Description:

The RMEWF - Financial Assistance for Medical Treatment of Ex-Servicemen scheme is implemented by the Department of Ex-Servicemen Welfare, Ministry of Defence, Government of India.All the pensioners of Armed Forces have been provided medical cover compulsorily under ECHS wef 01 Apr 2008. However, non-pensioner ESM who were sent out of services early in their life due to organizational constraints or discharged at their own

request have no such medical cover. With ever increasing costs of health care, it becomes extremely difficult for non-pensioner ESM to combat diseases especially in old age. At such age, medical expenses push such ESM into a state of poverty and loss of dignity. The scheme to provide financial assistance to non-pensioners, who are without any other sources of income and in state of penury,was started in year 1981 with an amount depending upon nature and gravity of ailment. This was last revised in August 2023 with onetime grant of Rs 50,000/-. **Aim** The aim of this aid gratis is to provide financial assistance to non-pensioner ESM or their widow to meet routine medical expenses during the year.

Eligibi

Description:

Rainfed Area Development (RAD) scheme was launched in 2014-15 to mainstream development of rainfed areas in a sustainable manner. It adopts an area-based approach, focuses on Integrated Farming System (IFS) for enhancing productivity and minimizing risks associated with climatic variability. Under this system, crops/ cropping system is integrated with activities like horticulture, livestock, fishery, agro-forestry, apiculture etc. to enable farmers not only in maximizing farm returns for sustaining livelihood, but also to mitigate the impacts of drought, flood or other extreme weather events with the income opportunity from allied activities during crop damage. Programmatic interventions as per land capability and conducive to climatic parameters for ensuring integrated development through dissemination and adoption of rainfed technologies with greater reach in disadvantaged areas & location specific planning by way of coordination, convergence and leveraging investments from other Schemes/Missions like MGNREGA, PMKSY-WDC, RKVY, National Food Security Mission(NFSM), Mission for Integrated Development of Horticulture (MIDH), Sub Mission on Agricultural Extension (SMAE), etc. It lays emphasis on integrating various components of agriculture such as agriculture, horticulture, fishery, animal husbandry, apiculture, agro forestry, mushrooms, vermi composting, etc. to increase farm production by promoting synergies and reduce impact of adverse climatic conditions. Sustainable agricultural practices such as soil testing based nutrient management, resource conservation, use of indigenous seeds and crop selection based on agro climatic conditions are promoted. A financial assistance of up to Rs. 30,000/- per family can be given for adoption of integrated farming systems. A cluster of 100 hectare or more (contiguous or non-contiguous in difficult terrain with close proximity in a village/adjoining villages) may be adopted to derive noticeable impact of convergence and encourage local participation and for future replication of the model in larger areas. Supplementary support from this component will be admissible for gap-filling resource conservation activities under converging programmes. RAD clusters should have soil analysis/soil health card/soil survey maps to justify the interventions proposed and at least 25% of the farming system area will have to be covered under On Farm Water Management. Farming Systems recommended by ICAR's Contingency Plans and successful findings of NICRA projects shall also be considered in development of integrated project plan. Besides, creation and development of common property resources/assets/utilities like extensive livestock systems, protective irrigation infrastructure, grain bank, biomass shredders, fodder bank, group marketing etc. will be encouraged under this component. The key objectives of the Mission are as follows: ? To undertake location specific and landscape-based approach to dry-land areas to ensure natural resources conservation and sustainable use, strengthening of agriculture production systems and livelihood development through integration/convergence of schemes in an area-based approach.

? To make agriculture more productive, sustainable, remunerative and climate resilient by promoting location specific Integrated/Composite Farming Systems. ? To conserve natural resources through appropriate soil and moisture conservation measures. ? To develop capacity of farmers and stakeholders in conjunction with other ongoing Missions such as National Food and Nutrition Security Mission, National Initiative for Climate Resilient Agriculture (NICRA) etc., in the domain of climate change adaptation measures. ? To improve the productivity of rainfed farming by mainstreaming rainfed technologies refined under All India Coordinated Research Project on Dry land Agriculture (AICRPDA-NICRA) and by leveraging resources/provisions made under other Schemes/Missions like Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS), PMKSY-WDC, NFNSM, RKVY, Krishonnati Yojana, SMAE, National Mission on Natural Farming etc.

