as far as possible. Step 3: Scrutiny and Forwarding The Deputy Director (Extn.) of respective regions will scrutinize the application and forward it to the Deputy Director (Market Research) at Coffee Board, Head Office, Bengaluru for approval by the competent authority. Disbursement of Subsidy The subsidy is disbursed only after the sale of coffee is completed by small growers' collectives/SHGs/Cooperatives. The subsidy shall be released to the individual members (of the small growers' collectives/SHGs/Cooperatives mentioned in the sale note issued by the auctioneers/commodity exchange) directly to their bank account through National Electronic Funds Transfer (NEFT) in cases where the application is complete in all respects. **Step 1: Furnishing the Claim** After the marketing of coffee, the small growers' collectives/ SHGs/ Cooperatives should furnish the claim for reimbursement in the [prescribed application](https://coffeeboard.gov.in/Schemes/TA_ICDP_MTF.pdf) along with the proofs/supportive documents. **Step 2: Submission of Application** The application for subsidy should be submitted to the concerned Deputy Director (Extension) during the same financial year of completion of the activity as far as possible. **Step 3: Scrutiny and Forwarding** The Deputy Director (Extn.) of respective regions will scrutinize the application and forward it to the Deputy Director (Market Research) at Coffee Board, Head Office, Bengaluru for approval by the competent authority. > **Disbursement of Subsidy** - The subsidy is disbursed only after the sale of coffee is completed by small growers' collectives/SHGs/Cooperatives. - The subsidy shall be released to the individual members (of the small growers'

collectives/SHGs/Cooperatives mentioned in the sale note issued by the auctioneers/commodity exchange) directly to their bank account through National Electronic Funds Transfer (NEFT) in cases where the application is complete in all respects.

4508. Shahari Waqf Sampatti Vikas Yojana

Primary Category: Urban Development | State: All | Govt: Central Government | Ministry: Ministry Of Minority Affairs

Secondary: Financial Assistance, Health & Medical, Loans & Credit | Benefits: Financial Assistance, Loan, Food/Nutrition, Infrastructure Support | Beneficiarie

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: Minority

All Waqf Boards (WBs) and registered Waqf institutions, which are in full possession of property to be developed and in the opinion of Central Waqf Council (CWC) are not insolvent or otherwise suitable, shall be eligible for interest free loan. 1. Loans under this scheme will be provided for the development of Waqf properties located in urban areas. 1. Interest-free loan assistance or grants-in-aid, in the public interest, will be provided to WBs and Waqf institutions for specific development projects or non-commercial purposes approved by the CWC. **Note 1:** Under this scheme, loan assistance will be provided for projects involving the construction or reconstruction of economically viable buildings or projects on Waqf lands. The augmented income generated from these developments will be utilized by WBs and Waqf institutions to strengthen their financial position and expand the scope of their welfare and charitable activities. The whole purpose is intended to contribute to overall progress and development of the society. **Note 2:** Urban Area means a property situated in any area, which is comprised within the jurisdiction of a Municipality (whether known as Municipality, Municipal Corporation, Notified Area Committee, Town Area Committee, Town Committee or by any other name) Cantonment Board and include any area within such distance not being more than 8 kilometers from the local limits of any Municipality or Cantonment Board as the Central/State Government may, having regard to the extent or scope for urbanization of that area and other relevant consideration, specify in this behalf by notification in the Official Gazette.
Exclusions: None

Schem

details: - **Interest-Free Loan Support:** Provides interest-free loans up to Rs. 2,00,00,000/- or 75% of the project cost (excluding land cost), whichever is lower. - **Loan Assistance for Infrastructure Development:** Provides financial support through State Waqf Boards for constructing commercially viable projects such as commercial complexes, marriage halls, hospitals, and cold storage units on Waqf land. - **Grant-in-Aid for Social Projects:** Offers grant-in-aid, with prior approval of the Ministry, for undertaking social development projects on Waqf properties.

4509. Comprehensive Handicrafts Cluster Development Scheme

Primary Category: Workers & Labour | State: All | Govt: Central Government | Ministry: Ministry Of Textiles

Secondary: Financial Assistance, Employment & Jobs, Skill Development & Training | Benefits: Financial Assistance, Training, Employment, Food/Nutrition, Sk

Gender: Any | Age: None | Occupation: Artisan / Weaver | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/chcdp

Description:

The "Comprehensive Handicrafts Cluster Development Scheme (CHCDS)" has been launched by the Ministry of Textiles, Government of India, under the Development Commissioner (Handicrafts). The scheme aims to develop handicrafts clusters by creating world-class infrastructure, improving productivity, enhancing market access, and strengthening the overall handicrafts ecosystem. > **Objectives** To enhance competitiveness of handicrafts clusters and increase market share. To integrate scattered artisans and build strong grassroots enterprises. To generate additional livelihood opportunities and increase artisan income. To provide infrastructure, technology, design, marketing, and raw material support. To strengthen capacity building through professional and technical assistance.

Eligibi

Who Can Apply: 1. The applicant should be an implementing agency such as a state/central handicrafts corporation, autonomous body, cooperative, producer company, or SPV. 1. The applicant should have experience in the handicrafts sector. 1. The applicant should prepare a Detailed Project Report (DPR) based on cluster needs. 1. The applicant should cover more than 10,000 artisans or as available in the cluster. 1. The applicant should ensure ownership of land free from litigation (where infrastructure is required). 1. The applicant should ensure a cluster-based approach in a specific geographical area or craft sector. 1. The applicant should ensure integration of artisans and SMEs for large-scale production.
Exclusions: 1. The applicant should not submit incomplete DPR or proposals. 1. The applicant should not have litigation issues related to project land or ownership.

Schem

details: **Financial & Infrastructure Benefits** 1. Financial assistance as per Detailed Project Report (DPR). 1. Up to Rs. 5,00,000 or 2% of project cost for baseline survey/DPR preparation (whichever is less). 1. 3% of total project cost for Project Monitoring Unit (PMU). 1. Creation of infrastructure such as: - Common Facility Centres - Raw Material Banks - Design Centres - Trade Facilitation Centres - Support for product diversification, branding, and export promotion. **Skill Development & Capacity Building** - Training and skill upgradation for artisans. - Engagement of designers with Rs. 55,000 per month (including TA) for up to 3 years. - Preference to NID (National Institute of Design) and NIFT (National Institute of Fashion Technology) graduates. **Market & Livelihood Benefits** - Increased employment opportunities. - Better income and living standards for artisans. - Access to national and international markets. - Promotion of exports and foreign exchange earnings. **Mode of Disbursement** - Funds released in installments through Aadhaar Enabled Payment System (AEPS). - Cashless and electronic transactions are followed. - Disbursement based on project progress and utilization certificates. **Frequency of Disbursement** - 1st Installment: 50% of approved project cost. - 2nd Installment: 40% after utilization of 70% of first installment. - Final Installment: 10% after project completion. **Validity** - Project duration: 3 years (extendable by 1 year with approval).

4510. Consortia & Tender Marketing Scheme

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry Of Micro, Small and Medium Enterpr

Secondary: Financial Assistance, Skill Development & Training, Loans & Credit | Benefits: Loan, Training, Equipment, Food/Nutrition | Beneficiaries: Entrepre

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: SC/ST

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/ctms

Description:

The "Consortia and Tender Marketing Scheme" is implemented by the National Small Industries Corporation (NSIC) under the Ministry of Micro, Small and Medium Enterprises, to support Micro and Small Enterprises (MSEs) in enhancing their market access. The scheme enables MSEs to participate in government and PSU tenders either individually or through a consortium of similar units. Under this scheme, only MSEs registered under the Single Point Registration Scheme (SPRS) of NSIC are eligible. It excludes units engaged purely in trading without value addition. The scheme facilitates participation in open and limited tenders, including nomination-based tenders. NSIC assists MSEs by forming consortia of similar product manufacturers to secure bulk orders. It also distributes orders among consortium members based on their production capacity. The scheme supports enterprises by arranging Earnest Money Deposit (EMD) and security deposits on a back-to-back basis and helps in accessing credit and raw materials. The participation limit for tenders is determined based on the higher of 300% of SPRS monetary limit or the last year's turnover, with provisions for revision based on growth. The limit is reviewed annually. The scheme aligns with the Public Procurement Policy for MSEs, promoting inclusion of MSEs in government procurement, including subcontracting opportunities.

Eligibi

Who Can Apply: - Micro & Small Enterprises registered with NSIC under its Single Point Registration Scheme (SPRS). Or, - Micro & Small Enterprises who apply to get themselves registered with NSIC under the SPRS along with all required documents in terms of the scheme. - Their factory/unit should be inspected before filing of tender in terms of the Tender Marketing Scheme.
Exclusions: - The scheme shall not cover unit(s) engaging in 'trading activities' without value addition/packing/ branding.

Schem

details: - **Market Access:** Facilitates participation in government and PSU tenders. - **Consortium Formation:** Enables small units to combine capacities and secure bulk orders. - **Financial Support:** Assistance in EMD and security deposits. - **Order Distribution:** Ensures fair allocation of orders among consortium members. - **Credit Facilitation:** Helps in accessing finance for order execution. - **Capacity Building:** Encourages collaboration among similar MSEs. - **Procurement Advantage:** Supports inclusion under Public Procurement Policy. > **Annual Fee Structure of Enlistment & Renewal under Consortia & Tender Marketing Scheme:** **S.No.****Category****Annual / Renewal Fee**1.If Monetary Limit under Single Point Registration Scheme (SPRS) is up to Rs. 1,00,00,000/-Rs. 1000+Service Tax2.If Monetary Limit under Single Point Registration Scheme (SPRS) is more Rs. 1,00,00,000/- and up to Rs. 5,00,00,000/-Rs. 2500+Service Tax3.If Monetary Limit under Single Point Registration Scheme (SPRS) is above Rs. 5,00,00,000/-Rs. 5000+Service Tax4..Units owned by SC/ST entrepreneurs are exempted from the enlistment feeN/A5.There will be no fee for the formation of new / renewal of Consortia. However, while at the time of participation in tender by consortia members, enlistment fee mentioned above will be applicable.N/A> **Service Charges (on line/off line) Open Tender/Limited Enquiries/Nomination Basis/Repeated Orders etc.:** The service charges for various types of above said tenders are proposed on the basis of value of tender irrespective of their category: TypeService charges on Bill value before GST (%)Individual2.5Consortia2**Note:** - In case of micro units, the service charges may be reduced by 0.5% on the above-mentioned charges. - In case EMD and/ or Security Deposit are arranged by NSIC 1% Additional Service Charges would be charged. The said service charges are excluding GST. The services charges shall be deducted from the payment receipt from the buying department and after deducting eh service charges balance amount may be released to the MSE/Consortia. - Where the NSIC is required to participate in pre-dispatch inspection team along with the buyer department or other agency, a higher rate of service charge can be levied on case to case basis. > **Validity of Consortia Agreement:** - Consortium agreement entered into between the Corporation and Consortiumshall be valid till officially liquidated by all members and the intimation being served on the respective branch that they (Consortium) do not want to continue as a Consortia members. However, in case of inclusion of new member/s or member/s leaving the consortia of change in Constitution of any member , fresh agreement may be obtained. In order to ascertain the change in the Constitution or addition/deletion of the members, a declaration to the effects to be taken from consortia members that their consortium is alive and there is no change.

4511. Technology Development And Utilization Programme For Women

Primary Category: Women & Girls | State: All | Govt: Central Government | Ministry: Ministry Of Science And Technology

Secondary: Scholarship & Education, Financial Assistance, Skill Development & Training | Benefits: Financial Assistance, Training, Food/Nutrition, Infrastructu

Gender: Female | Age: 0-18 Years | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/tdupw

Description:

> **Introduction** In order to meet the specific needs of women and to enhance the contribution of women towards technology capability building, the "Technology Development & Utilization Programme for Women (TDUPW)" has been formulated by the Department of Scientific and Industrial Research (DSIR). DSIR has a mandate to carry out activities relating to indigenous technology promotion, development, utilization and transfer. DSIR under its "Technology Development and Utilization Programme for Women (TDUPW)" provides assistance for those projects which are relevant to technology development and utilization by the women.
 > **Objectives** 1. Promoting the adoption of new technologies by women. 1. Awareness creation and training of women on technology-related issues with regard to women. 1. Promoting Technological upgradation of tiny, small and medium enterprises run by women entrepreneurs. 1. Showcasing appropriate technologies and organizing demonstration programmes for the benefit of women. 1. Design and development of products, and processes beneficial to women.

Eligibi

Who Can Apply: > **For Projects** 1. Studies/ surveys for the assessment of technology-related information needs of women in different walks of life. 2. Documentation and content development on the following aspects: > Technologies useful for production activities, personal care and community management including food processing, water conservation, waste disposal, maintenance of health and hygiene, etc. > Best practices in the use of technology to strengthen the competitiveness of gainful activities by women. > Contribution of women innovators/entrepreneurs. > Contribution of women scientists/ technologists working in various Scientific laboratories. > Technologies and products beneficial to women. 3. Establishing Consultancy Cells for imparting technical knowledge on the adoption of the latest technologies. 4. Awareness creation and training of women in technologies useful for production activities, personal care, and community management, including food processing, water conservation, waste disposal, etc. 5. Case studies of successful R&D, Technology Development and businesswomen. > **For Institutions** 1. Organisations in the Government, non-Government sectors and professional bodies working on areas related to the development of technologies for women with adequate experience in the field are eligible for financial assistance. 1. Also, the agency should be involved in promotional activities related to S&T/ R&D entrepreneurship development, SME, promotion, etc. 1. Organizations seeking assistance under the programme should belong to one of the following categories: > Institutions receiving annual recurring grants from the Central or State Government Agencies including the Council of Scientific and Industrial Research, Indian Universities, academic institutions, R&D institutions, Public Sector Undertakings, etc. > Institutions registered under the Societies Registration Act. > Institutions incorporated under the Companies Act. > Professional & industry Associations. > Trusts registered under Indian Trusts Act.
Exclusions: None

Schem

details: > **Duration of the Project** The project should be time-bound, depending upon the nature of the project. Normally a duration of less than 2 years is preferred. > **Quantum of Financial Assistance** 1. Assistance will be provided for those projects which are relevant to technology development and utilization by the women. 1. Assistance can be by way of financial support (partial or full) and technical guidance. 1. The financial assistance will be provided only for meeting expenditures on Manpower, Consumables, travel within the country and other miscellaneous expenditures. **Note 1:** The type of assistance required by the institution should be clearly indicated in the proposal. **Note 2:** No support will be provided for basic infrastructure and buildings. > **Method of Release of Financial Assistance** 1. The assistance will be released in instalments and will be linked to specific milestones achieved as per the time schedule indicated in the proposal. 1. The release would also be dependent on the completion of formalities like submission of progress reports and Utilization Certificates.

4512. Flexible Memorandum of Understanding (Flexi-MoU) Scheme

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry Of Skill Development And Entrepren

Secondary: Scholarship & Education, Financial Assistance, Employment & Jobs | Benefits: Scholarship, Financial Assistance, Training, Employment, Equipme

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/flexi-mou

Description:

The scheme "Flexible Memorandum Of Understanding (Flexi-MOU) Scheme" has been launched by the Directorate General of Training (DGT) under the Ministry of Skill Development and Entrepreneurship (MSDE). It aims to cater to the needs of both industry as well as trainees by allowing enterprises to train candidates as per their skill set requirements. Through this scheme, industry-aligned training with exposure to market demand and latest technology is provided to trainees. The scheme is implemented by the Directorate General of Training (DGT) in collaboration with Industrial Training Partners (ITPs) and Regional Directorates of Skill Development and Entrepreneurship (RDSDEs). It follows an Employer Skills model where industries conduct in-house training using their infrastructure and faculty. The scheme provides flexibility in course design, curriculum, trainee selection, and assessment aligned with industry needs. It ensures structured training, certification through e-National Trade Certificate (e-NTC), and placement tracking. The scheme also integrates reforms aligned with the Craftsmen Training Scheme (CTS) and examination systems.

Eligibi

Who Can Apply: > **For Enterprise / Organization:** 1. The applicant should be an industry registered under Central/State/UT laws, having an annual turnover of more than Rs. 100,00,00,000/- and a positive net worth during the last 3 fiscal years. OR, the applicant should be a Medium Enterprise registered under Micro, Small and Medium Enterprises (MSME), with investment in plant and machinery or equipment not exceeding Rs. 50,00,00,000/- and an annual turnover not exceeding Rs. 250,00,00,000/-. OR, The applicant should be a start-up registered under Central/State/UT laws, having an annual turnover of more than Rs. 50,00,00,000/- and a positive net worth during the last 3 fiscal years. 1. The applicant should be a reputed industry-recommended or nominated by the District Skill Committee. 1. The applicant should be a Central Government or State Government undertaking, Public Sector Establishment, Central Sector Establishment, or a Government training institution. > **Skill Universities:** 1. The applicant should be a Skill University approved by the University Grants Commission (UGC). 1. The applicant should be a Skill University established under a State Legislature Act. 1. The applicant should ensure that trainees are sent to eligible enterprises/organisations for the industry training component within the jurisdiction of the university. > **Trainee Eligibility:** 1. The applicant should meet the minimum qualification, age, and other eligibility conditions as specified in the course curriculum developed by the Industrial Training Partner (ITP). 1. The applicant should satisfy the minimum age criteria required for employment in the industry or for engagement as an apprentice upon completion of training. > **Additional Conditions:** The applicant (ITP) should ensure training of a minimum of 100 trainees per annum under the scheme.
Exclusions: None

Schem

details: > **For Participating Enterprises:** - Trained manpower as per customised content and curriculum tailored to their needs. - Flexibility in selecting candidates for the training. > **For Trainees:** - Get trained in industry-relevant courses with high employment potential. - Benefit from interactions with experienced industry experts/professionals. - Exposure to industry shop floors and work environment with latest equipment. - Potential job opportunity with the employer and increased employment avenues within the sector. > **Conditions / Aspects:** - The Industrial Training Partner (ITP) must train a minimum of 100 trainees per annum. - ITP must ensure the placement of at least 50% of successful trainees. - ITP can set a fee structure independently. - ITP may provide a stipend during training. > **Validity:** MoU valid for 10 years, extendable in 5-year slots.

Requi

Documents: None
Application Process: how_to_apply: Offline The applicant (Enterprise / Organisation / Skill University) should prepare a proposal with details such as course, duration, batch size, infrastructure, and training centres. The applicant should submit the application to the Directorate General of Training (DGT) offline. The Directorate General of Training (DGT) examines the application and may seek clarifications from the applicant. The Directorate General of Training (DGT) may conduct an inspection of the proposed training centres to verify infrastructure and facilities. The Directorate General of Training (DGT) evaluates the proposal and grants approval. The applicant should sign the Memorandum of Understanding (MoU) with the Directorate General of Training (DGT) within 30 days of approval. The applicant should develop and finalize the course curriculum as per industry requirements.

The applicant should start the admission process only for approved courses and prepare a training calendar. The applicant should select trainees as per its selection criteria and complete the admission process. The applicant should upload the enrolment details of trainees on the scheme website within a fortnight of admission. The applicant should conduct training through classroom and industry components as per the approved curriculum. The applicant should conduct practical and formative assessments, while the Directorate General of Training (DGT) conducts the Computer-Based Test (CBT). The Directorate General of Training (DGT) issues the e-National Trade Certificate (e-NTC) to successful trainees. The applicant should ensure placement of at least 50% of successful trainees and track them for 1 year. The applicant should establish a grievance redressal mechanism for trainees, and unresolved issues may be reported to the Directorate General of Training (DGT). 1. The applicant (Enterprise / Organisation / Skill University) should prepare a proposal with details such as course, duration, batch size, infrastructure, and training centres. 1. The applicant should submit the application to the Directorate General of Training (DGT) offline. 1. The Directorate General of Training (DGT) examines the application and may seek clarifications from the applicant. 1. The Directorate General of Training (DGT) may conduct an inspection of the proposed training centres to verify infrastructure and facilities. 1. The Directorate General of Training (DGT) evaluates the proposal and grants approval. 1. The applicant should sign the Memorandum of Understanding (MoU) with the Directorate General of Training (DGT) within 30 days of approval. 1. The applicant should develop and finalize the course curriculum as per industry requirements. 1. The applicant should start the admission process only for approved courses and prepare a training calendar. 1. The applicant should select trainees as per its selection criteria and complete the admission process. 1. The applicant should upload the enrolment details of trainees on the scheme website within a fortnight of admission. 1. The applicant should conduct training through classroom and industry components as per the approved curriculum. 1. The applicant should conduct practical and formative assessments, while the Directorate General of Training (DGT) conducts the Computer-Based Test (CBT). 1. The Directorate General of Training (DGT) issues the e-National Trade Certificate (e-NTC) to successful trainees. 1. The applicant should ensure placement of at least 50% of successful trainees and track them for 1 year. 1. The applicant should establish a grievance redressal mechanism for trainees, and unresolved issues may be reported to the Directorate General of Training (DGT).

4513. Production Linked Incentive Scheme Tranche-I under National Programme on High Efficiency Solar PV Mo

Primary Category: Environment & Energy | State: All | Govt: Central Government | Ministry: Ministry Of New and Renewable Energy

Secondary: Employment & Jobs, Skill Development & Training, Business & Entrepreneurship | Benefits: Employment, Food/Nutrition | Beneficiaries: Entrepre

Gender: Any | Age: None | Occupation: Entrepreneur | Education: Undergraduate | Category: All

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/plinphespvm

Description:

The scheme "Production Linked Incentive Scheme Tranche-I under National Programme on High Efficiency Solar PV Modules" has been implemented by the Ministry of New and Renewable Energy, Government of India. It aims to promote the manufacturing of high-efficiency solar photovoltaic modules in India and reduce import dependence on renewable energy. Through this scheme, Production Linked Incentive (PLI) is provided to eligible manufacturer-beneficiaries for sales of high-efficiency solar photovoltaic modules, based on sales volume, performance parameters, and local value addition. The scheme is implemented by the Ministry of New and Renewable Energy through the Indian Renewable Energy Development Agency (IREDA). The scheme has a financial outlay of Rs. 4,500 crore over 5 years and supports domestic manufacturing capacity, technology adoption, integrated plants, sourcing of local material, and employment generation. Beneficiaries are selected through a transparent bidding process, and incentives are disbursed annually, subject to scheme conditions > **Objectives:** - To build up solar PV manufacturing capacity of high-efficiency modules. - To bring cutting-edge technology to India for manufacturing high-efficiency modules. The scheme will be technology agnostic in that it will allow all technologies. However, technologies that will result in better module performance will be incentivised. - To promote the setting up of integrated plants for better quality control and competitiveness. - To develop an ecosystem for the sourcing of local material in solar manufacturing. - Employment generation and technological self-sufficiency.

Eligibi

Who Can Apply: 1. The applicant should be a manufacturer proposing minimum integration across solar cells and modules. 1. The applicant should undertake to set up a manufacturing plant of minimum 1,000 MW capacity. 1. The applicant should meet minimum module performance parameters: 1. Minimum module efficiency of 19.50% with temperature coefficient better than -0.30% per degree Celsius; or 1. Minimum module efficiency of 20% with temperature coefficient equal to or better than -0.40% per degree Celsius. 1. The applicant may be a single company or Joint Venture/Consortium, subject to scheme conditions. 1. The applicant may be a Greenfield project. Brownfield projects may participate subject to prescribed eligibility criteria.

Exclusions: - The applicant shall not have availed benefits under MNRE tenders linked to photovoltaic manufacturing. - The applicant shall not have availed benefits under SIPS/M-SIPS of the Ministry of Electronics and Information Technology. - The applicant shall not have imported capital goods for setting up the module manufacturing facility before the last date of bid submission.

Schem

details: > **Incentive Benefit:** 1. Production Linked Incentive (PLI) to eligible manufacturers. 1. Financial outlay: Rs. 4,500 crore. 1. PLI available for 5 years from commissioning or scheduled commissioning date, whichever is earlier. 1. PLI calculation formula: 1. PLI (Rs.) = Sales Volume (Wp) × Base PLI Rate (Rs. /Wp) × Tapering Factor × Local Value Addition. > **Additional Benefit Conditions:** 1. PLI amount increases with increased local value addition. 1. Brownfield projects are eligible, but the PLI rate is 50% of the Greenfield rate. 1. PLI rates are subject to tapering factors: - Year 1: 1.4 - Year 2: 1.2 - Year 3: 1.0 - Year 4: 0.8 - Year 5: 0.6

Application Process: how_to_apply: Online Step 1: The applicant must visit the official portal of the National SC-ST Hub . Step 2: The applicant must click on the "Scheme name" and then click on "Sign Up" and register using basic details such as name, email ID, and mobile number. Step 3: The applicant must create a password and complete the registration process. Step 4: The applicant must log in using the registered credentials. Step 5: The applicant must fill in the required details and submit the application online. **Step 1:** The applicant must visit the official portal of the [National SC-ST Hub](https://www.scsthub.in/nssh-schemes/). **Step 2:** The applicant must click on the "Scheme name" and then click on "Sign Up" and register using basic details such as name, email ID, and mobile number. **Step 3:** The applicant must create a password and complete the registration process. **Step 4:** The applicant must log in using the registered credentials. **Step 5:** The applicant must fill in the required details and submit the application online.

4519. AICTE-IDEA (Idea Development, Evaluation & Application) LAB SCHEME

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry of Education

Secondary: Scholarship & Education, Employment & Jobs, Skill Development & Training | Benefits: Financial Assistance, Loan, Training, Employment, Equipm

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: Below Rs. 8.0 Lakh p.a. (EWS) | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/aiideals

Description:
AICTE has decided to establish IDEA (Idea Development, Evaluation & Application) Lab in AICTE approved institutions, encouraging students for application of science, technology engineering and mathematics (STEM) fundamentals towards enhanced hands-on experience, learning by doing and even product visualization. As a common facility embedded in the institution, the IDEA Lab will make engineering graduates more imaginative and creative, besides getting basic training in the 21st century skills like- critical thinking, problem solving, design thinking, collaboration, communication, lifelong learning etc. IDEA Lab can facilitate the students and faculty to "engage, explore, experience, express and excel" as desired by the Hon'ble Prime Minister in the wake of release of National Educational Policy 2020, > **Purpose:** - The purpose of IDEA Lab is to provide all facilities under one roof, for conversion of an idea into a prototype. With these facilities in the campus, more students and faculty will be encouraged to take up creative work and in the process, get training on creative thinking, problem solving, collaboration etc. which conventional labs are not able to. - The focus will be on training students so that they become imaginative and creative and stay so at the workplaces they join. The whole idea is to transform engineering education with such a Lab in all colleges and for this they must proactively expose all students to the IDEA Lab, organize training sessions for interested students as well as support projects and by providing online learning materials. > **Proposal:** - As the IDEA Lab is going to be a long-term intervention aiming to transform education imparted in the institution, the proposal must spell out a clear vision for the Lab, plan of implementation, mobilization of resources, strength and enthusiasm of faculty, utilization and expansion of facilities, etc. - The alignment of activities with larger national goals/ missions/ initiatives or industrial requirements or serving disadvantaged sections of society etc. and commitment of resources for the same, will impart an edge for any proposal. - Shortlisted proposals will be subjected to scrutiny by a panel of experts before sanctioning of the project by AICTE. > **Implementation:** The college/ educational campus/ university and industry are expected to participate financially, to match the contribution sought from AICTE or even exceed it, in establishing the IDEA Lab which ideally requires: - An area of 5000 sq. ft. - Should ideally remain open 24x7. - To be equipped with facilities, tools and consumables to support translation of an idea to prototype development or develop solution of a problem. - To hold workshops/ trainings, ideation sessions, boot-camps, competitions etc. and participate in similar activities organized by other IDEA Labs/ organizers and also in national/ international events so as to ensure that IDEA Lab is used productively and also extensively. - To maintain the IDEA Lab, keep it well-furnished, take care of security, provide a safe working environment and stock adequate supplies of consumables. - To provide necessary staff and all support facilities and amenities required to operate and maintain the Lab. - To follow the guidelines issued by AICTE in the matter of IDEA Lab and other Government of India rules besides following the enunciated Code of Conduct (as in Annexures) in letter and spirit.

Eligibi

Who Can Apply: - AICTE-approved engineering colleges/ university departments in existence for having at least 10 years and at least one course with live [NBA accreditation.](https://www.nbaind.org/Accreditationprogram)- Aspiring institutions shall have to muster financial contribution to the tune of at least 50% for the IDEA Lab. Weightage will be given to additional quantum of funds, coming specially from industry. - The institution must provide a built-up and furnished space of 3000 sq. ft. to house. - The institution must provide all support staff, facilities and amenities required to operate and maintain the Lab.
Exclusions: None

Schem

details: **Financial Assistance:** Estimated project cost per AICTE Lab is Rs. 90,00,000/- non-recurring expenditures (covering the cost of equipment, tools and consumables) ofRs. 20,00,000/- and recurring expenditures (covering the cost of events and activities for two years) of Rs. 10,00,000/-. AICTE can provide up to 50% i.e. Rs. 30,00,000/-. > **Training to Faculties and Students:** Various types of training will be provided to the faculties and the students on creative thinking, problem solving, collaboration, etc. > **Activities to be conducted by an IDEA Lab:** The following table lists activities/ events and their number/ frequency in AICTE IDEA Lab and there has to be commitment to conduct minimum numbers, to be eligible for sanctioning of the project.
 Sr. No.Event & DurationTarget & Batch size Objective &

JustificationFrequency/Numbers 1.FDP (06 Days) Faculty (20) Faculty needs to be trained on equipment, to be able to guide students and conduct events- including those from other institutions Twice in a year2.Skilling Programs (06 Days) Students (20-30)Training in areas like electrical and electronics fabrication, embedded systems design. Embedded programming, 3D printing, robotics, welding, IOT, Machine learning, Al, bio-engineering, biomedical, etc One per quarter 3.Bootcamps (12 Days) Faculty (05-10) Training of faculty (including those from other institutions, spread over a few weeks, continuing at workplaces, if required Twice a year Twice a year4.Ideation workshops (03-05 Days) Students (30-40)To generate ideas on which students can work in the IDEA Lab, including field visitsOnce in three months5.Awareness Workshops for Industry (02 Days) Industry participants (5-10) Publicizing IDEA Lab among industries, to encourage them to use the facilities Once in three months 6.Internships (2 to 6 months) Students(15-20) For hands-on training as part of their course-work during summer and winter vacations. Internships based on industry problems should be preferred. As per curriculum.7.Professional Skilling Programs (12 Days) ITI students or class 10/12 pass students (5-10) Welding, 3D printing, mechanical fabrication. etc Once in a quarter 8.School Teachers Awareness Program (06 Days) Teachers of nearby schools Demonstration and providing hands-on experience of facilities Twice a year (during school vacations) 9.Projects by School Students identified by schools (10-15)Opportunity for school students to do projects Once a year (as per convenience)10.Open Day for school students (one day)Students (class XI-XII) nominated by schools (25-30) Exposure to facilities in IDEA Lab to ignite their minds (on Science Day/Technology Day/Teachers Day/ Engineers Day)Once a year (as per convenience)11.Participation in annual technical exhibitionsNationwide IDEA labs Technical exhibitions etc For example, Tech FEST, Mind SPARK, etc. organized by renowned Institutions/ Industries, etc to showcase activities/products/prototypes developed in IDEA labs Once in a year12.Newsletter Nationwide IDEA labs To disseminate information to all the labs about activities of other labs, technology issues, any interesting developments, etc. Monthly/Bi-monthly 13.WebpageAll stakeholdersFor web-presence of IDEA Lab, and showcasing itself before the stakeholders and other IDEA Labs Weekly/Bi-weekly updation 14.Annual conference/ symposium of all IDEA labs All IDEA Labs, DIY labs or similar labs across the nation/outside the nation alsoTo promote active interaction, showcase of lab activities, promote collaboration at national and international level labs Once in a year

Now Navigate to **'Non-Recurring Expenditure'** tab, 1. This consists of Four tabs: **Part-I** (Equipment); **Part-II** (Consumables); **Part-III** (Tools) and **Part-IV** (Optional Equipment/Consumable/Tool).1. Fill the required data and Click on '**Save'** button to save the details.1. Navigate to **'Non-Recurring Expenditure'** tab, using the side menu bar. 1. This consists of two parts: **Part-I** and **Part-II**.1. Fill the required data and Click on '**Save'** button to save the details.1. Navigate to **"Contribution to Budget"** tab, using the side menu bar.1. Upload the files and click on '**Save'** button.1. Navigate to **"Preview & Submit"** tab, using the side menu bar,1. Check all the filled details and can submit the application by clicking on **'Submit'** button afterchecking the declaration. You cannot edit any details once submitted.

4520. Scheme for Setting Up of Plastic Parks

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry Of Chemicals And Fertilizers

Secondary: Farmers & Agriculture, Skill Development & Training, Business & Entrepreneurship | Benefits: Financial Assistance, Training, Food/Nutrition, Skill D

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/ssupp

Description:

The scheme "Scheme for Setting Up of Plastic Parks" was launched by the Department of Chemicals and Petrochemicals, Ministry of Chemicals and Fertilizers. The scheme aims to increase the competitiveness, polymer absorption capacity, and value addition in the domestic downstream plastic processing industry through a cluster development approach. The scheme provides a one-time grant-in-aid to support the setting up of need-based plastic parks with state-of-the-art infrastructure and common facilities. The applicant must form a distinct legal entity, mobilize equity contributions, and procure land to execute the project. The scheme is implemented by Special Purpose Vehicles under the coordination of the Scheme Steering Committee.

Eligibi

Who Can Apply: - The applicant must be a Special Purpose Vehicle formed by the State Government or its designated agency in association with user enterprises representing the plastic sector. - The applicant must be a distinct legal entity, ordinarily registered as a Company under the Companies Act 1956. - The applicant must successfully procure land for the project. - The applicant must ensure the procured land is legally registered or officially transferred in the name of the Special Purpose Vehicle. - The applicant must mandate that the equity contribution of the State Government or its agency constitutes at least 26% of the cash equity of the Special Purpose Vehicle. - The applicant must officially mobilize at least 20% of the equity contribution of its members, including the cost of land, prior to receiving final approval. - The applicant must establish a dedicated Escrow or Trust and Retention Account in a Schedule A Bank. - The applicant must execute formal share subscription agreements between the Special Purpose Vehicle and all participating members. ##### ***Preference*** - Projects proposing to enter the specialized manufacturing of medium-high end products must be given preference during the initial approval stage.
Exclusions: None

Schem

details: - The scheme provides a grant-in-aid of up to 50% of the overall project cost, subject to a maximum ceiling of Rs. 40,00,00,000/- per project. - A minimum of 25% of the Grant-in-aid is explicitly earmarked for creating common enabling facilities dedicated to the plastic processing industry, such as characterization, prototyping, testing, training, and plastic recycling. - The scheme provides financial assistance for administrative and management support of the Special Purpose Vehicle, including the Chief Executive Officer's salary, limited to 5% of the total Grant-in-aid. - Assistance is provided for engaging engineers, architects, and experts for civil works execution, up to a maximum of 5% of the total Grant-in-aid. - The scheme covers up to 75% of the costs for soft interventions (such as awareness generation, skill development, and exposure visits), not exceeding an amount of Rs. 50,00,000/- per project. ##### ***Disbursal Schedule*** - An initial 20% is disbursed as a mobilization advance upon final project approval, successful financial closure, and submission of a bank guarantee. - The second installment of 35% is released after the utilization of at least 60% of the first installment. - The third installment of 35% is released after the complete utilization of the first installment and 60% utilization of the second installment. - The final installment of 10% is released after the Special Purpose Vehicle mobilizes its entire share and at least 25% of the park's units become operational. ##### ***Conditions*** - The Special Purpose Vehicle must complete the complete setting up of the Plastic Park within a strict timeline of three years from the date of final approval. - The Special Purpose Vehicle must assume responsibility for the continuous operation and maintenance of all created assets by instituting and collecting user charges from members. - The services offered by the Common Facility Centres must be extended to the broader cluster in general, in addition to strictly serving member enterprises. - The assets acquired or created substantially out of the Government grant must not be disposed of without the explicit prior approval of the sanctioning authority. - The central grant may be completely recalled with penal interest in the event of partial implementation, incomplete execution, or a compromise with the envisioned quality standards.

Requi

Documents: None
Application Process: how_to_apply: Offline Step 1: The Department of Chemicals and Petrochemicals officially calls for preliminary proposals from respective State Governments interested in the establishment of regional Plastic Parks. State Governments or their designated agencies must evaluate local requirements and compile these necessary initial proposals. Step 2: The State Government or its nominated state agency, such as the State Industrial Development Corporation, submits the comprehensive preliminary proposal to the Department. This submitted document must deeply cover the proposed location, conceptual background, product mix, broad cost estimates, and absolute readiness for project execution. Step 3: The Scheme Steering Committee evaluates the submitted preliminary proposals based on their individual merits and the stated financial commitment of the State Government. Following a successful evaluation, the committee officially accords an "in-principle" approval to the selected projects, which remains actively valid for a period of exactly six months. Step 4: The applicant must thoroughly prepare a Detailed Project Report and submit it to the Department within six months of receiving the initial "in-principle" approval. This vital step fundamentally includes establishing the Special Purpose Vehicle legally, procuring the land, and achieving any required financial closures. Step 5: The officially appointed Programme Manager conducts a comprehensive appraisal of the Detailed Project Report submitted by the Special Purpose Vehicle. This professional appraisal directly focuses on assessing the financial viability, commercial sustainability, and overall socio-economic impact of the proposed park. Step 6: The Scheme Steering Committee accords the final and ultimate approval to the project based strictly on the thorough appraisal and recommendations provided by the Programme Manager. Upon this definitive final approval, the release of the official Grant-in-aid is systematically initiated based on the completion of predefined milestones. **Step 1:** The Department of Chemicals and Petrochemicals officially calls for preliminary proposals from respective State Governments interested in the establishment of regional Plastic Parks. State Governments or their designated agencies must evaluate local requirements and compile these necessary initial proposals. **Step 2:** The State Government or its nominated state agency, such as the State Industrial Development Corporation, submits the comprehensive preliminary proposal to the Department. This submitted document must deeply cover the proposed location, conceptual background, product mix, broad cost estimates, and absolute readiness for project execution. **Step 3:** The Scheme Steering Committee evaluates the submitted preliminary proposals based on their individual merits and the stated financial commitment of the State Government. Following a successful evaluation, the committee officially accords an "in-principle" approval to the selected projects, which remains actively valid for a period of exactly six months. **Step 4:** The applicant must thoroughly prepare a Detailed Project Report and submit it to the Department within six months of receiving the initial "in-principle" approval. This vital step fundamentally includes establishing the Special Purpose Vehicle legally, procuring the land, and achieving any required financial closures. **Step 5:** The officially appointed Programme Manager conducts a comprehensive appraisal of the Detailed Project Report submitted by the Special Purpose Vehicle. This professional appraisal directly focuses on assessing the financial viability, commercial sustainability, and overall socio-economic impact of the proposed park. **Step 6:** The Scheme Steering Committee accords the final and ultimate approval to the project based strictly on the thorough appraisal and recommendations provided by the Programme Manager. Upon this definitive final approval, the release of the official Grant-in-aid is systematically initiated based on the completion of predefined milestones.

4521. VAIshwik BHArtiya Vaigyanik (VAIBHAV) Fellowship

Primary Category: Scholarship & Education | State: All | Govt: Central Government | Ministry: Ministry Of Science And Technology

Secondary: Financial Assistance, Farmers & Agriculture, Employment & Jobs | Benefits: Scholarship, Financial Assistance, Employment, Equipment, Food/Nu

Gender: Any | Age: None | Occupation: Student | Education: PhD / Doctorate | Category: All

Income Limit: Up To Rs. 5 Lakh | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/vaibhav

Description:

The "Vaishvik Bharatiya Vaigyanik (VAIBHAV) Fellowship" is a new programme which is implemented by the Department of Science & Technology, Ministry of Science and Technology, Government of India. This programme envisages collaboration between scientists of the Indian Diaspora with Indian Higher Educational Institutions (HEIs), Universities and/or Public Funded Scientific Institutions. The VAIBHAV Fellow would identify an Indian Institution for collaboration and may spend up to two months in a year for a maximum of 3 years. **Research areas under which applications may be submitted:** Proposals are sought in select identified verticals and horizontals of VAIBHAV (as mentioned in the preamble): 1. Quantum Technologies: Quantum Communication; Quantum Computing; Quantum Sensing and Metrology; Quantum Materials and Devices 1. Artificial Intelligence and Machine Learning: Foundation of AI/ML; AI/ML and Signals; AI for Social Good; AI and Robotics 1. Computational Sciences: High-Performance Computing Architectures; Computational Atmospheric Sciences; Cyber-Physical Systems 1. Data Sciences: Data Science Project Management; Data Science Infrastructure, Deployment and Hosting; Data Privacy and Security; Data Science Education; Data Science Applications 1. Photonics: Photonic Devices; Optical Imaging and Bio-photonics; Photonic Materials and Sources; Nano-photonics; Integrated Photonics and Communication 1. Energy: Future Electricity Systems; Sustainable Mobility Technologies; Advanced Fossil Technologies; Sustainable Future Fuels 1. Electronics and Semiconductor Technologies: Semiconductor Materials and Process Technologies; Semiconductor Devices: Physics and Technology; Electronic Circuits and System Design 1. Communication Technologies: Cellular Evolution 5G and Beyond (THz Comm); Communication Technologies for IoT/CPS; High-Speed Optical Communication - backbone networks; Cognitive Technologies for Futuristic Communication 1. Aerospace Technologies: Aerospace Systems and Design; Propulsion Technologies; Flight Structure and Integrity; Modeling and Simulations; Unmanned Aerial Systems and Countermeasures 1. Materials and Processing Technologies: Structural Materials; Materials Recycling & Purification; Advanced & Functional Materials; Catalytic Materials & Processes; Computational Materials Science 1. Earth Sciences: Atmospheric Science; Polar Science; Ocean Science/Technology; Geo Science/Technology 1. Environmental Sciences: Air Quality Management; Water Quality Management; Soil and Waste Management; Carbon Sequestration and Biodiversity Conservation; Climate Change 1. Advanced Manufacturing Technologies: Smart Manufacturing, IoT, Digital Manufacturing; Additive Manufacturing; Precision/Micro-nano Manufacturing/Surface Engineering; Industrial Machines, Robotics/Automation; Speciality Products Manufacturing 1. Health, Medical Sciences and Biomedical Devices: Advanced Technologies in Health Care; Precision Health; Holistic Health; Remote and Rural Health - Reaching the Unreached 1. Pharmaceuticals and Bio-Technology: Biotherapeutics and Biosimilars; Industrial Biotechnology; Infectious Diseases/ Disease biology; Drug Discovery, Repurposing and Drug delivery 1. Agricultural Sciences: Precision Agriculture; Sustainable and Climate Smart Agriculture; Food Safety and Nutritional Security; Climate Resilient Livestock, Veterinary Therapeutics and Zoonoses control, Nanotechnology in sustainable agriculture and metabolic biology, Modern Fisheries and Aquaculture and seed production, Genome editing, Robotics, farm automation, Digital Agriculture 1. Social Sciences for SDGs: Behavioral Community Approaches & its impact on Societal Development; Societal aspect of Technology Development with cause; Socio-Economic aspect of Development 1. Management: Fostering academic collaborations; Mechanisms to increase R&D outputs from Indian institutions; Business innovation; Entrepreneurship for growth; Management of New-Age (Knowledge) Organizations; Making India R&D center of the world / Making India Center of Practice-Oriented Management Knowledge

Eligibi

Who Can Apply: > **Eligibility: (For applicants- VAIBHAV Fellow):** 1. Non-Resident Indian (NRI), Persons of Indian Origin (PIO), and Overseas Citizen of India (OCI), currently working abroad. 1. Ph.D/M.D/M.S/M.Tech degree from a recognized University. 1. Engaged in active research. 1. Working/worked in an Institute/University of top-200 QS World University Ranking (subject wise) (in regular/tenure employment) for at least 5 years or more. OR 1. Working in Industry or Research Laboratories of repute in abroad for at least 5 years or more (but should not be a PhD or Post-doctoral fellow). > **Eligibility: (For host Indian Institutions):** 1. Higher Educational Institution/University ranked in the top 200 in NIRF overall rankings or having NAAC 'A+' grade or above and/or 1. Public Funded Scientific Institutes/National Laboratories. **Expectations from the VAIBHAV fellow:** - Sharing the Best Practices on research and translation of research, incubation, etc. - Build long-term connections, - Connect Indian Students to the foreign faculty/scientists - New approaches to Research processes and futuristic technologies - VAIBHAV Fellow is expected to give a report to DST within 21 days of completion of travel indicating work done/initiated, follow-up required, etc. **Expectations from Host Institution:** The host institute will host the scientist and provide office/lab facilities, consumables, access to lab equipment, and facilitation for various infrastructure support. The following activities will be done by the host faculty/scientist: - Will start a project/technology translation/start-up/incubation which should be aligned with the priorities area of the country - The VAIBHAV fellow would collaborate with the Indian scientist team during his visit and beyond via online meetings. - The host institution would implement the project within 3 years in consultation with a VAIBHAV fellow. - The host Institution would submit the progress report and financial documents to DST at the end of each year and a project completion report at the end of 3rd year. The reports need to be jointly prepared by the host and the VAIBHAV fellow. - Host institute will adapt the shared best practices - Will build the long-term research connections with the fellow - Will develop a new approach to research processes and try to develop new technologies/innovation etc. Exclusions: None

Schem

details: > **Emoluments for the Fellowship:** - Fellowship in Rs. 4,00,000/- roughly (equivalent to USD 5000 per month), for a minimum of 1 month and a maximum of up to 2 months per year for a period of a maximum of 3 years, - International Travel from place of work in parent institute to place of work in India in business class once a year, - Fully furnished Accommodation in the guest house or hotel up to Rs. 7500/- per day, - Contingency Rs. 1,00,000 per year for research expenditure in India - Domestic Travel (economy class) for academic purposes up to two Indian academic/scientific institutes in a year. **Note:** It may be noted that the total eligible grant will be released to the Indian host Institute and these institutes will be providing a Fellowship amount to the VAIBHAV Fellow and extend other support. > **Institutional Financial Support:** The financial support (up to Rs. 5 Lakhs per year for 3 years) will be given to the host institution to facilitate the VAIBHAV fellow for research work as per DST norms. This funding will

cover the following expenses in connection with a project; - Consumables and Accessories, - Contingency - Institutional Overhead

Requi

Documents: None
Application Process: how_to_apply: Online Application Process: Step 01: The application should be submitted online to the Department of Science and Technology (DST). Step 02: The applicant can download the proposal formats of the VAIBHAV Fellowship from websites https://dst.gov.in/ or https://onlinedst.gov.in/Projectproposalformat.aspx?Id=2317 Step 03: The applicant needs to register themselves at the online portal with their active e-mail ID to apply to the VAIBHAV Fellowship. Step 04: An auto-generated email will be sent to the applicant with an ID and link to create a password. Step 05: After successful registration, the applicant can submit the completed application form and all relevant information through the e-PMS portal of the DST. Note 01 : Each application should be submitted to DST. Note 02: The host Scientist needs to apply on behalf of the Indian Diaspora as DST would release the funds to the host Institution which will be reimbursed to the fellow by the host Institution. Note 03: Applications will be received in online mode only. Physical or e-mail applications will not be considered. Note 04: Any shortcomings in the proposal or non-submission through the e-PMS portal will result in the rejection of the proposal. DST will not be responsible for these shortcomings. Note 05: In case the applicant cannot submit the proposal in time, DST would not entertain that project offline, and also no request to extend the date would be entertained. Note 06: It may be noted that after submission, the applicant will get a Temporary Project Number (TPN), auto-generated by the system, which should be mentioned in all future references. Note 07: Without a consent letter from the Head of the Institute of Host and the applicant, the application shall not be entertained and shall be treated as disqualified. Note 08: The applicant needs to visit the official website of DST for the latest update. Merit Evaluation Criteria and Deliverables: We support research excellence and therefore contributions to research, training, and mentoring are considered and valued as part of the merit review process, with a focus on the quality and impact of these contributions. Applications must address all of the following criteria in order to be considered for funding: Quality of the proposal and research findings, including significance and originality; Relevance and outcomes, including benefit to society; Knowledge transfer, exchange, and dissemination; Partnership and international collaborations; Applicants should submit a consent letter from their parent Institute. Expected results, outcomes, and appropriateness of budget strategy to achieve them. Review Process for Evaluation of Applications: All applications will be handled in the strictest of confidence. A Review Committee comprised of representatives and independent external reviewers from India and government departments will examine the proposals. DST may consider inviting the shortlisted applicants for an online presentation of their proposed work as part of the review process. Applications must attain a positive rating to be considered eligible for funding. The Experts Review Committee will prioritize applicants in the given vertical. The final decision would be taken by the Government on the recommendation of the VAIBHAV Apex Committee. Contact Details: For more details, the following may be contacted: Mr. Vinod Kumar Sharma, Under Secretary VAIBHAV Cell, International Cooperation Division Technology Bhawan, Department of Science and Technology Ministry of Science and Technology, New Delhi-110016 Email: vaibhav-india@gov.in > **Application Process:** **Step 01:** The application should be submitted online to the Department of Science and Technology (DST). **Step 02:** The applicant can download the proposal formats of the VAIBHAV Fellowship from websites https://dst.gov.in/ or https://onlinedst.gov.in/Projectproposalformat.aspx?Id=2317 **Step 03:** The applicant needs to register themselves at the online portal with their active e-mail ID to apply to the VAIBHAV Fellowship. **Step 04:** An auto-generated email will be sent to the applicant with an ID and link to create a password. **Step 05:** After successful registration, the applicant can submit the completed application form and all relevant information through the e-PMS portal of the DST. **Note 01**: Each application should be submitted to DST. **Note 02:** The host Scientist needs to apply on behalf of the Indian Diaspora as DST would release the funds to the host Institution which will be reimbursed to the fellow by the host Institution. **Note 03:** Applications will be received in online mode only. 4522. Star College Scheme For Strengthening Of Science Education And Training At Undergraduate Level

Primary Category: Scholarship & Education | State: All | Govt: Central Government | Ministry: Ministry Of Science And Technology

Secondary: Financial Assistance, Skill Development & Training, Urban Development | Benefits: Financial Assistance, Training, Equipment, Infrastructure Supp

Gender: Any | Age: None | Occupation: Student | Education: Undergraduate | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/scsssetul

Description:
The Dept. of Biotechnology (DBT) has launched a scheme "Star College Scheme for Strengthening of Science Education and Training at Undergraduate Level" for improving critical thinking and 'hands-on' experimental work at the undergraduate (college) level in

sciences. It is expected to encourage, more students to take up higher education in science. DBT will identify colleges with ambition and potential for excellence and provide academic and physical infrastructure for achieving excellence in teaching and unique exposure of students to experimental science. The Star College Scheme is a pan-India Scheme that envisages a Star College in every district of the country, thus the Department shall exert dialogues with the State Government and identify colleges that can be considered for support under this Scheme. DBT has supported over 200 undergraduate colleges across the country in the past 9 years. Apart from financial support, colleges benefit tremendously from guidance received in Advisory Committee Meetings, mentoring, Task Force Meetings, and learning from peers in other colleges. > **Objectives** 1. To strengthen the academic and physical infrastructure for achieving excellence in teaching and training. 1. To enhance the quality of the learning and teaching process to stimulate original thinking through 'hands-on' exposure to experimental work and participation in summer schools. 1. To promote networking and strengthen ties with neighboring institutions and other laboratories. 1. To conduct specialized training programs for faculty improvement for optimizing technical capabilities. 1. To increase capabilities of core instrumentation resources by procuring new equipment and upgrading existing facilities. 1. To provide access and exposure to students to research laboratories and industries in the country. 1. To help in devising standard curricula and Standard Operating Procedures (SOPs) / kits for practicals. 1. To provide better library facilities to students and teachers.

Eligibi

Who Can Apply: > **For Colleges** 1. Minimum 4-5 UG courses in basic science such as botany, zoology, applied life science, microbiology, physiology/biochemistry, biotechnology etc. and 1-2 applied course/PG diploma courses. 1. Adequate in-house faculty expertise in each science department. 1. Independent laboratories for practicals to accommodate sanctioned student strength. 1. Lecture halls/rooms for theory classes with minimum capacity for sanctioned student strength. 1. Basic infrastructure and facilities in laboratories and library, LCD / overhead projection facilities, Computers with internet access. 1. To apply, the college must be Government or Government aided, autonomous included under Section 2(f)/12(B) of the UGC Act 1956. 1. Colleges that have been not recommended for support can re-apply to DBT for financial support with appropriate modifications and revisions while those that get discontinued after a round of support are eligible for re-applying only after a cooling period of two years. 1. The colleges who have already been supported under this scheme can apply for additional dept. after completion of one cycle i.e. 3 years of ongoing support.
Exclusions: None

Schem

details: > **Nature of Financial Assistance** - One-time non-recurring grant of Rs. 10,00,000 per science department, recurring grant of Rs. 3,00,000 per science department per year for a period of three years, subject to satisfactory annual review, and Rs. 1,00,000, Rs. 2,00,000 and Rs. 3,00,000 subject to their departments for mentoring and monitoring per college and Rs. 1,00,000 per year under contingency head will be provided. - The scheme encourages the purchase of multiple copies of routine equipment required for science practicals in UG courses within a ceiling of Rs. 1,00,000. For the purchase of equipment costing more than one lakh and up to three lakhs, prior approval of DBT is required. > **For Students** 1. Student training via the introduction of practicals, prescribed in the curriculum. 1. Introduction of conceptual clarity via engaging students in minor projects, either singly or in groups of students not exceeding 4 in number. 1. Inclusion of techniques for 'hands-on' training to strengthen concepts taught otherwise via theoretical approach. 1. Summer training preferably via engaging students in research projects. 1. Visits to neighboring industries, research institutions, or places of academic value. 1. Use of IT in classroom, laboratory, and library activities. 1. Organizing lectures by eminent scientists, and career counseling lectures specifically for creating awareness among students about their future career options in science. 1. Any other relevant additional information. > **For Faculty** 1. Faculty improvement program. 1. Participation in summer courses for skill upgradation to be able to train students. 1. Curriculum change to ensure more, 'hands-on' laboratory work. 1. Greater emphasis on communicating research and research process to students. 1. Introduce an internal review process by students regarding the implementation of various 1. activities under the Star College Scheme. 1. Feedback from students regarding the competence of faculty, adequacy of teaching/laboratory environment, and additional needs, if any. **Expected Outcomes** > **Annual Outcomes** 1. Increase in the number of practicals being conducted individually by the students. 2. Introduction of "hands-on training" to enhance conceptual clarity for topics taught previously by theoretical approach. 3. Engaging students in minor research projects. 4. Faculty development programs and laboratory staff training programs. 5. Involvement of students in scientific writing and journal club activities. > **Consolidated outcome after the sanctioned tenure (3 years)** 1. Increase in the admission cut-off percentage and decrease in the dropout rates of students. 2. Increase in the faculty generated resources viz extramural research grants from other funding agencies to strengthen the Star College Scheme efforts. 3. Number of colleges or schools mentored from underprivileged areas. 4. Number of colleges mentored to write grants for Star Scheme support and their outcome. 5. SOPs developed, lab manuals created and uploaded on the website, or submitted to DBT.

Documents: None
Application Process: how_to_apply: Online https://dbtepromis.nic.in/Login.aspx Step 1: The applications are invited online via Epromis Portal (please refer to the advertisement). Step 2: The duly signed and stamped hardcopy version of the proposal submitted via EproMIS may be sent to: Dr. Garima Gupta Scientist 'E' Star College Scheme, HRD Division, Department of Biotechnology, Ministry of Science and Technology, Block- 3, 5th Floor, CGO Complex, Lodhi Road, New Delhi-110003 Mode of Selection Applications will be invited through advertisement on the DBT website, direct correspondence with potential colleges, nominations by vice-chancellors, etc. in a specified format. Consideration will be given to regional requirements, women's colleges, autonomous colleges, etc. Applications will be screened by the task Force and a site visit, if required, will be undertaken to arrive at the final decision. The decision of the Task Force will be final. Parameters to Measure Success The DBT will measure the progress of star colleges by following parameters: Substantial increase in the proportion of 'hands-on' experimental work by students. Increased access of undergraduate students to laboratory and bioinformatics infrastructure. Improvement in access to sciences-related journals. Summer schools. Percentage of students pursuing PG science education. Measure effectiveness on the basis of feedback from students, faculty, and employers of students. **Step 1:** The applications are invited online via [Epromis Portal](https://dbtepromis.nic.in/Login.aspx) (please refer to the [advertisement](https://dbtindia.gov.in/sites/default/files/STAR%20Advertisement%202022.pdf)). **Step 2:** The duly signed and stamped hardcopy version of the proposal submitted via EproMIS may be sent to: Dr. Garima Gupta Scientist 'E' Star College Scheme, HRD Division, Department of Biotechnology, Ministry of Science and Technology, Block- 3, 5th Floor, CGO Complex, Lodhi Road, New Delhi-110003 > **Mode of Selection** 1. Applications will be invited through advertisement on the DBT website, direct correspondence with potential colleges, nominations by vice-chancellors, etc. in a specified format. 1. Consideration will be given to regional requirements, women's colleges, autonomous colleges, etc. Applications will be screened by the task Force and a site visit, if required, will be undertaken to arrive at the final decision. The decision of the Task Force will be final. >

Parameters to Measure Success The DBT will measure the progress of star colleges by following parameters: 1. Substantial increase in the proportion of 'hands-on' experimental work by students. 1. Increased access of undergraduate students to laboratory and bioinformatics 1. infrastructure. 1. Improvement in access to sciences-related journals. 1. Summer schools. 1. Percentage of students pursuing PG science education. 1. Measure effectiveness on the basis of feedback from students, faculty, and employers of students.

4523. Investment Promotion Scheme (IPS) for Thrust Sectors: III. Scheme C4: For Food Processing Industries

Primary Category: Social Welfare & Other Benefits | State: Dadra & Nagar Haveli and Daman & Diu | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Women & Girls, Employment & Jobs | Benefits: Subsidy, Loan, Employment, Food/Nutrition | Beneficiaries: Women, Entrep

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Enterprise / Business | Source: https://www.myscheme.gov.in/schemes/ipstasfpi

Description:

The scheme ""Scheme For Food Processing Industries" is a sub scheme under the "Investment Promotion Scheme (IPS)" for Thrust Sector. It was launched on 3rd July, 2015 for a period of five years by the Dept. of Industries, U.T. Administration Of Dadra & Nagar Haveli And Daman & Diu. Now it has been extended further from 20th May, 2022 and shall be operative till 19th May, 2027. > ***Objective of the "Investment Promotion Scheme (IPS)":*** The scheme envisages to provide further fillip to the specialized Thrust Sectors such as Plastic Furniture, Steel Furniture, Brass Furniture, Metal Furniture, Cane Furniture, Wooden Furniture, Bamboo Furniture, Fibre Glass Furniture and Marble Furniture etc, therefore making the U.T. a Special Hub for the furniture sector: maximize Women participation in the business sector, reduce unemployment among the local residents and incentivize the industries to employ resident laborers etc. > **Objective of the "Scheme For Food Processing Industries" Sub-scheme:** Under this Scheme, Credit linked interest subsidy will be provided for Establishment/ Expansion of Food processing industries.

Eligibi

Who Can Apply: 1. Should be a New Manufacturing/ Service units or Existing Manufacturing/ Service units which undertakes Expansion/ Diversification in MSME sector. 1. The unit should have commenced the commercial production between 20.05.2022 to 19.05.2027. 1. Unit should be located in the U.T. of Dadra and Nagar Haveli & Daman and Diu. 1. Enterprise shall have to apply at online portal within one year from the date of first disbursement of loan or on or before the date of commencement of commercial production.
Exclusions: - The Enterprise will not be eligible for Interest Subsidy under this Scheme if, term loan is sanctioned after one year from the date of commencement of commercial production.

Schem

details: - **Credit Linked Interest Subsidy:** 60% per annum limited to maximum of Rs. 50,00,000/- lakhs per annum for Five years OR for the period of repayment of loan whichever is earlier. - **Additional Subsidy:** Additional 10% subsidy for Food processing units established in dedicated Industrial parks for Food processing Industries.

4524. Supporting Community Radio Movement in India

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry Of Information And Broadcasting

Secondary: Scholarship & Education, Skill Development & Training, Rural Development | Benefits: Financial Assistance, Training, Equipment, Food/Nutrition, S

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/crss

Description:

The scheme "Supporting Community Radio Movement in India" aims to strengthen new and existing Community Radio Stations (CRS) across the country. It supports CRS with resources, technology, and capacity building to improve community broadcasting services, especially in rural, remote, coastal, disaster-prone, North-Eastern, and aspirational areas. The scheme also promotes awareness through workshops and training programmes to encourage more organizations to establish CRS. It focuses on enhancing socio-economic and cultural development by giving local communities a platform to share information and voices.

Eligibi

Who Can Apply: - An organisation desirous of operating a Community Radio Station (CRS) must be able to satisfy and adhere to the following principles: - It should be explicitly constituted as a 'non-profit' organisation and should have a proven record of at least three years of service to the local community; - The CRS to be operated by it should be designed to serve a specific well defined local community; - It should have an ownership and management structure that is reflective of the community that the CRS seeks to serve; - Programmes for broadcast should be relevant to the educational, developmental, social and cultural needs of the community; - It must be a Legal Entity i.e. it should be registered (under the registration of Societies Act or any other such act relevant to the purpose); - NGOs, registered societies and Public Charitable Trusts shall be registered on NITI Aayog's NGO Darpan portal and the applicant shall provide its Unique ID along with the application.
Exclusions: It is not a generic Scheme. It is meant for only those organisations to whom the permission/ License. for running CRS has been granted by the Government of India

Schem

details: - **Grant Support For Community Radio Stations:** Financial assistance for setting up new Community Radio Stations (CRSs), renewal or replacement of equipment for existing CRSs, and emergency support grants. - **Capacity Building And Awareness Programmes:** Training and awareness workshops for operational CRSs and Letter of Intent (LOI) holders through webinars conducted regularly. - **Regional Sammelans:** Organization of regional-level meetings and interaction programmes to promote coordination and knowledge sharing among Community Radio Stations. - **Publication Of CRS Compendium:** Preparation and publication of an annual compendium containing information and achievements of Community Radio Stations. - **National Community Radio Awards:** Presentation of National Community Radio Awards to recognize outstanding performance and innovative initiatives. - **Studies And Research Activities:** Conducting studies to assess the reach, impact, and effectiveness of Community Radio Stations. - **Support For Content Creation:** Assistance for developing quality and community-focused radio content. - **Capacity Building Through IIMC:** Training and skill development support through the Community Media Empowerment Centre at Indian Institute of Mass Communication (IIMC). - **Online Portal And Content Sharing Platform:** Development of an online platform for information sharing, resource access, and content exchange among Community Radio Stations.

4525. Production Linked Incentive (PLI) Scheme for Automobile and Auto Components Industry

Primary Category: Business & Entrepreneurship | State: All | Govt: Central Government | Ministry: Ministry of Heavy Industries

Secondary: Employment & Jobs, Environment & Energy | Benefits: Employment | Beneficiaries: Entrepreneurs

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/plisfaaci

Description:

The scheme "Production Linked Incentive (PLI) Scheme for Automobile and Auto Components Industry" by the Ministry of Heavy Industries, Government of India, aims to boost domestic manufacturing of advanced automotive technology products through providing financial incentives to automobile manufacturers and auto component manufacturers. It promotes investment, enhances manufacturing capabilities, and strengthens the automotive value chain. The scheme focuses on overcoming cost disabilities and creating economies of scale. It also aims to generate employment and develop a robust supply chain. The scheme has two components, namely: 1. Champion OEM Incentive Scheme and 1. Component Champion Incentive Scheme. > **Tenure of the Scheme:** Incentive will be applicable on Determined Sales Value starting from Financial Year

2023-24 for a total of five consecutive financial years i.e. till FY2027-28.

Eligibi

Who Can Apply: > **1. General Eligibility:** - The applicant must be a company registered in India. - The applicant must meet all eligibility criteria based on audited financial statements as on 31 March 2021. > **2. Existing Automotive Companies:** - The applicant must have: - Minimum global revenue: - OEM ? Rs. 10,000 crore - Component ? Rs. 500 crore - The applicant must have global investment in fixed assets: - OEM ? Rs. 3,000 crore - Component ? Rs. 150 crore **3. New Non-Automotive Investor Companies:** - The applicant must have minimum global net worth of Rs. 1,000 crore. - The applicant must submit a clear business plan for investment in India. - The applicant must generate revenue from advanced automotive products. - The applicant must not have any revenue from automobile or component manufacturing as on 31 March 2021. **4. Investment Conditions (All Components):** - The applicant must achieve cumulative domestic investment targets starting from 1 April 2021. - The applicant must meet yearly investment milestones. **5. Champion OEM Component Specific Eligibility:** - The applicant must manufacture advanced automotive technology vehicles. - The applicant must ensure minimum 50% domestic value addition. - The applicant must obtain product pre-approval from the testing agency. - The applicant must achieve minimum sales threshold of Rs. 125 crore in first year. - The applicant must achieve 10% year-on-year growth in sales. **6. Component Champion Specific Eligibility:** - The applicant must manufacture advanced automotive components. - The applicant must ensure minimum 50% domestic value addition. - The applicant must obtain product pre-approval. - The applicant must achieve minimum sales threshold of Rs. 25 crore in first year. - The applicant must achieve 10% year-on-year growth.
Exclusions: None

Schem

details: > **Financial Incentive (General):** - Incentives are provided based on incremental sales (Determined Sales Value) of eligible products. - **Total scheme outlay:** Rs. 25,938 crore.- **Total Incentive per entire Group company(ies) is capped at:** Rs. 6,485 crore. > **Champion OEM Incentive Scheme:** - **Incentive rates:** - Up to Rs. 2,000 crore: 13% - Rs. 2,000-Rs. 3,000 crore:14% - Rs. 3,000-Rs. 4,000 crore: 15% - Above Rs. 4,000 crore: 16% - Additional 2% incentive on cumulative sales exceeding Rs. 10,000 crore. - Applicable to Battery Electric Vehicles and Hydrogen Fuel Cell Vehicles. > **Component Champion Incentive Scheme:** - **Incentive rates:** - Up to Rs. 250 crore: 8% - Rs. 250-Rs. 500 crore: 9% - Rs. 500-Rs. 750 crore: 10% - Above Rs. 750 crore: 11% - Additional 2% incentive on cumulative sales exceeding Rs. 1,250 crore. - Additional 5% incentive for EV and Hydrogen components.

Offline Step 1: The applicant must submit the application form through the prescribed process to the nodal agency. Step 2: The applicant must ensure submission before the specified deadline. Step 3: The application will be evaluated for eligibility and completeness. Step 4: Acknowledgement will be issued after initial scrutiny. Step 5: Final approval will be granted based on compliance with scheme conditions. Step 6: Incentive claims will be submitted annually for disbursement. Note: Documents should be uploaded on the portal: pliauto.in **Step 1:** The applicant must submit the [application form](https://pliauto.in/docs/app/PLIAuto-ApplicationForm.pdf) through the prescribed process to the nodal agency. **Step 2:** The applicant must ensure submission before the specified deadline. **Step 3:** The application will be evaluated for eligibility and completeness. **Step 4:** Acknowledgement will be issued after initial scrutiny. **Step 5:** Final approval will be granted based on compliance with scheme conditions. **Step 6:** Incentive claims will be submitted annually for disbursement. > **Note:** Documents should be uploaded on the portal: pliauto.in

4526. Raising and Accelerating MSME Performance (RAMP) Interventions: Reimbursement of Energy and Water

Primary Category: Business & Entrepreneurship | State: Dadra & Nagar Haveli and Daman & Diu | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Skill Development & Training, Loans & Credit | Benefits: Financial Assistance, Loan, Training, Food/Nutrition | Beneficiaries

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: Up To Rs. 1.00 Lakh | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/ramprwaf

Description:

The scheme "Raising and Accelerating MSME Performance (RAMP)" Interventions is an initiative launched by the Government of India with assistance from the World Bank to enhance the performance of Micro, Small, and Medium Enterprises (MSMEs) across the country. RAMP aims to improve the productivity, competitiveness, and resilience of MSMEs through a comprehensive set of reforms, capacity-building measures, and improved access to finance and market opportunities. The scheme RAMP with Intervention 1: Reimbursement of Energy and Water Audit Fees has been implemented by the Department of Industries, Union Territory of Dadra & Nagar Haveli and Daman & Diu. Through this scheme, to promote resource efficiency and sustainability, the UT Administration reimburses eligible MSMEs up to Rs. 1,00,000/- for conducting Energy or Water Audits through recognised agencies. This intervention aims to support at least 300 MSMEs for Energy Audits and 100 MSMEs for Water Audits.

Eligibi

Who Can Apply: 1. The unit must be Udyam registered with operations in the UT of DNH&DD. 1. Eligibility of MSME units in the Manufacturing or Service sector, upon commencement of commercial production or service operations, shall be governed by the duration of operation criteria as outlined in the relevant intervention of the scheme. 1. Eligibility of the MSME unit shall be subject to the detailed conditions specified under the respective scheme provisions.
Exclusions: None

Schem

details: This intervention promotes resource efficiency and sustainability among MSMEs by encouraging the adoption of energy and water-saving measures through professional audits. The intervention provides financial assistance to cover part of the audit cost. > **Quantum of Assistance Energy or Water Audit Fees:** - Cost of conducting Energy or Water Audits by recognised institutions or accredited auditing agencies shall be reimbursed up to Rs. 1.00 lakh or the actual cost incurred, whichever is lower. - This intervention will support at least 300 MSMEs for Energy Audits and 100 MSMEs for Water Audit fees. > **Conditions for Assistance Energy or Water Audit Fees:** - Assistance shall be disbursed only upon submission of the audit

report issued by the certified Energy/Water Auditor and proof of payment made to the accredited auditing agency. - Enterprises classified as Small or Medium under the MSME definition are eligible to apply for reimbursement of energy audit and water audit fees.

Documents: None
Application Process: how_to_apply: Online Step 1: The applicant should visit the web portal: http://swp.dddgov.in . Step 2: The applicant should fill in the prescribed application form (Annexure I) for the respective component. Step 3: The applicant should upload all required documents as per Annexure II. Step 4: The application should be submitted online to the General Manager, District Industries Centre (DIC). Step 5: The UT RAMP Programme Committee (UTRPC) will scrutinise and verify the application. Step 6: Based on recommendations, the DIC will issue a sanction order. Step 7: The approved subsidy will be credited to the applicant's Loan or Cash Credit account via RTGS/NEFT. Step 8: The application will be processed within 90 days after submission of complete documents. Step 9: Applications are processed on a first-come, first-served basis, subject to the availability of funds. **Step 1:** The applicant should visit the web portal: http://swp.dddgov.in. **Step 2:** The applicant should fill in the prescribed application form (Annexure I) for the respective component. **Step 3:** The applicant should upload all required documents as per Annexure II. **Step 4:** The application should be submitted online to the General Manager, District Industries Centre (DIC). **Step 5:** The UT RAMP Programme Committee (UTRPC) will scrutinise and verify the application. **Step 6:** Based on recommendations, the DIC will issue a sanction order. **Step 7:** The approved subsidy will be credited to the applicant's Loan or Cash Credit account via RTGS/NEFT. **Step 8:** The application will be processed within 90 days after submission of complete documents. **Step 9:** Applications are processed on a first-come, first-served basis, subject to the availability of funds.

4527. Infrastructure and Technology Support

Primary Category: Workers & Labour | State: All | Govt: Central Government | Ministry: Ministry Of Textiles

Secondary: Financial Assistance, Rural Development, Urban Development | Benefits: Financial Assistance, Infrastructure Support | Beneficiaries: Urban Popu

Gender: Any | Age: None | Occupation: Artisan / Weaver | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/iats

Description:

The sub-scheme "Infrastructure and Technology Support" under the "National Handicrafts Development Programme (NHDP)" scheme, aims to develop world-class infrastructure in the country to support handicraft production, enhance product quality, and reduce costs to enable it to compete in the global market. For the development of the handicrafts sector and the benefit of handicrafts artisans, various components like Urban Haat, Emporia, Marketing and Sourcing Hub, Handicraft Museum, Craft-Based Resource Centre, Common Facility Centre, Raw Material Depot, Crafts Village etc. The objective of this component is to set up a permanent marketing infrastructure in towns/ metropolitan cities to provide direct marketing facilities to the handicrafts artisans/handloom weavers.

Eligibi

Who Can Apply: - Eligible Local statutory bodies, Apex Cooperative Societies, and National level Apex Societies (registered under the Society Act/Trust Act, etc.) ? - Producer Company supported by O/O DC Handicrafts. - Only implementing agencies with a minimum audited annual turnover of Rs. 1.5 Cr in the last three consecutive years will be eligible for implementation of infrastructure projects. However, this provision shall not be applied in the case of Central/State or state government agencies as an Implementing Agency (IA).
Exclusions: None

Schem

details: **Financial assistance and funding pattern:****** ? - The financial ceiling for urban haat is maximum INR 800 lakh for each unit for 80 stalls. - 40% of the admissible amount shall be borne by the O/o the DC(H) and DC(HI) each and 20% will be contributed by the state implementing agency. - Land will be provided by state govt and will be over and above the 20 % contribution by the implementing agency. ? - In case of NER, Jammu & Kashmir, Ladakh - 45 % of the admissible amount will be borne by the O/o the DC (HC) and DC (HL) each and 10% shall be contributed by the implementing agency. - Assistance will also be given for strengthening/renovation of existing Urban Haats subject to a maximum financial limit of INR 250 lakhs (90% assistance will be borne by the Office of the DC (Handicrafts) & DC(HI)and 10% by state. > **Note:** The financial assistance will be based on the number of stalls, land area & other deliverables in proportionate manner. The PAMC shall comprise DC (HC), ADC (HC), ADC(HL), representative of IFW and representative of State Implementing agency.

Requi

Documents: None
Application Process: how_to_apply: Online For the Implementing Agencies: The proposals must be submitted through the official website . NOTE 1: The proposal sent earlier without any invitation or received after the timeline/last date mentioned above will not be entertained. 4528. Raising and Accelerating MSME Performance (RAMP) Interventions: Reimbursement of GST Amount for P

Primary Category: Business & Entrepreneurship | State: Dadra & Nagar Haveli and Daman & Diu | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Urban Development | Benefits: Financial Assistance, Food/Nutrition | Beneficiaries: Entrepreneurs, Small Businesses

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Enterprise / Business | Source: https://www.myscheme.gov.in/schemes/rampwed

Description:

The scheme "Raising and Accelerating MSME Performance (RAMP)" Interventions is an initiative launched by the Government of India with assistance from the World Bank to enhance the performance of Micro, Small, and Medium Enterprises (MSMEs) across the country. RAMP aims to improve the productivity, competitiveness, and resilience of MSMEs through a comprehensive set of reforms, capacity-building measures, and improved access to finance and market opportunities. The scheme RAMP with "Intervention 4: Reimbursement of GST amount for promoting destination wedding" has been implemented by the Department of Industries, Union Territory of Dadra & Nagar Haveli and Daman & Diu. Through this scheme, to boost tourism in the UT, this intervention incentivises destination weddings hosted by local MSME service providers by reimbursing the GST component paid by clients. Eligible MSMEs can claim reimbursement of the actual GST amount or up to Rs. 5,00,000/- whichever is lesser, spread over two consecutive financial years. At least 25 MSMEs will be supported under this intervention.

Eligibi

Who Can Apply: 1. The unit must be Udyam registered with operations in the UT of DNH&DD. 1. Eligibility of MSME units in the Manufacturing or Service sector, upon commencement of commercial production or service operations, shall be governed by the duration of operation criteria as outlined in the relevant intervention of the scheme. 1. Eligibility of the MSME unit shall be subject to the detailed conditions specified under the respective scheme provisions.
Exclusions: None

Schem

details: This intervention aims to promote the tourism sector in the Union Territory by incentivising destination weddings organised through local MSME service providers. Under this intervention, MSMEs-Service Provider operating in the UT can claim reimbursement of the GST component paid by clients hosting destination weddings at their premises. This mechanism encourages clients to choose the UT as a wedding destination, thereby boosting tourism and related service sectors > **Quantum of Assistance (Reimbursement of GST):** 1. An eligible MSME shall be reimbursed the actual GST amount paid, or up to Rs. 5,00,000/- (Rupees Five Lakhs only), whichever is lower, for services rendered towards hosting destination weddings. The financial assistance shall be availed as a partial reimbursement spread across two consecutive financial years during the operative period of these guidelines. 1. The reimbursement shall be settled on or before the 31st of March of each respective financial year, on a first-come, first-served basis, subject to the availability of funds. An eligible MSME may apply for reimbursement for two consecutive financial years during the operative period of these guidelines. Any unclaimed eligible amount from the first year may be carried forward to the following financial year, provided both years fall within the operative period 1. A minimum of 25 MSMEs shall be eligible under this intervention. > **Conditions for Assistance (Reimbursement of GST):** 1. MSME must have hosted a destination wedding within UT territory during the operative period of these guidelines. 1. Weddings held at non-commercial venues, including self-owned or family premises, and those involving MSME not registered under Udyam and GST, shall not qualify for reimbursement under this intervention. 1. MSME must provide valid GST invoices raised for wedding-related services rendered. 1. Following conditions to be followed by MSME for considering any wedding as destination wedding - - Location Away from Home - The wedding must take place in a different city, state, or country from where the couple resides. - Guest Travel Requirement - Guests usually need to travel and stay at the wedding destination. - Venue Selection - Often held at resorts, hotels, heritage properties, beaches, mountains, or historical sites. - Extended Celebrations - Destination weddings often span multiple days, including pre-wedding events, welcome dinners, and post-wedding brunches.

4529. Advance Authorisation(AA)

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry Of Commerce And Industry

Secondary: Scholarship & Education, Financial Assistance, Business & Entrepreneurship | Benefits: Financial Assistance, Food/Nutrition | Beneficiaries: Entr

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/aa

Description:

Advance Authorisation Scheme: Advance Authorisation is issued to allow duty free import of input, which is physically incorporated in export product (making normal allowance for wastage). In addition, fuel, oil, catalyst which is consumed / utilized in the process of production of export product, may also be allowed. Authorisation shall be issued in accordance with the Policy and Procedures in force on the date of issue of the Authorisation. Advance Authorisation is issued for inputs in relation to resultant product, on the following basis: 1. As per Standard Input Output Norms (SION) notified (available in Hand Book of Procedures); **OR** 1. On the basis of self declaration as per paragraph 4.07 of Handbook of Procedures. **OR** 1. Applicant-specific prior fixation of norm by Norms Committee as per para 4.06 of Handbook of procedures. **OR** 1. On the basis of Self Ratification Scheme in terms of para 4.06 of foreign trade policy. The quantity of inputs allowed for a given product is based on specific norms defined for that export product, which considers the wastage generated in the manufacturing process. DGFT provides a sector-wise list of Standard Input-Output Norms (SION) under which the exporters may choose to apply. Alternatively, exporters may apply for their own ad-hoc norms in cases

where the SION does not suit the exporter. Advance Authorisation covers manufacturer exporters or merchant exporters tied to supporting manufacturer(s).The inputs imported are exempt from duties like Basic Customs Duty, Additional Customs Duty, Education Cess, Anti-dumping duty, Safeguard Duty and Transition Product-Specific Safeguard duty, Integrated tax, and Compensation Cess, wherever applicable, subject to certain conditions. Duty-free importable items under the scheme The following items can be imported without payment of duty under this scheme: - Inputs that are physically incorporated in the product to be exported after making normal allowance for wastage - Fuel, oil, catalysts which are consumed or utilized to obtain the export product. > **Advance Authorisation for Spices:** Duty free import of spices covered under Chapter-9 of ITC (HS) shall be permitted only for activities like crushing / grinding / sterilization / manufacture of oils or oleoresins. Authorisation shall not be available for simply cleaning, grading, re-packing, etc.

Eligibi

Who Can Apply: 1. Advance Authorisation can be issued either to a manufacturer exporter or merchant exporter tied to supporting manufacturer,. 1. Advance Authorisation for pharmaceutical products manufactured through Non-Infringing (NI) process (as indicated in paragraph 4.18 of Handbook of Procedures) shall be issued to manufacturer exporter only. **Advance Authorisation shall be issued for:** 1. Physical export (including export to SEZ) 1. Intermediate supply; and/or 1. Supply of goods to the categories mentioned in paragraph 7.02 (b), (c), (d), (e), (f) and (g) of this FTP. 1. Supply of 'stores' on board of foreign going vessel / aircraft, subject to condition that there is specific Standard Input Output Norms in respect of item supplied **Export Obligation:** 1. Minimum value addition of 15% 2. Period for fulfilment of export obligation - 18 months from the date of issue of Authorisation or as notified by DGFT.
Exclusions: None

Schem

details: 1. Input for exports exempted from payment of Basic Customs Duty, Additional Customs Duty, Education Cess, Anti-dumping Duty, Safeguard Duty and Transition Product Specific Safeguard Duty, wherever applicable. 1. Exempted from IGST and Compensation cess.

4530. Financial Assistance For Development Of Buddhist/Tibetan Arts And Culture

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry Of Culture

Secondary: Scholarship & Education, Skill Development & Training, Housing & Shelter | Benefits: Scholarship, Financial Assistance, Training, Food/Nutrition, S

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: Up To Rs. 30.00 Lakh | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/fadbtac

Description:
The scheme "Financial Assistance for Development of Buddhist/Tibetan Arts and Culture" was launched by the Ministry of Culture, Government of India to provide financial assistance to voluntary Buddhist/Tibetan organizations including Monasteries engaged in the propagation and scientific development of Buddhist/Tibetan culture, tradition and research in related fields. - The grant shall be given based on the appraisal of applications and recommendations by the Expert Advisory Committee and thereafter administrative approval and financial concurrence of competent authorities in the Ministry of Culture. - The Joint Secretary In-Charge would be the competent authority for the release of funds up to Rs. 30.00 lakhs based on the recommendation of the Expert Advisory Committee and in consultation with IFD in each Case. - The grants will be paid in two equal installments, the first being normally released with the approval of the project. - The second installment will be released on receipt of a duly audited statement of accounts showing the utilization of the entire amount of the grant plus the share of the grantee/concerned State/U.T. Government and other documents on behalf of the Chartered Accountant. - The release of the balance of the grant will be decided on the basis of the actual expenditure incurred on the project subject to the maximum limit. - The grant for repairs, restoration, and renovation of Heritage Buildings associated with Buddhism is subject to a certificate from the Archaeological Survey of India. An officer of the appropriate level from the ASI office/Circle concerned will be associated with the organization for this activity. Applications against which a previous grant/Utilisation certificate is pending will not be considered. **Mode of Payment:** All payments will be made through electronic transfers. **Special Provision:** The Expert Advisory Committee (EAC) on the scheme is empowered to recommend or reject any proposal received without or with the recommendation of State Government/U.T. administration/ Local Administration and also to recommend the amount beyond the maximum limit but not exceeding Rs. 1.00 crore from this scheme. In respect of any proposal which is of outstanding merit for which the EAC feels that the maximum limit would not be sufficient for undertaking the said project, with the approval of the Minister (Culture) and concurrence of AS&FA, Ministry of Culture. However, in each such case, detailed justification would be given by EAC for exceeding the limit of Rs. 30.00 lakhs. **Inspection & Monitoring:** The inspection would be carried out by Ministry officials

every year at least in 5% of the cases and also the services of autonomous institutions like Central University of Tibetan Studies, Sarnath, Nava Nalanda Mahavihara, Nalanda, Central Institute of Buddhist Studies, Leh, ZCCs would be utilized. The concerned State Government/UTs Administration, District Collector/Dy. Commissioner will also monitor. **Penalties in case of misutilization of grant:** The members of the executive body of the organization would be liable for the recovery of misused grants. The organization will also be blacklisted for misuse of funds, fake registration certificate, etc. All immovable assets created from the Government grants would be taken over by local administration prescribed by the Ministry.

Eligibi

Who Can Apply: 1. The voluntary Institutions/Organizations and Societies should be registered as a Society under the Societies Registration Act (XXI of 1860) or similar Acts. 1. Only those organizations which are mainly devoted to Buddhist/Tibetan studies and have been functioning at least for the last three years will qualify for applying for a grant. 1. The organization should be of the regional or all-India character. 1. Grants from this scheme will be given only to those organizations which are not in receipt of grants from any other source for similar purposes. 1. Financial assistance may also be given for the construction of hostel buildings, classrooms, school buildings, and training centers. **Note 01:** The grants will be ad-hoc and of a non-recurring nature. **Note 02:** Organizations that are doing good work in the field and have resources for meeting matching funds will be given preference.
Exclusions: None

Schem

4532. Cultural Function And Production Grant Scheme

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry Of Culture

Secondary: None | Benefits: Financial Assistance, Food/Nutrition, Identity Card / Certificate | Beneficiaries: General Public

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: Up To Rs. 20 Lakh | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/cfpgs

Description:

The scheme "Cultural Function and Production Grant Scheme" was launched by the Ministry of Culture, Government of India. The scheme covers all 'not-for-profit' organizations, NGOs, Societies, Trusts, and Universities for supporting Seminars, Conference, Research, Workshops, Festivals, Exhibitions, Symposia, Drama-Theatre, Music, etc., and small research projects on different aspects of Indian Culture. **Purpose of financial assistance:** 1. Holding Conferences, Seminars, Workshops, Symposia, Festivals, Exhibitions, Production of Dance, Drama Theatre, Music, etc., and undertaking small research projects, etc. on any art forms/important cultural matters. 1. To meet expenditure on activities of a development nature like the conduct of surveys, pilot projects, etc. on cultural subjects including publications thereof. **Installments:** The Grant will be released in two installments of 75% (First Installment) and 25% (Second Installment). **Mode of Payment:** All payments will be made only through electronic transfers. **Accounting Procedures:** Separate accounts shall be maintained in regard to the grants released by the Central Government: 1. The Accounts of the grantee organization shall be open to audit at any time by the Comptroller and Auditor General of India or his nominee at his discretion. 1. The grantee organization shall submit to the Government of India, a Statement of Accounts audited by a Chartered Accountant, stating out the expenditure incurred on the approved project and indicating the utilization of the Government grant in the preceding years. If the utilization certificate is not submitted within the prescribed period, the grantee shall arrange to refund immediately the whole amount of the grant received together with interest thereon at the prevailing borrowing rate of the Government of India unless specially exempted by the Government. 1. The grantee organization will be open to a review by the Government of India, Ministry of Culture by appointing a committee or in any other manner decided by the Government as and when deemed necessary by the Government. 1. The grantee organization shall not invite foreign delegations without obtaining permission from the Ministry of External Affairs, the application for which shall invariably be routed through the Ministry of Culture. 1. It will be subjected to such other conditions and rules as may be prescribed by the Government of India guidelines from time to time. **Output of the Scheme:** The grantee organizations are required to upload videos of their Production/Function/ Seminar etc. on Youtube and provide a link to the Youtube/Facebook/Twitter page of the Ministry of Culture.

Eligibi

Who Can Apply: 1. The applicant organizations that are voluntary organizations or NGOs, should, in order to qualify for the grant, have a properly constituted managing body with its powers, duties and responsibilities clearly defined and laid down in the form of a written constitution. 1. The Organization should have been functioning and registered under the Societies Registration Act (XXI of 1860), Trusts Act, Companies Act, or any Central or State Act for at least three years. 1. The applicant organizations that are voluntary organizations or NGOs must register themselves on the NGO Darpan Portal of NITI Aayog and obtain a Unique ID from the Portal. The organizations are required to intimate the Unique ID as obtained from the NGO Darpan Portal and PAN Number of the organization while applying under the Scheme. 1. The Organization must have tied up or planned the matching resources at least to the extent of 25 % of the project cost. 1. The Organization should have facilities, resources, personnel, and experience to take up the event/project for which a grant is required. **Note 01:** Past experience of holding such functions, as applied for, would be given preference.

Exclusions: 1. The scheme will, however, not be applicable to such organizations or institutions which are functioning as religious institutions, or as schools/colleges. 1. The Scheme is not meant for College/University Festivals.

Schem

details: 1. The grant for specific projects shall be restricted to 75% of the expenditure, subject to a maximum of Rs. 5.00 lakhs per project as recommended by the Expert Committee. 1. The Ministry may in exceptional circumstances, increase the assistance to any project of outstanding merit and relevance up to Rs. 20 Lakhs with the approval of Hon'ble Minister of Culture.

4533. Credit Based Schemes For SC - Term Loan (TL)

Primary Category: Loans & Credit | State: All | Govt: Central Government | Ministry: Ministry Of Social Justice and Empowerment

Secondary: Financial Assistance, Business & Entrepreneurship, Rural Development | Benefits: Financial Assistance, Subsidy, Loan, Insurance, Food/Nutrition

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: SC

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/cbssc-tl

Description:

The scheme "Credit Based Schemes For SC - Term Loan (TL)" by the National Scheduled Castes Finance and Development Corporation (NSFDC), Government of India, aims to provide financial assistance for income-generating activities and economic development of Scheduled Caste beneficiaries. Through this scheme, term loans are provided for viable projects with a unit cost of up to Rs. 50,00,000/-. The scheme is implemented by the National Scheduled Castes Finance and Development Corporation through State Channelising Agencies, Regional Rural Banks, Public Sector Banks, and other channelising agencies. Financial assistance is available for projects across various sectors, subject to appraisal and viability assessment. NSFDC provides assistance for up to 95% of the project cost, while the beneficiary contributes the prescribed promoter contribution. Subsidy may also be available to eligible beneficiaries living below the poverty line, subject to prescribed limits.

Eligibi

Who Can Apply: 1. The applicant should be an entrepreneur of the Scheduled Caste Category. 1. The applicant should submit a viable project proposal for an income-generating activity. 1. The applicant should apply through a State Channelising Agency, Regional Rural Bank, Public Sector Bank, or other channelising agency associated with NSFDC. 1. The project proposal should be appraised and found viable by the concerned channelising agency.
Exclusions: None

Schem

details: 1. Financial assistance of up to 95% of the project cost for income-generating activities, subject to a maximum project cost of Rs. 50,00,000/-. 1. The beneficiary is required to contribute: - 2% of the project cost for projects up to Rs. 5,00,000/-; - 3% for projects above Rs. 5,00,000/- and up to Rs. 10,00,000/-; - 5% for projects above Rs. 10,00,000/-. 1. Beneficiaries living below the poverty line may receive a subsidy of Rs. 10,000/- or 50% of the unit cost, whichever is less. 1. Interest rates payable by beneficiaries are: - 6% per annum for loans up to Rs. 5,00,000/-; - 8% per annum for loans above Rs. 5,00,000/- and up to Rs. 10,00,000/-; - 9% per annum for loans above Rs. 10,00,000/- and up to Rs. 50,00,000/-. > **Mode of Disbursement:** Through State Channelizing Agencies, Regional Rural Banks, Public Sector Banks, and other channelizing agencies associated with NSFDC.

4534. Khelo India Scheme: Khelo India Centres and Sports Academies

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry Of Youth Affairs & Sports

Secondary: Scholarship & Education, Skill Development & Training, Health & Medical | Benefits: Financial Assistance, Training, Equipment, Food/Nutrition, Infr

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/kiskicsa

Description:

The "Khelo India Centres and Sports Academies" is a component of the "Khelo India Scheme" implemented by the Ministry of Youth Affairs and Sports, Government of India, aimed at strengthening the sports ecosystem through support for sports centres, centres of excellence, and sports academies. The component seeks to improve utilization of existing sports infrastructure, provide coaching and sports science support, and promote grassroots as well as elite sports development. It includes Khelo India State Centres of Excellence, Khelo India Centres, and support to eligible residential sports centres. The scheme also supports talent identification, athlete development, sports academies, and online sports coaching through e-Khel Pathshala. Need-based financial assistance is provided for infrastructure, equipment, coaches, support staff, sports science services, and athlete development activities.

Eligibi

Who Can Apply: > **For Khelo India State Centres of Excellence:** The organisation must be an existing sports training facility of a State Government or Union Territory Government. The organisation must possess sports infrastructure and training facilities. The organisation must have coaching and support staff. The organisation must demonstrate past performance of athletes at national or international levels. The organisation must be selected through the prescribed appraisal and approval process. > **For Khelo India Centres:** The organisation must be a sports training facility located within a State or Union Territory. The organisation may belong to a State Government. The organisation may belong to a Public Sector Undertaking. The organisation may belong to an autonomous body. The organisation may be a school. The organisation may be a university, including a private university. The organisation may be another eligible organisation approved by the State or Union Territory Government. The organisation must be shortlisted and recommended by the State or Union Territory Government. > **For Other Residential Centres:** The organisation must be an existing residential sports centre. The organisation must have a good track record in academics and sports. The organisation must have adequate boarding and lodging facilities. The organisation must have sufficient space for sports development. The organisation must have the capacity and willingness to develop sports, especially Olympic disciplines. > **For Sports Academies:** The organisation may be the Sports Authority of India. The organisation may be a State Government entity. The organisation may be a Union Territory Government entity. The organisation may be a National Sports Federation or other eligible sports organisation. The organisation may be a public entity. The organisation may be a private entity. The organisation may be established by an eminent sportsperson. The organisation must satisfy the evaluation criteria approved by the Departmental Project Approval Committee.
Exclusions: None

Schem

details: > **Khelo India State/UT Centre of Excellence:** - Need-based financial support for recurring and non-recurring expenditure. - Support available for up to 3 "One State One Game" disciplines and sports science facilities. - Funding amount determined through viability gap assessment. - Support for coaches, support staff, sports science services, and sports equipment. > **Khelo India Centres:** - Annual recurring grant of up to Rs. 5,00,000/- per discipline. - Rs. 3,00,000/- per year earmarked for remuneration of Past Champion Athletes at Rs. 25,000/- per month. - Support for sports equipment, sports kits, competition exposure, physiotherapists, and recurring expenditure. - Support for repair and maintenance and beneficiary-related expenses. > **One-Time Assistance for New Centres/Disciplines** One-time grant of up to Rs. 5,00,000/- per discipline. Assistance for preparation or upgradation of sports fields. Assistance for purchase of sports equipment and sports kits. > **Other Residential Centres:** - Grants-in-aid for boarding expenses. - Support for education expenses. - Support for competition exposure. - Support for consumable sports equipment. - Funding capped at Rs. 1,50,000/- per trainee per year, subject to revision by the Departmental Project Approval Committee (DPAC). > **Sports Academies:** - Need-based support for establishment, operation, and maintenance. - Support for recurring and non-recurring expenditure. - Support for engagement of High-Performance Directors, coaches, foreign coaches, sports scientists, and support staff. - Support for monitoring and performance measurement systems. - Support for sports science and sports medicine facilities. - Support for equipment and critical infrastructure requirements. > **Online Sports Coaching** - Sports coaching and education through e-Khel Pathshala.