Description:

Launch on 1st April 2016, Pradhan Mantri Awaas Yojana Gramin (PMAY-G) is centre's flagship mission by the Ministry of Rural Development (MoRD), implemented by the Ministry of Housing and Urban Affairs (MoHUA). PMAY-G aims at providing a pucca house, with basic amenities, to all houseless households and those households living in kutcha and dilapidated house. PMAY-G addresses the rural housing shortage and bridges the housing deficit in rural areas of India, contributing significantly to the mission of "Housing for All". The minimum size of the houses under PMAY-G is 25 sq m including a dedicated area for hygienic cooking. As of 27th Sept 2022, 2.00 crore houses have been constructed out of the total target of 2.72 crores. The beneficiaries are identified using the Socio-Economic and Caste Census (SECC) parameters and verified by the Gram Sabhas. The amount is transferred directly to the Aadhaar-Linked Bank Account / Post-Office Account of the beneficiary. PMAY-G has been extended for another two years, i.e. till 31st March 2024. > **Aim and Objective:** PMAY-G aims to provide a pucca house with basic amenities to all houseless households and households living in kutcha and dilapidated house in rural areas by 2024. The immediate objective is to cover 1.00 Crore households in rural areas, that are houseless or living in kutcha / dilapidated house, in three years from 2016-17 to 2018-19 and enable construction of quality houses by the beneficiaries using local materials, designs and trained masons. For houses to become homes, adoption of a habitat approach through convergence is proposed.

Eligibi

Who Can Apply: The universe of eligible beneficiaries under PMAY-G will include all the houseless households living in zero, one, or two-room houses with kutcha walls and kutcha roofs (as per SECC data, and subject to the exclusion process). > **Criteria for Automatic/Compulsory Inclusion -** 1. Households without shelter 2. Destitute/ living on alms 3. Manual scavengers 4. Primitive Tribal Groups 5. Legally released bonded laborer > **Prioritisation within the Universe** i. There will be multilayered prioritization within the universe of eligible PMAY-G beneficiaries. Priority will first be assigned on the basis of parameters reflecting housing deprivation in each category viz., SC/ST, Minorities, and Others. ii. To begin with, households will be prioritized based on houselessness followed by the number of rooms; zero, one, and two rooms, in that order. iii. In a particular social category viz., SC/ST, Minorities, and Others, households that are houseless or living in houses with a lower number of rooms shall not be ranked below households living in houses with a higher number of rooms. Within the above priority groups, households that fulfill the criteria of "compulsory inclusion", will be further elevated. Automatically included households shall not rank lower than other households within a priority group. Inter-se priority within the two subgroups viz. households which are automatically included and otherwise will be determined based on their cumulative deprivation scores. The scores will be calculated from the socio-economic parameters given below with each having equal weight: i. Households with no adult member between ages 16 to 59 ii. Female-headed households with no adult male member between ages 16 to 59 iii. Households with no literate adult above 25 years iv. Households with any disabled member and no able-bodied adult member v. Landless Households deriving the major part of their income from manual casual labor vi. Households with higher deprivation scores will be ranked higher within the subgroups. **Note:** _To ensure that assistance is targeted at those who are genuinely deprived and that the selection is objective and verifiable, the housing deprivation parameters in the SECC data will be used for identifying households and then verified by the Gram Sabhas._ > ***Earmarking of Targets -*** **For SC/ST:** 60% of the target allocated to each State/ UT should be earmarked for SC/STs, subject to the availability of eligible beneficiaries. Within earmarked targets, the proportion of SC and ST is to be decided from time to time by the respective States/UTs. Further, the States/ UTs would be allowed to interchange targets between SC and ST if there are no eligible beneficiaries from either of the category and it is certified as such. In case all eligible SC and ST households are covered, the State/ UT targets would be allocated to beneficiaries from the 'Other' categories included in the Permanent Wait List drawn from SECC 2011. **For Minorities:** Further, as far as possible, 15% of the total fund would be earmarked for Minorities at the National Level for households. The allocation of targets for Minorities among the States/UTs will be on the basis of the proportionate rural population of Minorities in the respective State/UT as per Census 2011 data. Minorities notified under Section 2(c) of the National Commission for Minorities Act, 1992 are to be considered eligible for receiving benefits against Minority earmarks. **For PwDs:** Accordingly, in the scheme of PMAY-G, while deciding the inter-se priority among the beneficiaries who are to be provided assistance, households with any disabled member and no able-bodied adult member have been accorded additional deprivation score so that such households are given priority while allotting the houses. Keeping in view the provisions of the Persons with Disabilities Act, of 1995, the States to the extent possible, may ensure that 3% of beneficiaries at the State Level are from among persons with disabilities. > **Tie Breaker** In case there is a tie with more than one household within a subgroup having the same deprivation score, the households will be ranked according to priority on the basis of the following parameters: i. Households with widows and next-of-kin of members of defence/paramilitary/police forces killed in action. ii. Households where a member is suffering from leprosy or cancer and People living with HIV (PLHIV). iii. Households with a single girl child. iv. Beneficiary families of the Scheduled Tribes and Other Traditional