4535. Raising and Accelerating MSME Performance (RAMP) Interventions: Reimbursement of Testing and Certifi

Primary Category: Business & Entrepreneurship | State: Dadra & Nagar Haveli and Daman & Diu | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Loans & Credit, Urban Development | Benefits: Financial Assistance, Loan, Food/Nutrition | Beneficiaries: Entrepreneurs, S

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/ramprtcwci

Description:

The scheme "Raising and Accelerating MSME Performance (RAMP)" Interventions is an initiative launched by the Government of India with assistance from the World Bank to enhance the performance of Micro, Small, and Medium Enterprises (MSMEs) across the country. RAMP aims to improve the productivity, competitiveness, and resilience of MSMEs through a comprehensive set of reforms, capacity-building measures, and improved access to finance and market opportunities. The scheme RAMP with "Intervention 2: Reimbursement of Testing and Certification Cost in Wire" has been implemented by the Department of Industries, Union Territory of Dadra & Nagar Haveli and Daman & Diu. Through this scheme, to boost quality standards and market access, the UT Administration will provide financial assistance to MSMEs in the Wire & Cable industry for product testing and certification. Eligible units shall be reimbursed up to Rs. 5,00,000/- or the actual cost incurred, whichever is lower. This intervention targets support for at least 20 MSMEs.

Eligibi

Who Can Apply: 1. The unit must be Udyam registered with operations in the UT of DNH&DD. 1. Eligibility of MSME units in the Manufacturing or Service sector, upon commencement of commercial production or service operations, shall be governed by the duration of operation criteria as outlined in the relevant intervention of the scheme. 1. Eligibility of the MSME unit shall be subject to the detailed conditions specified under the respective scheme provisions.
Exclusions: None

Schem

details: This intervention aims to enhance the quality standards and global competitiveness of MSMEs in the Wire & Cable industry operating within the Union Territory of Dadra and Nagar Haveli and Daman and Diu, thereby improving their access to domestic and international markets. Under this intervention, the UT Administration will provide financial assistance in the form of reimbursement of costs incurred by MSMEs for product testing and certification, facilitating compliance with market entry requirements and industry standards. > **Quantum of Assistance (Testing and Certification cost in wire cable industry):** 1. Eligible MSMEs shall receive reimbursement up to {5,00,000 (Rupees Five Lakhs only) or the actual cost incurred for Testing and Certification, whichever is lower. 1. A minimum of 20 MSME units in the Wire & Cable industry shall be supported under this intervention. > **Conditions for Assistance (Testing and Certification cost in wire cable industry):** 1. MSME unit must be engaged in the manufacturing of Wire and Cable products. 1. The expenditure must pertain specifically to product testing and certification carried out by accredited/recognised institutions or agencies. 1. The testing/certification agency should possess a valid national/international accreditation. 1. The MSME unit must provide valid invoices and payment proofs for the testing/certification services availed. 1. MSMEs may claim reimbursement of eligible certification and testing costs, including the cost of certification renewal, subject to the reimbursement cap specified under the intervention. 1. The following categories of product testing and certifications shall be eligible for reimbursement under this intervention. This shall include, but not be limited to, certifications accredited by government-recognised bodies or authorised agencies, subject to prior approval by the competent authority. - CE Certification - UL Certification (USA/Canada) - RoHS Compliance - REACH Compliance - ISO 9001 - ISO 14001 - ISO 45001 - CPR Certification (EU) - BASEC Certification - BIS Certification - Type Test Reports from NABL-accredited laboratories. 1. The MSME unit must have been operational for a minimum period of one year prior to the date of application.

4536. Pradhan Mantri Formalisation Of Micro Food Processing Enterprises

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry of Food Processing Industries

Secondary: Scholarship & Education, Farmers & Agriculture, Skill Development & Training | Benefits: Financial Assistance, Subsidy, Loan, Training, Equipmen

Gender: Any | Age: 0-18 Years | Occupation: Farmer | Education: Postgraduate | Category: All

Income Limit: None | Area: Rural | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/pmfmpe

Description:

Launched on 29th June 2020, PMFMPE is a Centrally Sponsored Scheme by the Ministry of Food Processing Industries, designed to address the challenges faced by the micro-enterprises and to tap the potential of groups and cooperatives in supporting the upgradation and formalization of these enterprises. > **Aims:** 1. Enhance the competitiveness of existing individual micro-enterprises in the unorganized segment of the food processing industry and promote formalization of the sector; and 2. Support Farmer Producer Organizations (FPOs), Self Help Groups (SHGs), and Producers Cooperatives along their entire value chain. > **Objectives:** To build the capability of microenterprises to enable: 1. Increased access to credit by existing micro food processing entrepreneurs, FPOs, Self Help Groups, and Co-operatives. 2. Integration with an organized supply chain by strengthening branding & marketing. 3. Support for the transition of existing 2,00,000 enterprises into a formal framework. 4. Increased access to common services like common processing facilities, laboratories, storage, packaging, marketing, and incubation services. 5. Strengthening of institutions, research, and training in the food processing sector; and 6. Increased access for the enterprises, to professional and technical support. > **Outlay:** The scheme envisages an outlay of Rs. 10,000 crores over a period of five years from 2020-21 to 2024-25. The expenditure under the scheme would be shared in a 60:40 ratio between Central and State Governments, in a 90:10 ratio with the North In Eastern and the Himalayan States, a 60:40 ratio with UTs with the legislature and 100% by the Center for other UTs. > **Coverage:** Under the scheme, 2,00,000 micro food processing units will be directly assisted with credit-linked subsidies. Adequate supportive common infrastructure and institutional architecture will be supported to accelerate the growth of the sector.

Eligibi

Who Can Apply: > **The Eligible Borrowers for PMFMPE can be:** 1. Farmer Producer Organization (FPO) 2. Self-Help Groups 3. Co-operatives 4. Existing Micro Food Processing Entrepreneurs 5. New Units, whether for individuals or groups would only be supported for One District One Product (ODOP) > **Eligibility criteria for individual micro-enterprises:** 1. Existing micro food processing units in operations. 2. Existing units should be those identified in the SLUP for ODOP products or by the Resource Person on physical verification. In the case of units using electrical power, the electricity bill would support it being in operation. For other units, existing operations, inventory, machines, and sales would form the basis. 3. The enterprise should be unincorporated and should employ less than 10 workers. 4. The enterprise should preferably be involved in the product identified in the ODOP of the district. Other micro-enterprises could also be considered. 5. The applicant should have ownership rights of the enterprise. 6. Ownership status of the enterprise could be proprietary / partnership firm. 7. The applicant should be above 18 years of age and should possess at least VIII standard pass educational qualification. 8. Only one person from one family would be eligible for obtaining financial assistance. The "family" for this purpose would include self, spouse, and children. 9. Willingness to formalize and contribute10% of project cost and obtain Bank loan. 10. Cost of the land should not be included in the Project cost. The cost of the ready-built, as well as the long lease or rental workshed, could be included in the project cost. The lease rental of the workshed to be included in the project cost should be for a maximum period of 3 years only. > **Eligibility Criteria for Co-operatives/FPOs:** 1. It should preferably be engaged in the processing of ODOP produce. 2. It should have a minimum turnover of Rs.1 crore. 3. The cost of the project proposed should not be larger than the present turnover. 4. The members should have sufficient knowledge and experience in dealing with the product for a minimum period of 3 years. 5. The cooperative/FPO should have sufficient internal resources or sanction from the State Government to meet 10% of the project cost and margin money for working capital. > **Eligibility Criteria for Seed Capital for SHGs:** 1. Only SHG members that are presently engaged in food processing would be eligible. 2. The SHG member has to commit to utilizing this amount for working capital and purchase of small tools and give a commitment in this regard to the SHG and SHG federation. 3. Before providing the seed capital, SHG Federation should collect the following basic details for each of the members: a) Details of the product being processed. b) other activities are undertaken. c) Annual turnover. d) Source of raw materials and marketing of produce. > **Eligibility Criteria for Credit Linked Grant for Capital Investment for SHGs:** 1. The SHGs should have sufficient own funds for meeting 10% of the project cost and 20% margin money for working capital or sanction of the same as a grant from the State Government. 2. The SHG members should have a minimum period of 3 years of experience in the processing of the ODOP product. > **Eligibility Criteria for Branding and Marketing Support:** The proposals should fulfill the following conditions: - 1. The proposal should relate to ODOP. 2. Minimum turnover of product to be eligible for assistance should be Rs 5 crore. 3. The final product should be the one to be sold to the consumer in the retail pack. 4. Applicant should be an FPO/SHG/cooperative/ regional - State levels SPV to bring a large number of producers together. 5. Product and producers should be scalable to larger levels. 6. Management and entrepreneurship capability of promoting entity should be established in the proposal. > **Eligibility Criteria for Support to National Institutions for Capacity Building & Research:** At the National level, the National Institute for Food Technology Entrepreneurship and Management (NIFTEM) and the Indian Institute of Food Processing Technology (IIFPT) would be eligible. > **Eligibility Criteria for Support to State-Level Technical Institutions for Capacity Building & Research:** The State Level Technical Institution should be an existing institution involved in food processing technology. This Institute could be: 1. A college/institute under State Agriculture University or any other University. 2. A State-owned food processing technology research Institute. 3. An institute under CSIR or any Government of India institute focusing on food processing. 4. If it is a college, it should have undergraduate/postgraduate courses in food processing technology and the necessary faculty. 5. The Institute should have a full-fledged laboratory with necessary testing and processing equipment. 6. The Institute should have faculty undertaking research work and product development and machinery for food processing, especially for MSMEs. 7. The proposal should be recommended by the State Government. 8. The Institute should be willing to appoint a Nodal Officer and a dedicated team consisting of at least two faculty members focusing exclusively on the Scheme. 9. The Institute should have sufficient built-up space to undertake training for beneficiaries under the Scheme. 10. The institute preferably should have pilot plants for processing a few products under ODOP for the State.
Exclusions: None

Schem

details: The program has four broad components addressing the needs of the sector: 1. Support to individuals and groups of micro-enterprises. 2. Branding and Marketing support. 3. Support for strengthening of institutions. 4. Setting up a robust project management framework. Support to Individual Micro Enterprises Individual micro food processing units would be provided credit-linked capital subsidy @35% of the eligible project cost with a maximum ceiling of Rs. 10,00,000 per unit. The beneficiary contribution should be a minimum of 10% of the project cost with the balance being loaned from the Bank. Support for Farmer Producer Organizations (FPOs)/Producer Cooperatives FPOs and Producer Cooperatives: i) Grant @35% with credit linkage. ii) Training support. iii) Maximum limit of grant in such cases would be as prescribed. Support for Self-Help Groups (SHGs): 1. Seed capital: i) Seed capital @ Rs40,000/- per member of SHG for working capital and purchase of small tools would be provided under the scheme; ii) Priority would be given to SHGs involved in ODOP produce in giving seed capital; iii) All the members of an SHG may not be involved in food processing. Therefore, seed capital would be provided at the federation level of SHGs; iv) This would be given as a grant to the SHG federation by

SNA/ SRLM. SHG federation would provide this amount as a loan to the members of SHGs to be repaid to the SHG. 2. Support to individual SHG members as a single unit of the food processing industry with credit linked grant @35% with a maximum amount being Rs 10 lakh. 3. Support for capital investment at the federation of SHG level, with credit linked grant @35%. The maximum limit of funding in such cases would be as prescribed. 4. Training & Handholding Support to SHGs: For support to SHGs, a large number of trained resource persons are available with State Rural Livelihood Missions (SRLMs). These local resource persons of SRLM having expertise in agro-produce would be utilized for training, upgradation of units, DPR preparation, handholding support, etc. Support for Common Infrastructure: The following common infrastructure would be funded under the Scheme: i) Premises for assaying of agriculture produce, sorting, grading, warehouse, and cold storage at the farm gate; ii) Common processing facility for processing of ODOP produce; iii) Incubation Centre should involve one or more product lines, which could be utilized by smaller units on a hire basis for the processing of their produce. The incubation Centre may partly be used for training purposes. It should be run on a commercial basis. Branding and Marketing Support: i) Training relating to marketing to be fully funded under the scheme; ii) Developing a familiar brand and packaging including standardization to participate in common packaging; iii) Marketing tie up with national and regional retail chains and state-level institutions; iv) Quality control to ensure product quality meets required standards. Convergence Framework: The Food Processing Enterprises would be eligible for benefits under the following Government Schemes: 1. National Rural Livelihood Mission - providing seed capital, training, handholding support, and interest subvention to SHGs. 2. Start-up Village Entrepreneurship Programme (SVEP) -It is a Centrally Sponsored Scheme, a part of NRLM, and provides capital and technical support to rural start-ups through training, handholding and support through Community Enterprises Fund (CEF) as a loan-up to Rs. 1,00,000 for individual entrepreneur and Rs. 5,00,000 for group entrepreneurs at 12% interest. 3. Interest Subvention Scheme for incremental credit to MSMEs 2018 - 2% interest subvention on the outstanding balance. 4. Credit Guarantee Trust Fund for Micro & Small Enterprises (CGTMSE) for a collateral-free loan up to Rs. 2,00,00,000. 5. PM MUDRA Yojana for a loan up to Rs. 10,00,000. 6. A Scheme for Promotion of Innovation, Rural Industry and Entrepreneurship (ASPIRE). 7. Scheme for Fund for Regeneration of Rural Industry (SFURTI). 8. Public Procurement Policy for MSEs. 9. Benefits available under various other Schemes of MoFPI such as Backward & Forward Linkages, Agricultural Production Cluster, Cold Chain, etc. would be used to provide support to clusters/groups. 10. Support from PMKVY and NRLM for skill training for SHGs, if falling within the guidelines would be taken. For shorter duration on-site training, support would be provided from NRLM and the PM FME scheme, tailor-made for such purposes

Application Process: how_to_apply: Online https://pmfme.mofpi.gov.in/pmfme/#/Register-New-User Step 1: Visit https://pmfme.mofpi.gov.in/pmfme/#/Home-Page Click on "Login", then click "Applicant Login". You will be redirected to the login screen of the application. If you are an existing user, select the "Beneficiary Type", provide your "User ID" and "Password" and click "Submit". Once validated, you will be able to enter the website. Step 2: If you are a new user and want to register for the scheme, click on "Sign Up". The "NEW USER REGISTRATION" form will open. Provide the following mandatory details (as per the Aadhaar Card): Select the type of Beneficiary: Individual / Group Application / Common Infrastructure Application Further, if you have selected either "Group Application" or "Common Infrastructure Application", choose the type of "Non-Individual" Application: Cooperative Society / Farmer Producer Companies (FPC/FPO) / Self Help Groups (SHG) Name (???) Email ID (???? ????) Mobile Number (?????? ????) Address (???) State (?????) District (????) Step 3: Click on "Register". You will be registered for the PMFMFPE scheme. You shall receive an email over the registered email ID with the username and password. A notification regarding the successful registration will also be obtained on the registered mobile number. Apply for the PMFMFPE Scheme - Step 1: Use your login credentials to login into the system. On the next screen, select your role: Individual New Food Processing Enterprise Individual Applicant (Present Business Turnover more than Rs. 1,00,00,000) Individual Applicant (Present Business Turnover less than Rs. 1,00,00,000) Step 2: Select the desired option and click "Submit". On the Confirmation Pop-Up, select "Yes". You will be directed to the applicant's dashboard. On the Left Pane, you can see three options: Home / Apply Online / Guidelines and Instructions. You can either click "Guidelines and Instructions" to read and download the scheme guidelines, else you can directly click "Apply Online". Step 3: On clicking "Apply Online", you will be directed to the application form. The form consists of seven sections - Applicant Details, Existing Enterprise, Proposed Business Details, Financial Details, Lending Bank, Upload Documents, Declaration, and Submit. Step 4: Provide all the mandatory details, upload the required documents in the format, check the declaration and click "Submit" to submit the application form. The notification regarding the successful application submission will be shown on the screen. The same will also be received at the registered email id of the user. 4537. Modernisation And Removal Of Obsolescence

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry of Education

Secondary: Scholarship & Education, Financial Assistance, Skill Development & Training | Benefits: Financial Assistance, Loan, Training, Equipment, Food/Nu

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/modrob

Description:

Introduction (a) MODROB scheme, one of the AICTE Quality Improvement Scheme (AQIS), intends to support the development of laboratories with appropriate equipment/ technology/ tools/ software and encourages financial contribution from the industry. This is to ensure that the practical work and project work to be carried out by students is contemporary and suits the needs of the industry. (b) In order to promote a problem-solving approach among the students and staff, the institutes are encouraged to procure the equipment as per the revisions/modifications in the AICTE Model Curriculum (c) The funds under this Scheme could ideally be used to create technical infrastructure for a revised curriculum. for up-gradation of equipment in existing laboratories, enhancement of performance of existing equipment, or replacement of depreciated equipment with modern equipment. (d)The equipment installed can also be used to benefit the faculty/students through Continuing Education programs and also local industry through consultancy work and in training their workers. (e) This scheme has three variants addressing the needs of: (i) MODROB- Aspiring Institutes (ii) MODROB- Polytechnic (iii) MODROB- Regular **Objective** MODROB Scheme aims to modernize and remove obsolescence in the Laboratories/ Workshops/Computing facilities so as to maintain the quality of the practical components of technical education and promote experimental research

and hands-on training.

Eligibi

Who Can Apply: **MODROBS - Aspiring Institutions** a) AICTE-approved technical institutions / University Departments with at least 10 years of existence (at least 5 years if the institute is located in a rural area). b) The Institute shall have more than 50% admission for the past 3 years. c) The Institute had not been sanctioned any MODROB Project earlier. d) Maximum 3 proposals per institute per year (Not more than one proposal is accepted from the same department) **MODROBS - Regular** a) AICTE-approved technical institutions / University Departments with at least 10 years of existence (at least 5 years if the institute is located in a rural area) having live NBA accreditation b) The Institute shall have more than 60% admission for the past 3 years. c) The department applying should not have received the MODROB project in the last two years i.e. the department who have received a grant in the last two years are not eligible. d) Maximum 3 proposals per institute per year (Including sanctioned earlier but not completed) would be considered. e) Preference will be given to the institution having the involvement of industry in the modernization of the laboratory. **MODROBS - Polytechnic** a) The Polytechnic Institute is approved by AICTE with at least 10 years of existence (at least 5 years if the institute is located in a rural area) b) The Institute shall have more than 60 % admission for the past 3 years c) Maximum 3 proposals per institute per year (Not more than one proposal is accepted from the same department)
Exclusions: None

Schem

details: Duration of Project The duration of the project will be two years from the date of receipt of funds in the institute's account. Limit of Funding from AICTE Funding for the sanctioned project will not exceed Rs.20 lakhs (covering recurring and non-recurring expenditures) per the proposal. Disbursement of the Funds 80% of the sanctioned amount as advance to the institutions will be disbursed followed by 20% as reimbursement on submission of the Utilization Certificate and other supporting documents as specified in the terms and conditions of MODROB.

Requir

Documents: None
Application Process: how_to_apply: Online https://www.aicte-india.org/ a) Online submission of application by the institution. b) Applications received will be processed in a single lot. c) Screening/ scrutiny of applications at Council. d) The proposal shall be assessed by a three-member committee comprising of members, not below the rank of Associate Professor/Scientist "E". At least two members among them shall be the domain experts. e) The final decision will be taken by the Council, keeping in view the recommendations made by the expert and the availability of funds for the scheme. f) After the Council's approval, the Sanction Letter for the proposal will be sent to the institution.

4538. Galvanizing Organic Bio-Agro Resources Dhan (GOBARdhan)

Primary Category: Rural Development | State: All | Govt: Central Government | Ministry: Ministry Of Jal Shakti

Secondary: Financial Assistance, Farmers & Agriculture, Employment & Jobs | Benefits: Financial Assistance, Employment, Food/Nutrition | Beneficiaries: Fa

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/gobardhan

Description:

Galvanizing Organic Bio-Agro Resources Dhan (GOBARdhan) was launched by the Ministry of Drinking Water & Sanitation in April 2018 as a part of the Solid and Liquid Waste Management component under the Swachh Bharat Mission (Grameen) to positively impact village cleanliness and generate wealth and energy from cattle and organic waste. The main focus of GOBARDHAN is to keep villages clean, increase the income of rural households, and generate energy and organic manure from cattle waste. As rural India has already attained the Open Defecation Free (ODF) status, the importance of GOBARDHAN has increased as it supports the villages in achieving ODF-plus status, which is an important objective of Swachh Bharat Mission (Grameen) Phase II. GOBARDHAN: Waste to Wealth program has been designed to provide a common platform for schemes of different Ministries/Departments such as the Ministry of New and Renewable Energy (MNRE); Ministry of Petroleum and Natural Gas (MoPNG); Department of Animal Husbandry and Dairying (DAHD); Department of Agriculture, Cooperation and Farmers Welfare (DACFW); Department of Rural Development; and Department of Drinking Water and Sanitation (DDWS). DDWS is the coordinating Department for the implementation of the scheme. DDWS also provides technical and financial assistance to States/UTs for the implementation of GOBARDHAN projects under SBM-G. **Objectives** 1. To support villages in effectively managing their cattle waste, agricultural waste/residue, and all other organic waste 1. To support communities to convert their organic waste (especially cattle dung) to wealth through the generation of manure and energy out of waste 1. To create livelihood opportunities in rural areas and enhance the income of farmers and other rural people by supporting them to convert their waste to wealth 1. To promote rural entrepreneurship by involving entrepreneurs, SHGs, and Youth Groups in the setting up and operation and management of biogas plants 1. To promote environmental sanitation and curb vector-borne diseases through effective disposal of waste in rural areas

Eligibi

Who Can Apply: 1. **For Individual Household Model:** Individual Households identified by the Gram Panchayats.1. **For Cluster Model:** Cluster of Households identified by the Gram Panchayats, in association with Cooperatives, Milk Unions, Farmer Producer Organizations (FPOs), SHGs, CBOs developed under DAY-NRLM, Private entrepreneurs, etc. These households should have a minimum of 3 to 4 cattle.1. **For Community Model:** Households identified by the Gram Panchayats.1. **For Commercial Model:** Entrepreneurs/Cooperatives/Gaushalas/Dairies, etc. are eligible to setup large biogas/Compressed Bio-gas (CBG) plants1. Villages with a high population of cattle should be taken on priority.
Exclusions: None

Schem

details: 1. Helps in managing a major portion of solid waste in villages i.e cattle dung and agricultural waste and promotes environmental sanitation. 1. Substantially reduces vector-borne diseases and promotes public health. 1. Promotes household income and saving as the use of biogas reduces the expenditure on LPG. 1. Helps in generating organic manure which enhances agriculture and farm productivity. 1. Promotes employment and income generation opportunities for SHGs/farmers' groups. 1. Helps in reducing greenhouse gas emissions and promotes environmental sustainability. 1. Helps to save foreign exchange by reducing the need for the import of natural gas.

Requir

Documents: None

Application Process: how_to_apply: Offline Step 1: The Gram Panchayat will identify the beneficiaries with the support of SHGs/FPOs/milk cooperatives/milk unions/ private entrepreneurs/CBOs developed under DAY-NRLM/agencies selected or empanelled by States/Districts/BDTCs etc. Step 2: The project plan document will be prepared with the support of identified/empanelled agencies/ BDTCs etc. masons/barefoot technicians/engineers who would construct the biogas plants will be identified. Step 3: Approval for administrative and technical proposals will be sought from competent authorities. O&M plan should also be part of the project proposal. **Step 1:** The Gram Panchayat will identify the beneficiaries with the support of SHGs/FPOs/milk cooperatives/milk unions/ private entrepreneurs/CBOs developed under DAY-NRLM/agencies selected or empanelled by States/Districts/BDTCs etc. **Step 2:** The project plan document will be prepared with the support of identified/empanelled agencies/ BDTCs etc. masons/barefoot technicians/engineers who would construct the biogas plants will be identified. **Step 3:** Approval for administrative and technical proposals will be sought from competent authorities. O&M plan should also be part of the project proposal.

4539. Haritha Haram

Primary Category: Urban Development | State: Telangana | Govt: State Government | Ministry: None

Secondary: Scholarship & Education, Farmers & Agriculture, Employment & Jobs | Benefits: Employment, Housing, Food/Nutrition, Infrastructure Support | Be

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/haritha-haram

Description:

Haritha Haram is a flagship programme of the Government of Telangana, India, aimed at increasing the green cover in the state. The name Haritha Haram means "green garland" in Telugu, the official language of Telangana. The main objective of the Haritha Haram programme is to increase the green cover of the state from the existing 24% to 33% by planting and nurturing millions of saplings every year. The programme also aims to create awareness among the public about the importance of preserving and protecting the environment. The program was launched by Telangana Chief Minister Kalvakuntla Chandrashekar Rao on 3 July 2015. It is one of the Telangana Flagship programmes to rejuvenate degraded forests, protecting these forests from threats such as smuggling, encroachment, fire and grazing. It adopted intensive soil and moisture conservation measures based on a watershed approach. In the areas outside the existing forest, massive planting activities were to be taken up in areas such as; road-side avenues, river and canal banks, barren hills and foreshore areas, institutional premises, religious places, housing colonies, community lands, municipalities and industrial parks. Specific duties and responsibilities are assigned to different committees to ensure the implementation of the programme in a well-designed way. These committees do regular field inspections and monitor the ongoing plantation and nursery works. The committees are the State-Level Steering Committee and the District-Level Monitoring and Coordination Committee. At the village level, Haritha Rakshana Committees were formed to monitor the program under the Chairmanship of Gram Sarpanch. The seedlings are monitored through geo-tagging. The Forest Department posts survival percentage details on the Department.

Eligibi

Who Can Apply: Haritha Haram is a flagship program initiated by the government of Telangana in India, aimed at increasing the green cover in the state. The eligibility criteria for Haritha Haram program vary based on the type of participant. Individuals: Any individual who wishes to participate in the program can do so by volunteering for tree plantation drives organized by the government or by planting saplings on their own. There are no specific eligibility criteria for individuals. NGOs: Non-governmental organizations (NGOs) working in the field of environmental conservation can participate in the program by partnering with the government. The NGOs should be registered and actively involved in environmental conservation activities. Educational institutions: Schools, colleges, and universities can participate in the program by organizing tree plantation drives on their campuses or by adopting a nearby forest area. The educational institution should have the necessary infrastructure and resources to undertake such activities. Government departments: Various government departments such as the forest department, municipal corporation, and public works department can participate in the program by taking up plantation activities in their respective areas of operation. Corporates: Companies can participate in the program by partnering with the government or by organizing tree plantation drives in their corporate social responsibility (CSR) activities. The companies should have a valid CSR policy and should be actively involved in environmental conservation activities. In summary, there are no specific eligibility criteria for individuals to participate in the Haritha Haram program. However, NGOs, educational institutions, government departments, and corporates need to meet certain criteria related to their registration status, infrastructure, and involvement in environmental conservation activities. Exclusions: While the Haritha Haram programme aims to increase the green cover in Telangana and promote environmental conservation, there are certain areas or activities that are excluded from the programme. Some of the key exclusions of the Haritha Haram programme are: Construction activities: The programme does not allow the felling of trees for construction activities, including the construction of buildings, roads, or other infrastructure. Non-forest areas: The plantation drives under the programme are focused on forest areas, and are not carried out in non-forest areas, such as urban areas, where the Telangana Ku Haritha Haram programme is implemented separately. Private lands: The programme is implemented on public lands, such as government forests and other public lands, and does not include private lands. Commercial plantations: The programme is focused on the plantation of native species and does not encourage the plantation of commercial crops or exotic species. Unsuitable lands: The programme does not allow plantation on lands that are unsuitable for forestry, such as lands prone to erosion or lands with a high water table. Areas with conflicts: The programme may exclude areas with conflicts related to land ownership or use, or where there are disputes related to the rights of local communities.

Schem

details: The Haritha Haram programme has several benefits, including: Increased green cover: The main objective of the programme is to increase the green cover in Telangana, which has several benefits, such as improving air quality, reducing soil erosion, and providing habitat for wildlife. Mitigation of climate change: Trees absorb carbon dioxide, which is one of the primary greenhouse gases responsible for climate change. By increasing the green cover, the Haritha Haram programme can help mitigate the effects of climate change. Soil conservation: Trees play a critical role in conserving soil by reducing soil erosion, improving soil quality, and preventing desertification. Water conservation: Trees help to conserve water by reducing soil erosion, improving the water-holding capacity of soil, and reducing evaporation. Biodiversity conservation: By increasing the green cover, the Haritha Haram programme can provide habitat for a variety of plant and animal species, thereby promoting biodiversity conservation. Economic benefits: The programme can generate economic benefits through the creation of employment opportunities in the forestry sector, as well as through the production

of non-timber forest products such as fruits, nuts, and medicinal plants. Health benefits: Trees have been shown to have a positive impact on human health by improving air quality and reducing stress levels. Overall, the Haritha Haram programme has several benefits for the environment, economy, and human health, and has been successful in achieving its objectives of increasing the green cover and promoting environmental conservation in Telangana.

Requi

Documents: None
Application Process: how_to_apply: Offline The application process for Haritha Haram varies based on the type of participant. Here are the general steps involved in the application process: Individuals: There is no specific application process for individuals. They can participate in the program by volunteering for tree plantation drives organized by the government or by planting saplings on their own. NGOs: NGOs interested in participating in the program can contact the district forest officer (DFO) of their respective district and express their willingness to partner with the government for tree plantation activities. The DFO will provide the necessary information about the program and the requirements for partnership. Educational institutions: Educational institutions interested in participating in the program can contact the district forest officer (DFO) of their respective district and express their willingness to organize tree plantation drives on their campuses or adopt a nearby forest area. The DFO will provide the necessary information about the program and the requirements for participation. Government departments: Government departments interested in participating in the program can contact the district forest officer (DFO) of their respective district and express their willingness to take up plantation activities in their respective areas of operation. The DFO will provide the necessary information about the program and the requirements for participation. Corporates: Companies interested in participating in the program can contact the district forest officer (DFO) of their respective district and express their willingness to partner with the government or organize tree plantation drives in their CSR activities. The DFO will provide the necessary information about the program and the requirements for partnership. In general, participants need to fill up an application form provided by the government and provide the necessary details such as their name, contact details, and area of operation. They may also need to submit a project proposal detailing their plans for plantation activities. Once the application is processed and approved, the participants will be given the necessary support and resources to carry out their activities.

4540. The Meghalaya Victim Compensation Scheme, 2022

Primary Category: Disability & Special Needs | State: Meghalaya | Govt: State Government | Ministry: None

Secondary: Scholarship & Education, Financial Assistance, Women & Girls | Benefits: Financial Assistance, Training, Housing, Food/Nutrition | Beneficiaries:

Gender: Any | Age: 60+ Years | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/tmvcs

Description:

The Meghalaya Victim Compensation Scheme, 2022 is a social welfare scheme introduced by the Social Welfare Department, Govt. of Meghalaya. Under this scheme, financial assistance to the victim along with support services such as shelter, counseling, medical aid, legal assistance, education, and vocational training depend upon the needs of the victim. The scheme shall apply to the victims and their dependent(s), or the member(s) of the family of the victim, who have suffered loss, or injury as the case may be, as a result of the crime and who require rehabilitation.

Eligibi

Who Can Apply: 1. The applicant may apply for a grant of compensation under sub-section (4) of Section 357-A of the Code of Criminal Procedure (CrPC) if the offender is not traced or identified. 1. The applicant should require financial support for physical and mental rehabilitation resulting from the crime. 1. The applicant should report the crime to the officer-in-charge of the local police station or to the Magistrate having jurisdiction. 1. The applicant may also be eligible if the police have taken suo motu cognizance of the offense committed under their jurisdiction. 1. The applicant must fully cooperate with the police and prosecution authorities. 1. The applicant must cooperate from the stage of investigation until the conclusion of the trial. 1. The applicant must not turn hostile, refuse to depose, or fail to appear during the trial. Such actions will be treated as non-cooperation. 1. The applicant should be a victim of a crime that caused bodily injury, mental trauma, or death. > **Note:** The victim shall inform the authority of the details of claims for compensation made under any other scheme or from any other source. The victim may exercise the option to choose another scheme of Government if the same is more beneficial to him. The victim will not be entitled to claim both benefits and part benefits from one scheme and part benefits from another.
Exclusions: 1. The applicant shall not be eligible if the victim's death or permanent incapacitation was due to suicide. 1. The applicant shall not be eligible if the injury or trauma was self-inflicted. 1. The applicant shall not be eligible if the injury, trauma, or death was a result of the victim's own wrongdoing. 1. The applicant shall not be eligible if compensation has already been received for the same loss or injury. 1. The compensation may have been received from any scheme of the Central Government, State Government, insurance company, or any other institution. 1. The applicant shall not be eligible if they are the perpetrator of the crime. 1. The applicant shall not be eligible if they are a dependent of the perpetrator.

Application Process: how_to_apply: Offline Step 1: A recommendation is made by the Court or an application is made by any victim or his dependent under sub-section (2) or (3) of section 357-A of the Cr.P.C. 1973 to the District Legal Services Authority. Step 2: The District Legal Services Authority shall examine the claim and verify the contents of the same with regard to the loss or injury caused to the victim arising out of the reported criminal activity and shall also call for the medical report, FIR, and related records, copy of Final Form of the investigation or any other information necessary in order to determine the claim. Such information may relate to the loss caused to the victim, medical expenses to be incurred on treatment, and the minimum sustenance amount required for rehabilitation, including such incidental charges as funeral expenses. Step 3: On being satisfied after due inquiry, the District Legal Services, Authority shall determine the quantum of compensation within two months, within the ceiling of compensation fixed in the Schedule: Provided that if the compensation awarded by the court exceeds the maximum limit, the amount of compensation so awarded shall be paid irrespective of maximum ceiling provided in the Schedule appended to this Scheme. **Step 1:** A recommendation is made by the Court or an application is made by any victim or his dependent under sub-section (2) or (3) of section 357-A of the Cr.P.C. 1973 to the District Legal Services Authority. **Step 2:** The District Legal Services Authority shall examine the claim and verify the contents of the same with regard to the loss or injury caused to the victim arising out of the reported criminal activity and shall also call for the medical report, FIR, and related records, copy of Final Form of the investigation or any other information necessary in order to determine the claim. Such information may relate to the loss caused to the victim, medical expenses to be incurred on treatment, and the minimum sustenance amount required for rehabilitation, including such incidental charges as funeral expenses. **Step 3:** On being satisfied after due inquiry, the District Legal Services, Authority shall determine the quantum of compensation within two months, within the ceiling of compensation fixed in the Schedule: Provided that if the compensation awarded by the court exceeds the maximum limit, the amount of compensation so awarded shall be paid irrespective of maximum ceiling provided in the Schedule appended to this Scheme.

4541. Pradhan Mantri Matsya Sampada Yojana

Primary Category: Employment & Jobs | State: All | Govt: Central Government | Ministry: Ministry of Fisheries,Animal Husbandry and Dairying

Secondary: Financial Assistance, Women & Girls, Farmers & Agriculture | Benefits: Financial Assistance, Subsidy, Loan, Employment, Equipment, Food/Nutrit

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/pmmsy

Description:

The scheme "Pradhan Mantri Matsya Sampada Yojana (PMMSY)" was launched by the Department of Fisheries; Ministry of Fisheries, Animal Husbandry, and Dairying; to bring about ecologically healthy, economically viable, and socially inclusive development of the fisheries sector of India. PMMSY shall bring about Blue Revolution through sustainable and responsible development of the fisheries sector in India at a total investment of Rs. 20,050 crore for holistic development of the fisheries sector including the welfare of fishers. PMMSY is implemented in all the States and Union Territories for a period of five years from FY 2020-21 to FY 2024-25. **In the Union Budget 2023-24, a new sub-scheme under the PMMSY has been announced with an investment of Rs.6,000 crore to enable activities of fish vendors, fishermen, and micro and small enterprises for improving value chain efficiencies and expanding the market.** ##### **Objectives of PMMSY** 1. Harness the potential of the fisheries sector in a sustainable, responsible, inclusive, and equitable manner. 2. Enhance fish production and productivity through expansion, intensification, diversification, and

productive utilization of land and water. 3. Modernize and strengthen the value chain including post-harvest management and quality improvement. 4. Double fishers and fish farmers' incomes and generate meaningful employment. 5. Enhance the contribution of the fisheries sector to Agricultural GVA and exports. 6. Ensure social, physical, and economic security for fishers and fish farmers. 7. Build a robust fisheries management and regulatory framework. ##### **Targets of PMMSY** ***Fish Production and Productivity -*** 1. Increasing fish production to 22 million metric tons by 2024-25 from 13.75 million metric tons in 2018-19. 2. Enhancing aquaculture productivity to 5 tons per hectare from the current national average of 3 tons. 3. Augmenting domestic fish consumption from 5 kg to 12 kg per capita. ***Economic Value Addition -*** 1. Increasing contribution of the fisheries sector to the Agriculture GVA to about 9% by 2024-25 from 7.28% in 2018-19. 2. Doubling export earnings to Rs. 1,00,000 crores by 2024-25 from Rs. 46,589 crores in 2018-19. 3. Facilitating private investment and growth of entrepreneurship in the fisheries sector. 4. Reduction of post-harvest losses from the reported 20-25% to about 10%. ***Enhancing Income and Employment Generation -*** 1. Generating 55 lakh direct and indirect employment opportunities along the value chain. 2. Doubling the incomes of fishers and fish farmers.

Eligibi

Who Can Apply: 1. Fishers. 2. Fish Farmers. 3. Fish Workers and Fish Vendors. 4. Fisheries Development Corporations. 5. Self Help Groups (SHGs)/joint Liability Groups (JLGs) in the Fisheries Sector. 6. Fisheries Cooperatives. 7. Fisheries Federations. 8. Entrepreneurs and Private Firms. 9. Fish Farmers Producer Organizations/companies (FFPOs/Cs). 10. SCs/STs/Women/Differently Abled Persons. 11. State Governments/UTs and Their Entities. 12. State Fisheries Development Boards (SFDB). 13. Central Government and Its Entities.
Exclusions: None

Schem

details: 1. **Financial assistance for fishing infrastructure:** The scheme provides financial assistance to develop fishing infrastructure like fishing harbors, fish landing centers, fish markets, fish feed plants, fish seed farms, and fish processing units.1. **Financial assistance for fish farmers:** The scheme provides financial assistance to fish farmers for various activities like the construction of ponds, cages, hatcheries, and nurseries, and for the installation of aeration systems and other equipment.1. **Assistance for fisheries management:** The scheme provides financial assistance for the management of fishery resources through the adoption of scientific methods, setting up of fishery management plans, and developing fishery information systems.1. **Credit-linked subsidy for fish farmers:** The scheme provides a credit-linked subsidy for fish farmers to encourage them to take up fish farming as a business.1. **Assistance for marketing and export of fish products:** The scheme provides assistance for the development of cold chains, fish processing units, and packaging facilities to promote the export of fish products.

4542. CM's Lairik Heiminnashi Programme (CMLH): Pre-Matric Remedial Coaching

Primary Category: Scholarship & Education | State: Manipur | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Women & Girls, Housing & Shelter | Benefits: Financial Assistance, Food/Nutrition | Beneficiaries: Students, Girls, Children,

Gender: Any | Age: None | Occupation: Student | Education: Undergraduate | Category: SC

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/cmlh-prem

Description:
The scheme "CM's Lairik Heiminnashi Programme (CMLH): Pre-Matric Remedial Coaching" by the Government of Manipur aims to provide handholding support in the form of remedial coaching to students studying in government academic institutions or institutions receiving grant-in-aid support from the Government, who belong to minority, OBC or SC communities of the State of Manipur. Through this scheme, free-of-cost remedial coaching in English, Mathematics, and Science is provided to eligible students studying in Standards 8 to 10 under the Board of Secondary Education, Manipur (BOSEM). Government-run schools, recognised private schools, or reputed registered Private Coaching Centres will be empanelled as Coaching Centres (CC), based on the availability of logistics and manpower for running the coaching classes. > **Selection of Students:** - A merit list shall be prepared in order of increasing family income, thereby indicating 'economic ranking'. Where family income is the same between two applicant students, the student belonging to a family with a larger number of family members will be given a higher ranking. Where the family size is also the same, the older of the two students will be ranked higher. - Another merit list will be prepared in increasing order of marks secured by the student - in the final academic assessment of the previous class attended, thereby indicating 'academic ranking'. Where the marks secured by two students are equal, the older student will be ranked higher. - A final rank will be prepared by adding the academic rank and the economic rank. The final rank will be the basis for the selection of a beneficiary under the scheme. - In the event of final rank being equal, preference will be given to the student ranked higher in academic rank. - The Nodal Department, or on its behalf - the Directorate concerned, or the IA, as the Government may specify in this

regard, will be responsible for the selection of students for providing coaching under the scheme. - At least 30% (or higher, as may be decided by the Government) of available seats may be reserved exclusively for girl students. - In the selection of students for filling up the 30% seats reserved exclusively for girl students, the above scoring/ranking system shall be followed amongst the girl students. The remaining girl students, who do not get a seat after saturation of the 30% seats reserved for girl students, shall be considered in the remaining 70% open seats based on the same scoring system.

Eligibi

Who Can Apply: > **For Coaching Centres:** 1. The applicant should be a Government school, a private school recognised by the State Government, or a registered private coaching centre. 1. The applicant should have at least 3 classrooms, each with a minimum 40-student capacity. 1. The applicant should have sufficient toilets, safe & hygienic drinking water facilities, an adequate number of benches and desks, functional fans, functional electricity connections and a good lighting system. 1. The applicant should provide an adequate number of qualified teachers for each subject for all classes for which coaching is to be provided. 1. The applicants should have excellent teachers who possess at least a graduate degree in the subject for which he/she is assigned to teach. 1. The applicant should designate a Centre Coordinator and Peon-cum-Chowkidar. 1. The applicant should prepare a course calendar and ensure monthly student progress reports. > **Note: For Students:** - The applicant should be studying in Classes 8 to 10 under BOSEM. - The applicant should belong to a minority, OBC, or SC community. - The applicant should be academically weak. > **Preference / Reservation / Relaxation:** - At least 30% of the seats are reserved for girl students. - Girl students who do not get seats under the reserved 30% will still be considered under the remaining 70% open category.
Exclusions: None

Schem

details: The scheme provides free-of-cost remedial coaching to selected students. The coaching aims to help eligible students who are weak in studies to achieve higher grades/marks in English, Mathematics, and Science subjects. The duration of the coaching program for each class is 6 months. > **Mode of Disbursement:** Fund will be released to the Coaching Centres (CC) as cost for conducting coaching classes. > **Frequency of Disbursement:** The fund will be released in installments. 1. The first installment, amounting to 40% of the cost, will be released in advance upon commencement of classes after signing a contract agreement with the Implementing Agency. 1. The second installment, amounting to 40% of the cost, will be released upon utilisation of 90% of the first installment of funds and continuation of coaching of at least 90% of the initial number of beneficiary students enrolled after completion of two months of the course. 1. The third installment, amounting to 10% of the cost, will be released upon completion of the course and after assessment of the quality of the coaching classes as satisfactory, based on measured feedback from the students, to be made by the Implementing Agency. 1. The final installment of 10% of the cost will be released after at least 80% of the beneficiary students taking their final academic assessment examination in their respective schools have cleared the same.

4543. Sub-mission On Agriculture Mechanization

Primary Category: Farmers & Agriculture | State: All | Govt: Central Government | Ministry: Ministry Of Agriculture and Farmers Welfare

Secondary: Financial Assistance, Women & Girls, Skill Development & Training | Benefits: Financial Assistance, Subsidy, Training, Equipment, Food/Nutrition

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/smam

Description:

Agricultural machines take an important role to increase productivity with timely and precise fieldwork. To promote the usage of farm mechanization and increase the ratio of farm power to cultivable unit area up to 2.5 kW/ha, the scheme will be implemented in all the Indian states The SMAM scheme has both centrally sponsored and central sector scheme components. In the centrally sponsored scheme components, the Government of India funds 60% of the cost and the states' share is 40% in all states except north-eastern and Himalayan states where the ratio is 90:10 wherein GOI funds 90%. In UTs, the central share is 100%. **Mission Strategy** To achieve the above objectives, the Mission will adopt the following strategies: 1. Conduct performance testing for various farm machineries and equipment at the four Farm Machinery Training and Testing Institutes (FMTTIs), designated State Agricultural Universities (SAUs) and ICAR institutions. 1. Promote farm mechanization among stakeholders by way of on-field and off-field training and demonstrations. 1. Provide financial assistance to farmers for procurement of farm machinery and implements. 1. Establish custom hiring centres of the location and crop-specific farm machinery and implements. 1. Provide financial assistance to small and marginal farmers for hiring machinery and implements in low-mechanized regions. **Mission Components** 1. Promotion and Strengthening of Agricultural Mechanization through Training, Testing and Demonstration. 1. Demonstration, Training and Distribution of Post-Harvest Technology and Management (PHTM). 1. Financial Assistance for Procurement of Agriculture Machinery and Equipment. 1. Establish Farm Machinery Banks for Custom Hiring. 1. Establish Hi-Tech, High Productive Equipment Hub for Custom Hiring. 1. Promotion of Farm Mechanization in Selected Villages. 1. Financial Assistance for Promotion of Mechanized Operations/hectare Carried out Through Custom Hiring Centres. 1. Promotion of Farm Machinery and Equipment in the North-Eastern Region.

Eligibi

Who Can Apply: - All landholding farmers' families, Self Help Groups (SHGs), User Groups, Cooperative Societies, Farmer Producer Organizations (FPOs) and Entrepreneurs - The farmer must be a native of India. - Women farmers can also take advantage of this scheme. They will be given priority in this scheme. - The benefit of this scheme will be given by the central government to those farmers who are financially weak. - The benefit of this scheme will be given to those farmers who have not taken the benefit of subsidy from any other central scheme earlier.
Exclusions: None

Schem

details: The stated objectives of the SMAM scheme are as follows. The main objective of this scheme is to provide agricultural machinery to poor and economically weak farmers and this subsidy is given by the government. Enhancing the reach of farm mechanization to small & marginal farmers and to the regions where farm power availability is low. Promoting 'Custom Hiring Centres' to mitigate the adverse economies of scale caused due to small landholding and the high cost of individual ownership. Generating awareness among stakeholders through demonstration and capacity-building activities. Developing hubs for hi-tech & high-value farm equipment. Ensuring performance testing and certification at designated testing centres. Under the SMAM scheme of the central government, farmers are provided with the benefit of subsidies ranging from 50 to 80 percent for buying agricultural machinery. Under the scheme, priority is given to women farmers. Farmers can take advantage of subsidies on agricultural machinery so that they will be able to get agricultural machinery at a low cost. Through this scheme, farmers can easily purchase agricultural equipment. With the help of agricultural equipment, farmers will be able to do all the farming work in less time. There will be an increase in the yield with less cost of equipment, which will increase the income of the farmer.

Requir

Application Process: how_to_apply: Offline Please contact to the Gram Panchayat office as well as Block Development Office.

4549. Himachal Pradesh Maharishi Valmiki Sampoorn Swachata Puraskar (state Sanitation Reward Scheme)

Primary Category: Housing & Shelter | State: Himachal Pradesh | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Farmers & Agriculture, Health & Medical | Benefits: Food/Nutrition, Infrastructure Support | Beneficiaries: Farmers, Rural Po

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Individual | Source: https://www.myscheme.gov.in/schemes/hpmvssp

Description:

 The **Maharishi Valmiki Sampoorn Swachata Puruskar** (MVSSP) is a scheme under the Swachh Bharat Mission (Grameen), Rural Development Department, Himachal Pradesh Government to identify and recognize the cleanest Gram Panchayat at various levels, including block, district, division, and state. The Government has implemented a comprehensive strategy to address the sanitation challenges prevalent in rural areas. The primary focus of this strategy is to encourage and motivate rural communities to abandon the traditional practice of open defecation and adopt safe sanitation practices. The Maharishi Valmiki Sampoorn Swachata Puruskar (MVSSP) has been introduced as part of this initiative. The MVSSP is an annual competition that aims to identify and recognize the cleanest Gram Panchayat at various levels, including block, district, division, and state. The competition serves as a platform to evaluate the cleanliness and hygiene conditions maintained by Gram Panchayats. Factors such as waste management, sanitation infrastructure, and active community participation are taken into consideration during the evaluation process. The winners of the MVSSP at the state and divisional levels are honored by the Honorable Chief Minister of Himachal Pradesh during the Independence Day celebrations each year. Similarly, the district and block-level winners receive prizes from senior dignitaries. This recognition incentivizes Gram Panchayats to maintain high cleanliness standards and continue their efforts towards improved sanitation.

Eligibi

Who Can Apply: 1. **Open Defecation-Free Gram Panchayat:** The Gram Panchayat should have achieved open defecation-free status. This means

that the community within the Gram Panchayat has successfully eliminated the practice of open defecation by providing adequate toilet facilities for all households. 1. **Previous Level Winners:** Gram Panchayats that have won an award at a particular level in the MVSSP competition are not eligible to participate in the same level for the next three years. However, they can compete at higher levels in the subsequent years. 1. **State-Level Winner:** The Gram Panchayat that has won the state-level award is not eligible to participate in the MVSSP competition for three years after winning the award.
Exclusions: 1. **Non-Open Defecation-Free Gram Panchayats:** Gram Panchayats that have not achieved the status of being open defecation-free are not eligible to participate in the MVSSP competition. This requirement ensures that participating Gram Panchayats have successfully eradicated the practice of open defecation within their communities. 1. **Previous Level Winners:** Winning Gram Panchayats at any level are excluded from participating in the MVSSP competition for the same level for the next three years. For example, if a Gram Panchayat wins the Block level award in a specific year, they are not eligible to compete for the Block level award for the following three years. However, they can participate in the competition at a higher level. For instance, they can compete for the District, Division, or State level awards in the subsequent years. 1. **State-Level Winner:** The Gram Panchayat that wins the state-level award is not eligible to participate in the MVSSP competition for three years after the year of winning. This exclusion allows other Gram Panchayats to have an opportunity to showcase their cleanliness achievements and compete for the prestigious state-level award.

Schem

details: 1. **Block Level:** The Gram Panchayat that attains the first position at the block level receives a cash prize of 1 lakh rupees. This monetary reward serves as recognition for their exemplary efforts in maintaining cleanliness and sanitation within their community. 1. **District Level:** The prize amount increases to 3 lakh rupees at the district level. Two Gram Panchayats can receive the prize if a district has more than 300 Gram Panchayats. This encourages healthy competition among Gram Panchayats within the district, fostering a cleaner and more hygienic environment. 1. **Division Level:** The winning Gram Panchayat at the division level is awarded a cash prize of 5 lakh rupees. This higher prize amount recognizes the exceptional cleanliness standards achieved by the Gram Panchayat within their division. 1. **State Level:** The highest recognition and incentives are reserved for the winning Gram Panchayat at the state level. The state-level winner receives a generous cash prize of 10 lakh rupees. This substantial reward serves as a testament to their outstanding commitment to cleanliness and sanitation practices.

Requi

Documents: None
Application Process: how_to_apply: Offline Step 1: Gram Panchayat Resolution The Gram Panchayat should pass a resolution expressing their intention to participate in the MVSSP competition. Step 2: Application Form Submission The Gram Panchayat fills out the application form provided by the MVSSP. The completed application form is submitted to the Block Development Officer (BDO) by 23rd April each year. The application form should be attested by the Gram Panchayat head and three other members. Step 3: Scrutiny by Block Development Officer The Block Development Officer (BDO) scrutinizes the received applications for completeness and eligibility. Step 4: Referral to District Rural Development Agency (DRDA) The Block Development Officer refers the applications to the District Rural Development Agency (DRDA) for further processing. Step 5: Assessment and Decision Assessment Committees at different levels (block, district, division, and state) evaluate the eligible Gram Panchayats based on prescribed norms and marking criteria. The committees select the best/cleanest Gram Panchayats at each level, starting from the block level and progressing to the district, divisional, and state levels. The winners are announced and awarded prizes at the respective levels during Independence Day celebrations. **Step 1: Gram Panchayat Resolution** The Gram Panchayat should pass a resolution expressing their intention to participate in the MVSSP competition. **Step 2: Application Form Submission** The Gram Panchayat fills out the application form provided by the MVSSP. The completed application form is submitted to the Block Development Officer (BDO) by 23rd April each year. The application form should be attested by the Gram Panchayat head and three other members. **Step 3: Scrutiny by Block Development Officer** The Block Development Officer (BDO) scrutinizes the received applications for completeness and eligibility. **Step 4: Referral to District Rural Development Agency (DRDA)** The Block Development Officer refers the applications to the District Rural Development Agency (DRDA) for further processing. **Step 5: Assessment and Decision** Assessment Committees at different levels (block, district, division, and state) evaluate the eligible Gram Panchayats based on prescribed norms and marking criteria. The committees select the best/cleanest Gram Panchayats at each level, starting from the block level and progressing to the district, divisional, and state levels. The winners are announced and awarded prizes at the respective levels during Independence Day celebrations.

4550. District Innovation And Challenge Fund

Primary Category: Social Welfare & Other Benefits | State: Arunachal Pradesh | Govt: State Government | Ministry: None

4551. Chief Minister's White Revolutions Scheme

Primary Category: Social Welfare & Other Benefits | State: Arunachal Pradesh | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Women & Girls, Farmers & Agriculture | Benefits: Subsidy, Loan, Insurance, Food/Nutrition | Beneficiaries: Farmers, Wome

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: Up To Rs. 3.00 Lakh | Area: Both | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/cmwrs

Description:
The CMWRS was approved in the 2018-19 budget announcement with a total outlay of Rs. 750.00 lakh. It aims to create a cooperative model of 200 dairy farmers in Pasighat, Rupa, Tezu, Chowkham, and Roing as milk production hubs. The scheme provides a minimum support price for milk procurement and strengthens the milk plant at Karsingsa and Rupa. The scheme also supports vermicompost facilities through 200 farmers to promote organic farming and the Green India campaign. The implementation of the scheme is through the department of Animal Husbandry, Veterinary & Dairy Development with tie-ups with the Apex Bank and NABARD. Selection of farmers, formation of District Dairy Appraisal Committee (DDAC), and selection of beneficiaries on a cluster basis by the District Dairy Development Committee have already been formulated. The scheme helps in poverty alleviation, economic upliftment, minimizes human migration, ensures the health of the farmers through supplement milk production, and enhances organic agricultural/horticultural productivity.

Eligibi

Who Can Apply: a. The dairy farmers of Arunachal Pradesh are eligible for the scheme as selected by the District Dairy Development Committee. b. The preference will be given to women and genuinely poor. c. The beneficiaries will be selected on a cluster basis by the District Dairy Development Committee. d. The scheme provides a minimum support price for milk procurement. e. The beneficiaries will receive a capital subsidy of 50% up to Rs.

3.00 lakh for a minimum unit of 2 cows through the Apex bank.
Exclusions: a. The scheme is not applicable to dairy farmers outside the five potential districts of Arunachal Pradesh. b. Only 200 dairy farmers can be a part of the cooperative model for milk production hubs. c. Individuals who are not dairy farmers cannot apply for the scheme.

Schem

details: a. Capital subsidy of 50% up to Rs. 3.00 lakh for a minimum unit of 2 cows through the Apex bank b. Farmers given Kisan Credit Cards for working capital loan up to Rs. 3.00 lakh per farmer covering feed requirement for 3 months, insurance, vaccines & veterinary aid c. State government ensures 4% interest subsidy through NABARD to Apex Bank to make these loans available at 0% interest rate to dairy farmers d. 25% top-up subsidy will be provided for cold storage, transportation, bulk coolers, etc., for successful dairy societies and above 33% subsidy under DEDS (Dairy Entrepreneurship Development Scheme) of the Government of India e. Two kinds of support extended to beneficiaries: One dairy subsidy scheme with 5 cows and special assistance for dairy entrepreneurship generation with 15 cows f. Logistical funds distributed to farmer accounts by Direct Transfer g. Progressive entrepreneurs selected and assisted by giving 9 no. of milk cows and 6 nos. of heifer

Requir

Documents: None
Application Process: how_to_apply: Offline Step 1: Obtain the Application Form Contact the District Animal Husbandry and Veterinary Officer (DAHVO) or the designated department responsible for the scheme to obtain the application form for the Chief Minister's White Revolutions Scheme. Step 2: Fill in the Application Form Carefully fill in the application form with accurate information. Ensure that all the required fields are completed as per the prescribed format. Step 3: Gather Required Documents Collect the necessary documents for submission along with the application form. The required documents typically include: Aadhar Card: To establish the identity of the applicant. BPL Card: To determine the eligibility of the applicant as a genuinely poor individual. Step 4: Attach Supporting Documents If there are any additional supporting documents required as per the guidelines of the scheme, ensure they are properly attached to the application form. These documents may vary based on specific requirements or preferences set by the District Dairy Development Committee. Step 5: Submit the Application Once the application form and supporting documents are complete, submit them to the designated authority or the District Animal Husbandry and Veterinary Officer (DAHVO). Follow the instructions provided by the concerned authority regarding the submission process. Step 6: Await Application Review After submitting the application, it will undergo a review process by the District Dairy Development Committee and other relevant authorities. The review process may involve verification of the provided information, eligibility criteria, and necessary documentation. Step 7: Notification of Application Status The applicant will be notified of their application status. This notification may be sent through mail, email, or any other means specified by the authorities. It will inform the applicant whether their application has been accepted or rejected. Step 8: Fulfill Additional Requirements (if applicable) If any additional requirements are specified for the selected applicants, such as attending an orientation session or fulfilling certain conditions, ensure compliance with these requirements. Step 9: Avail Scheme Benefits Upon successful acceptance of the application, eligible applicants will be able to avail the benefits outlined in the Chief Minister's White Revolutions Scheme, such as capital subsidy, working capital loans, interest subsidies, and distribution of dairy cows and heifers.

4554. Financial Assistance For Cultural Activities In Performing Arts For Building Grants Including Studio Theatr

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry Of Culture

Secondary: Scholarship & Education, Skill Development & Training, Housing & Shelter | Benefits: Financial Assistance, Training, Equipment, Food/Nutrition, Id

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/facapabgist

Description:
The scheme "Financial Assistance for Cultural Activities in Performing Arts for Building Grants Including Studio Theatres" was launched by the Ministry of Culture, Government of India. The objective of the Scheme is to support voluntary cultural organizations and government-aided cultural organizations in their efforts to create appropriately equipped training, rehearsal, and performance spaces for artists. **Sanction and Release of Grant:** 1. On approval of the project proposal, the Ministry will communicate the decision to the organization through the publication of Minutes on the Website of the Ministry under the Scheme, indicating the approved total cost of the project, the quantum of assistance sanctioned, the quantum of matching share of the organization and other terms and conditions for release of the sanctioned amount of assistance. Thereafter, the grant will be released to WZCC, Udaipur, the designated Central Nodal Agency (CNA) under the scheme, for further disbursal of the grant installment to these organizations. 2. The sanction letter will also specify the building/equipment for which the assistance has been sanctioned. 3. The financial assistance will be released in two equal installments of 50% each of the sanctioned amount of Central assistance in the following manner: **a) First Installment:** The first installment equal to 50% of the sanctioned assistance will be released on approval of the project proposal/sanction by the Ministry without any further correspondence. **b) Second & Final Installment:** The second & final installment equal to 50% of the sanctioned grant will be released on submission of: - Physical and financial progress report on the project from a Registered Architect (in case of building grants) and from a Chartered Accountant (in case of equipment grants), giving details of the work already carried out/ completed, along with the photographs of

site/equipment. - A certificate from a Registered Architect (for construction of the Auditorium/Studio Theatre) and from Chartered Accountant (in case of grants sanctioned for purchase of equipment) to the effect that: The project has been completed/ is in progress as per the approved plan; That there has been no violation of the local laws or the approved plan of construction/development; The work done is of satisfactory quality; and indicating Valuation of the cost of the work done and the further amount required to complete the project and equipment have been purchased in accordance with the approval given by the Ministry. - The audited statement of accounts of the project, duly signed by a Chartered Accountant. - A Utilization Certificate from a Chartered Accountant, certifying that the first installment of assistance has been fully utilized for the project. - A certificate from a Chartered Accountant certifying that the organization has spent a minimum of 50% of its matching share. - Before releasing the second installment, the Ministry will get the project physically inspected through its representative(s) or a team of Experts. **Conditions of Grant:** 1. Separate accounts shall be maintained in respect of the grants released by the Government of India. 2. The accounts and the site of the project shall be open for inspection by the representatives of the Ministry of Culture at any time for verification. 3. If the project is not completed within a period of three years from the date of release of the 1st installment, no further grant shall be released to the organization and the claim will become time-barred. 4. The accounts of the organization will be open to audit at any time by the Comptroller and Auditor General of India or his nominees at his discretion. 5. After the project has been completed, the organization shall submit, for closure of the case, the following documents within 6 months of the completion of the project; a) In cases of projects involving new construction, a copy of the Completion certificate issued by the appropriate civic authority; and in cases of projects involving the purchase of ready-built space, a copy of the receipts of all the payments made to the builder/ seller, possession letter, and the registration/ ownership deed. b) Project completion report from the Architect/CA in case of equipment grants. c) Certificate from the Chartered Accountant that the organization has spent the full amount of its matching share. 6. A register of the permanent and semi-permanent assets acquired wholly or mainly out of the Government of India grant should be maintained in the prescribed form (FORM GFR 24 [See Rule 211 (ii) (d)). Every year, a copy of this register should be maintained by the grantee organization. 7. The grantee shall execute a bond in the prescribed form with two sureties, in favour of the President of India, providing therein that it will abide by the conditions of the grant. In the event of it failing to comply with the conditions of the grant or committing a breach of the bond, the grantee and the sureties shall individually or jointly refund to the President of India the entire amount of the grant, along with the interest thereon at the prevailing borrowing rate of the Government of India. 8. The first lien on the buildings and other assets acquired with Central assistance will vest with the President of India and neither the building nor the equipment shall be leased or mortgaged to other parties without the prior approval of the Government of India. Provided, however, that the lease of the studio theatre or other facilities, so acquired, to other parties for temporary use shall be excluded from this rule. 9. If at any stage, the Government is not satisfied with the proper utilization of the Government grant, or of the facilities created out of it, the Government may ask for the refund of the entire amount of the grant along with interest thereon at the prevailing lending rates of the Government of India. 10. The grantee organization will acknowledge the financial support of the Government of India, Ministry of Culture by appropriately displaying the name of the Ministry at the studio theatre/ cultural space developed with assistance under the Scheme. 11. The grantee organization will be solely responsible for any violation of the laws governing the construction of buildings or the use of land and buildings as may be applicable in the local area. 12. Such other conditions as may be imposed by the Government of India from time to time. 13. The Organizations shall mandatorily organize at least 02 activities (function, lecture, seminar, workshop, exhibition, etc.) in any of the schools/ educational institutions in their vicinity. A certificate to this effect from the Principal/Head of the Institution would be a mandatory requirement for the release of the 2nd installment.

Eligibi

Who Can Apply: ##### **Eligible Project: Grants will be given to projects for creating cultural spaces, which will include:** 1. Conventional Cultural Spaces for Performing Arts: - Performance venues like Auditoria, Open-air Theatres, and Concert Halls. - Rehearsal halls for Theatre/ Music/ Dance. - Training Centres/ Schools for Theatre/ Music/ Dance etc. 2. Flexible Spaces, i.e., Studio Theatres, etc.: Non-proscenium rehearsal-cum-performance spaces, referred to as Studio Theatre or Experimental Theatre, that are characterized by the following special features: - A small theatre, with all the essential equipment for the performance of live music, dance, or theatre or combination of these arts; - An unconventional space that cannot qualify as an auditorium in the traditional sense; therefore, the stage or performance area is not normally placed within a proscenium arch nor raised too high or separated from the audience by a clearly demarcated division. - A seating arrangement for spectators that is totally flexible and can be moved fluidly from one part of the space to another depending on the artistic aim of a particular performance; therefore, the seats/chairs must not be fixed in position. - A capacity that usually does not go over 100 to 200; therefore, such a space is often called a "little theatre" or "intimate theatre" because it allows for close-up and intimate viewing by spectators. - One or two adjoining green room(s)/dressing room(s) /makeup room(s) with toilet(s) for the performers, and a storage area; therefore, the entire unit, though minimal, functions as a theatre in every sense. 3. A project proposal to create an auditorium, a studio theatre, or other cultural space(s) may include an appropriate combination of any of the following components: - New construction or purchase of built-up space. - Renovation/ upgradation/ modernization/ extension/ alteration of an existing building/ space/ facility. - Remodeling of the interiors of an existing built-up space/cultural center. - Provision of facilities like electricals, air conditioning, acoustics, light and sound systems, and other items of equipment, such as musical instruments, costumes, audio/ video equipment, furniture, and stage material that may be required for a studio theatre, auditorium, rehearsal hall, classroom, etc. ##### **Eligible Organizations:** 1. The scheme covers all not-for-profit organizations that fulfill the following criteria: - The organization has a predominantly cultural profile, working primarily for the promotion of arts and culture in fields such as dance, drama, theatre, music, fine arts, Indology, and literature at least for a period of three years. - The organization is registered as a society under the Registration of Societies Act (XXI of 1860) or similar Acts, or as a Trust or as a Not-for-Profit Company, at least for a period of three years. - The organization is well-established and known to be doing meaningful work in the field of its activity and has gained a local, regional, or national identity. - Its charter is devoted to the preservation, propagation, and promotion of Indian arts and culture. - Government-sponsored bodies for promoting the performing arts. - University Departments or Centres dedicated to the performing arts. - Colleges are set up to promote the performing arts. 2. An organization that has been receiving salary grants for the last 3 years under the Ministry's Scheme of "Financial Assistance to Professional Groups and Individuals Engaged for Specified Performing Arts Projects" will be deemed to have fulfilled all the above conditions. 3. A Government-sponsored body, University Department/Centre, or College dedicated to the performing arts may also be automatically eligible, provided its record over the preceding three years is satisfactory. **Note:** An organization that has availed of a grant for its building project grant under the erstwhile Scheme of Building Grants to Cultural Organizations or under this scheme will not be eligible for a second grant under the Scheme before the completion of the project sanctioned earlier, except where such second grant is sought for a Studio Theatre (or Experimental Theatre) and the applicant organization has not defaulted on the ongoing sanctioned project.
Exclusions: Religious institutions, public libraries, museums, schools, colleges, or University Departments/Centres that are not specifically dedicated to

the performing arts and allied cultural activities, departments or offices of the Central Government/ State Governments/ U.T. Administrations/ Local Bodies will not be eligible.

Schem

details: 1. Maximum assistance under the scheme will be as under: **CITIES****TYPE OF PROJECT****LIMIT OF ASSISTANCE**Bangalore, Chennai, Delhi, Hyderabad, Kolkata, MumbaiProjects involving new construction or the purchase of built-up space Rs. 50 lakhsBangalore, Chennai, Delhi, Hyderabad, Kolkata, MumbaiAll other projects Rs. 25 lakhsAll non-Metro cities, towns, or placesAll projects Rs. 25 lakhs2. All grants under the Scheme will be of a non-recurring nature. Recurring expenditures, if any, will be the responsibility of the grantee organization. 3. Assistance under the scheme to an organization will be restricted to a maximum of 60% of the approved estimated project cost, subject to the ceilings given above. In the case of projects in the North Eastern Region (NER) [comprises States of Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim, and Tripura] the maximum amount of Central financial assistance would be 90% of the total approved project cost subject to the maximum financial ceilings as mentioned above. The balance of the approved estimated project cost is to be incurred by the organization as its 'matching share'. Illustrations:- For projects involving new construction/ purchase of built-up space in metro cities. **Case 1:** If the approved cost of the project is Rs. 100.00 lakhs (in metro cities), the maximum grant which may be sanctioned would be Rs. 50.00 lakhs, the matching share of the grantee organization being Rs. 50.00 lakhs. **Case 2:** If the approved cost of the project is Rs. 70.00 lakhs (in metro cities), the maximum grant which may be sanctioned would be Rs. 42.00 lakhs, the matching share of the grantee organization being Rs. 28.00 lakhs. In the case of NER projects, the maximum grant which may be sanctioned would be Rs. 25.00 lakhs, the matching share of the grantee organization being Rs. 45.00 lakhs. For projects involving new construction/ purchase of built-up space in non-metro cities and all projects under: **Case 3:** If the approved cost of the project is Rs. 60.00 lakhs (in non-metro cities), the maximum grant which may be sanctioned would be Rs. 25.00 lakhs, the matching share of the grantee organization being Rs. 35.00 lakhs. **Case 4:** If the approved cost of the project is Rs. 40.00 lakhs (in non-metro cities), the maximum grant which may be sanctioned would be Rs. 24.00 lakhs, the matching share of the grantee organization being Rs. 16.00 lakhs. However, in the case of NER, the maximum grant which may be sanctioned would be Rs. 25.00 lakhs, the matching share of the grantee organization being Rs. 15.00 lakhs. 4. Cost of the land (actual consideration paid by the recipient organization and not market value) and development charges borne by the organization shall be accounted as matching shares. 5. Expenditure already incurred by the organization on construction/ purchase/ development of land & building and purchase of fixtures and fittings within a period of one year from the date of application, shall also be accounted as matching share. The organization will submit accounts of expenditure incurred in this regard duly certified by a Chartered Accountant. 6. In case the cost of the project is enhanced subsequently, the liability of the Government of India will be restricted to the original sanctioned amount, and all the extra expenditure will be met by the grantee organization from its own resources. 7. Once the project proposal has been considered and approved for a certain amount, no subsequent requests for review and enhancement of project cost will usually be entertained. 8. An Undertaking is required to be submitted at the time of submission of the application by the applicant organization to the effect that the project will be completed within a period of three years from the date of release of 1st Installment.

4555. Agriculture And Processed Foods Export Promotion Scheme Of APEDA For The 15th Finance Commissior

Primary Category: Farmers & Agriculture | State: All | Govt: Central Government | Ministry: Ministry Of Commerce And Industry

Secondary: Financial Assistance, Women & Girls, Skill Development & Training | Benefits: Financial Assistance, Loan, Training, Equipment, Food/Nutrition, Inf

Gender: Female | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: SC/ST

Income Limit: None | Area: Both | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/financial-assistance-scheme

Description:

The **Financial Assistance Scheme (FAS)** is an export promotion scheme run by APEDA. APEDA is an export promotion body under the Ministry of Commerce and Industry for the promotion of Agricultural and Processed Food Products. The scheme has been open and implemented for the period of 2021-22 to 2025-26. The scheme aims to facilitate the export of agri-products by providing assistance to exporters. It achieves its objective through the following: - Understanding the several challenges faced by agri-exporters. - Acknowledging the need for assistance to successfully navigate through these challenges and achieve the objectives of APEDA. **Financial assistance is provided in three broad areas, namely:****** - **Development of Export Infrastructure** - **Infrastructure, Quality Development and** - **Market Development.** The details of each scheme such as scheme name, launch date, ministry/dept. name, scope, objectives, salient features, target beneficiary, benefits, etc. are as follows: **Development of Export Infrastructure:** APEDA recognizes the importance of infrastructure for the growth of agro-industries and the export of agricultural products in the value chain. The scheme component covers both fresh produce and processed food products. The objective of the scheme is to reduce losses caused due to spoilage and to ensure quality production of agro products. To achieve this, it seeks to set up post-harvest handling facilities. Under this component, assistance is provided for the following: - Infrastructure such as packhouse facilities with packing/grading lines - Pre-cooling units with cold storage and refrigerated transportation etc. - Cable system for handling crops like banana - Common infrastructure facilities - Pre-shipment treatment facilities such as irradiation, Vapour Heat Treatment (VHT), and Hot Water Dip Treatment (HWDT) for compliance with Phyto-Sanitary requirements of importing countries - Infrastructure for processing facilities (process food sector) for addressing missing gaps which may include equipment like X-ray, Screening, Sortex, filth/metal detector, sensors, vibrators, or any new equipment or technology for food safety and quality requirements. **Quality Development:** To participate/engage in international trade, it is necessary to comply with the Food Safety requirements of different countries. Several importing countries demand adherence to stringent Maximum Residue Levels (MRLs). Some of the developed importing countries have set up MRLs at a very low level. For this, high to a ceiling of Rs. 600 lakhs. The funds shall be released against the bank guarantee. **Quality Development Scheme:** Implementation and certification of quality and food safety management systems, standardization, harmonization with international standards for adoption of global standards, and handheld devices for capturing farm-level peripheral coordinates for traceability systems. **Beneficiaries:** APEDA registered exporters are eligible to apply for assistance, Certification Bodies accredited under the National Program for Organic Production (NPOP), State Agencies, trade bodies, Chambers of Commerce, Government agencies, FPO, SHG, FPC, Cooperatives, and individual farmers and listed laboratories are eligible for assistance. **Benefits:** The assistance will be upto50% of the total cost subject to a ceiling of Rs. 5 lakh and 20 lakh per certification. The assistance will also be applicable for the renewal of certifications. The 20 lakh are applicable as in the case of Procuring hand-held devices including the cost of software for capturing farm-level peripheral coordinates for traceability systems. This will include any electronic management system, software, blockchain, Artificial Intelligence (AI), or any other high-precision technology. **Market Development:** **Beneficiaries:** It includes APEDA registered exporters, trade delegations, promoters of GI products, Central/State Govt. agencies, Trade chambers, Indian missions abroad, etc. **Benefits:** The benefits and their components would be decided and implemented by APEDA. As in the case of New Market / Product development through conducting feasibility studies. There are two criteria 1. Assistance will be up to 50% of the total cost subject to a ceiling of Rs. 10 lakhs per study per beneficiary. 1. Assistance will be up to 75% of the total cost subject to a ceiling of Rs. 10 lakhs per study per beneficiary if conducted by Trade Associations/Indian missions abroad/Central/State Govt. agencies/ exporters belonging to North - Eastern States, difficult areas namely Himalayan and landlocked states, Island Union Territories, SC/ST, and women beneficiaries. 1. For activities initiated by APEDA, the funding shall be 100% As in the case of Assistance for trial shipment covering multimodal transport. Assistance will be up to 50% of the total cost subject to a ceiling of Rs. 10 lakhs as in the case of Registration of Brand / IPR outside India. 1. Assistance will be upto50% of the total cost subject to a ceiling of Rs. 20 lakhs per beneficiary 1. 100% in the case of APEDA.

Eligibi
Who Can Apply: 1. APEDA registered Exporters are eligible to apply for assistance under 1(a)-(e) Central and state government institutions and public sector enterprises are eligible to apply for assistance under 1(f), as per [Operational Guidelines](https://apeda.gov.in/sites/default/files/Financial%20Assistance%20Schemes/FAS_Guidelines_05102021.pdf) of APEDA. 2. Assistance will be applicable for all APEDA scheduled products. 3. The date of submission of the online application in APEDA shall be considered as the date of receipt of the application for grant of In Principle Approval. The expenditure incurred prior to the date of submission of the online application in APEDA shall not be considered for assistance. However, any expenditure incurred after submission of the online application but before issuance of IPA shall not automatically become eligible for assistance and shall be subject to the final decision of APEDA taken in this regard. 4. In the case of exporters belonging to North-Eastern states, difficult areas namely Himalayan and land-locked states, Island Union Territories, SC/ST, and women beneficiaries, the assistance will be up to 75% for all activities. However, overall financial ceiling limits in all cases shall remain the same. 5. The following exporters shall be deemed to fall under the SC/ST category: a) In case of a proprietary concern, the proprietor shall be SC/ST. b) In the case of a partnership firm, the SC/ST partners shall be holding at least 51% shares in the unit.* c) In the case of private limited companies/Limited Liability Partnership (LLP)/Farmer Producer Companies (FPCs), at least 51% of shares shall be held by SC/ST directors/promoters.* (*The partner/director/promoter should hold at least 51% share in the unit for the preceding one year of application for financial assistance and the holdings of SC/ST partner/promoter/director shall remain at least 51% for the subsequent period of at least two years of reimbursement of the financial assistance. In this regard, an undertaking has to be submitted by the applicant.) 6. The following exporters shall be deemed to fall under the Women Entrepreneur category a) The concern should be in existence for at least one year b) In case of a proprietary concern, the proprietor shall be a woman c) In the case of partnership firms/FPOs/FPCs/LLP/Private Limited companies, all the partners/directors/promoters shall be women. 7. For organic products, the unit should have scope for processing under the NPOP requirements 8. APEDA shall charge a processing fee as approved by the Department of Commerce (DoC), Ministry of Commerce and Industry, Government of India on the disbursed amount which is presently 5% + GST as applicable. The processing fee shall be deducted at the time of release of funds to the applicant. 9. The assistance under the Financial Assistance Scheme of APEDA is available to register exporters or other organizations such as Central/State agencies, FPOs, etc. for APEDA Scheduled Products. 10. The application should be accompanied by the following documents duly self-certified. It should be submitted physically within 30 days from the date of the online application otherwise, the application will be cancelled. 11. For the purchase of new equipment, quotation/ proforma invoice/ bills should be obtained from a minimum of three Original Equipment Manufacturers (OEM) or their authorized distributor/ dealer of the equipment. The quotations shall be sought from a minimum of 3 suppliers. The applicant is free to place a work order at any of the three bidders however, APEDA's assistance shall be computed on the lowest quoted rate. 12. In case of a feasibility study the quotation has to be sought from the reputed consulting firms having experience of 5 years in the relevant field. 13. The quotations should clearly show the address, GSTN, TIN and PAN, product description with detailed specifications, validity date, and item-wise cost/unit and total amount. Technical brochure/literature/Pamphlet depicting equipment details in case of infrastructure/laboratory equipment/any other assets etc. with clear mention of the utility 14. Wherever civil work is involved assistance by APEDA shall be restricted only to Technical Civil Work required for the project The cost estimate depicting the Bill of Quantity, rate/unit, and total amount duly certified by a Chartered Engineer or Civil Architect shall be submitted for civil work. 15. The grant will be restricted only to the plant and machinery and technical civil work created after submission of the online application. The financial assistance towards the technical civil work component of the project shall be limited to a maximum of 25% of the total eligible financial assistance of that application. However, any expenditure incurred after the submission of the online application but before the issuance of IPA shall not automatically become eligible for assistance and shall be subject to the final decision of APEDA taken in this regard. 16. The training program/schedule/calendar or prospectus of the institutions illustrated in Annexure 8 shall be submitted along with the application. 17. The exporter shall submit online quarterly export performance from the assisted unit, on the APEDA website even if the export is nil. 18. In-principle approval (IPA) of APEDA is required for all components of the scheme except for Lab testing charges as mentioned under sub-component 5. 19. Subsequent to the issuance of the IPA, amendments in the same can be considered at the request of the applicant but within the validity of the IPA. 20. The request for an extension of IPA may be considered by APEDA on a case-to-case basis on merits. 21. APEDA reserves the right to get the projects appraised from an outside agency. In case the project is not found viable, the application shall not be considered. The grant of In-Principle Approval shall be based on eligible items and activities only and any expenditure on ineligible items or activity shall not be considered. 22. APEDA reserves the right to intervene in the charges fixed by the agencies that are not commensurate with the services rendered to the exporters. 23. The decision of APEDA relating to the admissibility of the claim shall be final and the mere filing of the application shall not provide any right to claim financial assistance 24. Any change in ownership/management of the company shall be the responsibility of the exporter to get the same incorporated in the Registration cum Membership Certificate (RCMC) issued APEDA. 25. Reimbursement of eligible assistance from APEDA will be back-ended, upon completion and submission of the claim by the applicant in accordance with the terms and conditions of the In-Principle Approval letter issued and subsequent physical verifications by APEDA. 26. It is the responsibility of the applicant to file final claim documents complete in all respects well before the expiry of the original or extended validity, if any, of the In-Principle Approval letter. 27. If the applicant/beneficiary has more than one manufacturing unit at different locations, APEDA may consider assistance for each such separate unit. However, such units must be first incorporated into the IEC and APEDA RCMC. 28. The Budgetary allocation to APEDA is given by the Department of Commerce. The actual allocation may vary from year to year. Disbursement of assistance is subject to actual budget allocation by the Government. Financial assistance is provided subject to the availability of the funds in APEDA and grants by the Government. 29. Financial assistance is provided subject to continuation of the scheme. There shall be no claim by the applicant in carrying forward the application for financial assistance beyond the plan period (2021-26) 30. The applicant has to comply with the requirement of Registration/license with the Food Safety and Standards Authority of India (FSSAI) and/or any other regulatory authorities. 31. The beneficiary getting financial assistance under the Integrated pack-house, reefer van, cable car, or up-gradation of the facility should not sell his/her unit before five (5) years of disbursement of financial assistance. 32. Exporter should submit a declaration stating that no financial assistance has been availed from any state/center agency. If the application is also submitted to other state/center agencies, then details for it should be submitted in an online application. 33. APEDA reserves the right to conduct pre-inspection of the unit and/or site of the applicant before putting up to the Technical Committee. 34. The application will be summarily rejected in case it is found incomplete, unsatisfactory pre-inspection report, and not as per the guidelines prescribed. 35. All matters of dispute arising out of the APEDA financial assistance scheme (FAS) shall be governed by Indian law and subject to Court jurisdiction in New Delhi only. Both parties shall make all efforts to resolve any dispute by way of reconciliation. In the event of any question, dispute, or difference arising under the Scheme in connection therewith remains unresolved, the same shall be referred to the Chairman, APEDA, and his decision shall be final.

Exclusions: 1. The members who are not registered with APEDA are not eligible to apply for assistance under the scheme.

4564. Salary Reimbursement Scheme

Primary Category: Social Welfare & Other Benefits | State: Goa | Govt: State Government | Ministry: None

Secondary: Business & Entrepreneurship | Benefits: Identity Card / Certificate | Beneficiaries: Entrepreneurs

Gender: Any | Age: None | Occupation: Entrepreneur | Education: None | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/srs-goa

Description:

The scheme "Salary Reimbursement Scheme" is a scheme by the Department of Information Technology, Electronics and Communications, Government of Goa, for the Startups of Goa. The scheme aims to bolster startup growth by incentivizing the hiring of local talent through a dual-pronged approach. Startups can reimburse 50% of fresher salaries. The process ensures prompt disbursement post SPC approval, emphasizing that benefits are discretionary, not entitlements.

Eligibi

Who Can Apply: 1. All the Start-ups certified by the Start-up Promotion Cell (SPC) having a valid start-up certificate number are eligible to apply for this scheme. 1. The employees should be hired for a period of at least 12 months. 1. For availing the benefit under clause 3.1, the employee/s whose salary is being claimed for reimbursement must be an IT professional/s. 1. The bank accounts of employees should be linked to Aadhaar. 1. The bank accounts of the Directors of the company should be linked to Aadhaar. 1. Only expenditures incurred after notification of Goa Start-up Policy 2017, being within the validity of this policy and paid for digitally will be considered for reimbursements under this scheme. In case digital payments are not possible then it shall be up to the decision of SPC as per its due diligence to admit the expenditure.
Exclusions: None

Schem

details: > **For Startups Hiring Local Talent:** 50% of the salary of a fresher will be reimbursed, subject to a cap of **Rs. 10,000 per month per recruit**. A startup can claim the salary of a maximum of 25 people per month for a period of 3 years. This benefit can be availed of by 100 startups each year, which shall be selected by the SPC as per its guidelines. > **For Startups Whose Workforce Comprises 60% Locals:** Up to 25% of the salary of the local workforce, subject to a cap of **Rs. 25,00,000 per year**, will be reimbursed for 3 years. A startup can claim the salary of a maximum of 25 people. This benefit can be availed of by 100 startups each year. **NOTE:** Once the application is approved by the SPC, the approved amount shall be disbursed within 60 days from the date of approval.

4585. Establishment of Integrated Educational Complexes

Primary Category: Scholarship & Education | State: Goa | Govt: State Government | Ministry: None

Secondary: Urban Development, Environment & Energy | Benefits: Infrastructure Support | Beneficiaries: Students, Urban Population

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/eiec

Description:

The scheme "Establishment of Integrated Educational Complexes" by the Directorate of Education, Government of Goa, aims to address the inadequate infrastructure and congested conditions faced by government-aided educational institutions in urban areas such as Panaji, Margao, and Mapusa within Goa. These complexes are envisioned as comprehensive educational hubs equipped with essential facilities like playgrounds and auditoriums, providing a conducive environment for learning.
 The scheme envisages the setting up of Integrated Educational Complexes at Bambolim, Mapusa and Margao, initially at Bambolim. The Integrated Educational Complex is a unique approach to providing better education (with common facilities) to students coming from all backgrounds as it is observed that many of the schools located in Urban areas are functioning in

congested areas/flats and do not have any space for infrastructure facilities such as playground, auditorium etc. which does not provide the right school atmosphere.

Eligibi

Who Can Apply: 1. Government-aided institutions in the city/town of Panaji/Margao/Mapusa located within 10 km. of the complex site and engaged in educational activities, if they so desire to shift from their present location due to the fact that their schools are presently functioning in areas that are congested and with insufficient infrastructure, may apply. 1. Existing Government educational institutions that have no or insufficient premises and are located within 10 km. of the proposed complex site may also apply.
Exclusions: None

Schem

details: Allotment of (approx.) 3000 to 6000 square meters of land for every school/institution for separate building(s) depending on the strength of the students. The same is leased out for 33 years.

Requir

Documents: None
Application Process: how_to_apply: Offline The schools/institutions fulfilling the eligibility criteria should submit the proposal requesting for allotment of land, along with the required documents, to: Director of Education, Directorate of Education, Government of Goa, Porvorim, Goa- 403 501, 0832-2416139, dir-educ.goa@nic.in All proposals under the scheme shall be scrutinized by a committee comprising of Director of Education, Senior Dy. Director of Education and Joint Director of Accounts as member. - The schools/institutions fulfilling the eligibility criteria should submit the proposal requesting for allotment of land, along with the required documents, to: ***Director of Education, Directorate of Education, Government of Goa, Porvorim, Goa- 403 501, 0832-2416139, dir-educ.goa@nic.in***- All proposals under the scheme shall be scrutinized by a committee comprising of Director of Education, Senior Dy. Director of Education and Joint Director of Accounts as member.

Enter your Parivar Pehchan Patra number- Family ID and click on "Click here to Fetch Family Data" which displays the family members registered under the given Family ID. **Step 6:** Select the beneficiary/applicant name and enter the OTP that is being sent to the selected family member for verification. Click on "Click to Verify" **Step 7:** Fill in all the mandatory details and upload all the mandatory documents. **Step 8:** Preview the application form and click on 'Submit'. > **Tracking of Application:** Applicants can track their applications through the Official [Antyodaya-SARAL Portal](https://status.saralharyana.nic.in/) by entering their Department Name, Scheme Name, and Application Reference ID. **Note:** All the applications received by the Zila Sainik Boards will be scrutinized at the level of the Zila Sainik Boards itself and the applications found fit for grant of financial assistance will be forwarded with all relevant documents to Rajya Sainik Board with clear recommendation of the Secretary, Zila Sainik Board.

4590. National Livestock Mission: Establishment of State Semen Bank

Primary Category: Animal Husbandry & Fisheries | State: All | Govt: Central Government | Ministry: Ministry of Fisheries,Animal Husbandry and D

Secondary: Farmers & Agriculture, Employment & Jobs, Health & Medical | Benefits: Employment, Equipment, Food/Nutrition | Beneficiaries: Farmers, Entrep

Gender: Any | Age: None | Occupation: Fisherman | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/essb

Description:

Launched in the Financial Year 2014-15, the scheme "National Livestock Mission" by the Department of Animal Husbandry & Dairying, Ministry of Fisheries, Animal Husbandry and Dairying, aims towards employment generation, entrepreneurship development, increase in per animal productivity and thus targeting increased production of meat, goat milk, egg and wool. The excess production will help in the export earnings after meeting the domestic demands. The concept of the NLM Scheme is to develop the entrepreneur in order to create the forward and backward linkage for the produce available in the unorganized sector and to link with the organized sector. "Establishment of State Semen Bank (Genetic Improvement of Sheep and Goat breeds)" is a component of the "Sub-mission on Breed Development of Livestock and Poultry" scheme of the National Livestock Mission. The objective of this component is the genetic improvement of sheep/goat breeds through selective breeding by propagation of superior male germplasm through artificial insemination. For propagation of Artificial Insemination Technology for goats through frozen semen, there will be a requirement of storage depot at the state level for onward supply of goat frozen semen to the AI centres. The State Semen Bank working for storing cattle and buffalo frozen semen can work as the semen bank for goats also. Therefore, one time assistance will be provided for strengthening the existing state semen bank for goat frozen semen storing by providing equipment and storing containers.

Eligibi

Who Can Apply: **The following entities are eligible -** - State Livestock Agencies. - Animal Husbandry Department, State Government.
Exclusions: None

4601. Scheme of Assistance for Common Environment Infrastructure: Common Boiler Project by SPV Constitute

Primary Category: Environment & Energy | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Business & Entrepreneurship | Benefits: Financial Assistance, Food/Nutrition, Infrastructure Support | Beneficiaries: Entrepr

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Enterprise / Business | Source: https://www.myscheme.gov.in/schemes/saceicbspv

Description:
The scheme "Scheme of Assistance for Common Environment Infrastructure" is an umbrella scheme launched by the Industries and Mines Department, Gujarat under the Gujarat Industrial Policy. Effective from August 7th, 2020 to August 6th, 2025, it aims to boost industrial growth through financial assistance, modern technologies, and enhanced facilities for industrial parks and clusters. The component "Common Boiler Project by SPV Constituted by Minimum 10 MSME's" aims to promote energy efficiency and cost reduction in MSMEs by setting up a Common Boiler Project. A Special Purpose Vehicle (SPV) consisting of at least 10 MSMEs using steam in their process can apply. The project encourages the use of energy-efficient boilers that consume less fuel while maintaining energy output.

Eligibi

Who Can Apply: - The project must be promoted by an SPV with at least 10 MSMEs using steam in their operations. - Each MSME in the SPV must have an independent boiler in their current premises. - The new boiler must be energy efficient, as certified by the Office of the Boiler Inspector. - The SPV must obtain all statutory permissions for the boiler's operation and steam distribution.
Exclusions: None

Schem

details: - **For Solid Fuel Boilers:** 35% of the total project cost, with a maximum cap of Rs. 2,00,00,000/-. - **For Cleaner Fuel Boilers (CNG, PNG, Biofuel, etc.):** 50% of the total project cost, with a maximum cap of Rs. 2,00,00,000/-.

4608. Scheme for Financial Assistance to Integrated Logistics Facilities: Interest Subsidy

Primary Category: Loans & Credit | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Business & Entrepreneurship | Benefits: Financial Assistance, Subsidy, Loan, Infrastructure Support | Beneficiaries: Entrepr

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/sfailfis

Description:

The "Scheme for Financial Assistance to Integrated Logistics Facilities" is an umbrella scheme launched by the Industries and Mines Department, Gujarat under the Gujarat Integrated Logistics and Logistics Park Policy. Effective from August 2nd, 2021 to August 1st, 2026, this initiative aims to provide financial assistance to the private developer for developing Logistics Facilities and Logistics Park with all required infrastructure and logistic services. The component "Interest Subsidy" is designed to assist developers by reducing their interest burden on term loans. It is applicable only to new units or projects, enabling developers to improve their financial stability during the project's development phase.

Eligibi

Who Can Apply: 1. The subsidy is applicable only to new units/projects. 1. The term loan's first disbursement date must fall within the scheme's operative period. 1. Developers must not be declared defaulters as per RBI guidelines. 1. Repayment against the principal must be timely. Exclusions: - Periods with default in principal repayment (90 days or more) are not eligible, even if interest is repaid during this time.

Schem

details: - **Coverage of Moratorium Period:** Interest repayment during the moratorium period is also eligible for subsidy. - **Assistance on Actual Disbursement:** The subsidy is calculated based on the actual disbursed amount of the sanctioned term loan. - **Encourages Timely Repayment:** Incentivizes developers to maintain regular repayment schedules to avoid being declared defaulters.

4614. Gujarat Textile Policy: Capital Subsidy

Primary Category: Financial Assistance | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Loans & Credit, Business & Entrepreneurship, Environment & Energy | Benefits: Financial Assistance, Subsidy, Loan | Beneficiaries: Entrepreneu

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Enterprise / Business | Source: https://www.myscheme.gov.in/schemes/gtccs

Description:

The "Gujarat Textile Policy" is an umbrella scheme introduced by the Industries and Mines Department, Gujarat. It aimed at augmenting investments in the textile sector and strengthening the textile value chain across each sub-sector, while also focusing on strengthening the garments and apparel as well as technical textiles industry. Effective from October 1st, 2024 to September 29th, 2029, this initiative focuses on reducing the carbon footprint and promoting green growth, thereby making the sector globally competitive and environmentally sustainable. The component "Capital Subsidy" provides financial assistance to eligible industrial units through subsidies on their capital expenditures. The subsidy is granted based on the category of the location and the type of activity undertaken.

Eligibi

Who Can Apply: 1. The industrial unit must have availed a Term Loan for the project. 1. The unit must commence commercial production before applying for subsidy disbursement. 1. The unit must apply within one year from the Date of Commercial Production (DoCP). 1. The total subsidy received (State + Central) should not exceed the total term loan amount disbursed.
 > **Eligible Activities:** **Activity 1:** - Garments, Apparel & Made-ups, Technical Textiles Activity (including Composite Unit) **Activity 2:** - Weaving (with or without preparatory), Knitting, Dyeing & Processing, Texturising, Twisting, Embroidery and MMF Spinning to manufacture yarn from Polyester Staple Fiber (PSF) / Viscose Staple Fiber (VSF) (excluding Spinning activity of Cotton and Synthetic Filament Yarn).
Exclusions: - The Industrial Unit will not be eligible for Capital Subsidy under this Policy if, the Term Loan is sanctioned after one year from Date of Commercial Production (DoCP).