Forest Dwellers (Recognition of Forest Rights) Act, 2006, commonly known as the Forest Rights Act. v. Transgender persons.
Exclusions: > **Step 1: Exclusion of pucca houses** All households living in houses with pucca roofs and/or pucca walls and households living in houses with more than 2 rooms are filtered out. > **Step 2: Automatic Exclusion** From the remaining set of households, all households fulfilling any one of the 13 parameters listed below are automatically excluded:- 1. Motorised two/three/four wheeler/ fishing boat 2. Mechanised three/four-wheeler agricultural equipment 3. Kisan Credit Card with a credit limit of Rs.50,000 or above 4. Household with any member as a Government employee 5. Households with non-agricultural enterprises registered with the Government 6. Any member of the family earning more than Rs.10,000 per month 7. Paying income tax 8. Paying professional tax 9. Own a refrigerator 10. Own a landline phone 11. Own 2.5 acres or more of irrigated land with at least one irrigation equipment 12. 5 acres or more of irrigated land for two or more crop seasons 13. Owning at least 7.5 acres of land or more with at least one irrigation equipment

The scheme "Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY)" has been launched by the Department of Food and Public Distribution, Ministry of Consumer Affairs, Food and Public Distribution, Government of India, and aims to ensure food security for the poor and vulnerable sections of the country by providing free food foodgrains. It was announced on 26 March 2020 during the COVID-19 pandemic and is operated by the Department of Food and Public Distribution under the Ministry of Consumer Affairs, Food and Public Distribution. Through this scheme, free foodgrains (rice or wheat, depending on the State) are provided to eligible ration card holders covered under the National Food Security Act, 2013, namely Antyodaya Anna Yojana (AAY) households and Priority Households (PHH). From 1 January 2023, the scheme was integrated into the food security framework, and foodgrains earlier given at the highly subsidised rates of Rs. 1, Rs. 2, and Rs. 3 per kilogram for coarse cereals, wheat, and rice, respectively, are now provided free of cost. The scheme has been extended by the Union Cabinet for 5 years starting from 1 January 2024 and is approved for continuation till 31 December 2028, with a total financial outlay of Rs. 11.80 lakh crore (Rs. 11,80,000 crore). The scheme is implemented through the Targeted Public Distribution System (TPDS) by the state governments and Union Territory Administrations, with foodgrain allocation by the Government of India.

3664. NIJASHAREE HOUSING SCHEME

Primary Category: Housing & Shelter | State: West Bengal | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Loans & Credit, Social Welfare & Other Benefits | Benefits: Subsidy, Loan, Housing, Infrastructure Support | Beneficiaries: C