4615. Goa State Financial Incentives to the Industries for Certification and Patenting Scheme, 2008

Primary Category: Financial Assistance | State: Goa | Govt: State Government | Ministry: None

Secondary: Scholarship & Education, Health & Medical, Loans & Credit | Benefits: Financial Assistance, Subsidy, Loan, Food/Nutrition, Identity Card / Certifica

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/gsfiicps

Description:

Notified on 31st December 2008, the scheme "Goa State Financial Incentives to the Industries for Certification and Patenting Scheme" by the Directorate of Industries, Trade and Commerce, Government of Goa, encouraged industrial units to obtain national and international certifications and patent rights to maintain quality standards, achieve excellence, and promote healthy industrial growth in the state. The scheme provided financial assistance of up to Rs. 2,00,000/- or the actual expenses incurred, whichever is less, for obtaining certifications or patents. Eligible units included micro, small, medium, and large-scale industries, as well as service industries falling under the Green/Orange Category list. The scheme was implemented by the Directorate of Industries, Trade and Commerce. The scheme remained in force until 31st March, 2011.

Eligibi

Who Can Apply: - Units that obtained Certification from the Indian Standard Institute, International Standard Organization Certification, or any other National/International certification for quality standards from Re-certifying bodies accorded by the Government, NABCB (National Accreditation Board for Certification Bodies), etc., and/or patent rights on products and/or processes were eligible. - Units had to be under the category of Micro & Small/Medium and large-scale industry or service industry falling under the Green/Orange Category list. - Units permanently registered or acknowledged with Entrepreneurs Memorandum II by the Director of Industries, Trade and Commerce were eligible. - Units not registered or acknowledged with EM II but cleared by the High Powered Coordination Committee or any Committee or Authority formed to grant such clearances for investment in the State were also eligible. - Service Industries not covered under sub-clauses (a) and (b) were also eligible if they fell under the following categories: 1. Hospitals or any other Medical Institutions registered with or recognized by the Directorate of Health Services. 1. Educational Institutions recognized by the Directorate of Education/Directorate of Higher Education/Directorate of Technical Education or any other educational institution affiliated to Goa University/Goa Board/Goa Board of Technical Education or any other institution covered under the Goa Education Development Corporation or Human Resource Development Foundation. 1. Co-operative Banks other than Multi-State Co-operative Banks registered with the Registrar of Co-operative Societies under the Government of Goa. 1. Any other service sector specially notified for this purpose by the Director, Directorate of Industries, Trade and Commerce. - Units could obtain financial incentives under this Scheme only once in the lifetime of the unit after permanent registration. - Units that had already obtained Certification or patent rights but had not availed any financial assistance from the State Government were also eligible to apply for incentives under this Scheme for additional certification, provided the certification qualified for the benefit under this Scheme. - Units that had availed Central assistance for this purpose were also eligible but only to the extent of the balance amount after deducting the Central Assistance availed. - Units that lost certification due to inadequacies in the unit were not eligible to avail the benefit for the second time.
Exclusions: None

Schem

details: - Financial assistance/subsidy to the extent of Rs. 2,00,000/- or the actual expenses incurred, whichever was less, was granted per unit. - The actual expenses did not include charges for lodging/boarding, refreshments, travel, etc., but included only the actual charges incurred to obtain the certificate. - Financial incentives could be availed once in the lifetime of the unit, irrespective of changes in ownership/constitution or product.

4621. Gujarat Textile Policy: Power Tariff Subsidy (Fiscal Incentives to Labour Intensive Unit)

Primary Category: Workers & Labour | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Women & Girls, Employment & Jobs | Benefits: Subsidy, Employment | Beneficiaries: Women, Workers, Entrepreneurs, Sm

Gender: Any | Age: None | Occupation: Unorganized Worker / Labour | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Enterprise / Business | Source: https://www.myscheme.gov.in/schemes/gtcptsliu

Description:

The "Gujarat Textile Policy" is an umbrella scheme introduced by the Industries and Mines Department, Gujarat. It aimed at augmenting investments in the textile sector and strengthening the textile value chain across each sub-sector, while also focusing on strengthening the garments and apparel as well as technical textiles industry. Effective from October 1st, 2024 to September 29th, 2029, this initiative focuses on reducing the carbon footprint and promoting green growth, thereby making the sector globally competitive and environmentally sustainable. The component "Power Tariff Subsidy (Fiscal Incentives to Labour Intensive Unit)" is aimed at reducing electricity costs for eligible industrial units. This subsidy provides financial relief on power tariffs for industries availing electricity either from DISCOM (Distribution Companies) or through renewable power sources under open access.

Eligibi

Who Can Apply: 1. The industrial unit must be recognized as a Labour Intensive Unit. 1. New industrial units are eligible for the Power Tariff Subsidy. 1. Existing industrial units undergoing expansion, diversification, or modernization are eligible. 1. The industrial unit must submit electricity bills in its name. 1. The unit must apply within one year from the Date of Commercial Production (DoCP). **Note:** In the case of expansion/diversification/modernization, the subsidy applies only to additional power consumption beyond the previous year's average. > **Eligible Activities:** **Activity 1:** - Garments, Apparel & Made-ups, Technical Textiles Activity (including Composite Unit) **Activity 2:** - Weaving (with or without preparatory), Knitting, Dyeing & Processing, Texturising, Twisting, Embroidery and MMF Spinning to manufacture yarn from Polyester Staple Fiber (PSF) / Viscose Staple Fiber (VSF) (excluding Spinning activity of Cotton and Synthetic Filament Yarn). > **Labour Intensive Unit:** Labour Intensive Unit means a new industrial unit that provides minimum employment to 4000 (four thousand) persons duly registered under EPF scheme, out of which minimum female employee should be at least 1000 (one thousand). The existing unit that carrying out expansion/diversification of activities , during the operative period of the scheme and provides totally new employment to minimum 4000 (four thousand) persons duly registered under EPF scheme, out of which minimum female employee should be at least 1000 (one thousand).

4635. COP-37 (General Area) 50% Capital Subsidy Scheme for Project of Taluka & District Co-op. Purchase Sale

Primary Category: Financial Assistance | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Farmers & Agriculture, Loans & Credit, Rural Development | Benefits: Financial Assistance, Subsidy, Loan, Food/Nutrition, Infrastructure Support

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/cssptdcp

Description:

The scheme "COP-37 (General Area) 50% Capital Subsidy Scheme for Project of Taluka & District Co-op. Purchase Sale Union" by the Department of Agriculture, Farmers Welfare and Co-operation, Government of Gujarat, aims to strengthen the financial base of cooperative buying and selling unions in talukas and districts by providing 50% capital assistance with a maximum limit of Rs. 20,00,000/- for a wide range of agricultural projects. These projects include procurement of inputs like fertilizers and seeds, as well as infrastructure and service improvements such as processing, grading, cleaning, washing, shorting, packaging, branding, storage, and marketing of agricultural produce. By empowering these cooperative institutions, the scheme seeks to ensure better quality services and economic benefits for farmers and primary agricultural credit societies.

Eligibi

Who Can Apply: 1. Taluka or District Cooperative Purchase and Sale Associations are eligible under this scheme. 1. Taluka and District Purchase and Sale Associations should have their own land.
Exclusions: None

Schem

details: - **Financial Assistance:** Provides a 50% capital subsidy to cooperative unions, with a maximum limit of Rs. 20,00,000/-. - **Improved Services for Farmers:** Enables unions to offer better and more diverse services to farmers, such as providing quality agricultural inputs, procuring produce at support prices, and offering modern processing and storage facilities. - **Enhanced Infrastructure:** Supports the development of infrastructure like storage godowns, processing units, and marketing channels, which benefits the entire agricultural supply chain. - **Increased Market Access:** Helps unions establish better marketing and branding of agricultural produce, potentially leading to better prices for farmers' products.

Requi

Documents: None
Application Process: how_to_apply: Offline Step 1: The Taluka or District Cooperative Purchase and Sale Union must prepare a proposal for the intended project. Step 2: The proposal is to be submitted to the Registrar of Co-operative Societies, Gujarat State, Gandhinagar, through the Deputy Director and District Registrar Co-operative Societies of the respective district. Step 3: Upon approval from the Department of Agriculture, Farmers Welfare and Co-operation, the subsidy amount will be disbursed to the union via the District Registrar's office. Step 4: The assistance will be released in installments based on the level of work completed as per verified reports. **Step 1:** The Taluka or District Cooperative Purchase and Sale Union must prepare a proposal for the intended project. **Step 2:** The proposal is to be submitted to the Registrar of Co-operative Societies, Gujarat State, Gandhinagar, through the Deputy Director and District Registrar Co-operative Societies of the respective district. **Step 3:** Upon approval from the Department of Agriculture, Farmers Welfare and Co-operation, the subsidy amount will be disbursed to the union via the District Registrar's office. **Step 4:** The assistance will be released in installments based on the level of work completed as per verified reports.

4636. Scheduled Castes Unsalaried Credit Co-operative Society and Credit and Supply Co-operative Scheme for

Description:

The scheme "Establishment of Cow Shelters" was introduced by the Department of Animal Husbandry, Government of Uttarakhand. The scheme aims to provide proper shelter and care to unprofitable, abandoned, or roaming cattle by supporting eligible organizations in establishing and maintaining cow shelters with financial assistance from the state government.

Eligibi

Who Can Apply: For the establishment of cow shelters, applications will be accepted from the following non-governmental voluntary organizations registered under the Societies Registration Act, 1860: - A charitable institution registered for the welfare of cattle and other animals, a charitable institution formed for the welfare of cattle without any profit motive, or a public trust not registered under any law. - Preference will be given to organizations with a minimum of 3 years of work experience and proven capacity. - Preference will also be given to applicant institutions that own land or have taken land on lease for at least 30 years. - For eligibility for the maintenance grant, the cowshed must shelter a minimum of 25 destitute, non-profitable bovine animals in hilly areas and a minimum of 50 in plain areas.
Exclusions: None

Schem

details: Under the scheme, to provide proper shelter to unprofitable livestock abandoned by cattle rearers and roaming freely, the applicant organization will be eligible for a government grant of up to 90% of the total expenditure on non-recurring items, such as the construction of the main cowshed building, storage rooms, compound walls, drinking water systems, establishment of a plant for producing cow urine extract, biogas plants, and veterinary dispensaries. The maximum limit of the government grant is Rs. 25.00 lakh.

Description:

The scheme "Scheme of Financial Assistance to IHMs/FCIs/IITTM/ICI/NCHMCT/PSUs" was launched by the Ministry of Tourism, Government of India. The scheme aims to extend Central Financial Assistance for various developmental projects related to tourism, hospitality, and allied sectors. The scheme provides Central Financial Assistance for setting up new Institutes of Hotel Management (IHMs), Food Craft Institutes (FCIs), and new Centres/branches of Indian Institute of Tourism & Travel Management (IITTM), Indian Culinary Institute (ICI), and National Council for Hotel Management & Catering Technology (NCHMCT). It also covers expansion, addition, alteration of buildings, and replacement/upgradation of equipment for existing institutions like Central IHMs, Centres of IITTM, NCHMCT, and ICI Centres.

Eligibi

Who Can Apply: ? The applicant must be a Society formed by the Central Government, State Government, or Union Territory Administration. ? The applicant must be registered under the Societies Registration Act 1860. ? The applicant may be an autonomous society formed by the Central Government, such as the Indian Institute of Tourism & Travel Management (IITTM), National Council for Hotel Management & Catering Technology (NCHMCT), or Indian Culinary Institute (ICI). ##### ***A. Criteria for Setting up a New State Institute of Hotel Management (SIHM)*** ? The applicant must ensure the Institute of Hotel Management (IHM) Society is registered under the Societies Registration Act 1860 by the Central Government,

State Government, or Union Territory Administration. ? The applicant must propose the Institute of Hotel Management be run only by the State Government Society or Union Territory Administration Society. ? The applicant must ensure the State Government/Union Territory Administration concerned has transferred a piece of developed land, free from all encumbrances, necessary for the purpose. ? The applicant must ensure the transferred land measures not less than five acres. ? The applicant must ensure the State Government/Union Territory Administration concerned has committed to providing basic services/utilities like electricity, water supply, and provision of sewerage. ? The applicant must submit land transfer documents in the name of the IHM Society. ? The applicant, if land transfer to the Society is not possible, must ensure the land is clearly demarcated for the IHM and is at least in the possession of the State Government/Union Territory Administration concerned, in the name of the Tourism Department. ? The applicant must ensure that reasons for difficulties in transferring the land to the Society are recorded in writing and are acceptable to the Central Government. Preference, Priority, Reservation, Relaxation ? The applicant who proposes the setting up of a SIHM in hilly areas or in the six classified large Urban Agglomeration cities (Mumbai, Bengaluru, Hyderabad, Chennai, Kolkata, and Delhi) must ensure the developed land measures not less than two acres. ? The applicant must adhere strictly to the norms of affiliation related to academic and equipment infrastructure, including the covered areas, if utilizing the special dispensation for land size in specific areas. ? The applicant must ensure priority will be given to those states which do not have adequate numbers of institutions in the Tourism and Hospitality Education while deciding the site. ##### ***B. Criteria for Setting up a SIHM in an Existing Building*** ? The applicant must propose setting up a SIHM in an existing building provided by the State Government/Union Territory Administration. ? The applicant must ensure the building is suitable for housing the IHM. ? The applicant must satisfy the other general conditions stipulated for setting up a new IHM (detailed in Section A(I)). ##### ***C. Criteria for Upgradation of Existing Food Craft Institute (FCI) into SIHM*** ? The applicant must submit a proposal for upgradation that is justified and found feasible by the Central Government. ? The State Government must dissolve the existing FCI Society. ? The State Government must form a new Society in the name of SIHM and register the same under the Societies Registration Act 1860. ? The applicant must ensure the grant of Central Financial Assistance is subject to the other conditions stipulated for setting up a new IHM (detailed in Section A(I)). ##### ***D. Criteria for Setting up a New Food Craft Institute (FCI)*** ? The applicant's proposal for setting up a FCI will only be considered after registration of the FCI Society under the Societies Registration Act 1860 by the State Government. ? The applicant must ensure the State Government/Union Territory Administration concerned has transferred a piece of developed land, free from all encumbrances, necessary for the purpose. ? The applicant must ensure the transferred land measures not less than three acres, in the name of the FCI Society. ? The applicant must ensure the State Government/Union Territory Administration concerned has committed to providing basic services/utilities like electricity, water supply, and provision of sewerage. ? The applicant must provide land transfer documents in favor of the FCI Society. Preference, Priority, Reservation, Relaxation ? The applicant who proposes the setting up of a FCI in hilly areas or in the six classified large Urban Agglomeration cities must ensure the developed land measures not less than one acre. ? The applicant must adhere strictly to the norms of affiliation related to academic and equipment infrastructures, including the covered areas, if utilizing this special dispensation. ##### ***E. Criteria for Setting up FCI in an Existing Building*** ? The applicant must ensure the existing building is offered free-of-cost by the State Government/Union Territory Administration concerned. ? The applicant must ensure the building is suitable for housing the FCI. ? The applicant must ensure the proposal is otherwise feasible. ##### ***F. Criteria for Setting up New Centres of Indian Institute of Tourism & Travel Management (IITTM), Indian Culinary Institute (ICI), National Council for Hotel Management & Catering Technology (NCHMCT)*** ? The applicant can be the State Government, the Ministry of Tourism, or the Institute. ? The applicant must ensure the State Government/Union Territory Administration concerned has transferred a piece of developed land, free from all encumbrances, necessary for the purpose. ? The applicant must ensure the transferred land measures not less than five acres. ? The applicant must ensure the State Government/Union Territory Administration concerned has committed to providing basic services/utilities like electricity, water supply, and provision of sewerage. ? The applicant must ensure adequate land is already available in the possession of the Societies of the Central Government Institution. Preference, Priority, Reservation, Relaxation ? The applicant must ensure that if the setting up of a Centre is in hilly areas or in the six classified large Urban Agglomeration cities, the developed land measures not less than two acres. ? The applicant must adhere strictly to the norms of affiliation related to academic and equipment infrastructure, including the covered areas, if utilizing this special dispensation. ##### ***G. Criteria for Applied Training Centre (ATC) attached to Central IHMs*** ? The applicant must be a Central Institute of Hotel Management. ? The applicant must have two acres of surplus land already available with the Institute or must ensure the State Government has provided the additional land required for the purpose. ? The applicant must ensure there are no Hotels within a distance of two kilometers from the proposed site. > ***Post-Selection Conditions*** ? The applicant must ensure Institutes of Hotel Management/Food Craft Institutes follow the academic/admission norms prescribed by the National Council for Hotel Management & Catering Technology. ? The State Government/Union Territory Administration concerned must give an undertaking to follow the academic/admission norms before funds are sanctioned for setting up an IHM. ? The applicant must ensure admissions to Institutes of Hotel Management are based on a joint entrance examination. ? The applicant must ensure that if a State Institute of Hotel Management (SIHM) set up with Central Financial Assistance is under the aegis of a university, the curriculum must match the National Council for Hotel Management & Catering Technology/Indira Gandhi National Open University (IGNOU) syllabus. ? The applicant must ensure that if the SIHM is under a university, the university must be recognised by the University Grants Commission (UGC). ? The applicant must ensure that if the cost of the project exceeds the amount of assistance granted by the Ministry, the remaining expenditure shall be met by the State Government/Union Territory Administration concerned.
Exclusions: None

Schen

details: ##### ***A. Financial Ceilings for Projects*** ? **Setting up a new State Institute of Hotel Management (SIHM):** ? Maximum Central Financial Assistance ceiling is Rs. 12,50,00,000/-. ? Fund Disbursement and Conditions*** ? Funds will be released via the Central Nodal Agency (CNA), which is the National Council for Hotel Management & Catering Technology (NCHMCT). The CNA maintains a bank account in State Bank of India (SBI). The Implementing Agency (sub-agency) opens a zero-balance account in SBI and draws funds to the extent of authorization given by the Ministry on a real-time basis. ? Maximum Central Financial Assistance up to Rs. 10,00,000/- shall be provided immediately upon sanction of the project to meet expenditure for preparatory activities. ? **First Installment:** The first installment of fund, equaling 40% of the sanctioned amount, would be released after adjusting the preparatory fund of Rs. 10,00,000/-, once the tender process is completed. ? Subsequent Installments: The balance amount would be released in different tranches of 40% and 15%. ? **Final Installment:** The final installment of 5% would be released only after the completion of all civil works and submission of required documents like the completion certificate and display of credit to the Ministry. ? **Release:** The first installment of grant will be released only after the land is transferred in the name of the society (as stipulated) and the contract is awarded by the implementing agency. Subsequent installments will be released only after a Utilization Certificate (UC) for at least 75% of the previous installment(s) is furnished. ? **Renewal/Continuation:** Fresh requests for Central Financial Assistance for major maintenance/renovation (where the estimated expenditure is above Rs. 20,00,000/-) will only be entertained after a period of five years from the date of sanctioning of the previous grant for that purpose.

Requi

Documents: None
Application Process: how_to_apply: Offline Step 1: Society Formation, Registration, and Land Commitment The applicant must ensure that the Central Government, State Government, or Union Territory Administration forms a relevant Society (Institute of Hotel Management/Food Craft Institute/State Institute of Hotel Management) and registers it under the Societies Registration Act 1860 before the proposal is considered. Simultaneously, the State Government/Union Territory Administration concerned must transfer a requisite piece of developed land, free from all encumbrances, measuring the minimum required acreage (five acres generally, or less for specific locations/institutes), and must commit to providing basic services such as electricity and water supply. Step 2: Detailed Project Report Submission The State Government or Union Territory Administration must submit a Detailed Project Report covering all aspects of the project (whether setting up new institutes, expansion, or upgradation) to the Ministry of Tourism, ensuring adherence to the norms and formats being developed in consultation with the National Council for Hotel Management & Catering Technology. The proposal must include necessary land transfer documents and, in specific cases, an undertaking regarding adherence to academic norms. Step 3: Approval and Constitution of Monitoring Bodies Upon the Ministry of Tourism's decision to sanction the project, the society formed to run the institution must constitute a Project Construction Committee (PCC) for the ground-level implementation and monitoring of the project, with the committee's composition decided in consultation with the Ministry of Tourism. Furthermore, a proper Agreement must be established with the Executing Agency (such as the Central Public Works Department/Public Works Department or other Central/State Government Agency) detailing terms, cost, timeline, and penalty clauses for delays. **Step 1:****** ***Society Formation, Registration, and Land Commitment*** - The applicant must ensure that the Central Government, State Government, or Union Territory Administration forms a relevant Society (Institute of Hotel Management/Food Craft Institute/State Institute of Hotel Management) and registers it under the Societies Registration Act 1860 before the proposal is considered. - Simultaneously, the State Government/Union Territory Administration concerned must transfer a requisite piece of developed land, free from all encumbrances, measuring the minimum required acreage (five acres generally, or less for specific locations/institutes), and must commit to providing basic services such as electricity and water supply. **Step 2:****** ***Detailed Project Report Submission*** - The State Government or Union Territory Administration must submit a Detailed Project Report covering all aspects of the project (whether setting up new institutes, expansion, or upgradation) to the Ministry of Tourism, ensuring adherence to the norms and formats being developed in consultation with the National Council for Hotel Management & Catering Technology. - The proposal must include necessary land transfer documents and, in specific cases, an undertaking regarding adherence to academic norms. **Step 3:****** ***Approval and Constitution of Monitoring Bodies*** - Upon the Ministry of Tourism's decision to sanction the project, the society formed to run the institution must constitute a Project Construction Committee (PCC) for the ground-level implementation and monitoring of the project, with the committee's composition decided in consultation with the Ministry of Tourism. - Furthermore, a proper Agreement must be established with the Executing Agency (such as the Central Public Works Department/Public Works Department or other Central/State Government Agency) detailing terms, cost, timeline, and penalty clauses for delays.

4644. Youth and Eco Club

4651. Pradhan Mantri Awas Yojana - Urban: Individual House Construction Component - Beneficiary Led Constru

Primary Category: Housing & Shelter | State: Uttarakhand | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Urban Development | Benefits: Financial Assistance, Housing, Food/Nutrition | Beneficiaries: Urban Population

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/ihccblcuk

Description:

The "Individual House Construction Component - Beneficiary Led Construction" scheme is a component of the Pradhan Mantri Awas Yojana (Urban), implemented by the Nagar Nigam Dehradun under the Department of Urban Development, Government of Uttarakhand. The scheme aims to provide financial assistance to eligible urban families for constructing a pucca house on their own land or for improving their existing kutcha or weak houses.

Eligibi

Who Can Apply: The following are the eligibility criteria to avail the benefits of the scheme: 1. The applicant must be a resident of Uttarakhand. 1. The applicant must have been residing in the city from which he/she wishes to receive the benefit on or before 17th June 2015. 1. The applicant, or any member of their family, must not own a house in their name anywhere in India. (Here, a house refers to a habitable unit suitable for all-weather living.) 1. The annual family income must not exceed Rs. 3 lakh. 1. The applicant must not have received any benefit for residential housing under any other Central, State, or externally aided scheme. 1. The applicant must have a legally owned plot of land or an existing kutcha/weak residential structure on which they wish to construct a pucca house.
Exclusions: None

Schem

details: - Under the scheme, a grant of Rs. 2 lakh is provided to approved beneficiaries in installments, based on the progress of housing construction. Of this amount, Rs. 50,000/- is provided by the State Government and Rs. 1,50,000/- by the Government of India. - As per Hon'ble Chief Minister's Announcement No. 458/2022, beneficiaries of the Pradhan Mantri Awas Yojana (Urban) are provided an additional incentive of Rs. 5,000/- for home decoration upon completion of the house.

Requi

Documents: None
Application Process: how_to_apply: Offline To avail the benefits of the scheme, interested persons/families can visit the Municipal Body office according to their housing demand and eligibility, and register their demand for free housing along with the following documents/legal land ownership records: Aadhaar card of all family members as identity proof. Proof of residence in the city before 17th June 2015 (such as electricity bill, water bill, telephone bill, voter ID, Aadhaar card, ration card, passport, or any other authentic document). Bank account in the name of an adult female member of the beneficiary family; in the absence of an adult female member, the account may be in the name of a male member. Certified copy of legal land ownership records (Registry/Khasra/Khatauni/Patta, etc.), which should be verified both physically and documentarily. Valid Income Certificate or self-declared income on a Rs. 10/- stamp paper. Caste certificate, photocopy of BPL card, or disability certificate. Notarized affidavit on a Rs. 10/- stamp paper based on the following eligibility criteria: Has been residing in the municipal area since 17th June 2015 or earlier. Does not own a permanent house in his or her name or in the name of any family member anywhere in India. (Beneficiary family includes husband, wife, and their unmarried sons or daughters.) The annual income of the family does not exceed Rs. 3 lakh. Has not availed any benefit for residential housing under any other Central, State, or externally aided scheme. 8. Selection of beneficiaries is done after examining and verifying the above records and documents. All details are mandatorily recorded on the official website of the Pradhan Mantri Awas Yojana Urban (www.pmaymis.gov.in). A survey code is issued after registering a housing demand on the portal. This code is compiled with a list of eligible beneficiaries and sent to the Government of India through the State Government for approval. After receiving approval from the Government of India, the beneficiary is granted the housing benefit. There is a free application process to avail the scheme's benefits. To avail the benefits of the scheme, interested persons/families can visit the Municipal Body office according to their housing demand and eligibility, and register their demand for free housing along with the following documents/legal land ownership records: 1. Aadhaar card of all family members as identity proof. 1. Proof of residence in the city before 17th June 2015 (such as electricity bill, water bill, telephone bill, voter ID, Aadhaar card, ration card, passport, or any other authentic document). 1. Bank account in the name of an adult female member of the beneficiary family; in the absence of an adult female member, the account may be in the name of a male member. 1. Certified copy of legal land ownership records (Registry/Khasra/Khatauni/Patta, etc.), which should be verified both physically and documentarily. 1. Valid Income Certificate or self-declared income on a Rs. 10/- stamp paper. 1. Caste certificate, photocopy of BPL card, or disability certificate. 1. Notarized affidavit on a Rs. 10/- stamp paper based on the following eligibility criteria: - Has been residing in the municipal area since 17th June 2015 or earlier. - Does not own a permanent house in his or her name or in the name of any family member anywhere in India. (Beneficiary family includes husband, wife, and their unmarried sons or daughters.) - The annual income of the family does not exceed Rs. 3 lakh. - Has not availed any benefit for residential housing under any other Central, State, or externally aided scheme. 8. Selection of beneficiaries is done after examining and verifying the above records and documents. All details are mandatorily recorded on the official website of the Pradhan Mantri Awas Yojana Urban ([www.pmaymis.gov.in](https://pmaymis.gov.in/)). A survey code is issued after registering a housing demand on the portal. This code is compiled with a list of eligible beneficiaries and sent to the Government of India through the State Government for approval. After receiving approval from the Government of India, the beneficiary is granted the housing benefit. There is a free application process to avail the scheme's benefits.

4652. Scheme for Construction of Ideal Fish Pond in Hilly Areas

Primary Category: Animal Husbandry & Fisheries | State: Uttarakhand | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Women & Girls, Farmers & Agriculture | Benefits: Financial Assistance, Loan, Food/Nutrition, Infrastructure Support | Benef

Gender: Any | Age: None | Occupation: Fisherman | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/ifpcsiha

Description:

The "Scheme for Construction of Ideal Fish Pond in Hilly Areas" was introduced by the Department of Fisheries, Government of Uttarakhand. The

scheme aims to encourage individuals and groups to construct fish ponds by providing financial assistance and to promote sustainable fish farming while enhancing livelihood opportunities in the hilly regions of the state.

Eligibi

Who Can Apply: 1. All caste categories, both women and men from the hilly areas of Uttarakhand who are interested in or engaged in fish production, are eligible under this scheme. 1. The beneficiary must have land or leased land and an available water supply source within the state. 1. The applicant must be a permanent resident of Uttarakhand.
Exclusions: None

Schem

details: Under this scheme: - Pond clusters (a minimum of 10 ponds must be built at one location) are created to better utilize water resources in mountainous areas, individuals of all castes are eligible to receive a 50% grant for pond construction and the first year's investment, including fish hatchery and feed. A single individual can construct up to 10 ponds, or a group of individuals may construct them collectively. - Free technical assistance is provided for rearing fish species with high growth rates. - Individual beneficiaries are eligible for a grant for pond construction up to 500 cubic meters, with a maximum grant amount of Rs. 2.5 lakh. - For a society, group, federation, or mangal dal, a maximum grant of Rs. 5 lakh is provided for pond construction up to 1000 cubic meters. - Beneficiaries are required to contribute the remaining 50% of the cost from their own resources or through a bank loan.

Requi

Documents: None
Application Process: how_to_apply: Offline To avail the benefits of this scheme, eligible beneficiaries or groups must submit an application to the office of the Assistant Director of Fisheries or the District Fisheries Incharge at the district level. The application must include an Aadhaar card, land records, permanent residence certificate, bank account details, mobile number, and, in the case of group applications, the relevant registration certificate or land availability certificate. (In the future, the application process will be made available online through the Apuni Sarkar portal .) After submission of the application, a survey is conducted by fisheries inspectors or field personnel, and a proposal is prepared in collaboration with the beneficiary. Once the proposal is finalized, the concerned district officer grants approval. Pond construction work is then carried out under the supervision and technical guidance of field personnel. If a beneficiary does not have the required 50% of funds, they may obtain a loan from the nearest cooperative or commercial bank. In the case of a loan, the bank approves the proposal prepared by the department and releases the funds after completing the necessary formalities. Upon completion of the construction, the subsidy is transferred to the beneficiary's account via DBT based on the completion certificate. In the case of a loan, the subsidy is transferred to the beneficiary through the bank. Technical assistance from the department is available at any time. If required, beneficiaries are also provided with free training. For fish marketing, beneficiaries are free to sell their produce directly in the market or through UttaraFish, a fishery enterprise established by the department. - To avail the benefits of this scheme, eligible beneficiaries or groups must submit an application to the office of the Assistant Director of Fisheries or the District Fisheries Incharge at the district level. 4653. Pradhan Mantri Matsya Sampada Yojana (PMMSY-Inland): Backyard Ornamental Fish Rearing Unit - Gujara

Primary Category: Animal Husbandry & Fisheries | State: Gujarat | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Women & Girls, Farmers & Agriculture | Benefits: Financial Assistance, Subsidy, Employment, Food/Nutrition, Identity Card /

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: SC/ST

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/pmmsybofrguj

Description:

The scheme "Backyard Ornamental Fish Rearing Unit" is a component under the "Pradhan Mantri Matsya Sampada Yojana (PMMSY-Inland)" scheme, implemented by the Agriculture, Farmers Welfare and Co-operation Department, Government of Gujarat. The scheme aims to promote the rearing of ornamental fish and accelerate inland fish farming activities in freshwater bodies, also increasing inland fish production. The scheme also employs people involved in inland fisheries activities. The scheme is implemented by the Commissioner of Fisheries of the State Governments, with 60% contribution from the Government of India and 40% from the Government of Gujarat. > **Objective:** - Assistance is provided for accelerating inland fish farming activities in freshwater bodies, increasing inland fish production and boosting inland fisheries. - Except for water bodies or ponds, in less land, less water, Biofloc with source as well, Recirculating Aquaculture System (RAS). By creating fish tanks with this method, more fish production can be obtained in less land and less water. If more beneficiaries get the benefit of the subsidy of this scheme, more fish production can be achieved with less water sources and less land. - Inland fish production capacity can be increased by the establishment of freshwater hatcheries.

Eligibi

Who Can Apply: 1. The applicant must be an individual, society, self-help group, association, reservoir lease holder, or private entity involved in inland fisheries activities. 1. The applicant must be above 18 years of age. 1. The applicant must have their own bank account. 1. The applicant must have their own private land or a minimum 10-year lease agreement for land to avail construction-related assistance on land. In case of co-owners, the consent form of co-owners must be submitted. 1. The applicant must have a Voter ID/Ration Card/Aadhaar Card/Passport as proof of identity. > **Preference/Priority/Reservation/Relaxation:** - All categories (General, Women, Scheduled Caste, and Scheduled Tribe) will receive benefits under

the Inland Schemes. - Scheduled Caste and Scheduled Tribe beneficiaries are required to have a Scheduled Caste/Scheduled Tribe certificate to avail benefits under the inland components.
Exclusions: None

Schem

details: This scheme provides financial assistance for setting up a Backyard Ornamental Fish Rearing Unit, with a project cost of Rs. 3,00,000/- per unit. - **For the General Category:** the scale of assistance is 40% of the unit cost or 40% of the actual cost, whichever is less. - **For Women, Scheduled Castes (SC), and Scheduled Tribes (ST) categories:** the scale of assistance is 60% of the unit cost or 60% of the actual cost, whichever is less. **Mode of Disbursement:** 60% of the government contribution is from the Government of India, and 40% is from the State Government. **Frequency of Disbursement:** The benefit can be availed once in a lifetime.

Description:

The "National Action for Mechanised Sanitation Ecosystem (NAMASTE)" scheme was launched by the Department of Social Justice and Empowerment, Ministry of Social Justice and Empowerment, Government of India. The component "Emergency Response Sanitation Unit (ERSU) Formation and Functionalisation" aims to establish professional, well-trained, motivated and adequately equipped workforce for maintenance and management of sewers and septic tanks, addressing the critical need to eliminate fatalities resulting from workers entering sewers and septic tanks without proper safety measures. The component provides establishment of Emergency Response Sanitation Units in all Municipal Corporations and district headquarters, equipped with trained manpower, requisite safety equipment and citizen helpline number 14420 for emergency sanitation services.

Eligibi

Who Can Apply: ##### ***For Urban Local Bodies/Administrative Authorities*** - The applicant must be a Municipal Corporation seeking to establish Emergency Response Sanitation Unit. - The applicant must be a Water and Sewer Board located in capital cities of States or Union Territories. - The applicant must be district headquarters administration requiring emergency sanitation response capabilities. - The applicant must designate a Responsible Sanitation Authority as District Magistrate or Municipal Commissioner for their respective jurisdiction. - The applicant must establish and maintain functional helpline number 14420 for citizen emergency sanitation service requests. - The applicant must complete profiling of all Sewer and Septic Tank Workers within their jurisdiction through organised profiling camps. ##### ***Operational Requirements*** - The applicant should demonstrate capability to serve emergency cleaning operations within 75 kilometers radius including smaller clustered towns. - The applicant should ensure availability of trained manpower for Emergency Response Sanitation Unit operations. - The applicant should maintain requisite safety equipment and devices for confined space entry operations. ##### ***Training and Compliance Requirements*** - The applicant must ensure completion of occupational training of all identified Sewer and Septic Tank Workers before seeking reimbursement. - The applicant should designate and train Sewer Entry Professionals for emergency manual cleaning operations. - The applicant must comply with provisions of Prohibition of Employment as Manual Scavengers and their Rehabilitation Act, 2013 and Rules framed thereunder. ##### ***For Sanitation Workers*** - The beneficiary must be a Sewer and Septic Tank Worker engaged in cleaning and maintenance of sewers and septic tanks. - The beneficiary should be employed by Urban Local Bodies, parastatal agencies, or Private Sanitation Service Organisations. - The beneficiary must be above 18 years of age for availing training and safety equipment benefits. - The beneficiary should participate in profiling camps organised by Urban Local Bodies for database creation. ##### ***Post-Selection Conditions*** - The applicant must maintain continuous operation of helpline number 14420 with adequate response mechanism. - The applicant must ensure only trained and certified Sewer Entry Professionals undertake manual cleaning in exceptional cases with proper authorization from Responsible Sanitation Authority. - The applicant must submit utilisation reports and maintain records of Emergency Response Sanitation Unit operations for monitoring purposes. - The applicant should provide institutional framework for Emergency Response Sanitation Unit with trained manpower availability. - The applicant must ensure compliance with Manual Scavenging Act 2013 provisions during all operations.

Exclusions: None

details: ##### ***Institutional Setup Benefits*** - Establishment of Emergency Response Sanitation Unit in all Municipal Corporations, Water and Sewer Boards in capital cities, and district headquarters. - Coverage area of 75 kilometers radius from each Emergency Response Sanitation Unit to serve smaller towns within the cluster. ##### ***Equipment and Safety Provisions*** - Provision of safety devices including Air compressor for blower, Air purified gas mask, breath mask, breathing apparatus, emergency medical oxygen kit, gas motor, full body wader suit, fishing wader suit attached with boots, head lamp, helmet, safety belt, safety body clothing, safety body harness, safety goggles, Tripod with safety belt. - Financial assistance up to Rs. 2,00,000/- per Emergency Response Sanitation Unit for safety devices on reimbursement basis. - Personal Protective Equipment provision for deep cleaning sanitation workers undertaking manual cleaning in emergency conditions. ##### ***Operational Support*** - Establishment of citizen helpline number 14420 for emergency sanitation service requests. - Trained manpower deployment with requisite safety equipment availability. - Professional workforce equipped with Personal Protective Equipment and safety devices for confined space entry. ##### ***Training and Capacity Building*** - Specific training provision for Sewer Entry Professionals and Emergency Response Sanitation Unit staff for cleaning of sewers and septic tanks in emergency conditions. - Competency-based training approach matching global standards for all Emergency Response Sanitation Unit staff. - Simulation and video-based training with practical assessments and certification. > ***Conditions*** - _Safety device reimbursement of Rs. 2,00,000/- disbursed only after completion of appointment of Responsible Sanitation Authority._ - _Financial assistance released only after establishment of functional helpline number 14420._ - _Reimbursement processed only after completion of profiling of all Sewer and Septic Tank Workers in the jurisdiction._ - _Safety equipment funding disbursed only after completion of occupational training of identified sanitation workers._ - _Funds released through Public Financial Management System mechanism only._ - _Utilisation Certificate submission mandatory for receiving reimbursement._ - _Compliance with Government e-Marketplace procurement procedures required for equipment purchase._

Documents: None
Application Process: how_to_apply: Online Step 1: Portal Registration Access the official NAMASTE portal and create institutional account with complete organizational details. Upload required documents including incorporation certificate, audit reports, and organizational chart. Verify bank account details, contact information, and current sanitation infrastructure status. Step 2: Digital Authentication Create secure login credentials with strong password and multi-factor authentication setup. Submit digital signatures and official seals for institutional verification. Complete document review process within 3-5 working days for approval. Step 3: RSA Designation Designate District Magistrate or Municipal Commissioner as Responsible Sanitation Authority (RSA). Define roles including emergency response coordination and compliance monitoring under Manual Scavengers Act 2013. Obtain official approval through competent authority with proper legal notification. Step 4: Documentation Upload Upload signed designation order on official letterhead with file number and appointment date. Include official seal/stamp and ensure document meets technical specifications (PDF format, minimum 300 DPI). Submit supporting documents and organizational chart showing RSA position. Step 5: Verification and Activation Receive system-generated acknowledgment with reference number for tracking. Monitor portal for status updates and respond to any clarification requests promptly. Begin SSW profiling and ERSU establishment preparations upon successful verification. **Step 1:****** ***Portal Registration*** - Access the official [NAMASTE portal](https://namastescheme.com/) and create institutional account with complete organizational details.- Upload required documents including incorporation certificate, audit reports, and organizational chart. - Verify bank account details, contact information, and current sanitation infrastructure status. **Step 2:****** ***Digital Authentication*** - Create secure login credentials with strong password and multi-factor authentication setup. - Submit digital signatures and official seals for institutional verification. - Complete document review process within 3-5 working days for approval. **Step 3:****** ***RSA Designation*** - Designate District Magistrate or Municipal Commissioner as Responsible Sanitation Authority (RSA). - Define roles including emergency response coordination and compliance monitoring under Manual Scavengers Act 2013. - Obtain official approval through competent authority with proper legal notification. **Step 4:****** ***Documentation Upload*** - Upload signed designation order on official letterhead with file number and appointment date. - Include official seal/stamp and ensure document meets technical specifications (PDF format, minimum 300 DPI). - Submit supporting documents and organizational chart showing RSA position. **Step 5:****** ***Verification and Activation*** - Receive system-generated acknowledgment with reference number for tracking. - Monitor portal for status updates and respond to any clarification requests promptly. - Begin SSW profiling and ERSU establishment preparations upon successful verification.

4662. Startup India Seed Fund Scheme- For Incubators

Primary Category: Business & Entrepreneurship | State: All | Govt: Central Government | Ministry: Ministry Of Commerce And Industry

Secondary: Financial Assistance, Farmers & Agriculture, Loans & Credit | Benefits: Financial Assistance, Loan, Food/Nutrition, Infrastructure Support | Benefi

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/sisfs-fi

Description:

The scheme "Startup India Seed Fund Scheme (SISFS)" was launched by the Department for Promotion of Industry and Internal Trade (DPIIT) on 19th April 2021 with an outlay of INR 945 Crore to provide financial assistance to startups for Proof of Concept, prototype development, product trials, market-entry, and commercialization. Eligible startups can apply for the scheme on the Startup India portal. The Seed Fund will be disbursed to selected startups through eligible incubators across India. > **Objective Of The Scheme:** Startup India Seed Fund Scheme (SISFS) aims to provide financial assistance to startups for proof of concept, prototype development, product trials, market-entry, and commercialization. This would enable these startups to graduate to a level where they will be able to raise investments from angel investors or venture capitalists or seek loans from commercial banks or financial institutions. > **Features:** ? Year-round 'Call for Applications' for Incubators and Startups ? Sector-agnostic ? No mandatory physical incubation ? PAN-India startup programme ? Startups can apply to 3 incubators simultaneously

Who Can Apply: The eligibility criteria for an incubator to apply in the Startup India Seed Fund scheme are as follows: 1. Incubator must be a legal entity: a) A society registered under the Societies Registration Act 1860, or b) A Trust registered under the Indian Trusts Act 1882, or c) A Private Limited company registered under the Companies Act 1956 or the Companies Act 2013, or d) A statutory body created through an Act of the legislature. 2. The incubator should be operational for at least two years from the date of application to the scheme. 3. The incubator must have

facilities to seat at least 25 individuals. 4. The incubator must have at least 5 startups undergoing incubation physically on the date of application. 5. The incubator must have a full-time Chief Executive Officer, experienced in business development and entrepreneurship, supported by a capable team responsible for mentoring startups in testing and validating ideas, as well as in finance, legal, and human resources functions. 6. Incubator should not be disbursing seed funds to incubatees using funding from any third-party private entity. 7. The incubator must have been assisted by the Central/State Government(s). 8. In case the incubator has not been assisted by Central or State Government(s): a) The incubator must be operational for at least three years. b) Must have at least 10 separate startups undergoing incubation in the incubator physically on the date of application. c) Must present audited annual reports for the last 2 years. **Note:** Any additional criteria as may be decided by the Experts Advisory Committee (EAC). Exclusions: None

Schem

details: 1. A Grant of up to Rs. 5 (five) crore would be provided to a selected incubator in milestone-based three (or) more installments. 1. A component of Management Fee @ 5% of the Seed Fund grant to the incubator will be provisioned (i.e. if an incubator is granted Rs. 1 crore of Seed Fund, then by including management fee @ 5%, the total assistance would be Rs. 1.050 crore). **Note 01:** The exact quantum of grant and installments for each incubator will be decided by the Experts Advisory Committee (EAC) based on its evaluation. **Note 02:** Incubators shall use the grant only for disbursal to eligible startups and shall not use the grant for facility creation or any other expenses. **Note 03:** The Management Fee provisioned for incubators shall not be used by the incubator for facility creation or any other administrative expenses. The Management Fee will be utilized for administrative expenditure, selection and due diligence of startups, and monitoring of the progress of beneficiary startups. **Note 04:** Installments shall be released to incubators upon submission of proofs of achievement of milestones as decided by EAC. A Proportionate Management fee shall also be released with each installment. **Note 05:** The quantum of the first installment may be up to 40% of the total approved commitment. When the cash-in-hand of the incubator goes below 10% of the total commitment by EAC, the Incubator may request for the next installment, which shall be released to the incubator within 30 days of submission of proof of achievement of milestones. **Note 06:** The grant should be utilized fully by the incubator within a period of three years from the date of receipt of the first installment of funds. **Note 07:** If the Incubator has not utilized at least 50% of the total commitment within the first 2 years, then the Incubator will not be eligible for any further drawdowns. It will return all unutilized funds along with interest. **Note 08:** Interest earned on all unutilized funds available with incubators shall be taken into account and adjusted at the time of the next release. **Note 09:** The financing of beneficiaries will be done with efficiency and care. Selected incubators would be responsible for proper management and disbursement of the Seed Fund. **Note 10:** The selected incubator shall maintain a transparent process of selection, monitoring, and disbursement mechanism for the fund. Seed Fund would be disbursed to selected startups after due diligence by the incubator. **Note 11:** The incubators shall be responsible for providing physical infrastructure to the selected startups for regular functioning, support for testing and validating ideas, mentoring for prototype or product development or commercialization, and developing capacities in finance, human resources, legal compliances, and other functions. They are also expected to provide networking with investors and opportunities for showcasing at various national and international events. If the selected startup does not want to utilize the physical infrastructure of the incubator, the incubator shall offer all other resources and services to the startup. **Note 12:** A startup selected by an incubator for assistance under this scheme shall not be charged any fees.