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/nhs-west-bengal

Description:
The Government of West Bengal is determined to provide a `Basha' (house) to all the people belonging to the Lower Income Group (LIG) and the Middle Income Group (MIG). There is a growing demand for housing amongst families belonging to the low and middle-income categories. In order to cater to the housing needs of the Lower Income Group and the Middle Income Group, the Housing Department felt the need to make provisions for affordable housing, and decided to introduce a new Housing Scheme, namely "NIJASHREE HOUSING SCHEME". Salient Features of The Scheme: - The scheme envisages the construction of dwelling units of a minimum of 16 flats in a block of G + 3 buildings on the government lands, lands of local bodies, and other parastatals. - 1BHK flats, with a minimum built-up area of 35.15 square meters (378 sq. ft.), will be constructed for the LIG category, and 2BHK flats, having a minimum built-up area of 50.96 square meters (559 sq. ft.), will be constructed for the MIG category. - The unit cost will be determined on the basis of the actual cost of construction of the superstructure, substructure, and internal infrastructure including sanitary and plumbing, internal electrification, etc., incidental therein. - No cost of land shall be taken into account while computing the unit cost. This freehold land will be treated as a subsidy to the beneficiary. - The unit cost and standard built-up area may vary, depending on the location and quantum of the land available, as well as the land development cost and the schedule of rates applicable to the area, at the time of construction. - Off-site infrastructure like the construction of internal roads, boundary wall, outside electrification, making of a drainage system, installation of lights in the campus and water supply shall not be added to the cost of the housing development scheme NIJASHREE, i.e., the purchaser will not have to pay for such infrastructure. - Credit-linked subsidies to the eligible beneficiaries will be facilitated by the Housing Department, as per the existing scheme.

Eligibi

Who Can Apply: 1. Monthly family income should be Rs. 15,000 or less for the Lower Income Group (LIG). 1. Monthly family income should be Rs. 30,000 or less for the Middle Income Group (MIG). 1. The beneficiary should not have any pucca house/flat in his/her name, or in the name of any family (family includes spouse, unmarried sons or daughters) member in the state. 1. The applicant must be an inhabitant of the same district in which the project is to be implemented. 1. One applicant can apply for one flat only for his/her family. Any person allotted with a flat in the scheme cannot apply for the same scheme in another project in his/her district.
 Note 01: The selection of beneficiaries and allotment of flats will be done through a transparent lottery in the respective district/sub-division. **Note 02:** The waiting list of the eligible applicants, consisting of 20% of the total flats under each category (i.e. LIG and MIG), will be prepared in case the number of applicants is more than the number of flats in a particular project.
Exclusions: None

Schem

details: Under this scheme, a `Basha' (house) will be allotted to all the people belonging to the Lower Income Group (LIG) and the Middle Income Group (MIG) by lottery on ownership basis. Description:

The scheme "Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana" implemented by the National Health Authority (NHA) under Ministry of Health and Family Welfare, Government of India, aims to provide cashless hospitalisation coverage of Rs. 5,00,000 per family per year to poor and vulnerable families for secondary and tertiary healthcare services. It was launched on 23rd September 2018 in Ranchi, Jharkhand, by the Hon'ble Prime Minister of India. "Ayushman Bharat" is an attempt to move from a sectoral and segmented approach to health service delivery to a comprehensive need-based health care service. This scheme aims to undertake path-breaking interventions to holistically address the healthcare system (covering prevention, promotion, and ambulatory care) at the primary, secondary, and tertiary levels. Ayushman Bharat adopts a continuum of care approach, comprising two interrelated components, which are - - **Health and Wellness Centres (HWCs):** The scheme aims to provide comprehensive primary healthcare services, including maternal and child health, non-communicable disease care, free essential drugs, and diagnostics, close to people's homes. The centres promote preventive healthcare and healthy behaviours to reduce the risk of chronic diseases. - **Pradhan Mantri Jan Arogya Yojana (PM-JAY):** The second component under Ayushman Bharat is the Pradhan Mantri Jan Arogya Yojna or PM-JAY as it is popularly known. It aims to provide cashless health insurance coverage of up to Rs. 5,00,000 per family per year for secondary and tertiary hospitalization to poor and vulnerable families.

3727. Maintenance Of Pregnant Desi Indigenous Cows Ration For BPL Families

Primary Category: Employment & Jobs | State: Himachal Pradesh | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Women & Girls, Farmers & Agriculture | Benefits: Subsidy, Employment, Food/Nutrition | Beneficiaries: Farmers, Women, R

Gender: Female | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: BPL (Below Poverty Line) | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/pregnant-desiindigenous-cows-ratio

Description:

The Department of Animal Husbandry, Government of Himachal Pradesh had introduced a scheme named "**Maintenance of Pregnant Desi/Indigenous Cows Ration for BPL families of all Categories of livestock farmers**" with the help of which a balanced ration of 3 kg per day for up to two cows or buffaloes for three months during the last trimester of pregnancy to BPL families shall be provided. The government and beneficiary share the cost of the ration on a 50:50 basis, and the cost of feed depends on approved rates. This scheme may serve about 6.5 Lakh cows and buffaloes become pregnant every year in the state. This scheme may help BPL families and all categories of livestock farmers in the state to maintain a balanced and nutritious diet for pregnant Desi/Indigenous cows in the State. Maintaining a proper and balanced ration for pregnant Desi/Indigenous cows is crucial for the health of cows and the growth and development of calves. Providing a nutritious and balanced diet can also help reduce the risk

of health complications during and after pregnancy. **Objectives:** 1. Increase in milk production thereby providing more economic gains to the farmers. 1. To reduce the inter-calving period which will ultimately result in more calves and higher milk production. 1. To improve the health of pregnant cows so that their full milk production potential can be realized after parturition. 1. To ensure the birth of healthy calves free of diseases and malnutrition so that they grow to become higher-producing animals. 1. As the incentive is being given to Desi/Indigenous cows the farmers can be motivated to rear such animals.

Eligibi

Who Can Apply: 1. Livestock owners belonging to BPL families of all categories rearing Desi/Indigenous/crossbred cows. 1. The subsidy will be provided to each BPL family of all categories maximum upto two Desi/Indigenous cows and their crosses.

3791. Orunodoi 3.0

Primary Category: Disability & Special Needs | State: Assam | Govt: State Government | Ministry: None

Secondary: Financial Assistance, Women & Girls, Farmers & Agriculture | Benefits: Financial Assistance, Subsidy, Housing, Food/Nutrition | Beneficiaries: W

Gender: Female | Age: 0-18 Years | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/aos

Description:
Orunodoi, described as the 'foremost bead' among the Ashtadash Mukutar Unnoyonee Maala, was announced by the then Hon'ble Finance Minister in his Budget Speech 2020-21. The scheme envisages women's empowerment, poverty alleviation, and socio-economic inclusion of financially vulnerable women of the state through sustained financial assistance on a monthly basis so that they are assured of minimum monthly cash flow. Since substantial time has elapsed, it is essential to update information and implement the scheme with improved standards and procedures. It is necessary to phase out Orunodoi 1.0 and Orunodoi 2.0, without transferring any legacy data, to effectively launch Orunodoi 3.0. However, while selecting the beneficiaries of Orunodoi 3.0, the district administration will take utmost care that the eligible beneficiaries of Orunodoi 1.0 and Orunodoi 2.0 are not removed/deleted from the scheme whimsically, unless they now do not conform to the Orunodoi 3.0 guidelines.
 The basic precondition to become a beneficiary for Orunodoi 3.0 is that the individual must be enrolled under the National Food Security Act (NFSA) as a beneficiary. For the purpose of implementation of this scheme, the definitions of household, family, income criterion, etc., will be as per extant NFSA guidelines. This new phase of Orunodoi will have the provision of automatic AADHAAR seeding of beneficiaries, a proven method for efficiently disbursing benefits to Antyodaya across the country, as in Assam, almost every NFSA beneficiary are already AADHAAR seeded.

Eligibi

Description:

The "**One Nation One Ration Card"** (ONORC) Scheme was launched by the Department of Food & Supplies and Consumer Affairs, Ministry of Consumer Affairs, Food & Public Distribution in 2018. It is a national Ration Card portability scheme to ensure food security for all including internal migrants within India. It enables migrant workers and their family members to access PDS benefits from any Fair Price Shop anywhere in the country, thus ensuring the food security through the inter-state portability of ration cards under the National Food Security Act, 2013 (NFSA). A Fair Price Shop (FPS) is a public ration store licensed under Section 3 of the Essential Commodities Act of 1955. Ration card details and entitlements are available online on any ePoS device in the country. It includes both inter-State and intra-State (inter-district/intra-district) portability of ration cards. Assam is the 36th State to implement the One Nation One Ration Card (ONORC) scheme. The ONORC plan has successfully been implemented in all 36 States/UTs making food security portable throughout the country. The government has launched a mobile app, namely '**MERA RATION**' for acquiring the maximum benefit of the ONORC plan. The mobile app shall provide the user with real-time information. It is available in 13 languages. As per the official website of [**National Food Security Portal**](https://nfsa.gov.in/), there are more than 20 crores Ration Cards issued through more than 4.5 lakh POS enabled Fair Price Shops.