Requi

Documents: None
Application Process: how_to_apply: Online Application Procedure: Step 01: The Call for Applications for incubators will be open online throughout the year. Step 02: Online Applications will be invited from incubators across India to participate in the scheme on https://www.startupindia.gov.in or any other platform specifically designated for the purpose. (https://seedfund.startupindia.gov.in /) Step 03: Applicants need to register on the Startup India portal , if not registered, using their details. Step 04: After successful registration, the applicant can login and apply under the scheme by selecting 'Incubator'. Note 01: The application submission is completely online, and no physical submission of documents is required. Note 02: There are no application fees for the scheme. Even after the selection of a startup by an incubator for assistance under this scheme, the startup shall not be charged any fees. The incubator or any of its staff members shall not charge any fee in cash or in kind from applicants or beneficiaries under the scheme for any process of selection, disbursement, incubation, or monitoring. Note 03: An incubator can reapply for funds under the Scheme when it has disbursed or committed its entire previously released grant. Selection of Incubators: Incubators shall be selected on the basis of the following parameters: 1. Fulfillment of eligibility criteria 2. Quality of the team of Incubator 3. Available infrastructure, testing labs, etc. 4. Composition of Incubator Seed Management Committee (ISMC) 5. Incubation support provided by incubator in the last three years: No. of startups incubated No. of startups graduated, i.e. progressed from one stage of the business development cycle to the next No. of startups that raised follow-on investments No. of startups that crossed revenue of Rs 1 Cr in the last 1 year 2-year survival rate of startups from the date of joining incubator 6. Funding support extended to incubatees in the last three years: Investment agreements signed between incubators and startups No. of startups invested in Total corpus allocated to incubatees Total investments raised by incubatees from external sources 7. Mentoring provided to incubatees in the last three years: No. of mentors hired Average mentoring hours allocated per startup per month No. of IP (patents, copyrights, designs, and trademarks) registered by incubatees 8. Other support extended to incubatees in the last three years: Industry/Corporate connects Events held for stakeholder engagements Participation in other events 9. Number of startups that the incubator intends to support 10. Quantum of funds applied for, along with fund deployment plan with timelines 11. Any other relevant parameters that decided by the Experts Advisory Committee (EAC). > **Application Procedure:** **Step 01:** The Call for Applications for incubators will be open online throughout the year. **Step 02:** Online [Applications](https://www.startupindia.gov.in/content/sih/en/incubator-form.html) will be invited from incubators across India to participate in the scheme on https://www.startupindia.gov.in or any other platform specifically designated for the purpose. (https://seedfund.startupindia.gov.in/) **Step 03:** Applicants need to register on the [Startup India portal](https://www.startupindia.gov.in/), if not registered, using their details. **Step 04:** After successful registration, the applicant can login and apply under the scheme by selecting 'Incubator'. **Note 01:** The application submission is completely online, and no physical submission of documents is required. **Note 02:** There are no application fees for the scheme. Even after the selection of a startup by an incubator for assistance under this scheme, the startup shall not be charged any fees. The incubator or any of its staff members shall not charge any fee in cash or in kind from applicants or beneficiaries under the scheme for any process of selection, disbursement, incubation, or monitoring. **Note 03:** An incubator can reapply for funds under the Scheme when it has disbursed or committed its entire previously released grant. > **Selection of Incubators:** Incubators shall be selected on the basis of the following parameters: 1. Fulfillment of eligibility criteria 2. Quality of the team of Incubator 3. Available infrastructure,

testing labs, etc. 4. Composition of Incubator Seed Management Committee (ISMC) 5. Incubation support provided by incubator in the last three years: - No. of startups incubated - No. of startups graduated, i.e. progressed from one stage of the business development cycle to the next - No. of startups that raised follow-on investments - No. of startups that crossed revenue of Rs 1 Cr in the last 1 year - 2-year survival rate of startups from the date of joining incubator 6. Funding support extended to incubatees in the last three years: - Investment agreements signed between incubators and startups - No. of startups invested in - Total corpus allocated to incubatees - Total investments raised by incubatees from external sources 7. Number of startups that the incubator intends to support 10. Quantum of funds applied for, along with fund deployment plan with timelines 11. Any other relevant parameters that decided by the Experts Advisory Committee (EAC).

4663. Scheme for Reimbursement of Testing and Certification Charges for Start-ups and Telecom MSEs

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry of Electronics and Information Technology

Secondary: Loans & Credit, Business & Entrepreneurship | Benefits: Financial Assistance, Loan, Equipment, Food/Nutrition, Identity Card / Certificate | Benef

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Enterprise / Business | Source: https://www.myscheme.gov.in/schemes/srtccst

Description:

The scheme "Scheme for Reimbursement of Testing and Certification Charges for Start-ups and Telecom MSEs" has been launched by the Ministry of Electronics and Information Technology in coordination with the Department of Telecommunications (DoT), Government of India. It aims Testing and certification of telecom equipment are key enablers for Start-ups and Telecom MSEs, to ensure acceptance at both national and international deployment. Certificated products/solutions build consumer confidence and drive business growth, fostering adoption in domestic and global markets. To support start-ups and Micro & Small Enterprises (MSE's), the competent authority has decided to reimburse testing and certification charges for Start-ups and MSEs in respect of testing and certification in the field of telecom under the mandatory/voluntary testing certification scheme. Through this Scheme Department of Telecommunication (DoT) will reimburse a part of testing charges incurred by Start-ups & MSE's at Telecommunication Engineering Centre (TEC) designated/ recognized labs or at NABL accredited Lab(s) [in case there is no TEC designated Conformity Assessment Body (CAB) for a particular test facility] and certification charges under mandatory/voluntary testing certification scheme. > **Objectives:** - To reimburse a part of the testing and certification charges for Start-ups and MSEs in the field of telecom/ICT incurred by them at Telecommunication Engineering Centre (TEC)/ National Centre for Communication Security (NCCS) designated/ recognized labs or at NABL accredited Lab(s) [in case there is no TEC designated CAB for a particular test facility] under mandatory/voluntary testing certification scheme. - To increase the competence of Start-ups/ MSE's and create a conducive ecosystem in Telecom product development, thereby promoting their competitiveness in the domestic and export markets. > **Duration of the Scheme:** - In order to catalyse the ecosystem, this scheme will be operational for a period of two years from the date of implementation or until the allocated funds of Rs. 25,00,00,000/- are fully utilised, whichever occurs earlier.

Eligibi

Who Can Apply: 1. The applicant should be a Start-up registered with the Department for Promotion of Industry and Internal Trade (DPIIT), Government of India. 1. The applicant should be a Micro or Small Enterprise registered under the Ministry of Micro, Small and Medium Enterprises (MSME). 1. The applicant should be incorporated within Indian territory. 1. The applicant's annual revenue should not exceed Rs. 5,00,00,000/- in any financial year since incorporation. 1. The applicant (Start-up) should not have raised funds exceeding Rs. 10,00,00,000/-.
Exclusions: - The applicant will not be eligible for reimbursement of testing related to product research and development (R&D). - The applicant should not have received reimbursement for the same testing/certification from any other government scheme.

Schem

details: > **Financial Assistance:** 1. The reimbursement of testing and certification charges will be provided as follows: - Start-Ups: Up to 75% of testing and certification charges - Micro Enterprises: Up to 60% of testing and certification charges - Small Enterprises: Up to 50% of testing and certification charges 1. The reimbursement is applicable for testing conducted at: - Telecommunication Engineering Centre (TEC) / National Centre for Communication Security (NCCS) designated or recognised labs; or - NABL-accredited labs (in case the TEC-designated Conformity Assessment Body is not available). 1. The maximum reimbursement is capped at Rs. 50,00,000/- per applicant during the scheme duration. > **Conditions:** - The product certificate (MTCTE/Voluntary Certification) must be issued after the scheme implementation guidelines or the notified date. - The reimbursement claim must be submitted within 3 months from the date of issue of the product certificate by TEC. - Reimbursement is applicable only for testing and certification related to Mandatory Testing and Certification of Telecommunication Equipment (MTCTE) or voluntary certification. - Reimbursement will not be provided for control tests related to product research and development (R&D).

Requi

Documents: None
Application Process: how_to_apply: Online Step 1: Application for the reimbursement of testing and certification charges can be submitted through the online portal https://tec.gov.in/tcrs. Step 2: Applicants should submit their applications in online mode along with the following essential documents: Certificate of Incorporation Annual Audited Financial Statements (since incorporation) DPIIT Registration or Udyam Registration Certificate, as the case may be Lab's TEC/NCCS Designation Certificate or NABL Accreditation Certificate, as the case may be Test reports and Product certificate (MTCTE/Voluntary Certification) Invoice/Receipt issued by TEC/NCCS designated Lab(s) or NABL Accredited Lab Payment Receipt of certification fees paid to TEC/CB An Undertaking that Start-up/ MSEs annual revenue should not have crossed INR 5 crores in any financial year (since incorporation), and the Start-up should not have raised funds more than INR 10 crores. Bank account details along with a copy of a cancelled cheque. Self-declaration confirming that the applicant has not received any reimbursement under any other government scheme for the product testing & certification charges applied under this scheme. Copy of PAN card Any other required documents Step 3: Application for the reimbursement of testing and certification charges can be submitted through a defined process/format, as mentioned in Annexure-I . Notes: Submit the application online before the prescribed quarterly deadline. The application is screened by Telecom Centres of Excellence (TCOE) for completeness. Eligible applications are forwarded to the Technical Evaluation Committee for evaluation and due diligence. Recommendations are sent to the Administrative Committee for

approval. Final approval is granted by the competent authority. Funds are released by Digital Bharat Nidhi (DBN) to TCOE. TCOE disburses reimbursement to the applicant within 7 days. **Step 1:** Application for the reimbursement of testing and certification charges can be submitted through the online portal [https://tec.gov.in/tcrs.](https://tec.gov.in/tcrs) **Step 2:** Applicants should submit their applications in online mode along with the following essential documents: - Certificate of Incorporation - Annual Audited Financial Statements (since incorporation) - DPIIT Registration or Udyam Registration Certificate, as the case may be - Lab's TEC/NCCS Designation Certificate or NABL Accreditation Certificate, as the case may be - Test reports and Product certificate (MTCTE/Voluntary Certification) - Invoice/Receipt issued by TEC/NCCS designated Lab(s) or NABL Accredited Lab - Payment Receipt of certification fees paid to TEC/CB - An Undertaking that Start-up/ MSEs annual revenue should not have crossed INR 5 crores in any financial year (since incorporation), and the Start-up should not have raised funds more than INR 10 crores. - Bank account details along with a copy of a cancelled cheque. - Self-declaration confirming that the applicant has not received any reimbursement under any other government scheme for the product testing & certification charges applied under this scheme. - Copy of PAN card - Any other required documents **Step 3:** Application for the reimbursement of testing and certification charges can be submitted through a defined process/format, as mentioned in [Annexure-I](https://www.meity.gov.in/static/uploads/2025/06/837f9d009185a3e2061fb12ba8ef4d17.pdf). > **Notes:** - Submit the application online before the prescribed quarterly deadline. - The application is screened by Telecom Centres of Excellence (TCOE) for completeness. - Eligible applications are forwarded to the Technical Evaluation Committee for evaluation and due diligence. - Recommendations are sent to the Administrative Committee for approval. - Final approval is granted by the competent authority. - Funds are released by Digital Bharat Nidhi (DBN) to TCOE. - TCOE disburses reimbursement to the applicant within 7 days.

4664. Production Linked Incentive Scheme (PLI) for IT Hardware

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry of Electronics and Information Tech

Secondary: Employment & Jobs, Skill Development & Training, Business & Entrepreneurship | Benefits: Employment, Equipment | Beneficiaries: Entrepreneu

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/pliit

Description:

The scheme "Production Linked Incentive Scheme (PLI) for IT Hardware" has been launched by the Ministry of Electronics and Information Technology (MeitY), Government of India. It aims to boost domestic manufacturing and attract large investments in the IT hardware sector. Through this scheme, financial incentives are provided to eligible companies for increasing the production of IT hardware such as laptops, tablets, all-in-one PCs, and servers, thereby promoting domestic value addition. The scheme is implemented by the Project Management Agency (PMA) under MeitY. It focuses on enhancing India's manufacturing capabilities, generating employment, and reducing import dependency. The scheme also aims to integrate Indian manufacturers with global supply chains and improve competitiveness. It provides incentives based on incremental sales over a base year. The scheme encourages both global and domestic companies to establish or expand manufacturing units in India.

Eligibi

Who Can Apply: 1. The applicant should be a company registered in India and engaged in manufacturing eligible IT hardware products. 1. The applicant should meet the minimum investment thresholds specified under the scheme. 1. The applicant should meet the incremental production or sales targets under the scheme. 1. The applicant should comply with all conditions prescribed in the scheme guidelines. 1. The applicant should be classified under the Global Companies or Domestic Companies category. 1. The applicant should meet category-specific investment and production thresholds.
Exclusions: None

Schem

details: 1. The scheme provides a production-linked incentive to eligible companies. 1. An incentive is provided on net incremental sales (over the base year) of goods manufactured in India. 1. The incentive rate is: - 4% to 2% / 1% on incremental sales. 1. The incentive is applicable for a period of 4 years. 1. The incentive is applicable only for goods covered under the target segment, which includes: - Laptops - Tablets - All-in-One PCs - Servers > **Conditions Associated with Benefits:** - The applicant must manufacture eligible goods in India. - The applicant must meet the eligibility criteria laid down under the scheme. - Incentives are applicable only on net incremental sales over the base year. - Only products falling under the defined target segment are eligible. > **Validity:****** Incentive is provided for a period of 4 years.

Documents: None
Application Process: how_to_apply: Online Step 1: Visit the official portal of the Production Linked Incentive (PLI) Scheme for IT Hardware . Step 2: Register on the portal using the company details. Step 3: Access the application form available on the portal. Step 4: Fill in all required details, including investment, production plans, and financial information. Step 5: Upload all required documents as specified. Step 6: Submit the application online within the prescribed timeline. Step 7: The application will be evaluated by the Project Management Agency (PMA). Step 8: Provide clarifications or additional documents, if requested during evaluation. Step 9: Upon approval, receive the approval letter from the concerned authority. Step 10: Commence production and submit claims for incentives on an annual basis. Step 11: Claims will be verified by the Project Management Agency (PMA) and approved for disbursement. **Step 1:** Visit the official portal of the [Production Linked Incentive (PLI) Scheme for IT Hardware](https://pliithw.com/). **Step 2:** Register on the portal using the company details. **Step 3:** Access the application form available on the portal. **Step 4:** Fill in all required details, including investment, production plans, and financial information. **Step 5:** Upload all required documents as specified. **Step 6:** Submit the application online within the prescribed timeline. **Step 7:** The application will be evaluated by the Project Management Agency (PMA). **Step 8:** Provide clarifications or additional documents, if requested during evaluation. **Step 9:** Upon approval, receive the approval letter from the concerned authority. **Step 10:** Commence production and submit claims for incentives on an annual basis. **Step 11:** Claims will be verified by the Project Management Agency (PMA) and approved for disbursement.

4665. Livestock Health and Diseases Control

Primary Category: Animal Husbandry & Fisheries | State: All | Govt: Central Government | Ministry: Ministry of Fisheries,Animal Husbandry and D

Secondary: Farmers & Agriculture, Employment & Jobs, Skill Development & Training | Benefits: Training, Employment, Food/Nutrition, Infrastructure Support

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/lhadc

Description:

Objectives To implement Critical Animal disease control programme to eradicate PPR by 2030 by vaccinating all sheep and goats and to control Classical Swine Fever (CSF) by vaccinating the entire pig population To provide veterinary services at the farmers' doorstep through Mobile Veterinary Units (MVUs) To assist States/UTs for Control of Animal Disease (ASCAD) by prevention & control of important livestock and poultry diseases prevalent in different States / UTs as per the State /UT's priorities.
 The LH&DC scheme covers a following activities: - Prophylactic vaccination programmes against various livestock and poultry diseases. - Disease surveillance and early detection. - Control and eradication of livestock diseases. - Capacity building of veterinary personnel. - Strengthening of veterinary infrastructure.
 Critical Animal Disease Control Programme 1. Peste des Petits Ruminants Eradication Programme (PPR-EP). 1. Classical Swine Fever Control Programme (CSF-CP).
 Scheme Implementation Strategy 1. State / UT to identify and designate suitable agency as SIA / LDB (preferably same as in NADCP). 1. State / UT / SIA shall develop further guidelines for implementation of the Scheme delineating roles and responsibilities of all functionaries at different levels.

Eligibi

Who Can Apply: 1. Beneficiary must be a bona fide farmer or livestock owner. 1. Beneficiary must have a valid livestock ownership document. 1. Beneficiary's livestock must be used for commercial purposes.
Exclusions: None

Schem

details: 1. **Improved animal health and productivity**: To protect livestock from diseases, which leads to improved animal health and productivity.1. **Reduced economic losses:** To reduce economic losses to farmers due to livestock diseases.1. **Improved food security:** To improve food security by ensuring a steady supply of livestock products.1. **Increased employment opportunities:** To increased employment opportunities in the livestock sector.1. **Improved rural livelihood:** To improve the livelihoods of rural people who depend on livestock for their income.

Fill out the application form with required details. Submit it to the concerned authority. Attach the required documents. 1. Contact local veterinary office or the Department of Animal Husbandry and Dairying in state. 1. Get the application form. 1. Fill out the application form with required details. 1. Submit it to the concerned authority. 1. Attach the required documents.

4666. Amended Technology Upgradation Fund

Primary Category: Business & Entrepreneurship | State: All | Govt: Central Government | Ministry: Ministry Of Textiles

Secondary: Financial Assistance, Women & Girls, Employment & Jobs | Benefits: Subsidy, Loan, Insurance, Employment, Equipment, Food/Nutrition | Benefi

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Enterprise / Business | Source: https://www.myscheme.gov.in/schemes/atuf

Description:

The Ministry of Textiles introduced the Amended Technology Upgradation Fund Scheme (ATUFS). This scheme aims to facilitate investment, employment, productivity, quality, and import and export substitution in the textile industry. It also indirectly promotes investments in the manufacturing of machinery for textiles. It is a credit-linked subsidy scheme for capital investment in textile manufacturing under the Government of India's Make in India and Zero Defect and Zero Effect initiatives. > **Objectives** - Export and employment generation, especially to women, by encouraging the garment and apparel industry and increasing India's share in global exports. - Promotion of technical textiles for export and employment. - Promotion of converting existing looms to better technology looms to improve quality and productivity. - Encourage better quality in the processing industry and check the need for the import of fabrics by the garment sector.

4670. Financial Assistance For Promotion Of Guru-Shishya Parampara (Repertory Grant)

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry Of Culture

Secondary: Scholarship & Education, Children & Family Welfare | Benefits: Financial Assistance, Identity Card / Certificate | Beneficiaries: Students, Children

Gender: Any | Age: 0-18 Years | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/fapgsprg

Description:
The Ministry of Culture, Government of India, launched the scheme "Financial Assistance for Promotion of Guru-Shishya Parampara (Repertory Grant)." Under this scheme, financial assistance will be provided to dramatic groups, theatre groups, music ensembles, children's theatre, and all genres of performing arts activities.
 The Ministry of Culture will evaluate the grantees through periodical inspections, field visits, etc., as may be necessary for the scheme on a periodical basis. As regards the fresh cases of this scheme, the approved grant in each case shall be released only after physical verification of the Organisations as decided by the Ministry. Further, a minimum of 5-10% of new recommended proposals/cases would be physically inspected/verified by the Officers concerned in the Ministry of Culture.

Eligibi

Who Can Apply: 1. The arts activities performing organizations having dramatic groups, theatre groups, music ensembles, and children's theatre are eligible to apply under the scheme. 1. The group ensembles to be assisted with the scheme will be expected to have a repertoire of adequate number and quality and should have given performances on an all-India basis. 1. Organizations will be eligible to obtain only one grant in a financial year. **Note 01:** The Financial Assistance for Promotion of Guru-Shishya Parampara (Repertory Grant) will be reviewed annually by the Expert Committee set up for the purpose. **Note 02:** Physical verification would be compulsory for the continuation of Financial Assistance for Promotion of Guru-Shishya Parampara (Repertory Grant) after every 4th (fourth) year. **Note 03:** Those grantees that are getting financial assistance under the scheme, would be recommended for renewal of the scheme only when they stage at least two productions during the financial year. Out of these two, at least one production must be a new production i.e. which has not been staged earlier. **Note 04:** Financial assistance under the scheme will be disbursed in one installment on fulfillment of the following conditions at the time of proposal for renewal of grant: - The Organisations granted financial assistance would mandatorily organize at least two cultural activities (function, lecture, seminar, workshop, exhibition, etc.) in any of the schools in their vicinity. A certificate to this effect from the Principal of the school would be a mandatory requirement for the renewal and release of the grant. - Organizations getting financial assistance under the scheme are required to upload videos of their Production/Function/Seminar etc. on YouTube and provide a link to the YouTube/Facebook/Twitter page of the Ministry of Culture and this will be a pre-requisite condition for renewal of the scheme and comments received from the general public on their uploaded videos/material will also be taken into account for renewal of the scheme.
Exclusions: None

Schem

4671. Coffee Development Programme in North Eastern Region: Support for Group Nurseries

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry Of Commerce And Industry

Secondary: Farmers & Agriculture, Business & Entrepreneurship, Rural Development | Benefits: Financial Assistance, Subsidy | Beneficiaries: Farmers, Rura

Gender: Any | Age: None | Occupation: Farmer | Education: None | Category: All

Income Limit: None | Area: Both | Type: Group / SHG | Source: https://www.myscheme.gov.in/schemes/cdpnersgn

Description:

The scheme "Coffee Development Programme in North Eastern Region: Support for Group Nurseries" is a Sub-Component of the Scheme "Integrated Coffee Development Project During the Medium Term Framework (MTF) Period: Development Support to Stakeholders" by the Coffee Board, Department of Commerce, Ministry of Commerce and Industry. This scheme aims to provide growers with high-quality coffee seedlings to ensure the proper establishment of plantations.

Eligibi

Who Can Apply: 1. The applicant should be Self-Help Groups (SHGs) or collectives of tribal growers. 1. The applicant should have procured the seed material for the coffee nursery exclusively from the Coffee Board.
Exclusions: None

Schem

details: Each coffee seedling is eligible for a support of Rs. 5.

Requi

Documents: None
Application Process: how_to_apply: Offline Step 1: Initiation by the Extension Officer The Extension Officers of the Coffee Board will motivate a group of tribal growers in each of the localities/villages to raise a coffee nursery on a community basis. This caters to the requirement of seedlings for annual expansion and consolidation programs. Step 2: Location and Seedling Selection The groups themselves decide on the nursery's location and the number of seedlings to be raised. This decision is made in consultation with the Extension Officer of the Coffee Board, considering factors like water availability and other essential resources required for a healthy nursery. Step 3: Group Responsibilities The group takes the responsibility of motivating their members to participate in raising the nursery and distributing the seedlings among the members. Step 4: Cost Estimation and Control The concerned Extension Officer estimates the cost involved in raising the group nurseries. It is ensured that the cost of raising each healthy coffee seedling does not exceed Rs. 5, inclusive of input and labor costs. Step 5: Proposal Submission and Consolidation The Extension Officer submits a proposal containing details of the number of seedlings to be raised and the associated expenditure to the Deputy Director (E). The Deputy Director consolidates the requirements for his region and submits them to the Joint Director (E) in Guwahati, along with recommendations. Step 6: Regional Consolidation and Recommendations The Joint Director (E) consolidates the overall requirements for the North Eastern Region (NER) and submits the proposal, along with recommendations, to the Director of Research. Step 7: Scrutiny and Sanction The Director of Research scrutinizes the proposal and submits it to the Head Office in Bengaluru, along with recommendations for sanction. Step 8: Phased Funding Release After sanction, the concerned Joint Director (Extn.) or Deputy Director (E) releases the approved amount in a phased manner at different stages of raising the nurseries. **Step 1: Initiation by the Extension Officer** The Extension Officers of the Coffee Board will motivate a group of tribal growers in each of the localities/villages to raise a coffee nursery on a community basis. This caters to the requirement of seedlings for annual expansion and consolidation programs. **Step 2: Location and Seedling Selection** The groups themselves decide on the nursery's location and the number of seedlings to be raised. Description:

Access to Knowledge for Technology Development and Dissemination (A2K+) is a scheme targeted towards developing mechanisms to disseminate science, technology and innovation related information to industries, research and academic institutions, In-house R&D units of industry, Scientific & Industrial Research Organizations (SIROs), consultants, industry associations, techno-entrepreneurs, government departments and others.
 > **Supported Programmes** 1. Supporting industrial technology related studies (A2K+ Studies) 1. Supporting the organization of national and international conferences, exhibitions etc. (A2K+ Events) 1. Support for Technology Development and Utilization Programme for Women (TDUPW) 1. Technology Development and Demonstration Programme (TDDP)
 > **Objectives** The objective of the A2K+ Studies program is to support studies in emerging areas of technology aimed at providing useful information and knowledge base to industry, industry associations,

academia, research institutions, consultants, entrepreneurs, research students and policy makers for doing any further work in these areas; to study and analyze the developments in the emerging technology areas and document the findings, leanings and outcomes for wider dissemination; and preparation of status reports on technologies from public funded institutions, that are ready for commercialization with a view to catalyze the translation of research output from institutions to market.

Eligibi

Who Can Apply: > **For Agencies** 1. Industry Associations including Sectoral Industry Associations, Export Promotion Councils and Chambers of Commerce and Industry. 1. Central and State Government Departments and their associated bodies including Technical Consultancy Organizations (established by State Government, Financial Institutions & Banks). 1. National R&D Institutions and Organizations including SIROs recognized by DSIR and PFRIs registered with DSIR. 1. Approved Universities and Colleges as listed on UGC/AICTE website. 1. Institutions having a distinct legal entity (as per Rule 228 of GFR 2017). > **Topics for the Proposal (For 2023)** 1. A study report on the development of new building materials using agro-industrial waste like PVC Waste, Municipal Waste, Construction & Demolition waste, hospital waste, e-waste etc. 1. A study report on the status of research on indigenous development of membranes for desalination of seawater/saline water. 1. A study report on research on indigenous development of membranes for sewage treatment to promote its recycling and reuse. 1. Report on advanced building materials and building design towards energy efficient building. 1. A report on ICT tools catering to a wide range of learners, including Children with Special Needs. 1. A study report on the development of cost-effective technology/ instrumentation in waste management systems such as Sensor based bins, Sensor-based automatic waste collection systems through garbage chutes in residential buildings.
Exclusions: None

Schem

details: **The support shall be towards the following items of expenditure:** 1. Manpower. 1. Travel for networking, survey, stakeholder meetings, experts, resource persons, etc; (International travel is not permissible under a project). 1. Consultation fees for experts and resource persons. 1. Contingencies and consumables (Consumables may include research equipment essential for the study and approved by TAC) 1. Overhead charges are fixed at 15%. 1. Any other item upon recommendation by the TAC and approval of the competent authority. **Note:** 1. DSIR support towards manpower expenses shall remain fixed respective of changes in fellowship rates if any. 1. No support is granted for setting up general-purpose infrastructural facilities.

4673. Production Linked Incentive (PLI) Scheme for Food Processing Industry

Primary Category: Business & Entrepreneurship | State: All | Govt: Central Government | Ministry: Ministry of Food Processing Industries

Secondary: Farmers & Agriculture, Employment & Jobs, Skill Development & Training | Benefits: Loan, Employment, Equipment, Food/Nutrition, Infrastructure

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/plisfpi

Description:
The scheme "Production Linked Incentive Scheme for Food Processing Industry (PLISFPI)" has been launched by the Ministry of Food Processing Industries, Government of India. The objective of the scheme is to support the creation of global food manufacturing champions; promote Indian brands of food products; increase employment opportunities for off-farm jobs; ensure remunerative prices of farm produce and higher income to farmers. The scheme is implemented by the Ministry of Food Processing Industries through a Project Management Agency (PMA) for application processing, verification, and disbursement. The tenure of the Scheme is six years from Financial Year 2021-22 to Financial Year 2026-27. The Incentive payable for a particular year will be due for payment in the following year. The Incentive payable for 2026-27 will be due for payment in 2027-28. > **Components:** - The objectives are sought to be achieved through the introduction of a Production Linked Incentive (PLI) Scheme. The scheme has three broad components. - The first component relates to incentivising the manufacturing of four major food product segments viz. Ready to Cook/ Ready to Eat (RTC/ RTE) including millet-based foods, Processed Fruits & Vegetables, Marine Products & Mozzarella Cheese. - The Second component is for incentivising Innovative/ Organic products of SMEs across all the above four food product segments including Free Range - Eggs, Poultry Meat & Egg Products. - The third component relates to support for branding and marketing abroad to incentivise the emergence of strong Indian brands.

Eligibi

Who Can Apply: 1. Support under the scheme shall be provided only to the Applicants engaged in the manufacturing of food products in India & sales of such products covered under the target Segments. SME Applicants should engage in such activities for innovative/ organic food products. 1. Eligibility criteria, in terms of total Sales of food products and Minimum Investment for different Categories of Applicants, are given in [Appendix A](https://plimofpi.ifciltd.com/docs/guidelines/Scheme_EOI.pdf). An applicant shall have a total sale of food products above the minimum sales given in [Appendix A](https://plimofpi.ifciltd.com/docs/guidelines/Scheme_EOI.pdf) in the Base Year. For the purpose of minimum sales, here the food products mean any food product sold in consumer packs including the food products included in the four segments given in [Appendix B](https://plimofpi.ifciltd.com/docs/guidelines/Scheme_EOI.pdf). An applicant shall agree to undertake a minimum investment as given in [Appendix A](https://plimofpi.ifciltd.com/docs/guidelines/Scheme_EOI.pdf). However, if more applicants are there than the number to be selected finally in a segment, then the selection criteria include committed investment that the selected company proposes to make by the end of the year 2022-23. The committed investment shall be greater than the Minimum investment given in [Appendix A](https://plimofpi.ifciltd.com/docs/guidelines/Scheme_EOI.pdf).1. Product Groups/ Products covered under different Segments for selection of Applicants are given in [Appendix B](https://plimofpi.ifciltd.com/docs/guidelines/Scheme_EOI.pdf).1. The Applicants shall indicate the Segment and the Product Groups in that Segment in the Application for coverage under the Scheme. 1. The Applicant may also include those products that the Applicant is not currently manufacturing but intends to manufacture during the project period. If a selected entity starts manufacturing a new product, covered in the Segment approved for the Applicant, the same could be added later after notifying the same to MOFPI/ PMA. 1. The entire chain of manufacturing processes, including primary processing, of the food products of the relevant segment applied for coverage under the scheme shall take place in India. However, for additives, flavours and edible oils, this condition would not apply 1. The entire chain of manufacturing process of food products, starting for raw materials, shall be specified in the Application in respect of food products included in the Application and having sales above Rs 50 crore per annum. 1. Applicants are eligible to apply for one or more Segments under Category I. However, such Applicants will be required to make separate Applications for each of the product segments and meet minimum Sales and investment criteria for each of the Segments applied for. 1. The Applicant should not have been declared as bankrupt or wilful defaulter or defaulter or reported as fraud by any bank or financial institution or nonbanking financial company. The Applicant/ Promoters should not appear in the SEBI Debarred List. > **Note:** - **Category I:** Applicants are large entities that apply for incentives based on Sales and Investment Criteria. Applicants under this category could undertake Branding & Marketing activities abroad also and apply for Incentives under the scheme.- **Category II:** SMEs Applicants manufacturing innovative/ organic products who apply for PLI Incentive based on Sales.- **Category III:** Applicants applying solely for the incentive for undertaking Branding & Marketing activities abroad.
Exclusions: None

Schem

details: > **Incentive:** 1. Investment shall mean expenditure incurred on the installation of new plant & machinery, technical civil work and associated infrastructure by the Applicant and its contract manufacturers. All non-creditable taxes and duties are included in expenditure. 1. **The incentive is calculated as:** Incremental Sales × Applicable Rate of Incentive.1. The applicable incentive rates vary across segments and years: - Ready-to-Cook/Ready-to-Eat and Processed Fruits & Vegetables: 10% in initial years, gradually reducing to 8%. - Marine Products: 6% to 4% (10% for value-added marine products). - Mozzarella Cheese: 10% to 4%. 1. The incentive is payable from the year of selection till the end of the scheme period. 1. The applicant must achieve the minimum Compound Annual Growth Rate (CAGR) in sales to be eligible for the incentive. > **Branding and Marketing:** 1. Financial support is provided for the promotion of Indian brands in international markets. 1. The scheme provides 50% reimbursement of expenditure incurred on branding and marketing activities. 1. The support is subject to a maximum of 3% of sales of food products or Rs. 50,00,00,000/- per year, whichever is lower. 1. The minimum eligible expenditure for claiming the incentive is Rs. 5,00,00,000/- over a period of 5 years. 1. Eligible activities include in-store branding, shelf space renting, listing fees, media advertising, and promotional campaigns. > **Coverage of Multiple Food Segments:** 1. Incentives are provided for manufacturing and sales in the following segments: - Ready-to-Cook / Ready-to-Eat food products (including millet-based products) - Processed Fruits and Vegetables - Marine Products - Mozzarella Cheese - Innovative and Organic products of SMEs

documents and submit an undertaking (as per [Annexure-7](https://plimofpi.ifciltd.com/docs/guidelines/Scheme_Guidelines.pdf)Consenting to the audit of manufacturing sites/offices. **Step 7:** The applicant should pay the non-refundable application fee: - Rs. 1,00,000/- for Category-I applicants - Rs. 10,000/- for Category-II applicants - Rs. 10,000/- (SMEs) and Rs. 50,000/- (other applicants) under Category-III **Step 8:** After submission, a unique Application ID will be generated by the Project Management Agency (PMA) for future reference. **Step 9:** The PMA will conduct a preliminary examination of the application as per [Annexure-2](https://plimofpi.ifciltd.com/docs/guidelines/Scheme_Guidelines.pdf) within 15 working days of receipt. **Step 10:** If the application is found incomplete, the applicant will be informed within 15 working days, and the applicant must rectify the deficiencies within 10 working days, failing which the application will be rejected. **Step 11:** The application will be processed by PMA and recommended to the Ministry of Food Processing Industries (MoFPI) for approval. **Step 12:** All applications will be finalised within 90 days from the closure of the application window, subject to completeness of documents. **Step 13:** After approval, the PMA will issue an approval letter within 5 working days, specifying details such as product segment, base year sales, projected incremental sales, incentive rates, committed investment, and production schedule. **Step 14:** The selected applicant must submit a performance bank guarantee of 3% of the committed investment within 2 weeks of approval.

4674. Production Linked Incentive Scheme for Millet Based Products

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry of Food Processing Industries

Secondary: Financial Assistance, Business & Entrepreneurship | Benefits: Financial Assistance, Food/Nutrition, Identity Card / Certificate | Beneficiaries: Entr

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/plismbp

Description:

The scheme "Production Linked Incentive Scheme for Millet-Based Products (PLISMBP)" has been launched by the Ministry of Food Processing Industries, Government of India. The objectives of the scheme are to increase usage of millets in food products and promote their value addition. These objectives are sought to be achieved through incentivising the manufacture of selected millet-based products and their sale in domestic and export markets. The scheme is implemented by the Ministry of Food Processing Industries through a Project Management Agency (PMA) (presently IFCI Limited). The scheme covers a tenure of 5 years from FY 2022-23 to FY 2026-27 with a total outlay of Rs. 800 crore. The Incentive payable for a particular year will be due for payment in the following year. The Incentive payable for the Financial Year 2026-27 will be due for payment in the year 2027-28. Incentives are linked to incremental sales over a defined base year and are subject to achieving minimum growth rates. Eligible products must contain more than 15% millet content and must be manufactured in India. The selection of applicants is based on evaluation criteria and a ranking system.

Eligibi

Who Can Apply: 1. An applicant shall have a total sale of all food products above the minimum sales given in [Appendix B](https://plimofpi.ifciltd.com/docs/PLI-Millets%20Guidelines.pdf) in the Base Year.1. Udyam Registration Certificate is mandatory for MSME Applicants. 1. Incentive under the scheme shall be provided to the Applicants engaged in manufacturing or intending to manufacture eligible products in India & sales of such products. 1. Applicant shall be required to achieve a minimum CAGR of 10% on sales of the eligible products from the base year for the grant of the incentive. If the applicant is not able to achieve the prescribed minimum growth in sales for a particular year, no incentive will be payable for that year. However, if the industry faces lower growth due to Force Majeure, the EGoS may review the prescribed minimum growth rate. 1. The Applicant may include eligible products that it is not manufacturing presently but intends to manufacture during the tenure of the scheme. In such a case, the intended product (s) along with their millet content should be declared at the time of submission of the application itself. Inclusion of new product (s) after the submission of the application is not permissible. 1. The entire chain of manufacturing process, including primary processing, of eligible food products starting from raw materials to finished product covered in the Application for incentive under the Scheme, is required to take place in India. However, the use of additives, flavours, and edible oil in millet products, this condition would not apply. 1. The name of Applicant /Promoters should not appear in the Suit/Non-Suit Filed Cases (Wilful Defaulters Rs. 25 lacs and above, defaulter Rs. 1 crore and above) List of CIBIL and SEBI Debarred List as on the date of application. The Applicant, in its application, along with an undertaking (Format A, [Annexure 7](https://plimofpi.ifciltd.com/docs/PLI-Millets%20Guidelines.pdf)), should declare that its name does not appear, as a defaulter or a wilful defaulter, nor has it been declared bankrupt nor as a fraud by any bank or financial institution or non-banking financial company.
Exclusions: None

Schem

details: > **Financial Incentive on Incremental Sales:** 1. The applicant is provided an incentive for incremental sales of eligible millet-based food products. 1. The incentive is calculated as: Incremental Sales × Applicable Rate of Incentive. 1. Incremental sales refer to sales over and above the base year (FY 2020-21 for initial years). > **Incentive Rates:** 1. The incentive rate is 10% for the initial years and reduces to 8% in later years of the scheme. 1. The applicable rate depends on the financial year of the claim. > **Maximum Incentive Limit:** 1. The applicant (Large Entity) can receive an incentive of up to Rs. 100,00,00,000/- during the scheme period. 1. The applicant (MSME) can receive an incentive of up to Rs. 40,00,00,000/- during the scheme period. > **Coverage of Eligible Products:** 1. The incentive is applicable only to packaged and branded Ready-to-Cook (RTC) / Ready-to-Eat (RTE) products. 1. The product should contain more than 15% millet content by weight/volume. > **Conditions for Availing Benefits:** 1. The applicant should achieve a minimum 10% Compound Annual Growth Rate (CAGR) in sales of eligible products. 1. The applicant will not receive incentive for a year if the minimum growth is not achieved. 1. The applicant should ensure that the declared millet content is not reduced during the scheme period. > **Mode of Disbursement:** The incentive is disbursed through Direct Bank Transfer to the applicant's account via PFMS. > **Time of Disbursement:** The claim for incentive is processed within 60 days from submission of complete documents.

Documents: None
Application Process: how_to_apply: Online Step 1: The applicant should wait for the release of the Expression of Interest (EOI) by the Ministry of Food Processing Industries for millet-based products. Step 2: The applicant should access the online application portal maintained by the Project Management Agency (PMA) at: https://plimofpi.ifciltd.com. Step 3: The applicant should fill in the Application Form (Annexure-1) with all required details, including applicant details, project proposal, and application fee details. Step 4: The applicant should upload all required supporting documents

as specified in the application form and guidelines. Step 5: The applicant should provide details of manufacturing sites, including their own and contract manufacturing facilities proposed for eligible products. Step 6: The applicant should submit an undertaking for audit consent of manufacturing sites/offices in the prescribed format. Step 7: The applicant should pay the application fee online before the closure of the application window: Rs. 1,00,000/- for Large Entity applicants Rs. 10,000/- for MSME applicants Payment should be made through NEFT/RTGS as specified. Step 8: The applicant should submit the application online within the application window. No application will be accepted after the deadline, and no physical submission is allowed. Step 9: Upon successful submission, the applicant will receive a unique Application ID for future reference. Step 10: The Project Management Agency (PMA) will conduct a prima facie examination of the application within 15 working days. Step 11: The PMA will evaluate the application and forward recommendations to the Ministry of Food Processing Industries for approval. Step 12: The Ministry will approve applications within 90 days from the closure of the application window, subject to completeness of documents. Step 13: After approval, the PMA will issue an approval letter to the selected applicant within 5 working days. Step 14: The selected applicant should submit annual claims for incentive disbursement along with the required documents for each financial year. **Step 1:** The applicant should wait for the release of the Expression of Interest (EOI) by the Ministry of Food Processing Industries for millet-based products. **Step 2:** The applicant should access the online application portal maintained by the Project Management Agency (PMA) at: [https://plimofpi.ifciltd.com.](https://plimofpi.ifciltd.com) **Step 3:** The applicant should fill in the Application Form ([Annexure-1](https://plimofpi.ifciltd.com/docs/PLI-Millets%20Guidelines.pdf)) with all required details, including applicant details, project proposal, and application fee details. **Step 4:** The applicant should upload all required supporting documents as specified in the application form and guidelines. **Step 5:** The applicant should provide details of manufacturing sites, including their own and contract manufacturing facilities proposed for eligible products. **Step 6:** The applicant should submit an undertaking for audit consent of manufacturing sites/offices in the prescribed format. **Step 7:** The applicant should pay the application fee online before the closure of the application window: - Rs. 1,00,000/- for Large Entity applicants - Rs. 10,000/- for MSME applicants - Payment should be made through NEFT/RTGS as specified. **Step 8:** The applicant should submit the application online within the application window. No application will be accepted after the deadline, and no physical submission is allowed. **Step 9:** Upon successful submission, the applicant will receive a unique Application ID for future reference. **Step 10:** The Project Management Agency (PMA) will conduct a prima facie examination of the application within 15 working days. **Step 11:** The PMA will evaluate the application and forward recommendations to the Ministry of Food Processing Industries for approval. **Step 12:** The Ministry will approve applications within 90 days from the closure of the application window, subject to completeness of documents. **Step 13:** After approval, the PMA will issue an approval letter to the selected applicant within 5 working days. **Step 14:** The selected applicant should submit annual claims for incentive disbursement along with the required documents for each financial year.

4675. Scheme for Assistance for Industrial Infrastructure-DNH&DD

Primary Category: Business & Entrepreneurship | State: Dadra & Nagar Haveli and Daman & Diu | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Employment & Jobs, Urban Development | Benefits: Financial Assistance, Employment, Food/Nutrition, Infrastructure Suppo

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/aiis

Description:

The scheme "Scheme for Assistance for Industrial Infrastructure" has been implemented by the Department of Industries, UT Administration of Dadra & Nagar Haveli and Daman & Diu. It aims to provide financial assistance for improvement of infrastructure in OIDC/Non-OIDC Estates /Private Estates / Industrial Areas. Through this scheme, financial support is extended to agencies developing industrial estates/parks to benefit industries and generate employment. The applicant agencies are required to submit a Detailed Project Report along with approved layout plan & order, infrastructure plans, financing pattern, and implementation details in prescribed format. The assistance is linked to project cost and subject to specific financial participation by the promoter. The scheme also mandates compliance with conditions related to funding limits, project eligibility, and utilisation of assistance.

Eligibi

Who Can Apply: > **Industrial Area / Infrastructure:** 1. An industrial area means a contiguous parcel of piece of land converted for Non-Agricultural Industrial Purpose or having valid permission to use land as Industrial purpose or having been notified by the competent authority. 1. The NA Conversion permission shall be accorded by the Competent Authority of the UT Administration for the Industrial Area. 1. The NA permission shall have validity for the Industrial Area on the day of submission of the claim for assistance by the eligible Institution/Agency. 1. The Industrial area land should have a valid layout plan permission from the Competent Authority, i.e., Planning Authority, as per UT's DCR. 1. The minimum area of land for the scheme shall be 25000 sq. m. for new products. > **Eligible Agency:** 1. **Institution:-** Eligible institution means any Industries Association, Chamber of Commerce and Industries, Federation of Industries or SPV of Industries (which are registered under Societies Act, Trust Act or the Companies Act) or any Large project/ Group of industries are eligible.1. **Government Department:-** Any Government Department, Govt. Agency or Authority, State and Central Govt. PSUs, Boards, Corporations, Municipal Corporations/Councils will be treated as eligible Institution those having experienced and executed such a project since the inception of the Department.1. **A Developer/Contractor:-** A Developer / Contractor registered with the UT Administration, having work experience of at least 5 years for the development of an Industrial Estates area, not less than 10 hectares anywhere in India. > **Eligible Activities:** 1. Common Infrastructure facilities as may be required in an industrial estate (both OIDC and Non-OIDC Industrial Estates), Industry clusters or industrial area and/or linked infrastructure/last mile connectivity for industrial estate/ cluster/area, such as: a) Approach the road from the industrial estate/ area to the Highways/ MDR b) Upgradation of existing roads/widening of roads c) Water/ Gas/electricity/energy distribution networks d) Transport Nagar / Transport facilities, Water Augmentation Facility e) Any other infrastructure facilities as approved by the Implementation Committee. f) Any other infrastructure as defined in DCR of Planning & Zoning regulation of UT's. 1. Up-gradation of infrastructure facilities in the estate which has been established. 1. Link infrastructure facilities and last-mile connectivity to large projects, Central and State Industrial PSUs. 1. Setting up of Convention Centre, Exhibition Centre, and Infrastructure Development of SIRs, clusters / Large Industrial Estates / Upcoming Industrial estates-areas, etc., as approved by the implementation committee. > **Eligible Investment:** 1. Fixed capital investment in the components of project of critical infrastructure (excluding land cost) as approved by the Empowered Committee will be eligible. 1. Cost of preparation of work estimates, cost of technical approvals and cost of third party Inspection for Quality assurance expenses maximum @ 3% of the project cost will be eligible.

Exclusions: None

Schem

details: 1. Under the scheme, assistance will be considered up-to 50% of the project cost or Rs. 20 Crore per project, whichever is less. 1. The committee may sanction upto 100% assistance to the projects of the Government Departments, Govt. Agency or Authority, State and Central Govt. PSUs, Board. 1. The Committee may consider undertaking specific studies for specific industries/ industrial areas/ industrial development activities through professional institutions/ reputed consultancy firms under the scheme, and expenditure for such studies will be incurred under this scheme. 1. In case there is no stakeholder for the development of the infrastructure of the industrial area/ estate, the Industries Secretary may appoint an agency to undertake a study on the requirement of critical infrastructure and submit it to the empowered committee for sanction of the project and to appoint an agency to execute the work.

Requir

Documents: None
Application Process: how_to_apply: Offline The eligible institutions will apply with a project report to the Department of Industries, Dadra & Nagar Haveli and Daman & Diu. The Department of Industries will scrutinize the proposal with the consultation of the Chief Engineer, PWD/OIDC and the Finance Department on Technical & Financial aspects of the project and then place it before the empowered Committee for decision. Assistance will be released at the following stages: 25% after completion of 25% work progress. 25% after completion of 50% work progress. 50% after completion of the project. Final payment will be made on completion of Project & Physical verification of the Engineer of UT's Administration and production of the Completion certificate issued by an authorised third-party agency. UT Administration has the right to change, withdraw or modify the scheme fully or partially at any stage. (Application Form) 1. The eligible institutions will apply with a project report to the Department of Industries, Dadra & Nagar Haveli and Daman & Diu. 1. The Department of Industries will scrutinize the proposal with the consultation of the Chief Engineer, PWD/OIDC and the Finance Department on Technical & Financial aspects of the project and then place it before the empowered Committee for decision. 1. Assistance will be released at the following stages: - 25% after completion of 25% work progress. - 25% after completion of 50% work progress. - 50% after completion of the project. 1. Final payment will be made on completion of Project & Physical verification of the Engineer of UT's Administration and production of the Completion certificate issued by an authorised third-party agency. 1. UT Administration has the right to change, withdraw or modify the scheme fully or partially at any stage. Description:

The sub-scheme "Capacity Building of First Time MSE Exporters" under the "International Cooperation Scheme" was launched by the Ministry of Micro, Small and Medium Enterprises, Government of India to capacity build MSMEs for entering the export market by facilitating their participation in international exhibitions/fairs/conferences/seminars/buyer-seller meets abroad as well as providing them with actionable market-intelligence and reimbursement of various costs involved in export of goods and services. The Scheme provides opportunities for MSMEs to continuously update themselves to meet the challenges emerging out of changes in technology, changes in demand, the emergence of new markets, etc. Thus, in totality, all components of the scheme aimed at various aspects required to advance MSMEs' position as emerging export players. The key interventions proposed under the scheme are highlighted below:- Reimbursement of costs incurred by first-time MSE exporters on export shipments - 1. Registration-cum-Membership Certificate (RCMC) paid by the first-time exporters for registration with EPCs. 1. Export insurance premiums paid by MSEs. 1. Fee paid on Testing and Quality Certification acquired by MSEs to export products. This will encourage MSEs to produce and offer products and services of international standards for the export markets.