Eligibi

Who Can Apply: - The scheme is eligible to all ration cardholders or beneficiaries covered under the National Food Security Act (NFSA), 2013 with Aadhaar Card numbers seeded.
Exclusions: None

Primary Category: Insurance & Social Security | State: Telangana | Govt: State Government | Ministry: None

Secondary: Scholarship & Education, Financial Assistance, Employment & Jobs | Benefits: Financial Assistance, Subsidy, Loan, Insurance, Training, Employm

Gender: Any | Age: None | Occupation: Entrepreneur | Education: ITI / Diploma | Category: SC

Income Limit: Less Than Rs. 2.5 Lakh | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/dalit-bandhu

Description:

The Dalit Bandhu Scheme is a unique initiative launched by the government of Telangana to promote the economic development of families belonging to the Scheduled Caste (SC) community. The scheme provides financial assistance of Rs. 10 lakhs to eligible SC families to start their own businesses or entrepreneurial ventures, thereby creating opportunities for them to become self-reliant and improve their standard of living. As a part of a multi-pronged approach, in addition to existing entitlements like food security, education, and social security, a different strategy with a new initiative "Telangana Dalit Bandhu" is introduced to intensify the level of financial assistance to SC households for the establishment of suitable income generating economic support schemes as the delivery of credit by banks in the form of loans has become a constraint. Under the scheme, eligible families will receive financial assistance of Rs. 10 lakhs each, in the form of a grant, to start a small business or entrepreneurial venture. The scheme is expected to benefit over 20 lakh families in the state over the next few years. One-time capital assistance of Rs.10 lakhs per SC family is provided for all SC families as a 100% grant/subsidy to establish suitable income-generating schemes as per their choice (without bank loan linkage). The main objective of the scheme is to reduce poverty and promote entrepreneurship among the SC community, which has historically been marginalized and faced discrimination in society. The scheme is also expected to promote inclusive growth and social development in the state. The Telangana government has allocated Rs. 1,000 crores for the implementation of the scheme in the first year. The scheme is expected to be implemented in a phased manner, with eligible families being identified and selected based on a set of criteria such as income level, educational qualification, and entrepreneurial skills. ***Overall, the Dalit Bandhu Scheme is a path-breaking initiative that aims to uplift the socio-economic status of the SC community in Telangana. The scheme provides a much-needed boost to entrepreneurship and economic development among the marginalized sections of society, thereby promoting inclusive growth and social development in the state.***

Eligibi

Who Can Apply: **Here are the eligibility criteria for the scheme:** 1. _The scheme is applicable only to families belonging to the SC community._ 1. _The applicant must be a resident of Telangana._ 1. _The family should have an annual income of less than Rs. 2.5 lakh._ 1. _The family should not own more than 3 acres of agricultural land or more than one residential house._ 1. _The applicant should not have availed of any other government loan or subsidy._ 1. _The applicant should have a viable business plan or entrepreneurial idea that can be supported by the grant._ 1. _The applicant should be willing to contribute 10% of the project cost._ 1. _The applicant should have a bank account._ 1. _The applicant should have a digital identity, such as an Aadhaar card._ 1. _The applicant should be between the ages of 25 and 50._ 1. _The applicant should have passed at least the 10th standard._ 1. _The applicant should not have a criminal record or have been convicted of a crime._ These eligibility criteria have been put in place to ensure that the scheme benefits those who are most in need of financial assistance to start their own businesses or entrepreneurial ventures. By targeting eligible SC families who meet these criteria, the government aims to ensure that the benefits of the scheme reach the intended beneficiaries and help to reduce economic disparities in the state. **The eligibility criteria for the Dalit Bandhu scheme in Telangana are based on the socio-economic conditions of the Dalit families. According to the Telangana Chief Minister, K. Chandrasekhar Rao, the following parameters will be considered in the eligibility survey:** - ***Land holdings*** - ***Annual income*** - ***Savings*** - ***Liabilities*** - ***Education*** - ***Skills*** - ***Employment status*** The eligibility survey will be conducted by a dedicated agency, the Telangana Dalit Bandhu Corporation, which will also provide capacity-building and training programs, as well as support for marketing and access to credit. It is worth noting that the scheme is not based on caste certificates, but on the socio-economic conditions of the families. Eligible Dalit families will receive financial assistance of Rs. 10 lakhs in a phased manner to start their own businesses or ventures.