Eligibi

Who Can Apply: 1. The Micro and Small Enterprises with valid Udyam Registration are eligible to apply under the scheme. 1. To claim the benefits under the scheme, the applicant's Importer Exporter Code (IEC) must not be older than 3 years on the date of export shipment.
Exclusions: None

Schem

details: > **Scale of Assistance and Eligible Items of Expenditure:** Financial assistance towards costs incurred by first-time MSE Exporters on export shipments:- Registration-cum-Membership Certificate (RCMC) charges/fee paid by the first-time exporter to relate EPCs 75% of the cost paid subject to a maximum of Rs. 20,000/- or actual, whichever is lower subject to quarterly reporting by EPCs as per prescribed format. Export Insurance Premium paid to Export Credit Guarantee Corporation Ltd. (ECGC) under the ECGC's Small Exporter's PolicyMaximum financial assistance in a financial year of Rs. 10,000/- or actual, whichever is lower subject to quarterly reporting by ECGC Ltd. as per prescribed formatFee paid on Testing & Quality Certification acquired by MSEs to Export Products (Note: Ministry of MSME shall share the list of beneficiaries who have availed the financial assistance under this sub-component, with MAI Division, Department of Commerce, on quarterly basis)75% of the testing and quality certification with a ceiling of Rs. 1.00 Lakh or actual, whichever is lower, subject to the following conditions: 1. Financial assistance is allowed for a maximum of 3 certificates per financial year with a ceiling of Rs. 1.00 Lakh per MSE unit. 2. Certificate, for which financial assistance is requested, should be attained within the same financial year.

Requir

Documents: None
Application Process: how_to_apply: Online Application Process: Step 1: The applicant organization will submit an online application for financial assistance, along with the relevant documents and the budget estimate of the expenditure on the proposed event in a proforma providing full details of expenditure. Step 2: To apply under the scheme, the applicant organization needs to visit the official website . Step 3: On the home page, select "Market Development Assistance" to log in who have already registered. If the applicant Organization is a new user, click on " New User Register Here

" to register under the scheme by selecting the type of Organization. Step 4: After successful registration, the applicant organization can log in with valid credentials. After login, the user will be redirected to their Dashboard where multiple actions have to be done. Note: The admissible financial assistance would be worked out in accordance with the criteria/scale. Process of seeking financial assistance under the Scheme: RCMC certificate: Ministry of MSME to sign MoU with EPCs. These EPCs will then be eligible to apply for financial assistance under the IC scheme. They will be required to apply for financial assistance claims on behalf of MSEs along with all prescribed documents on the IC Scheme portal. Export Insurance Premium: Export Credit Guarantee Corporation (ECGC) Ltd. provides insurance to Exporters. The Ministry of MSME will sign a MoU with ECGC Ltd. and claims that for the first-time MSE exporters will be released from the IC Scheme to ECGC upon receipt of the application on the updated portal of the IC Scheme. Testing and Quality Certification: The Ministry of MSME to sign an MoU with National Small Industries Corporation Ltd. Financial assistance on certifications defined under the scheme will be released to NSIC Ltd. for further dissemination of funds to eligible MSEs. > **Application Process:** **Step 1:** The applicant organization will submit an online application for financial assistance, along with the relevant documents and the budget estimate of the expenditure on the proposed event in a proforma providing full details of expenditure. **Step 2:** To apply under the scheme, the applicant organization needs to visit the [official website](https://ic.msme.gov.in/IC_APP/IC_Welcome.aspx). **Step 3:** On the home page, select "Market Development Assistance" to [log in](https://ic.msme.gov.in/IC_APP/IC_Login.aspx) who have already registered. If the applicant Organization is a new user, click on "[New User Register Here](https://ic.msme.gov.in/IC_APP/Association_Type.aspx)" to register under the scheme by selecting the type of Organization. **Step 4:** After successful registration, the applicant organization can log in with valid credentials. After login, the user will be redirected to their Dashboard where multiple actions have to be done. > **Note:** - The admissible financial assistance would be worked out in accordance with the criteria/scale. > **Process of seeking financial assistance under the Scheme:** 1. **RCMC certificate:** Ministry of MSME to sign MoU with EPCs. These EPCs will then be eligible to apply for financial assistance under the IC scheme. They will be required to apply for financial assistance claims on behalf of MSEs along with all prescribed documents on the IC Scheme portal. 1. **Export Insurance Premium:** Export Credit Guarantee Corporation (ECGC) Ltd. provides insurance to Exporters. The Ministry of MSME will sign a MoU with ECGC Ltd. and claims that for the first-time MSE exporters will be released from the IC Scheme to ECGC upon receipt of the application on the updated portal of the IC Scheme. 1. **Testing and Quality Certification:** The Ministry of MSME to sign an MoU with National Small Industries Corporation Ltd. Financial assistance on certifications defined under the scheme will be released to NSIC Ltd. for further dissemination of funds to eligible MSEs.

4677. Mission Solar Charkha

Primary Category: Environment & Energy | State: All | Govt: Central Government | Ministry: Ministry Of Micro, Small and Medium Enterprises

Secondary: Financial Assistance, Women & Girls, Employment & Jobs | Benefits: Financial Assistance, Subsidy, Loan, Insurance, Training, Employment | Be

Gender: Any | Age: None | Occupation: Artisan / Weaver | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/msc

Description:

The scheme "Mission Solar Charkha" is a pilot initiative of the Ministry of MSME to promote solar-powered livelihood opportunities in rural areas. It focuses on setting up Solar Charkha Clusters covering a focal village and nearby villages within an 8-10 km radius. Each cluster includes around 200 to 2042 artisans such as spinners, weavers, and other skilled workers. The project aims to generate sustainable employment using low-cost and eco-friendly technology. Implementation of new clusters is currently on hold until the evaluation of pilot projects is completed.

Eligibi

Who Can Apply: > **Criteria for selection of Promoter Agency/SPV:** ***A. Existing Khadi and Village Industry Institution (KVI) could apply for setting up such a Cluster. However, the following parameters must be fulfilled:*** 1. KVI having a positive balance sheet and assets in favour of the institution. 1. KVI having an artisan base of not less than 200. 1. KVI having a sales turnover of not less than Rs. 1.00 Crore in each of the preceding three financial years. 1. Should have been an increase in a number of new artisans in the last three years. ***B. Other Institutions such as SPV, Society, Trust, Section 8 Company or LLP under the Companies Act, 2013 registered under respective statutes could also apply for setting up a new Solar Charkha Cluster, with the following criteria:*** 1. Vision and Mission 1. Board and Governing Structure with sufficient experience. 1. Proper Management Information System (MIS). 1. Financial resources-equity and debt. 1. Financial Performance for last three years-profitability and IRR. ***C. First Timers who want to join the village industry movement through solar charkha clusters could apply for a new cluster, with the following criteria:*** 1. Highest Commitment to the cause of Social and rural upliftment. 1. Funding commitment from Scheduled Commercial Banks/NBFC/Venture Capital Fund/Private Equity funds. 1. Proper Management Information System (MIS). 1. Any other criteria to be approved by the governing council. > **Promoter will fulfill the following criteria at the time of application:** 1. A baseline survey will be conducted by the promoter, and at least 200 members will be identified with Aadhaar Numbers of which at least 50% shall be women. 1. Land of a minimum of 20,000 sq. feet and upto 2 acres will be provided by the promoter either owned or on a long-term lease of a minimum of 15 years. The land will be arranged by the promoter and all expenditure pertaining to the land will be made by the promoter. 1. The small promoter agency will deposit at least 15% of the requirement of the working capital or at least three months' projected amount of working capital in a separate dedicated account only after the final selection of the promoter by the SSC and before the first release fund is made. 1. The promoter agency will form a Special Purpose Vehicle (SPV), before the release of the first installment of funds, possibly a Section-8 Company or a Producer company under the Companies Act, 2013 for putting up the integrated model of solar charkhas, solar looms, sewing machines, etc. with one village being a focal village.
Exclusions: None

Schen

details: - **Maximum Subsidy per Cluster:** Financial assistance up to Rs. 9.599 crore for setting up one Solar Charkha Cluster. > **Capital subsidy for individual and for Special Purpose Vehicle (SPV):** - 2000 Solar Charkhas at the maximum price of Rs. 45,000/- per charkha and a subsidy of Rs. 15,750/- per charkha works out to a cumulative subsidy of Rs. 3.15 crore for 1000 spinners. - One unit of two Solar Charkhas would produce 2.0 kg of yarn on average per day, resulting in a production of 2.0 tons per 2000 charkhas. Thus, 500 Solar Looms would be required to convert the yarn into fabric at the maximum price of Rs. 1,10,000/- per loom and subsidy @35% at Rs.38,500/- per loom and the cumulative subsidy works out to Rs. 1.93 crore for 500 weavers. - Capital cost of construction of workshed with a minimum space of 20,000 sq.ft with 100% subsidy at the maximum rate upto Rs. 1.20 crore per cluster for the SPV. - Capital cost of Solar Grid of 50 KW capacity with 100% subsidy at the maximum rate upto Rs. 0.40 crore per cluster for the SPV. - One-time Capital Cost Subsidy for the SPV @35% works out to maximum of Rs. 0.75 crore per Cluster for the purchase of

twisting machines, dying machines and stitching machines (500 in number) for making the unit self-sustainable and for value addition. > **Interest subvention for Working Capital:** - It is proposed to have a ceiling of 8% of interest subvention on working capital irrespective of the interest rates being charged by the Banks/Financial Institutions for a period of six months. Recurring Working Capital cost for a period of six months at the rate of interest subvention of 8% works out to Rs. 1.584 crore for one cluster including cost of roving, wages of spinners and weavers . > **Capacity building:** - The scheme envisages courses for the spinners/weavers and others involved in the garmenting unit at a total cost of Rs. 0.595 cr per cluster for a period of two years.

4678. Design Scheme Under MSME Innovative Scheme

Primary Category: Business & Entrepreneurship | State: All | Govt: Central Government | Ministry: Ministry Of Micro, Small and Medium Enterpris

Secondary: Scholarship & Education, Financial Assistance | Benefits: Financial Assistance, Food/Nutrition, Identity Card / Certificate | Beneficiaries: Students

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Enterprise / Business | Source: https://www.myscheme.gov.in/schemes/ds

Description:

The "Design scheme" under the "MSME Innovative Scheme" implemented by the Ministry of Micro, Small & Medium Enterprises, will help MSMEs to avail advice on all aspects of design. It helps MSMEs realize and achieve their design-related objectives. This specialist advice will be provided by experienced designers for new product development as well as enhancing the existing product portfolio. The Design scheme is divided in two major parts, viz., Design Projects and Design Awareness Programme. **Design Project:** To facilitate MSMEs to develop new design strategies and or design-related products through interventions and consultancy. **Design Awareness Programme:** The objective is to create general awareness and sensitization about the value and power of design for businesses through seminars, talks, workshops etc. The purpose of these activities is to sensitize MSMEs about the usage of design/innovation in various facets of their industry.

Eligibi

Who Can Apply: - The beneficiary unit(s) must typically be registered micro, small or medium enterprises. - Should have a valid Udyog Aadhaar Memorandum (UAM) or Udyam Registration certificate.
Exclusions: None

Schem

details: > **Design Project:** - Financial assistance under this activity will be utilised for engagement of design consultants for design interventions and expenses pertaining to development of prototype/product. For the design projects approved for any MSME, 75% (Micro) and 60% (Small & Medium) of the total project cost will be contributed by Government of India, up to a maximum of Rs. 40,000,00/- and the remaining project cost will be borne by MSMEs and deposited to the IA. The total project cost will be provided as a grant in 3 stages: - **Stage 1:** Strategy & Concept- 40% - **Stage 2:** Detail Design - 30% - **Stage 3:** Successful Completion of the prototype/product and Final Report submission - 30%. > **Student Project:** This component supports design work of bona-fide students by providing financial assistance up to Rs. 2,50,000/-. For the student design projects approved for any MSME,75% of the total project cost will be contributed by Government of India, up to a maximum of Rs. 2,50,000/- and the remaining project cost will be borne by MSME and deposited to the IA.

4682. Industrial R&D Promotion Programme: Recognition Of In-House R&D Units

Primary Category: Business & Entrepreneurship | State: All | Govt: Central Government | Ministry: Ministry Of Science And Technology

Secondary: Scholarship & Education, Financial Assistance, Health & Medical | Benefits: Financial Assistance, Equipment, Food/Nutrition, Infrastructure Suppo

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/irdpp-rihrdu

Description:

The Department of Scientific & Industrial Research (DSIR) is operating a scheme called "Recognition of In-House R&D Units" with the objective of granting recognition & registration to in-house R&D units established by the corporate industry. The In-house R&D units are expected to be engaged in innovative research & development activities related to the line of business of the firm, such as the development of new technologies, design & engineering, process/product/design improvements, development new methods of analysis & testing; research for increased efficiency in the use of resources, such as capital equipment, materials & energy; pollution control, effluent treatment & recycling of waste products or any other areas of research. This is the only scheme in the entire government set-up for benchmarking industrial R&D. DSIR is the nodal department for granting recognition to in-house R&D units established by corporate companies, Scientific and Industrial Research Organizations (SIROs) and registration to publicly funded research Institutions like universities, IITs, IISc, and Regional Engineering College (RECs) other than hospitals.

Eligibi

Who Can Apply: > **For Corporate Industries** 1. The applicant should be a company registered under the Companies Act, 1956 or 2013. 1. The company shall be eligible for consideration only after the completion of three financial years after formation. 1. The applicant should have a regular source of income for at least the last two years to sustain the business and this needs to be elaborated in the application. 1. The companies seeking recognition for their in-house R&D units should be engaged in manufacturing or production or in rendering technical services. 1. Companies fully engaged in contract research are also eligible for consideration provided independent infrastructure is available for research activities. Those engaged in research only at present but have plans to start manufacture at a later date may also be considered for the recognition, if there is a potential. 1. The R&D unit(s) should not be located in residential areas but should be operating on-premises authorized by the relevant Central/State Government. (Proof for such authorization needs to be furnished). 1. Independent infrastructure for research activities and adequate technically qualified manpower should be available (Minimum area for the R&D activities should be at least 1000 sq. ft.). 1. At the time of application, the R&D unit(s) should be functional and should have well-defined, time-bound R&D programmes leading to the development of innovative products and/or technology(ies). > **For Biotech Start-Ups** 1. The applicant should be a Biotech start-up company conducting high-end research with a scope for generating IPs and revenues out of it. 1. The start-up should have qualified R&D manpower and a basic minimum R&D infrastructure. 1. The Company should have focused research objectives based on innovative and recent advanced technologies, a clear business model and sources of funds for sustainability. 1. The Company should furnish documents/details of collaborations, agreements, MOUs etc. with the Incubator Centre or Technology Parks. 1. The Company should furnish a list of Biotechnology-based project proposals submitted/approved for Government of India funding. > **Other Criteria for Recognition** 1. The company must spell out a long-term R&D policy which should be displayed prominently in the in-house R&D unit(s). 1. R&D activities should be separate from routine activities of the firm, such as, production and quality control. The units should have separate & identifiable infrastructure for carrying out R&D work. 1. It is preferable that the in-house R&D unit(s) be located outside the factory premises, or it may be located in a separate building within the factory premises or it may be located on a separate floor. In the case of small companies, the R&D unit may be located in a separate room or area. The R&D activities should be clearly demarcated from the manufacturing/quality control activities. 1. The R&D units should have well-defined, time-bound R&D programmes. The unit should maintain a proper record of its R&D activities in the form of documentation. 1. The units should have qualified staff exclusively engaged in R&D and should be headed by a full-time qualified & experienced R&D person who has direct access to the Chief Executive or to the Board of Directors, depending on the size of the company. The number of R&D manpower should be commensurate with the S&T manpower size of the company. The R&D units should maintain separate books of accounts for all the R&D expenditures. 1. Expenditure should be booked when incurred and not allocated. The company should reflect the R&D expenditure (both capital & revenue) in the Annual Report and Statement of Accounts of the company in separate schedules. The R&D expenditure incurred should be commensurate with the financial size of the company.
Exclusions: None

Schem

details: The Government of India has announced a number of fiscal incentives for research and development by industry from time to time and many of these incentives are implemented through DSIR. The In-house R&D units recognised by DSIR are not only eligible for these incentives (wherever applicable) but also for receiving funds for R&D from other government departments and agencies such as DST, DBT, Deity, MoEF, MNRE, MoFPI, CSIR, ICMR, ICAR, TDB where recognition to the in-house R&D centre by DSIR is a requirement.

For this purpose, the implementing Agencies will certify that it has not received funds from any other sources for the activities proposed under this scheme. Note 02: State governments will also be responsible for the IA whose proposals are

sponsored by them. **Step 01:** The Implementing Agencies (IA) would be responsible for preparing the proposal and detailed action plan along with budgetary requirements and submitting it to the State Tribal/Welfare Department well in advance. 1. A proposal from TRIFED would directly be submitted to the Ministry while for other IAs, the same has to reach the Ministry through their Nodal Ministry/Department. 1. The proposal received from the implementing agencies should include the plan for the current financial year as well as a perspective plan with activities that may have to be completed in more than one financial year. As far as possible, the emphasis would be to establish systems, processes, and mechanisms that are transparent and sustainable. **Step 02:** The implementing Agencies will send their proposals incorporating the above factors. **Step 03:** The proposal shall be accompanied by utilization certificates as per provisions of GFR. **Note 01:** No fund will be provided for the purpose for which the fund has already been given under some other scheme. For this purpose, the implementing Agencies will certify that it has not received funds from any other sources for the activities proposed under this scheme. **Note 02:** State governments will also be responsible for the IA whose proposals are sponsored by them.

4684. National Livestock Mission: Genetic Improvement of Pig Breeds - Import of Exotic Pig Germplasm

Primary Category: Animal Husbandry & Fisheries | State: All | Govt: Central Government | Ministry: Ministry of Fisheries,Animal Husbandry and D

Secondary: Farmers & Agriculture, Business & Entrepreneurship, Rural Development | Benefits: Financial Assistance | Beneficiaries: Farmers, Entrepreneurs

Gender: Any | Age: None | Occupation: Entrepreneur | Education: None | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/iepg

Description:

The "Import of Exotic Pig Germplasm" is a component under the Sub-Mission on Breed Development of Livestock and Poultry of the National Livestock Mission (NLM), implemented by the Department of Animal Husbandry and Dairying, Government of India. The scheme supports States in the need-based import of superior exotic pig germplasm for genetic improvement of indigenous and non-descript pig breeds. The imported germplasm is used to produce quality crossbred pigs with higher meat productivity. The superior exotic breeds are maintained as pure breeds in State nucleus farms. States are required to formulate and notify a pig breeding policy before submitting proposals under the scheme.

4685. Pradhan Mantri Skilling and Employability Transformation through Upgraded ITIs (PM?SETU) : Componen

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry Of Skill Development And Entrepren

Secondary: Scholarship & Education, Employment & Jobs, Skill Development & Training | Benefits: Training, Employment, Equipment, Food/Nutrition, Skill De

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/pmsetuiti1

Description:

The scheme "Pradhan Mantri Skilling and Employability Transformation (PM SETU) Component I: Upgradation of Industrial Training Institutes" has been launched by the Ministry of Skill Development and Entrepreneurship (MSDE), Government of India. It aims to upgrade Industrial Training Institutes (ITIs) into industry-aligned, state-of-the-art skilling institutions to produce highly employable youth. Through this scheme, large-scale infrastructure upgradation, industry-led course design, and enhanced training and placement services are provided to students, trainees, and workforce participants. The scheme is implemented by the Directorate General of Training (DGT) in collaboration with State Governments and industry partners through a Special Purpose Vehicle (SPV) framework. > **Objectives:****** The scheme's objective is to upgrade and reimagine ITIs through industryled governance into state-of-the-art skilling institutions that produce highly employable youth aligned with industry needs. The salient features include: 1. One thousand (1,000) Government ITIs (200 as hub ITIs and 800 as spoke ITIs) to be upgraded in a Hub-and-Spoke arrangement. A Hub ITI will have, on average, four (4) Spoke ITIs, with all upgraded ITIs equipped with state-of-the-art infrastructure, machinery, and equipment. 1. For upgradation of ITIs in Hub-and-Spoke arrangements, the institutional structure of a Special Purpose Vehicle (SPV) shall be established by bringing in a credible Anchor Industry Partner (AIP), along with other industry partners if required, to manage the Hub-and-Spoke cluster/s and deliver agreed outcome-based training and employment outcomes. 1. Introduction of new courses based on jobs/occupations and competencies required in the identified sector/industry segment, with flexibility in duration and pedagogy. 1. Redesign of existing courses to align with industry needs and improve employability. High-demand traditional courses to be revamped with upgraded curricula and modern technology. 1. On average, four (4) new courses would be introduced, and ten (10) existing courses would be upgraded at the Hub ITIs. On average, two (2) new courses would be introduced, and eight (8) existing courses would be upgraded in Spoke ITIs. 1. Flexibility to introduce courses related to the service sector, multi-skilled courses, and livelihood promotion (where industry presence is low). 1. Other than the National Trade Certificate (NTC), which is the current course certification for ITI pass-outs, the options may include long-term courses (Diplomas), short-term courses (3-6 months), and Executive Education Programs for Graduates and working professionals, leveraging the presence of advanced machinery and equipment and trainers at Hub ITIs. 1. Specialised short-term courses for both ITI and non-ITI (Engineering, Diploma, and working professionals) candidates. 1. Facility for Training of Trainers (ToT) at the Hub ITI. 1. Enhancement of student services, including those related to placement services and linkages to industries, counselling, remedial classes for addressing gaps in foundational learning, extra-curricular activities, life skills training, apprenticeships, and On-the-Job training, etc., in the Hub-and-Spoke cluster. 1. Hubs may offer services like production centres, incubation centres, and maker spaces, for which the ITI can charge fees as determined by them for ensuring financial sustainability. 1. Developing a digital interface and Learning Outcome Management System (LOMS) for mapping the entire network of Hub-and-Spoke ITI clusters, real-time data capture, digital learning avenues including artificial and virtual reality (AR/VR) capabilities, simulation, and linkages with the national datasets and Skill India Digital Hub (SIDH). 1. A human resource plan for managing the implementation of the upgradation plan for both Hub and Spoke ITIs, including a managerial layer, trainers and administrative staff, and adoption of better HR practices, leading to improved training outcomes. 1. Mini-Hubs for North-East and Hilly region: To allow implementation of ITI upgradation in Hub-and-Spoke arrangements in North-Eastern and Hilly States, the indicative definition of Hubs and Spokes may be relaxed.

Eligibi

Who Can Apply: > **For Government ITIs:** 1. The ITIs should be Government Industrial Training Institutes. 1. The selection of ITIs shall be carried out by the respective State or Union Territory. 1. The selection should be based on factors such as emerging skill requirements, local industry demand, and potential for industry participation. > **For Anchor Industry Partner (AIP) / Industry Partner:** 1. The applicant should be a credible company or manufacturer with established operations in India. 1. The applicant may be an industry association, consortium, industry-led foundation, or an academic institution promoted by industry. 1. The applicant should have the capability to participate in governance, curriculum design, and training delivery. > **Minimum Eligibility Conditions (As Defined by State/UT):** 1. The applicant should meet the minimum eligibility criteria such as turnover, number of employees, and sectoral experience, as defined by the State or Union Territory. 1. The applicant should demonstrate the ability to ensure meaningful industry participation. 1. The applicant should not be a small or non-serious operator.
Exclusions: None

Schem

details: > **Financial Outlay and Financing Structure:** The total outlay of the scheme is Rs. 60,000/- crore over five years. This cost is shared among the Central Government, State Governments, and Industry, as shown below: **Particulars****Total (Rs. Crore)****Central (Rs. Crore)****State (Rs. Crore)****Industry (Rs. Crore)**Total Scheme Outlay (5 years)60,000/-30,000/-20,000/-10,000/-This corresponds to a funding pattern of approximately 50% Central: 33% State: 17% Industry. Each Hub-and-Spoke cluster will maintain this cost-sharing ratio in its funding plan as indicated in the Strategic Investment Plan (SIP). > **Indicative Investment per ITI and Cluster:** - Under the Scheme, support will be provided for the upgradation of Hub ITIs with an outlay not exceeding Rs. 81 crore (over five years) and for Spoke ITIs with an outlay not exceeding Rs. 40 crore. - In cases where the overall cost of upgradation exceeds the prescribed outlay, the contribution of the Central Government shall be capped at 50% of the above ceiling amounts and limited strictly to capital expenditure (exceptions apply for North-Eastern and Hilly States and Union Territories without legislature). > **Indicative Cost for Cluster:** - One Hub + Four Spokes (cluster total): Rs. 241 crore per cluster - Annual cost for one cluster (5-year average): ~Rs. 48.2 crore per year > **Component-wise Outlay (1000 ITIs):** - Upgradation of 200 Hub ITIs: Rs. 20,220 crore - Upgradation of 800 Spoke ITIs: Rs. 36,680 crore - Subtotal - ITI Upgradation (Component I): Rs. 56,900 crore > **Central Support for Scheme Management:** - Rs. 1,600 crore is earmarked for governance, project management, and capacity-building activities over five years, including: - Capacity building of central and state agencies: Rs. 200 crore - Office expenditure: Rs. 100 crore - IT and digital infrastructure (including LOMS): Rs. 600 crore - Technical assistance:

Rs. 100 crore - Media, awareness, and advocacy: Rs. 100 crore - Evaluations, studies, and research: Rs. 100 crore - Project Management Unit (PMU) support: Rs. 400 crore > **Fund Flow Mechanism:** - Each approved cluster SPV will operate an escrow bank account to collect funds from all sources. All contributions - Central, State, and Industry - are deposited into this escrow account, and funds become available only after all three parties have contributed their respective shares. > **Fund Disbursement:** - Initial Advance (Year 1): - An advance of up to 10% of the total project outlay shall be released upon approval of the Strategic Investment Plan (SIP). - Annual Instalments (Years 2-5): - The remaining funds are disbursed in annual instalments in two tranches of 50% each, subject to: - Utilisation of at least 75% of previous funds - Approval of Annual Operational Plan (AOP) - Achievement of at least 80% of Key Performance Indicators (KPIs) > **Validity:****** The scheme is implemented over a period of five years.

the VISVAS Portal and submits quarterly claims to the concerned implementing agency.

4687. Credit Guarantee Scheme for Startups

Primary Category: Business & Entrepreneurship | State: All | Govt: Central Government | Ministry: Ministry Of Commerce And Industry

Secondary: Women & Girls, Employment & Jobs, Loans & Credit | Benefits: Loan, Employment | Beneficiaries: Women, Entrepreneurs

Gender: Female | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/cgss

Description:

The scheme is the "Credit Guarantee Scheme for Startups (CGSS)", notified by the Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India launched on 6th October 2022. The revised notification was issued on 8 May 2025 and comes into force from that date, covering loan/debt facilities sanctioned to eligible startups on or after the notification. The scope of CGSS is to provide credit guarantees on a wide range of debt instruments-such as venture debt, working capital, subordinated/mezzanine debt, debentures and other fund and non?fund-based facilities that crystallise into debt-extended by eligible Member Institutions to DPIIT?recognised startups. Its core objective is to offer guarantee cover up to specified limits against these credit instruments so as to enable collateral?free debt funding for eligible startups and improve their access to institutional finance. Salient features include transaction?based and umbrella?based guarantee structures, maximum guarantee cover of Rs. 20 crore per borrower, and differentiated Annual Guarantee Fee/Annual Commitment Charge slabs, with concessional rates for North?East units, women entrepreneurs and 27 identified "Champion Sectors". Target beneficiaries are DPIIT?recognised startups that are not in default or classified as NPAs and are certified as eligible by Member Institutions such as scheduled commercial banks, select NBFCs, financial institutions and SEBI?registered AIFs. Benefits include collateral?free debt, enhanced lender comfort through unconditional and irrevocable guarantees, and improved flow of formal credit to innovative startups across sectors and stages. It offers 85% guarantee coverage for credit facilities up to Rs. 10 crore and 75% guarantee coverage for facilities up to Rs. 20 crore.

Eligibi

Who Can Apply: 1. The Legal Status of the applicant should be: an entity recognised as a Startup by DPIIT as per the applicable Gazette Notifications. 2. The Credit History of the applicant should be: not in default to any lending or investing institution and not classified as a Non Performing Asset as per RBI guidelines. 3. The Certification requirement of the applicant should be: its eligibility must be certified by the concerned Member Institution for the purpose of obtaining guarantee cover. 4. The Nature of activity of the applicant should be: engaged in eligible startup business activities as per DPIIT recognition, and continuing the activity for which the credit facility is being sought. 5. Any other: The applicant must comply with all other eligibility criteria and scheme conditions prescribed under the Credit Guarantee Scheme for Startups (CGSS) from time to time.
Exclusions: None

Schem

details: 1. Provides collateral free debt funding to eligible DPIIT recognised startups by backing their loans with a government guarantee. 2. Improves access to a wide range of instruments such as venture debt, working capital limits, subordinated/mezzanine debt, debentures and other fund and non fund based facilities. 3. Offers high guarantee coverage of up to 85% of the amount in default for loans up to Rs. 10 crore, significantly reducing loss risk for lenders on smaller exposures. 4. Provides 75% guarantee coverage of the amount in default for loan amounts above Rs. 10 crore, up to an overall cap of Rs. 20 crore per borrower. 5. Lowers risk for Member Institutions (banks, NBFCs, FIs, AIF based venture debt funds), encouraging them to lend more actively to startups. 6. Supports both transaction based and umbrella based guarantees, enabling individual startup loans as well as pooled venture debt portfolios to be covered. 7. Offers concessional guarantee fee/commitment charge for North East units, women led startups and entities in the 27 Champion Sectors, reducing their effective cost of borrowing. 8. Provides unconditional and irrevocable guarantee cover, increasing lender confidence and stability in credit flows to startups. 9. Permits restructuring and enhancement of existing CGSS covered credit facilities while retaining guarantee cover, subject to the overall limit. 10. Strengthens the startup ecosystem by improving formal credit availability, enabling innovative startups to scale, invest in technology and create employment.

4689. Pradhan Mantri Kaushal Vikas Yojana 4.0- Special Projects

Primary Category: Skill Development & Training | State: All | Govt: Central Government | Ministry: Ministry Of Skill Development And Entrepreneu

Secondary: Financial Assistance, Women & Girls, Employment & Jobs | Benefits: Financial Assistance, Loan, Insurance, Training, Employment, Food/Nutrition

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: SC/ST

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/pmkvy-sp

Description:
Launched in 2015, with its 4.0 phase being implemented between Financial Year 2022 and Financial Year 2026, the scheme "Pradhan Mantri Kaushal Vikas Yojana 4.0 - Special Projects" by the Ministry of Skill Development and Entrepreneurship, Government of India, aims to meet the skilling needs of marginalized and vulnerable groups, difficult geographies, and specialized training courses that are likely to be offered outside of regular short-term skilling programmes, and can also focus on new-age job roles with future skills. Through this scheme, project-based short-term skilling initiatives -

which can be residential or non-residential and may avail certain exemptions granted with the approval of the Executive Committee are provided to marginalised and vulnerable groups and candidates in difficult geographies that require special attention. The scheme is implemented by the National Skill Development Corporation (NSDC), which supports the Ministry of Skill Development and Entrepreneurship (MSDE), and is delivered on the ground through Special Projects Implementing Agencies (SPIAs). > **Objectives of Pradhan Mantri Kaushal Vikas Yojana 4.0** - The scheme promotes an enabling ecosystem for the youth to get skilled and choose a career path aligned with their abilities and aspirations. - The scheme enables delivery of skill training in a market-oriented and demand-driven manner, with emphasis on improving the employability of candidates. - The scheme simplifies processes of the skill ecosystem by leveraging technology and digitalisation. - The scheme enhances access to skilling by setting up skill development infrastructure in remote and difficult geographies such as hilly terrain, Left-Wing Extremism (LWE)-affected areas, and border areas, by designing special projects. - The scheme improves inclusivity by ensuring that Scheduled Caste (SC), Scheduled Tribe (ST), women, and other marginalised communities can undertake skill training and access gainful wages and self-employment. - The scheme provides an opportunity for lifelong skilling through upskilling and reskilling to address the dynamic needs of the ever-changing market. - The scheme ensures quality training delivery through trained pedagogy, standardised assessments, and industry-relevant curriculum. - The scheme facilitates enhanced employability through training in transferable skills and incentives for employment generation. - The scheme provides candidate-centric training with emphasis on industry-relevant skills.

Eligibi

Who Can Apply: 1. The applicant should be of Indian nationality. 1. The applicant should possess a valid Aadhaar. 1. The applicant should fulfil the eligibility criteria of the respective job role. 1. The applicant should be in the age group of 15 to 45 years. 1. The applicant should belong to a marginalised or vulnerable group, or another group requiring special attention, or should be undertaking job roles with a focus on future skills. Exclusions: 1. The applicant should not be enrolled again in the same job role in which he/she was trained earlier. 1. The applicant, if already certified once under PMKVY, will be discouraged from opting for a lower National Skills Qualification Framework (NSQF) level course in the same sector; however, a higher job role in the same sector is permitted.

Schem

details: The following benefits are provided to candidates under Special Projects: 1. **Base Training Cost:** Provided as per the rationalised hourly base cost of Rs. 27.89 per hour.1. **Free Short-Term Skill Training:** On-the-Job Training (OJT) is provided in applicable job roles for practical, live-work exposure.1. **Uniform, Induction Kit, and Participant Handbook:** Maximum up to Rs. 500 per candidate. The induction kit consists of a T-shirt (Male) or Jacket (Female) and a bag.1. **Assessment and Certification:** Rs. 600 per assessment per candidate, funded under the scheme. Every candidate is offered one free-of-charge chance of re-assessment.1. **Boarding, Lodging, and Transportation:** Provided to special groups (Women and Persons with Disability) and Special Areas, and may also be extended for training in Aspirational, Border, Tribal-dominated, and LWE-affected districts. Special Projects may also be taken up with fully residential training.1. **Conveyance / Transportation Cost:** Permissible for Women and Persons with Disability (PwD) in case of non-residential training, as per Common Norms.1. **Additional Support to Persons with Disability (PwD) Candidates:** Rs. 5,000 towards assistive devices, aids, and appliances.1. **Accidental Insurance:** Every certified candidate is provided with 1-year accidental insurance, as per prevailing rates (Rs. 14.16).1. **Aadhaar Enabled Biometric Attendance System (AEBAS) Transaction Fees:** Up to Rs. 10 per user, borne under the scheme.1. **Post-Certification Tracking Support:** Information Technology (IT)-based tracking for up to 1 year from the date of certification, with an allowance of up to Rs. 50 per certified candidate.1. **Certification:** A Quick Response (QR) code-based digital certificate is issued (on DigiLocker, on email/phone number, and on the Skill India Digital profile), and one printed certificate is provided free of cost by the Training Provider.1. **Post-Certification Linkages:** Certified candidates are linked with Rojgar Melas (including virtual) and Apprenticeship Melas and gain access to jobs, apprenticeship opportunities, and loans for entrepreneurship through Skill India Digital.

Requi

Documents: None
Application Process: how_to_apply: Online https://www.skillindia.gov.in/ Stage 1: The applicant first registers on the Skill India Digital (SID) platform or the mobile application developed for the purpose; profile verification is completed through mobile-based OTP / eKYC, and a de-duplication check is carried out. Stage 2: The applicant is counselled by the PIA/trainer on areas including a brief about MSDE, the Skill India programme, and RPL processes; eligibility for RPL certification; benefits and how to avail them; possible career progression (vertical and horizontal); and employment opportunities. The Induction Video on RPL is also shown at this stage. Stage 3: A de-duplication check is carried out against the data available in the Skill India Digital database, so that the applicant is not enrolled again in the same job role in which he/she was trained earlier. Stage 4: The applicant's profile is completed, with existing details fetched from other portals such as e-Shram and National Career Services (NCS). Stage 5: The applicant avails online counselling offered through Skill India Digital to select an appropriate course and Training Centre. Stage 6: The applicant selects the nearest Training Centre based on the availability of the preferred job role and the quality of training infrastructure (rating, centre profile), or is mapped automatically through logic-based mapping to the nearest Training Centre. Stage 7: On selection and enrolment, the applicant undergoes training, followed by On-the-Job Training (OJT) in applicable job roles. Stage 8: The applicant appears for assessment by an NCVET-approved Awarding Body / Assessment Agency after completion of On-the-Job Training, requiring more than 70% biometric attendance to be eligible. Stage 9: On successful completion, the applicant is awarded a Quick Response (QR) code-based digital certificate, issued via DigiLocker, an email/phone download link, and the Skill India Digital profile page, along with one printed certificate provided free of cost by the Training Provider. **Stage 1:** The applicant first registers on the [Skill India Digital (SID)](https://www.skillindiadigital.gov.in/home) platform or the mobile application developed for the purpose; profile verification is completed through mobile-based OTP / eKYC, and a de-duplication check is carried out. **Stage 2:** The applicant is counselled by the PIA/trainer on areas including a brief about MSDE, the Skill India programme, and RPL processes; eligibility for RPL certification; benefits and how to avail them; possible career progression (vertical and horizontal); and employment opportunities. The Induction Video on RPL is also shown at this stage. **Stage 3:** A de-duplication check is carried out against the data available in the Skill India Digital database, so that the applicant is not enrolled again in the same job role in which he/she was trained earlier. **Stage 4:** The applicant's profile is completed, with existing details fetched from other portals such as e-Shram and National Career Services (NCS). **Stage 5:** The applicant avails online counselling offered through Skill India Digital to select an appropriate course and Training Centre. **Stage 6:** The applicant selects the nearest Training Centre based on the availability of the preferred job role and the quality of training infrastructure (rating, centre profile), or is mapped automatically through logic-based mapping to the nearest Training Centre. **Stage 7:** On selection and enrolment, the applicant undergoes training, followed by On-the-Job Training (OJT) in applicable job roles. **Stage 8:** The applicant appears for assessment by an NCVET-approved Awarding Body / Assessment Agency after

completion of On-the-Job Training, requiring more than 70% biometric attendance to be eligible. **Stage 9:** On successful completion, the applicant is awarded a Quick Response (QR) code-based digital certificate, issued via DigiLocker, an email/phone download link, and the Skill India Digital profile page, along with one printed certificate provided free of cost by the Training Provider.

4690. Maulana Abul Kalam Azad Trophy Scheme

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry Of Youth Affairs & Sports

Secondary: Scholarship & Education, Skill Development & Training | Benefits: Financial Assistance, Training, Infrastructure Support | Beneficiaries: Students,

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/makats

Description:

The Maulana Abul Kalam Azad (MAKA) Trophy instituted in year 1956-57 is a rolling trophy awarded by the Ministry of Sports to the overall top performing University in sports of the preceding year for promoting competitive sports in the university sector with a view to arouse keen interest among students and motivate teams to take up competitive sports. The selection for overall top performing University in sports for award of MAKA Trophy will be done in terms of the guidelines given in MAKA Trophy scheme. For MAKA Trophy 2022, sports achievements will be considered for the preceding year from 01st April, 2021 to 31st March, 2022. Universities recognized by Government/UGC are only eligible for nomination under this scheme. As per MAKA Trophy scheme, sports disciplines to be considered for the MAKA Trophy award will be based on the following conditions: (i) The sports disciplines should be recognized by the Ministry of Youth Affairs & Sports; and (ii) The sports disciplines should also be part of Olympics/ Asian Games/ Commonwealth Games; (iii) Apart from the above, the following three sports disciplines are included based on popularity /indigenous games:(a) Chess (b) Kho-Kho and (c) Cricket. **OBJECTIVES:** (i) To promote competitive sports and games among Colleges and Universities; (ii) To recognize and honor those Universities which have shown best performance in sports and games; (iii) To motivate Universities for broad-basing and promotion of excellence in sports; (iv) To integrate sports and physical fitness in colleges and Universities; (v) To encourage dope-free sports culture amongst youth and students.

Eligibi

Who Can Apply: **ELIGIBILITY FOR UNIVERSITIES** Universities recognized by Government/UGC are only eligible for nomination under this scheme. **ELIGIBLE SPORTS DISCIPLINES** Sports disciplines to be considered for the MAKA Trophy Award will be based on the following conditions: 1) The sports disciplines should be recognized by the MYAS; and 2) The sports disciplines should also be part of Olympics/Asian Games/Commonwealth Games. 3) Apart from the above, the following three sports disciplines are included based on popularity / indignity: (i) Chess, (ii) Kho-kho, (iii) Cricket
Exclusions: None

Schem

details: > **Top 3 (three) recognized Universities on the basis of overall marks secured will be awarded. The amount of cash prizes is mentioned below respectively:** **1st position:** Rs. 15,00,000/- (Rupees Fifteen Lakh Only) **2nd position:** Rs. 7,50,000/- (Rupees Seven Lakh Fifty Thousand Only) **3rd position:** Rs. 4,50,000/- (Rupees Four Lakh Fifty Thousand Only) **Note:** The cash award money received by the winning Universities under the Scheme should be spent for promotion of sports including opening of Centre of Excellence, creation/upgradation of infrastructure, training of athletes, cash award to sportspersons, etc.

Application Process: how_to_apply: Online https://dbtyas-sports.gov.in/ Step 1: The applicant will open the website https://dbtyas-sports.gov.in/ to register and apply for Online Schemes of the Department of Sports. Step 2: The applicant will click on the 'Registration' tab to start the one-time registration process. Here the applicant will fill in the required personal details including verification of their mobile number through OTP. (Registration Type, Organization Name, Individual Name, Address, State, City, District, Block, Village, Pin Code, Email, Mobile Number) Step 3: After successful registration, the applicant will get the message that the login credentials have been sent to the registered email ID. Step 4: The applicant will use the login credentials received on the registered email ID to login into the online portal. Please remember to refresh the captcha before clicking on the login button. Step 5: After first-time login, the applicant will be required to update their other basic details. After filling in the details click on the 'Update' button and the profile will be successfully updated. Step 6: The applicant will click on the 'Schemes' tab and apply for the desired scheme. **Step 1:** The applicant will open the website https://dbtyas-sports.gov.in/ to register and apply for Online Schemes of the Department of Sports. **Step 2:** The applicant will click on the 'Registration' tab to start the one-time registration process. Here the applicant will fill in the required personal details including verification of their mobile number through OTP. (Registration Type, Organization Name, Individual Name, Address, State, City, District, Block, Village, Pin Code, Email, Mobile Number) **Step 3:** After successful registration, the applicant will get the message that the login credentials have been sent to the registered email ID. **Step 4:** The applicant will use the login credentials received on the registered email ID to login into the online portal. Please remember to refresh the captcha before clicking on the login button. **Step 5:** After first-time login, the applicant will be required to update their other basic details. After filling in the details click on the 'Update' button and the profile will be successfully updated. **Step 6:** The applicant will click on the 'Schemes' tab and apply for the desired scheme.

4691. Khelo India Scheme: Promotion of Inclusiveness through Sports

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry Of Youth Affairs & Sports

Secondary: Scholarship & Education, Women & Girls, Skill Development & Training | Benefits: Scholarship, Financial Assistance, Loan, Training, Equipment, F

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/kispits

Description:

The "Promotion of Inclusiveness through Sports" component of the "Khelo India Scheme" implemented by the Department of

Sports, Ministry of Youth Affairs and Sports, Government of India, to promote social inclusion, gender equity, peace, and sports participation through targeted interventions for women, persons with disabilities, rural and indigenous communities, and youth in disturbed areas. The component recognizes the role of sports in community development, healthy lifestyles, and national integration. It operates through four sub-components: Sports for Peace and Development, Promotion of Rural and Indigenous/Tribal Games, Promotion of Sports among Persons with Disabilities, and Promotion of Sports among Women. Financial assistance, infrastructure support, competitions, training, coaching, scholarships, and promotional activities are provided under the component. The component is implemented in coordination with sports federations, government agencies, the Sports Authority of India, and other stakeholders.

Eligibi

Who Can Apply: > **Sports for Peace and Development:** - The organization/institution must be involved in organizing sporting activities in eligible States, Union Territories, or districts affected by terrorism, extremism, disturbances, or located along international land borders. - The organization/institution must submit a proposal through the prescribed appraisal and approval mechanism under the scheme. > **Promotion of Rural and Indigenous/Tribal Games:** - The sports federation, sports association, stakeholder, or Non-Governmental Organization (NGO) must be engaged in the promotion of rural, indigenous, or tribal games. - The organization must submit proposals through the Sports Department of the concerned State or Union Territory for grants-in-aid. - The organization must be involved in organizing competitions, promotional activities, training programmes, or development initiatives related to recognized indigenous games. > **Promotion of Sports among Persons with Disabilities:** - The State Government, Union Territory Administration, Sports Authority of India (SAI), recognized sports body, federation, or organization must be engaged in promoting sports among persons with disabilities. - The organization must coordinate with recognized bodies such as the Para Olympics Committee of India (PCI), Special Olympics Bharat (SOB), All India Sports Council of Deaf (AISCD), or other relevant agencies, where applicable. - The organization must submit proposals for infrastructure development, training programmes, competitions, coaching development, equipment support, athlete classification, or athlete preparation. > **Promotion of Sports among Women:** - The Indian Olympic Association (IOA), National Sports Federation (NSF), Government Agency, sports organization, or other stakeholder must be involved in promoting sports among women. - The organization must submit proposals through the Sports Department of the concerned State or Union Territory for grants-in-aid, where applicable. - The organization must organize competitions, leagues, awareness programmes, coaching initiatives, leadership development activities, or other programmes aimed at increasing women's participation in sports.
Exclusions: None

Schem

details: > **Sports for Peace and Development:** - Support for sports competitions in terrorism, extremism-affected, disturbed, and border areas. - Provision of coaches, sports equipment, consumables, and technical support. - Boarding, lodging, and travel support for participants during competitions. - Promotion of village-level sports competitions for youth engagement. - Enhancement and utilization of sports infrastructure in eligible areas. > **Promotion of Rural and Indigenous/Tribal Games:** - Financial assistance for organizing national, state-level, and local competitions. - Support for promotion of indigenous games such as Mallakhamb, Kalaripayattu, Gatka, Thang-Ta, and Silambam. - Assistance for organizing demonstrations and awareness activities. - Support through Ek Bharat Shrestha Bharat sports events. - Opportunity for talented players to be selected as Khelo India Athletes. - Establishment of Khelo India Centres for recognized indigenous games. - Accreditation support for traditional academies and training centres. - Development of interactive platforms for dissemination of information on traditional games. - Support for publication of books and creation of educational content on indigenous games. > **Promotion of Sports among Persons with Disabilities:** - Specialized sports infrastructure for persons with disabilities. - Equipment support and athlete classification assistance. - Establishment of training centres for athletes with disabilities. - Training and development of Indian classifiers. - Support for coaching development programmes. - Scholarships for coaching diploma courses. - Support for national and international competitions, including Paralympic preparation. - Development of coaching, sports science, and nutrition programmes for para-athletes. - Creation of international-standard classification facilities. > **Promotion of Sports among Women:** - Financial assistance for women's sports competitions and leagues. - Support for international and national-level women's competitions. - Promotion of participation in sports with lower female representation. - Awareness activities related to health, fitness, and sports participation. - Scholarships for women pursuing sports coaching courses. - Leadership development opportunities in coaching and sports administration. - Gender sensitisation campaigns for athletes, coaches, and support staff. - Workshops on safety, welfare, and legal protection of women athletes.

Application Process: how_to_apply: Step 1: The eligible organization identifies the relevant sub-component and proposed activity. Step 2: The applicant prepares a detailed proposal as per the scheme guidelines. Step 3: The proposal is submitted through the concerned Sports Department of the State or Union Territory, wherever applicable. Step 4: The proposal is appraised by the Project Appraisal Committee (PAC). Step 5: The proposal is placed before the Departmental Project Approval Committee (DPAC) for approval. Step 6: Upon approval, financial assistance and support are released as per sanctioned activities. Step 7: The implementing organization conducts the approved activities and utilizes funds according to scheme guidelines. Offline **Step 1:** The eligible organization identifies the relevant sub-component and proposed activity. **Step 2:** The applicant prepares a detailed proposal as per the scheme guidelines. **Step 3:** The proposal is submitted through the concerned Sports Department of the State or Union Territory, wherever applicable. **Step 4:** The proposal is appraised by the Project Appraisal Committee (PAC). **Step 5:** The proposal is placed before the Departmental Project Approval Committee (DPAC) for approval. **Step 6:** Upon approval, financial assistance and support are released as per sanctioned activities. **Step 7:** The implementing organization conducts the approved activities and utilizes funds according to scheme guidelines.

4692. Scheme for Promotion of Culture of Science: Science Centre (Category-I, Category-II, Category-III)

Primary Category: Financial Assistance | State: All | Govt: Central Government | Ministry: Ministry Of Culture

Secondary: Scholarship & Education, Skill Development & Training, Business & Entrepreneurship | Benefits: Financial Assistance, Training, Equipment, Food/

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/spocs123

Description:

The component "Science Centres - Category-I, Category-II, Category-III" under the Scheme for Promotion of Culture of Science by the Ministry of Culture, Government of India aims to provide the scope of "doing science" by adopting a hands-on approach, offering the visitor a number of experimental options through which they can discover scientific concepts themselves. Through this component, financial assistance towards capital cost and corpus fund is provided to State Governments, Union Territories, and the Societies/Authorities promoted by them, under three categories based on the population of the city or town. This mode of education has so far proved to be very effective in supplementing formal science education in the country. The component is implemented by the National Council of Science Museums. > **Objectives:** - To portray the growth of science and technology and their application in industry and human welfare, with a view to developing a scientific attitude and temper. - To create awareness and enhance public understanding, appreciation and engagement of the public in the process of Science and Technology. - To popularise science and technology by organising exhibitions, seminars, popular lectures, science camps and various other programmes. - To supplement science education given in schools and colleges, and to organise out-of-school educational activities. - To design, develop and fabricate science museum exhibits, demonstration equipment and scientific teaching aids. - To organise training programmes for science teachers, students, young entrepreneurs, technicians, physically challenged persons, housewives and others.

Eligibi

Who Can Apply: 1. The applicant should be a State Government, a Union Territory, or a Society/Authority promoted by the State/Union Territory Government. 1. The applicant proposing a Category 1 Science Centre should locate it in a city or town with a population of 15,00,000 or more. 1. The applicant proposing a Category 2 Science Centre should locate it in a city or town with a population between 5,00,000 and 15,00,000. 1. The applicant proposing a Category 3 Science Centre should locate it in a city, town or location with a population of less than 5,00,000. 1. The applicant proposing a Category 1 Science Centre should provide a minimum of 7.0 acres of land. 1. The applicant proposing a Category 2 Science Centre should provide a minimum of 5.0 acres of land. 1. The applicant proposing a Category 3 Science Centre should provide a minimum of 2.0 acres of land. 1. The applicant should ensure that the land is preferably centrally located, easily accessible, fully developed, without any low-lying area, of fairly regular shape, and secured with a boundary wall without any encumbrances. 1. The applicant State Government/Union Territory should give a commitment to provide free land and funds as per norms. 1. The applicant should employ adequate professional staff for operation and management. 1. The applicant should obtain all other statutory clearances and approvals required by the local authorities. 1. The applicant should choose the land in consultation with, and with the approval of, NCSM. 1. The applicant should ensure that the land is free from all encumbrances and encroachment. 1. The applicant should ensure that electricity, water, sewerage connection and telecommunication facility are available in the nearby vicinity. 1. The applicant should ensure that the land has good road connectivity for easy access and transport. 1. The applicant should not change the land once offered; if any such incident is noticed after release of grant, the released amount shall be recovered with the applicable rate of interest. 1. The applicant should provide provisions for the solar rooftop in the Detailed Project Report. 1. The applicant should ensure that buildings are designed keeping in view applicable fire safety norms of the location and the National Building Code. 1. The applicant should sign a Memorandum of Understanding with NCSM for implementation, if the project is undertaken and implemented by NCSM. > **Preference/Priority/Relaxation:** - For Category 2 Science Centres in the North East region, hilly terrains and island territories, 2.5 to 3.0 acres of land will be acceptable provided the land has good vicinity and accessibility. - In case the land is located in the heart of the city where land availability is scarce, the land requirement may be relaxed in the case of science centres. The building may be constructed in multiple stories utilising the available Floor Space Ratio of the location. However, the Science Park shall be an integral part of the science centre. - Under Type B operational mode, State Governments/Union Territory administrations desirous of having more than one science centre, or wanting accelerated development of Science Centres, shall be given priority, provided they agree to bear the entire operating cost of the centre after it is developed and handed over to the States/Union Territories. - Under Type C, State Governments agreeing to fully fund the science centre project, provide land and other required facilities, and operate and manage them shall be accorded priority. - Under Type A, priority areas and locations/regions where Science Centre activities have not yet started may be considered for full funding from the Ministry of Culture. - The eligibility criteria of population, land, funding pattern, and feasibility and financial viability may be relaxed and/or modified in special cases/circumstances by the Honourable Chief Minister, Government of India, as stated in the document. - In construction, priority/preference may be given to local material, labour and expertise; use of renewable energy and energy-saving devices may be given top preference.
Exclusions: 1. Under Type A funding, in no case will more than one Science Centre be set up in any State/Union Territory in future under the scheme. 1. In States/Union Territories where NCSM centres already exist, the provision of full funding under Type A shall not be applicable. 1. The principal of the corpus fund shall in no case be utilised for any activity.

consider providing full funding for such Centres through NCSM. In no case will more than one Science Centre be set up in any State/Union Territory in future under the scheme. In States/Union Territories where NCSM centres already exist, such provision shall not be applicable. - Under Type B funding, the capital cost for a Science Centre (Category 1, 2 and 3) is shared on a 50:50 basis, except for the North Eastern Region including Sikkim, where it is shared on a 90:10 basis. The corpus fund is shared 20:80. - Under Type C funding, the State Government/Union Territory fully funds the project and sets it up with technical support from NCSM against payment of consultancy charges. - The corpus fund meets the operational deficit funding. The principal shall in no case be utilised for any activity. Not more than 85 per cent of the interest can be utilised to meet the operational deficit after inauguration, and a minimum of 15 per cent is to be added back to the corpus fund. - Pile foundation, if required, will be considered after getting the Soil Test Report; the additional cost is entirely borne by the State Government. - Third-party quality assurance charges at 1 per cent of the estimated cost are entirely borne by the State Government. - Escalation of project cost is governed by the successive cost index over DPAR-2019 as published by the Central Public Works Department. - The Mobile Science Exhibition bus facility will be added to the Science Centre only on allotment of a separate budget by the State Government/Union Territory. > **Indicative Break-up of the Capital Cost:** - **Category I:** Expenditure on Building construction works - Grand Total Rs. 23.07 crore, for a Science Centre of 4,000 square metres minimum. Expenditure on Exhibits, Equipment and Stores - Grand Total Rs. 8.43 crore, which includes three thematic galleries of approximately 600 square metres with 50 exhibits each (Rs. 3.75 crore), Science Park of approximately 4 acres with pathway and 50 required exhibits (Rs. 1.00 crore), inflatable dome planetarium system called Taramandal (Rs. 0.10 crore), fully functional exhibit development laboratory (Rs. 0.25 crore), other facilities like Computer training area, Library, Conference Room, Stores and Office (Rs. 0.80 crore), training of required staff members and other miscellaneous expenses (Rs. 0.15 crore), 3D theatre facility with equipment and furniture (Rs. 1.00 crore), miscellaneous building or auditorium furnishing, signage and murals (Rs. 0.25 crore), and salary and Travelling Allowance/Daily Allowance of project staff (Rs. 1.130 crore). Corpus Fund at 30 per cent of the project cost.- **Category 2:** Expenditure on Building construction works - Grand Total Rs. 12.60 crore, for a Science Centre of 2,000 square metres minimum. Expenditure on Exhibits, Equipment and Stores - Grand Total Rs. 4.50 crore, which includes two thematic galleries of approximately 250 square metres with 25 exhibits (Rs. 2.00 crore), Science Park of approximately 3 acres with pathway and required exhibits (Rs. 0.80 crore), inflatable dome planetarium system (Rs. 0.10 crore), fully functional exhibit development laboratory (Rs. 0.20 crore), other facilities like Computer training area, Library, Conference Room, Stores and Office (Rs. 0.40 crore), and salary and Travelling Allowance/Daily Allowance of project staff (Rs. 1.00 crore). Corpus Fund at 30 per cent of the project cost.- **Category 3:** Expenditure on Building construction works - Grand Total Rs. 3.55 crore, for a Science Centre of 500 square metres minimum. Expenditure on Exhibits, Equipment and Stores - Grand Total Rs. 1.55 crore, which includes one Fun Science Gallery of approximately 100 square metres with 20 exhibits (Rs. 0.50 crore), setting up of Temporary Exhibition cum Multipurpose hall of approximately 100 square metres (Rs. 0.40 crore), Innovation and Activity Centre (Rs. 0.50 crore), and salary and Travelling Allowance/Daily Allowance of project staff (Rs. 0.15 crore). Corpus Fund at 30 per cent of the project cost. > **Mode of Disbursement:** - For a Science Centre set up under **Type A** and **Type B**, NCSM will complete the Science Centre on a turn-key basis, including construction and commissioning, and hand over the project after completion to the State Government/Union Territory. NCSM shall start the construction work only after the share of funding is received from the State/Union Territory Government.- For a Science Centre set up under **Type C**, the State Government/Union Territory shall do the construction of the building as per inputs from NCSM and develop the Science Park as per the advice of NCSM. NCSM shall provide technical and professional support at cost and consultancy charges to the State/Union Territory Government for the project. > **Frequency of Disbursement - Year-wise Utilization of Capital Expenditure:** > **Category 1: 40 per cent in the first year, 40 per cent in the second year and 20 per cent in the third year:** - All locations other than North East including Sikkim/hilly terrain and island territories: Government of India releases Rs. 6.30 crore, Rs. 6.30 crore and Rs. 3.15 crore, totalling Rs. 15.75 crore capital, plus a maximum corpus of Rs. 1.90 crore, making Rs. 17.65 crore. The State/Union Territory Government is to release Rs. 23.35 crore upfront, including the minimum share of corpus fund of Rs. 7.60 crore. - North East region including Sikkim: Government of India releases Rs. 13.61 crore, Rs. 13.61 crore and Rs. 6.80 crore, totalling Rs. 34.02 crore capital, plus a maximum corpus of Rs. 2.26 crore, making Rs. 36.28 crore. The State/Union Territory Government is to release Rs. 12.82 crore upfront, including the minimum share of corpus fund of Rs. 9.04 crore. - Hilly terrains and island territories other than the above: Government of India releases Rs. 7.56 crore, Rs. 7.56 crore and Rs. 3.78 crore, totalling Rs. 18.90 crore capital, plus a maximum corpus of Rs. 2.26 crore, making Rs. 21.16 crore. The State/Union Territory Government is to release Rs. 27.94 crore upfront, including the minimum share of corpus fund of Rs. 9.04 crore. > **Category 2:** **40 per cent in the first year, 40 per cent in the second year and 20 per cent in the third year:** - All locations other than North East, including Sikkim: Government of India releases Rs. 3.42 crore, Rs. 3.42 crore and Rs. 1.71 crore, totalling Rs. 8.55 crore capital, plus a maximum corpus of Rs. 1.03 crore, making Rs. 9.58 crore. The State/Union Territory Government is to release Rs. 12.67 crore upfront, including the minimum share of corpus fund of Rs. 4.12 crore. - North East regions including Sikkim: Government of India releases Rs. 7.38 crore, Rs. 7.38 crore and Rs. 3.69 crore, totalling Rs. 18.45 crore capital, plus a maximum corpus of Rs. 1.24 crore, making Rs. 19.69 crore. The State/Union Territory Government is to release Rs. 7.01 crore upfront, including the minimum share of corpus fund of Rs. 4.96 crore. - Hilly terrains and island territories other than the above: Government of India releases Rs. 4.10 crore, Rs. 4.10 crore and Rs. 2.05 crore, totalling Rs. 10.25 crore capital, plus a maximum corpus of Rs. 1.24 crore, making Rs. 11.49 crore. The State/Union Territory Government is to release Rs. 15.21 crore upfront, including the minimum share of corpus fund of Rs. 4.96 crore. > **Category 3:** **60 per cent in the first year and 40 per cent in the second year:** - All locations other than North East, including Sikkim: Government of India releases Rs. 1.53 crore and Rs. 1.02 crore, totalling Rs. 2.55 crore capital, plus a maximum corpus of Rs. 0.31 crore, making Rs. 2.86 crore. The State/Union Territory Government is to release Rs. 3.79 crore upfront, including the minimum share of corpus fund of Rs. 1.24 crore. - North East regions including Sikkim: Government of India releases Rs. 3.30 crore and Rs. 2.19 crore, totalling Rs. 5.49 crore capital, plus a maximum corpus of Rs. 0.37 crore, making Rs. 5.86 crore. The State/Union Territory Government is to release Rs. 2.09 crore upfront, including the minimum share of corpus fund of Rs. 1.48 crore. - Hilly terrains and island territories other than the above: Government of India releases Rs. 1.83 crore and Rs. 1.22 crore, totalling Rs. 3.05 crore capital, plus a maximum corpus of Rs. 0.37 crore, making Rs. 3.42 crore. The State/Union Territory Government is to release Rs. 4.53 crore upfront, including the minimum share of corpus fund of Rs. 1.48 crore. > **Expected Time of Completion:** - Completion time from the date of issue of Letter of Intent for the construction work: Category 1 - 42 months; Category 2 - 36 months; Category 3 - 30 months. - Project timeline from the date of placing of order for construction of building: - Category 1: Construction of Building - 27 months; Development of Science Park - 12 months; Fabrication of exhibits - 30 months; Installation of exhibits - 9 months after completion of other facilities; Opening of the centre - 42 months approximately. - Category 2: Construction of Building - 21 months; Development of Science Park - 12 months; Fabrication of exhibits - 24 months; Installation of exhibits - 6 months after completion of other facilities; Opening of the centre - 36 months approximately. - Category 3: Construction of Building - 21 months; Fabrication of exhibits - 18 months; Installation of exhibits/Innovation and creative corner facility - 8 months after completion of other facilities; Opening of the centre -

30 months approximately. > **Validity/Post-Sanction Obligations:** - Over a period of 5 years from opening, the Science Centre should strive to generate at least 50 per cent of its operating cost, achieve an annual visitors footfall of around 2,50,000 for Category 1 (2,00,000 for the North East Region), around 1,50,000 for Category 2 (75,000 for the North East Region) and around 30,000 for Category 3, and organize a minimum of 25 science communication activities annually, in-house and outreach.

Requi

Documents: None
Application Process: how_to_apply: Offline Step 1: Determine the Category 1 for a population of 15,00,000 or more with a minimum of 7.0 acres; Category 2 for a population between 5,00,000 and 15,00,000 with a minimum of 5.0 acres (2.5 to 3.0 acres for the North East region, hilly terrains and island territories); Category 3 for a population less than 5,00,000 with a minimum of 2.0 acres. Step 2: Decide the funding Type A (full funding from the Ministry of Culture), Type B (shared 50:50, or 90:10 for the North Eastern Region including Sikkim) or Type C (full State funding). Step 3: Select the land in consultation with, and with the approval of, the National Council of Science Museums. Step 4: Obtain the Detailed Project Report format at Annexure E , with Annexure E-1 for the Physical Report on Site. Step 5: Prepare the Detailed Project Report, including the feasibility report, demand survey, commitment of land free of cost and recurring cost, projected footfall and expected revenue generation. An incomplete Detailed Project Report will render the application liable for rejection. Step 6: Attach the mandatory documents, i.e., Copy of Registration, Memorandum of Association or Trust Deed, Letter of Support from State Government, Letter of Recommendation from District Authority, Authorisation Certificate, Commitments for space and operation, and Audited Statement of Accounts for last three years. Step 7: Submit the proposal to the Joint Secretary (Museums), Ministry of Culture, Government of India, Shastri Bhawan, New Delhi-110001 . Step 8: The proposal is considered on the basis of challenge method guidelines, as and when issued by the Government of India. Step 9: The Detailed Project Report is appraised by the Project Appraisal Committee for recommendation to the competent authority. Step 10: Obtain approval from the Government of India. Step 11: Sign the Memorandum of Understanding with the National Council of Science Museums, if implemented by it. Step 12: Form the Society immediately after approval of the project and release of the State/Union Territory share of capital cost and corpus fund; the corpus fund share is released upfront prior to commencement of works. Step 13: Construction under Type A and Type B, the National Council of Science Museums completes the centre on a turn-key basis and starts work only after the share of funding is received; under Type C, the State constructs the building as per its inputs. Step 14: Complete recruitment of core staff within 6 months of the release of funds for 18 posts for Category 1, 8 for Category 2 and 4 for Category 3. Step 15: Complete the project within 42 months for Category 1, 36 months for Category 2 and 30 months for Category 3, from the date of issue of the Letter of Intent. Step 16: Monitoring is done by an Executive Council set up by the State/Union Territory Government under Type B and Type C. Step 17: After opening, achieve the Outcome Evaluation Indicators over 5 years for at least 50 per cent of operating cost generated, annual footfall of around 2,50,000 for Category 1, 1,50,000 for Category 2 and 30,000 for Category 3, and a minimum of 25 science communication activities annually. **Step 1:** Determine the Category 1 for a population of 15,00,000 or more with a minimum of 7.0 acres; Category 2 for a population between 5,00,000 and 15,00,000 with a minimum of 5.0 acres (2.5 to 3.0 acres for the North East region, hilly terrains and island territories); Category 3 for a population less than 5,00,000 with a minimum of 2.0 acres. **Step 2:** Decide the funding Type A (full funding from the Ministry of Culture), Type B (shared 50:50, or 90:10 for the North Eastern Region including Sikkim) or Type C (full State funding). **Step 3:** Select the land in consultation with, and with the approval of, the National Council of Science Museums. **Step 4:** Obtain the Detailed Project Report format at [Annexure E](https://culture.gov.in/files/inline-documents/Revised_Guidelines_of_SPoCS_08_11_2021.pdf), with [Annexure E-1](https://culture.gov.in/files/inline-documents/Revised_Guidelines_of_SPoCS_08_11_2021.pdf) for the Physical Report on Site. **Step 5:** Prepare the Detailed Project Report, including the feasibility report, demand survey, commitment of land free of cost and recurring cost, projected footfall and expected revenue generation. An incomplete Detailed Project Report will render the application liable for rejection. **Step 6:** Attach the mandatory documents, i.e., Copy of Registration, Memorandum of Association or Trust Deed, Letter of Support from State Government, Letter of Recommendation from District Authority, Authorisation Certificate, Commitments for space and operation, and Audited Statement of Accounts for last three years. **Step 7:** Submit the proposal to the _Joint Secretary (Museums), Ministry of Culture, Government of India, Shastri Bhawan, New Delhi-110001_. **Step 8:** The proposal is considered on the basis of challenge method guidelines, as and when issued by the Government of India. **Step 9:** The Detailed Project Report is appraised by the Project Appraisal Committee for recommendation to the competent authority. **Step 10:** Obtain approval from the Government of India. **Step 11:** Sign the Memorandum of Understanding with the National Council of Science Museums, if implemented by it. **Step 12:** Form the Society immediately after approval of the project and release of the State/Union Territory share of capital cost and corpus fund; the corpus fund share is released upfront prior to commencement of works. **Step 13:** Construction under Type A and Type B, the National Council of Science Museums completes the centre on a turn-key basis and starts work only after the share of funding is received; under Type C, the State constructs the building as per its inputs. **Step 14:** Complete recruitment of core staff within 6 months of the release of funds for 18 posts for Category 1, 8 for Category 2 and 4 for Category 3. **Step 15:** Complete the project within 42 months for Category 1, 36 months for Category 2 and 30 months for Category 3, from the date of issue of the Letter of Intent. **Step 16:** Monitoring is done by an Executive Council set up by the State/Union Territory Government under Type B and Type C. **Step 17:** After opening, achieve the Outcome Evaluation Indicators over 5 years for at least 50 per cent of operating cost generated, annual footfall of around 2,50,000 for Category 1, 1,50,000 for Category 2 and 30,000 for Category 3, and a minimum of 25 science communication activities annually.

4693. Mukhya Mantri Balika Poshak Yojna

Primary Category: Women & Girls | State: Bihar | Govt: State Government | Ministry: None

Secondary: Scholarship & Education, Children & Family Welfare | Benefits: Financial Assistance | Beneficiaries: Students, Girls, Children

Gender: Female | Age: 0-18 Years | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/mmbpybb

Description:

Introduced in 2006-07, the "Mukhya Mantri Balika Poshak Yojna" aims to promote education among girl children by addressing barriers to school attendance, such as the lack of proper clothing. Under the scheme, girl students enrolled in Classes VI to VII in government schools receive a pair of school uniforms. This initiative seeks to improve enrollment, retention, and educational outcomes for girls.

Eligibi

4706. Capacity Building For Service Providers - Entrepreneurship Programme

Primary Category: Business & Entrepreneurship | State: All | Govt: Central Government | Ministry: Ministry Of Tourism

Secondary: Scholarship & Education, Financial Assistance, Employment & Jobs | Benefits: Scholarship, Financial Assistance, Loan, Training, Employment, Fo

Gender: Any | Age: None | Occupation: Student | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/cbsp-ep

Description:

The scheme "Entrepreneurship Programme" is a Suo-Moto Sub-Scheme of the Ministry of Tourism under the Umbrella Scheme of "Capacity Building for Service Providers (CBSP)". In this scheme, financial assistance is provided to the institutes (given below) to conduct entrepreneurship development programmes - 1. Government-Sponsored Tourism & Hospitality Institutes 2. Kerala Institute of Tourism & Travel Studies (KITTS) 3. India Tourism Development Corporation (ITDC) The target group are the citizens who have passed Class 8th and who are above the age of 18 years. The programme has 150 Hours of courses in the following five trades - (i) Cook - Tandoor (ii) Barman (iii) Baker (iv) Homestay (Multi-Skilled Caretaker) and (v) Halwai - Indian Sweets.

Eligibi

Who Can Apply: 1. The applicant should have passed Class 8th. 2. The applicant should be above the age of 18 years. **Note 1:** A class will have a minimum of 10 trainees and a maximum of 30. **Note 2:** In case the number of eligible candidates exceeds the requirement of a batch and there is a requirement of additional batches, the Implementing Agency will concurrently or in phases run more batches depending on its institutional capacity. **Note 3:** In case of phasing, the scheduling of candidates between batches will be on first-cum-first-admitted basis. The Implementing Agency will maintain a register of applications which will also indicate the date of receipt of each.
Exclusions: None

Schem

details: > **Benefits for the Trainees -** **COURSES** The following 150 Hours courses will be offered in the following five trades - i) Cook - Tandoor, ii) Barman, iii) Baker, iv) Homestay (Multi-Skilled Caretaker), v) Halwai - Indian Sweets Each course will also have a built-in emphasis on improving the trainees in hygiene, sanitation, behavior, and attitudes in order to enhance their market acceptability. **STIPEND** A trainee with a minimum attendance of 80% will be paid a uniform **lump-sum stipend of Rs. 1,000/-** in respect of all five courses. This amount would be payable in two equal installments: 1. The first installment would be paid after the completion of 75 hours of training. 2. The second installment would be paid only after the certified trainee submits his/her feedback on the quality of the course and his/her self-employment status to the Implementing Agency. **CERTIFICATION** The trainees with a minimum attendance of 80 % will be required to appear at the end of the course test and those who pass it successfully will be awarded a **certificate** by the implementing agency under the joint signature of the Principal/Director/Institutional Head and the Programme Coordinator. **EMPLOYMENT FACILITATION** The Implementing Agency will make conscious efforts to facilitate self-employment of the pass-outs of this Programme by assisting them in obtaining loans (e.g. Mudra), licenses/registrations, etc. Possibilities will also be explored for their deployment at Mega Tourist Destinations/circuits. The Implementing Agency will also sensitize the pass-outs about LMIS and SDMS. **Transfer of Funds** The amount paid as Stipend to the successful trainee shall be transferred only to the individual beneficiary's Aadhar-linked bank account through the PFMS. The Implementing Agency would also render a true audited account of the expenditure incurred separately on each component to the Ministry of Tourism. > **Funding to the Institute -** The Programme will be funded under the MoT's Scheme of Capacity Building for Service Providers under Suo Motu Initiatives. The detailed Type-wise breakup of costs for the courses for Baker, Halwai (Indian Sweets), Cook (Tandoor), Homestay (Multi-Skilled Caretaker) & Barman would be as follows - **Component and the Cost (in Rs. /-):** 1. Training fee, i.e. Material Cost + Trainer Cost = 5,000. 2. Course Material (Handouts) = 500. 3. Certification fee (Certificate + Evaluation charges) = 1,000. 4. Apron = 300. 5. Lunch (@ Rs.100 for 30 days) = 3,000. 6. Stipend = 1,000. Total = 10,800. Administrative Expenses (5% of 10,800/-) = 540. Grand Total = 11,340. Over and above the costs listed above, 1. Advertisements in the local papers will be reimbursed on an actual basis subject to the lowest/DAVP rates. 2. **Boarding & Lodging Costs** at the rate of Rs. 2000/- per trainee in respect of all outstation candidates for the entire duration of the course. **Funds would be released to the Implementing Agencies in two installments as per the following schedule:** 1. First Instalment Percentage of Total Cost: 30% Output Parameters: On commencement of Training Batch against validated candidates 2. Final Installment Percentage of Total Cost: 70% Output Parameters: On successful certification of the trainees and submission of Utilization Certificate and consolidated accounts

4707. Inter-state Border Areas Development Programme

Primary Category: Employment & Jobs | State: Meghalaya | Govt: State Government | Ministry: None

Secondary: Scholarship & Education, Skill Development & Training, Health & Medical | Benefits: Employment, Healthcare, Food/Nutrition, Skill Development, I

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Rural | Type: Individual | Source: https://www.myscheme.gov.in/schemes/isbadp

Description:

The aims and objectives of the Inter-State Border Areas Development Programme ISBADP are to provide facilities for the socioeconomic development of the people living along the Inter-State boundary with Assam. Projects taken up under this program are to ensure sustainability and provide value addition to any given product. As far as possible, a cluster approach is encouraged. ISBADP covers the villages within 0-10 km crow fly distance from the Inter-State boundary with Assam. Those villages located 0-5 km to the Inter-State boundary get first priority. ISBADP funds are ordinarily used to bridge critical gaps and meet the immediate needs of the people residing near the Inter-State boundary. Planning and implementation of ISBADP schemes is done on a participatory and decentralized basis through the Deputy Commissioners/ Line Departments/ Village Councils. The implementation of the ISBADP is taken up through the concerned Deputy Commissioners who hold regular meetings with line departments of their respective districts such as Power, Rural Development, Roads & Buildings, Water Supply, Social Welfare, Public Distribution, Civil Supplies, etc. in order to ensure the implementation of the ISBADP schemes in the identified Inter-State border villages.

Eligibi

Who Can Apply: 1. The scheme is applicable to the residents of the state of Meghalaya living in remote and inaccessible areas situated near the international border.

Exclusions: None

Schem

details: 1. Infrastructure Development: The ISBADP may focus on improving infrastructure such as roads, bridges, railways, and connectivity in the border areas. This can enhance accessibility, trade, and transportation in these regions. 1. Socio-economic Development: The scheme may aim to uplift the socio-economic conditions of the border areas by implementing various development projects. It can include initiatives related to education, healthcare, skill development, employment generation, and poverty alleviation. 1. Border Security Enhancement: Development programs in border areas can contribute to strengthening border security. By improving infrastructure, communication networks, and surveillance systems, the scheme can enhance the overall security apparatus in these regions. 1. Tourism Promotion: The ISBADP might support the development of tourism infrastructure and attractions in the border areas to promote tourism. This can lead to increased tourist inflow, job creation, and economic growth in these regions. 1. Cultural Exchange and Integration: Development programs can foster cultural exchange and integration between border communities. The scheme may include initiatives to preserve and promote local culture, heritage, and traditional practices, fostering harmony and mutual understanding. 1. Environmental Conservation: The ISBADP may incorporate initiatives to protect and conserve the natural resources and environment of the border areas. This can include measures for forest conservation, wildlife protection, and sustainable development practices.

4708. Chief Minister Sustainable Agriculture Irrigation Scheme - Magel Tyala Shettale (Individual Farm Pond)

Primary Category: Farmers & Agriculture | State: Maharashtra | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Loans & Credit, Rural Development | Benefits: Financial Assistance, Subsidy, Loan | Beneficiaries: Farmers, Rural Populati

Gender: Any | Age: None | Occupation: Farmer | Education: None | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/chief-minister-sustainable-agriculture-irrigation-scheme

Description:
Chief Minister Sustainable Agriculture Irrigation Scheme-Magel Tyala Shettale (Individual Farm Pond) has been launched by Ministry of Agriculture, Animal Husbandry, Dairy Development & Fishries Department, Maharashtra State in the year 2022-23 (vide G.R. Dated 29 th June, 2022) Under this scheme subsidy payable to individual farmer is minimum Rs.14433/- and maximum Rs.75000/- depending on the size of the farm pond.
 Out of total area, 82 percent area of agriculture land in the state is rainfed and is dependent on rainfall. Water stress due to uneven distribution of rains and periodic interruptions in rains leads to large reduction in crop production. Sometimes crops are also destroyed. Farm ponds, in such situation plays an important role in providing protective irrigation and reduces crop losses substantially. Considering this matter, Chief Minister Sustainable Agriculture Irrigation Scheme-Individual Farm Pond has been sanctioned by the Maharashtra State Govt. vide G.R. Dated 29th June,2022. The scheme is implemented in all districts of the state. Under this scheme the subsidy payable to individual farmer is minimum Rs 14433/- and maximum Rs 75000/- depending on the size of the farm pond. Farmers should hold at least 0.20 ha land in Kokan region, while it is 0.40 ha limit for rest of the Maharashtra. Online applications are invited from farmers under Maha-DBT portal. The scheme is implemented by selecting the beneficiaries online through Maha-DBT portal. After completion of the farm pond, the subsidy payable under the scheme is credited through the PFMS system to theAadhaar number linked bank account of the farmer. The farm ponds are of two types one being with inlet outlet and the other without inlet and outlet type. The implementation of the component "Magel TyalaShettale" under Chief Minister Sustainable Agriculture Irrigation Scheme was approved videGovernment Circular dated April 25,2023. The name "Chhatrapati Shivaji Maharaj Krishi Yojana" was given vide GR. dated 18th October 2023.

Eligibi

Requi

Documents: None
Application Process: how_to_apply: Offline Application process: Step 01: Any person or persons, desiring to purchase a Certificate, shall present an application either in person or through an authorized agent of the small savings schemes at a Post Office or Bank. The person may visit the nearest Post Office Branch or a designated bank. Step 02: Collect the applicant form or download it from the official website . Step 03: Fill out the application form and attach all the required documents. Step 04: Fill out the declaration and nomination details. Step 05 : Submit the application form with an initial amount of investment/deposit. Step 06: Upon processing your application, a KVP certificate is issued immediately. Keep the documents safe which will need at the time of maturity. Procedure for payment: Payment for the purchase of a Certificate may be made to a Post Office or Bank in any of the following modes, namely: by cash; or by locally executed cheque, pay order, or demand draft drawn in favour of the Post Master; or by presenting a duly signed withdrawal form or cheque together with the passbook for withdrawal from a Savings Account standing in a credit of the purchaser at the same Post Office or Bank. Issue of Certificates: On payment being made, except where payment is made by a cheque, pay order, or demand draft, a Certificate shall be issued immediately and the date of such Certificate shall be the date of payment. Where payment for the purchase of a Certificate is made by cheque, pay order, or demand draft, the Certificate shall not be issued before the proceeds of the cheque, pay order, or demand draft, as the case may be, are realized and the date of such Certificate shall be the date of encashment of the cheque, pay order or demand draft, as the case may be. If, for any reason a Certificate cannot be issued immediately, a provisional receipt shall be given to the purchaser which may later be exchanged for a Certificate, and in such a case the date of the Certificate shall be the date of provisional receipt. Premature closure of account: 1. The account may be prematurely closed by the account holder by filling a specified application form to the accounts office, at any time before maturity under the following circumstances, namely:- (a) on the death of the account holder in a single account, or any or all the account holders in a joint account; (b) on forfeiture by a pledgee, being a Gazetted Officer; (c) when ordered by a court. 2. On the closure of the account under sub-paragraph (1) of the scheme guideline, principal amount along with simple interest calculated at the rate applicable from time to time to Post Office Savings Account for the complete months for which the account has been held, shall be payable. 3. Notwithstanding anything contained in sub-paragraph (2) of the scheme guideline, if an account is closed any time after the expiry of two years and six months from the date of opening of the account, the amount, inclusive of interest shall be payable as per specified rate. Transfer of account: An account may be transferred from one individual to another, subject to the condition that the transferee is eligible to open an account under this Scheme, in the following cases, namely:- on the death of the account holder in case of a single account or on the death of all the account holders in a joint account, the amount shall be transferred to the legal heirs or the nominees, as the case may be; on the order of the court, the account shall be transferred from the account holder to the court or to any other individual as per the orders of the court; on pledging, the account shall be transferred in accordance with paragraph 7 of the scheme guideline; in

the event of the death of any of the account holders in a joint account, the account shall be transferred in the name of the surviving account holder or account holder, as the case may be. Payment on the death of the account holder: In the event of the death of the depositor of a single account or of all the depositors in a joint account, the deposit shall be payable to the nominee if a nomination exists or to the legal heir(s). Where there are not more than three surviving nominees or legal heirs, they may, at their option continue the account and receive the amount of deposit along with interest on maturity in the manner provided for in this scheme, as if they had opened the account themselves. Where the account is not continued under sub-paragraph (2) of the scheme guideline, it shall be closed and the amount of deposit along with interest as provided in paragraph 6 shall be repaid. On the death of one or two of the account holders in a joint account, the surviving account holder or holders, if any, shall be treated as the owner or owners of the account and such account holder or holders may continue the account under sub-paragraph (2) of the scheme guideline or close the account under sub-paragraph (3) of the scheme guideline. > **Application process:** **Step 01:** Any person or persons, desiring to purchase a Certificate, shall present an application either in person or through an authorized agent of the small savings schemes at a Post Office or Bank. The person may visit the nearest Post Office Branch or a designated bank. **Step 02:** Collect the applicant form or [download](https://www.indiapost.gov.in/VAS/DOP_PDFFiles/Savings%20Bank/Kisan%20Vikas%20Patra%20Scheme%20%202019%20English.pdf) it from the [official website](https://www.indiapost.gov.in/VAS/Pages/Form.aspx#SavingCertificates). **Step 03:** Fill out the application form and attach all the required documents. **Step 04:** Fill out the declaration and nomination details. **Step 05**: Submit the application form with an initial amount of investment/deposit. **Step 06:** Upon processing your application, a KVP certificate is issued immediately. Keep the documents safe which will need at the time of maturity. > **Procedure for payment:** Payment for the purchase of a Certificate may be made to a Post Office or Bank in any of the following modes, namely: - by cash; or - by locally executed cheque, pay order, or demand draft drawn in favour of the Post Master; or - by presenting a duly signed withdrawal form or cheque together with the passbook for withdrawal from a Savings Account standing in a credit of the purchaser at the same Post Office or Bank. > **Issue of Certificates:** - On payment being made, except where payment is made by a cheque, pay order, or demand draft, a Certificate shall be issued immediately and the date of such Certificate shall be the date of payment. - Where payment for the purchase of a Certificate is made by cheque, pay order, or demand draft, the Certificate shall not be issued before the proceeds of the cheque, pay order, or demand draft, as the case may be, are realized and the date of such Certificate shall be the date of encashment of the cheque, pay order or demand draft, as the case may be. - If, for any reason a Certificate cannot be issued immediately, a provisional receipt shall be given to the purchaser which may later be exchanged for a Certificate, and in such a case the date of the Certificate shall be the date of provisional receipt. > **Premature closure of account:** 1. The account may be prematurely closed by the account holder by filling a specified application form to the accounts office, at any time before maturity under the following circumstances, namely:- (a) on the death of the account holder in a single account, or any or all the account holders in a joint account; (b) on forfeiture by a pledgee, being a Gazetted Officer; (c) when ordered by a court. 2. On the closure of the account under sub-paragraph (1) of the scheme guideline, principal amount along with simple interest calculated at the rate applicable from time to time to Post Office Savings Account for the complete months for which the account has been held, shall be payable. 3. Notwithstanding anything contained in sub-paragraph (2) of the scheme guideline, if an account is closed any time after the expiry of two years and six months from the date of opening of the account, the amount, inclusive of interest shall be payable as per specified rate. > **Transfer of account:** An account may be transferred from one individual to another, subject to the condition that the transferee is eligible to open an account under this Scheme, in the following cases, namely:- 1. on the death of the account holder in case of a single account or on the death of all the account holders in a joint account, the amount shall be transferred to the legal heirs or the nominees, as the case may be; 1. on the order of the court, the account shall be transferred from the account holder to the court or to any other individual as per the orders of the court; - on pledging, the account shall be transferred in accordance with paragraph 7 of the scheme guideline; - in the event of the death of any of the account holders in a joint account, the account shall be transferred in the name of the surviving account holder or account holder, as the case may be. > **Payment on the death of the account holder:** - In the event of the death of the depositor of a single account or of all the depositors in a joint account, the deposit shall be payable to the nominee if a nomination exists or to the legal heir(s). - Where there are not more than three surviving nominees or legal heirs, they may, at their option continue the account and receive the amount of deposit along with interest on maturity in the manner provided for in this scheme, as if they had opened the account themselves. - Where the account is not continued under sub-paragraph (2) of the scheme guideline, it shall be closed and the amount of deposit along with interest as provided in paragraph 6 shall be repaid. - On the death of one or two of the account holders in a joint account, the surviving account holder or holders, if any, shall be treated as the owner or owners of the account and such account holder or holders may continue the account under sub-paragraph (2) of the scheme guideline or close the account under sub-paragraph (3) of the scheme guideline.

4717. Loan based Scheme for Pay and Use Community Toilets

Primary Category: Loans & Credit | State: All | Govt: Central Government | Ministry: Ministry Of Social Justice and Empowerment

Secondary: Scholarship & Education, Financial Assistance, Women & Girls | Benefits: Financial Assistance, Loan, Insurance, Employment, Food/Nutrition, Ide

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: All

Income Limit: Up To Rs. 25 Lakh | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/lbssk-spuct

Description:

The **Pay and Use Community Toilets Scheme** was**** launched by the Ministry of Social Justice and Empowerment, aims to empower Safai Karamcharis and their dependents through livelihood-linked sanitation entrepreneurship. It is a Loan Based Scheme implemented by the National Safai Karamcharis Finance and Development Corporation (NSKFDC). The Loans are extended through Channelizing Agencies (CAs) i.e. State Channelizing Agencies (SCAs), Regional Rural Banks (RRBs) and Public Sector Banks (PSBs) to the target group. The key objective of this scheme is to promote entrepreneurship among Safai Karamcharis, manual scavengers, and their dependents by providing financial assistance to set up "pay and use" community toilets. **Purpose:** 1. Provision of easy accessibility of the community latrines to the households (not having any such facilities in their houses) and for floating population in public places with high footfall e.g. bus stands, railway stations, markets etc. 1. To ensure proper maintenance of the facilities. 1. To prevent the necessity of manual scavenging. **Key Features:** 1. **Loan for Construction & Operation:** Financial assistance is provided to build and operate 10-seater community toilet units on a pay-and-use basis. 1. **Maximum Loan Amount:** Up to Rs. 25 lakh for one unit. 1. **Interest Rates:** 4% per annum; 3% for women beneficiaries; 2.5% for timely repayment. 1. **Repayment Period:** Up to 10 years, including 6 months moratorium on principal repayment.

Eligibi

Who Can Apply: Indian citizens aged 18 years or above are eligible belonging to the category of: 1. Safai Karamcharis 1. Manual scavengers 1. Dependents of the above groups Individual beneficiaries/ self-help groups from the target group of NSKFDC, through State Channelizing Agencies (SCAs), in collaboration with reputed organizations are eligible to apply for the scheme.
 Note: 1. Scavenger/Safai Karamchari and their dependents duly identified under the National Scheme for Liberation & Rehabilitation of Scavengers (NSLRS) in a survey/registered co-operative societies of Safai Karamcharis/legally constituted association/firm promoted by the target group and also all those who produce a certificate from local Revenue Officer/local Municipal Officer/Cantonment Executive Officer/Railway Officer, Head of the Govt. Departments (i.e. Schools, Colleges, Forest, Health, Education, Animal Husbandry) having rank not less than Gazetted Officer, Elected Members of Municipal Body & Pradhan of Gram Panchayats for which the State Govt. is required to issue necessary notification, Regional Managers of the Regional Rural Banks/Nationalised Banks. 1. However, under the MS Act, 2013, a person identified as Manual Scavenger in a survey need not to provide any certificate once his/her name appeared in the final list of Manual Scavengers prepared by State/UT Governments.
Exclusions: 1. Individuals who are not Safai Karamcharis, manual scavengers, or their dependents are not eligible for this scheme. 1. The scheme provides loans, not grants or subsidies. 1. Construction of private or home toilets is not allowed under this scheme. 1. The maximum loan cap is Rs. 25 lakh. Any additional cost beyond this has to be borne by the beneficiary.

Schem

details: 1. **Livelihood:** Enables Safai Karamcharis to shift from manual scavenging to a respectable, income-generating sanitation business. 1. **Collateral-Free, Low-Interest Loan:** Offers up to Rs. 25 lakh without collateral, at just 4% interest (even lower for women and timely repayment). 1. **Moratorium period:** Six Months in addition to implementation period of six months. 1. **Repayment period:** 10 Years after implementation period of 180 days and moratorium of 180 days 1. **Entrepreneurship Opportunity:** Encourages self-employment by allowing beneficiaries to construct and operate public "Pay and Use" toilet units.

Requir

Documents: None
Application Process: how_to_apply: Online https://nskfdc.nic.in/en/node/add/loan-application Loan applications are submitted by the applicants to the district offices of SCAs of NSKFDC of RRBs and Nationalised Banks. These applications are then sent to the head offices where the project proposal is appraised by SCA/RRBs/Nationalised Banks and the projects are sent back to NSKFDC along with recommendations. The Project Appraisal Committee of NSKFDC then appraises the proposals and after finding them in order places it in front of their board of directors for their approval. Once the board of directors approves the project, the letter of sanction is issued by SCAs/ RRBs/Nationalised Banks. Once all the terms and conditions have been accepted, the necessary documents and funds are then released to the concerned beneficiaries. NSKFDC released the funds with the receipt of demand being made from the SCAs/ RRBs/Nationalised Banks after taking into consideration all the parameters of release as per the Lending Policies & Guidelines (LPG) of NSKFDC. 1. 4729. National Family Benefit Scheme for BPL Families

Primary Category: Social Welfare & Other Benefits | State: Haryana | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Senior Citizens & Pension, Children & Family Welfare | Benefits: Financial Assistance, Insurance, Pension | Beneficiaries: C

Gender: Any | Age: 0-18 Years | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: BPL (Below Poverty Line) | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/nfbsbpl

Description:

The scheme "National Family Benefit Scheme for BPL Families" by the Social Justice and Empowerment Department, Government of Haryana, aims to provide financial relief of Rs. 20,000 to low-income families who lose their main earning member, thereby offering socio-economic stability in times of crisis. It targets families below the poverty line or categorized as destitute, whose deceased member was between the ages of 18 to 59 years and had no other source of income or government support. The financial benefit is granted to the new head of the family post-verification. The scheme excludes families with high-income children or members holding high-ranking positions or professional occupations. Application must be made within one year of the death of the breadwinner.

Eligibi

Who Can Apply: - The applicant should be a permanent resident of Haryana. - The applicant's name should be registered in the BPL list or classified as destitute. - The applicant should be between 18 and 59 years of age. - The applicant should not have any other source of income. - If eligible, both husband and wife are entitled to receive the benefit individually. - The applicant should not be receiving assistance or pension under any other government scheme. - The application must be submitted within one year from the date of death of the breadwinner. - The applicant must be the head of the family or a surviving family member considered the head after investigation. > **Note:** - Benefit will be given to such surviving members in the family of the deceased, who after investigation, will be considered as the head of the family. - The word family means husband/wife/minor children/unmarried daughters and dependent parents. - If any woman's parents are also living in house of her daughter and son-in-law, then that too will be considered part of the family.
Exclusions: - The applicant is ineligible if any child is a Class-I/Class-II Gazetted Officer or earns an equivalent salary. - The applicant is ineligible if the deceased's parents are income tax payers. - The applicant is ineligible if the deceased or their children are former or current MPs, MLAs, or Chairpersons of Boards/Corporations. - The applicant is ineligible if any child is a professional such as a doctor, advocate, CA, IT consultant, financial or management consultant, engineer, or architect.

Schem

details: - **Monetary Benefit:** Rs. 20,000/- (one-time assistance).

4731. PMMSY: Establishment of Medium RAS / Biofloc culture system - Haryana

Primary Category: Animal Husbandry & Fisheries | State: Haryana | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Women & Girls, Farmers & Agriculture | Benefits: Subsidy, Training, Identity Card / Certificate | Beneficiaries: Farmers, Wor

Gender: Any | Age: None | Occupation: Farmer | Education: None | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/eom

Description:
The Pradhan Mantri Matsya Sampada Yojana: Establishment of Medium RAS / Biofloc Culture System, introduced by the Ministry Of Fisheries, Animal Husbandry & Dairying, Government of India, aims to provide capital assistance to fish farmers and entrepreneurs for establishing medium-scale Recirculatory Aquaculture Systems (RAS) and Biofloc systems. These models promote high-density fish production in controlled environments, significantly reducing land and water usage. It is a centrally funded scheme with a 50:50 cost-sharing pattern between the Central and State Governments. - For RAS: Minimum 6 tanks of 30 m³ each (10 tons/crop)- For Biofloc: 25 tanks of 4 m diameter and 1 m height