Exclusions: Although the Dalit Bandhu Scheme in Telangana aims to provide financial assistance to families belonging to the Scheduled Caste (SC) community to help them become economically self-reliant, there are some exclusions to the scheme. Some of these exclusions are: Income criteria: The scheme is applicable only to families with an annual income of less than Rs. 2.5 lakh. Families with higher incomes are not eligible for the scheme. Non-SC families: The scheme is exclusively for families belonging to the SC community. Families from other castes and communities are not eligible for the scheme. Existing government loan or subsidy: Families who have already availed of any other government loan or subsidy are not eligible for the scheme. Criminal record: Families with a criminal record or who have been convicted of a crime are not eligible for the scheme. Land ownership: Families who own more than three acres of agricultural land or more than one residential house are not eligible for the scheme. Educational qualifications: Families with members who have completed a professional degree, such as engineering or medicine, are not eligible for the scheme. These exclusions have been put in place to ensure that the scheme benefits those who are most in need of financial assistance to start their own businesses or entrepreneurial ventures. By limiting the scheme to eligible SC families who meet certain criteria, the government aims to ensure that the benefits of the scheme are targeted and reach the intended beneficiaries. Eligibility for the scheme is not based on caste certificates but on the socio-economic conditions of the families, which will be determined through a comprehensive survey. However, there is a possibility that some deserving families may be left out of the survey or may not meet the eligibility criteria. The scheme is limited to Telangana, which means that Dalit families in other states may not be able to benefit from it. The scheme provides financial assistance to start a business or venture, which may not be relevant for all beneficiaries. Overall, while the Dalit Bandhu scheme has the potential to benefit a significant number of Dalit families in Telangana, it is important to ensure that the implementation is transparent, inclusive, and non-discriminatory. Efforts should be made to identify and address any exclusionary factors and to provide support in areas beyond business and entrepreneurship.

Schem

details: The Dalit Bandhu Scheme in Telangana has several benefits for the Scheduled Caste (SC) families who are eligible for the scheme. Here are some of the benefits: Financial assistance: The scheme provides financial assistance of Rs. 10 lakhs to eligible SC families to start their own businesses or entrepreneurial ventures. This grant can be used to purchase equipment, raw materials, and other resources needed to start a business, which can help these families become self-reliant and improve their financial status. There is a one-time capital assistance of Rs.10 lakhs per SC family is provided for all SC families as a 100% grant/subsidy to establish suitable income-generating schemes as per their choice (without

bank loan linkage). Employment opportunities: The scheme is expected to create employment opportunities for the beneficiaries as they start their own businesses. This can help to reduce unemployment and poverty among the SC community in Telangana. Promotes entrepreneurship: The scheme is aimed at promoting entrepreneurship among the SC community in Telangana, which can help to create a culture of innovation and self-reliance. By providing financial support and guidance, the scheme encourages SC families to take up entrepreneurship as a viable career option. Reduces economic disparities: The scheme is expected to reduce economic disparities between the SC community and other sections of society by promoting economic development among the marginalized sections of society. This can lead to more inclusive growth and development in the state. Empowers SC families: By providing financial assistance and support to start their own businesses, the scheme empowers SC families to take charge of their own economic development and become self-sufficient. This can help to reduce their dependence on government subsidies and loans and promote a sense of pride and dignity. Moreover, Dalit Bandhu Scheme in Telangana has several benefits for the SC community, including financial assistance, employment opportunities, and the promotion of entrepreneurship. The scheme has the potential to reduce economic disparities and promote inclusive growth in the state.

Description:

Many parts of our country are plagued with social evils surrounding the girl child, like child marriage, female foeticide, dowry etc. But the Assamese society, from time immemorial, is fortunate to be free from such evils. Though there is no dowry system prevalent in Assam, the parent of every girl desires to give something to the girl during her marriage. The parents, irrespective of their social and economic status dream to bestow their children with love, blessings and gifts. But for many, these dreams remain unfulfilled due to their economic weakness. Gold is always considered auspicious and an asset. The parents believe that a gift of gold ornament would enhance their daughter's social and economic status. Objective: The Government of Assam has decided to introduce a New Scheme "ARUNDHATI" from the financial year 2019-20. The objective of the scheme is to facilitate the parents of the girl child who are economically not very sound, but like all parents desire to give some gold which is considered auspicious to their as gift daughters on her marriage. Description:
The Jyotiba Phule Shramik Kanyadan Yojana (JPSKPY) stands as a beacon of support for registered workers in Uttar Pradesh. Recognizing the financial strain that a daughter's wedding can cause, the government has established this scheme to provide much-needed assistance. JPSKPY aims to empower these workers by easing their financial burden and promoting the social well-being of their families. This initiative fosters a sense of security and dignity among workers, knowing that the government is invested in the well-being of their families. Furthermore, JPSKPY promotes gender equality by ensuring that financial limitations don't hinder a daughter's right to a proper wedding ceremony. Ultimately, the Jyotiba Phule Shramik Kanyadan Yojana serves a dual purpose: it strengthens the social fabric of worker families and demonstrates the government's commitment to social progress in Uttar Pradesh.

Application Process: how_to_apply: Offline Application Process This primarily applies to women pregnant with their second child on or after November 1st, 2020. Step 1: The applicant visits your local Anganwadi center and registers their second pregnancy (This should ideally be done within 120 days of your Last Menstrual Period (LMP) to be eligible for the first installment). Step 2: During registration at the Anganwadi center, you must provide your Jan-Aadhaar/Bhamashah ID and your mobile phone number. This is crucial for your details to be recorded in the PCTS (Pregnancy and Child Tracking System). NOTE: If you do not have a Jan-Aadhaar ID, you will need to obtain one. The Anganwadi worker will inform and guide you on how to do this, potentially directing you to e-Mitra centers or the online portal. Cooperate with the Anganwadi worker and ASHA Sahyogini/ANM for the recording of your pregnancy details, check-ups, delivery information, and child's immunization details in the PCTS. Anganwadi Worker Role: Identify and ensure eligible beneficiaries fulfill the scheme's conditions (as per points 2 & 3 of the guidelines). Ensure pregnant women get their first ANC registered in PCTS within 120 days of their last menstrual period. Ensure services are fully recorded in the RCH register and the JSY case closure form is submitted on PCTS by the 15th of each month. For private facility check-ups, ensure the ANM records it in the Mamta card for PCTS visibility. For institutional deliveries outside listed centers, collect the self-declaration form and provide one copy to the ASHA/ANM for PCTS entry. Assist the Woman Supervisor in verifying beneficiary eligibility. Inform and encourage beneficiaries without Jan-Aadhaar to obtain one. Submit amendment forms for any discrepancies found in PCTS data. ASHA Sahyogini/ANM Role: Ensure services are fully recorded in the RCH register. Submit the JSY case closure form on PCTS by the 15th of each month for eligible IGMPY beneficiaries. Record private facility check-ups in the Mamta card for PCTS visibility. Enter details from the self-declaration form into PCTS for deliveries in non-listed private facilities. Ensure family planning details are entered into PCTS by the 15th of each month. Woman Supervisor (LS) Role: Verify eligible women based on PCTS data against scheme rules in their Rajposhan web login. Initially, manually verify using printouts and Anganwadi worker assistance. Approve or reject beneficiary eligibility with reasons in Rajposhan. Ensure the beneficiary is registered at the correct Anganwadi center, is eligible, and has complete data in PCTS. Report reasons for ineligibility in Rajposhan. Submit amendment forms for data discrepancies in Rajposhan. Update beneficiary Jan-Aadhaar, bank details, IFSC code, and mobile number in Rajposhan based on amendment forms. Continuously monitor if new beneficiary registration forms are entered into PCTS. Enter data for new beneficiaries in Rajposhan (for lifting purposes initially). Verify the linking of the beneficiary's bank account to their Jan-Aadhaar via the Rajposhan portal. Amend beneficiary names in Rajposhan to match Jan-Aadhaar. Child Development Project Officer (CDPO) Role: Review and approve/reject beneficiary data for installment payments based on the Woman Supervisor's verification report. > **Application Process** This primarily applies to women pregnant with their second child on or after November 1st, 2020. **Step 1:** The applicant visits your local Anganwadi center and registers their second pregnancy (This should ideally be done within 120 days of your Last Menstrual Period (LMP) to be eligible for the first installment). **Step 2:** During registration at the Anganwadi center, you must provide your Jan-Aadhaar/Bhamashah ID and your mobile phone number.
