Documents: None
Application Process: how_to_apply: Offline Step 1: Transmitting Information to Land The crew of a fishing boat or trawler must transmit information about a Whale Shark getting trapped in their nets to personnel on land. Step 2: Forwarding Information to Forest Range Office This transmitted information is subsequently forwarded to the respective forest range office, which is responsible for initiating rescue efforts. Step 3: Organizing a Rescue Operation Upon receiving the information, the staff at the forest range office organizes a comprehensive rescue operation by gathering available beat guards, local labourers, fisheries personnel, a boat, and other necessary resources. Step 4: Releasing the Whale Shark A designated rescue boat then departs for the site where the Whale Shark is trapped. Upon reaching the location, the staff, volunteers, and workmen proceed to cut the nets and safely release the fish. Step 5: Documenting the Operation The entire rescue operation, from the sighting to the release of the Whale Shark, is thoroughly documented through either videography or photography. Step 6: Receiving Compensation Following the successful and documented rescue operation, compensation is paid to the fishermen in accordance with the established guidelines for damaged nets. Step 7: Self-Documentation and Claiming Compensation (Option Since 2012) Fishermen have the option, introduced since 2012, to personally document the incident by taking photographs of the trapped Whale Shark and releasing it on the spot. After returning to the sea coast, they are required to submit this information and the photographs to the Forests and Environment Department to claim their compensation. Help & Support / Grievance Redressal For any assistance or to address grievances related to the Whale Shark Conservation Programme, applicants can utilize the official contact channels provided by the Forests and Environment Department, Gujarat. General FAQs and a Forest Helpline Number are available on the department's website for citizen queries and support. Contact Details Specific contact details for Forest Officers are available on the main website of the Principal Chief Conservator of Forest & Head of the Forest Force, Government of Gujarat. The Gujarat Biodiversity Board, a partner in conservation, can be reached at 5th Floor, Aranya Bhavan, Sector-10A, Gandhinagar, with a phone number: (079) 23257950. Conclusion Upon completing the compensation claim process and submitting all necessary documentation, applicants are strongly advised to retain a copy of their submitted information and any acknowledgment receipts for future reference and tracking purposes. This practice helps in verifying submissions and facilitating any follow-up queries regarding the compensation claim. **Step 1:** _Transmitting Information to Land_ The crew of a fishing boat or trawler must transmit information about a Whale Shark getting trapped in their nets to personnel on land. **Step 2:** _Forwarding Information to Forest Range Office_ This transmitted information is subsequently forwarded to the respective forest range office, which is responsible for initiating rescue efforts. **Step 3:** _Organizing a Rescue Operation_ Upon receiving the information, the staff at the forest range office organizes a comprehensive rescue operation by gathering available beat guards, local labourers, fisheries personnel, a boat, and other necessary resources. **Step 4:** _Releasing the Whale Shark_ A designated rescue boat then departs for the site where the Whale Shark is trapped. Application Process: how_to_apply: Offline Step 1: Initiation and Invitation of Bids The process begins when the Department of Social Justice and Empowerment invites E-Bids/Bids or willingness from qualified Organizations, Agencies, or Institutes to undertake evaluation studies of its schemes and programmes. The Department may also consider limited tendering or selection on nomination basis depending on the specific need. Step 2: Preparation and Submission of Technical and Financial Bid The Project Director/In-charge of the project must prepare the proposal, ensuring they possess the required experience (at least 5 years in social sector evaluation and experience in statistical tools). The proposal must be submitted through the head of the Organization or the Registrar of the University. The bidder must submit all necessary documents, including the Technical Bid, Financial Bid, Earnest Money Deposit (or proof of exemption), and an undertaking accepting all terms and conditions of the Notice Inviting Tender. Step 3: Bid Evaluation and Notification of Award A Committee evaluates the received proposals, utilizing technical criterion parameters indicated in the Tender document to shortlist qualified bidders. Offers received without the Earnest Money Deposit are summarily rejected (unless exempted). The Department issues a Letter of Award (LoA) in duplicate to the successful bidder, briefly mentioning the rates, terms, and conditions. Step 4: Contract Finalization and Initial Compliance The successful bidder must return one copy of the LoA duly signed as a token of acceptance, along with a contract bond and the Performance Security (Performance Bank Guarantee for 8% of the contract value) within the stipulated time indicated in the LoA. The Ministry then issues a sanction letter for the approved project, detailing the sanctioned amount for each sub-head of the evaluation study. The first installment of 20% of the funds is released after the Ministry receives the Performance Security. Step 5: Project Execution and Progress Monitoring The Organization proceeds with the project execution, maintaining separate accounts for the sanctioned funds. The Project Director must submit progress reports to the Ministry along with certified statements of expenditure actually incurred and estimates for the remaining period. The Ministry conducts a monthly review of the project's progress. If the Organization delays the submission of the report by the due date, a penalty of 0.5% of the cost of the study per week will be levied. Step 6: Draft Report Submission and Second Fund Release The Organization must prepare and submit the draft report to the Ministry upon completion of the preliminary findings. The Organization is also required to make a presentation of the draft report before the Ministry. Upon the submission and presentation of the draft report, the second installment of 50% of the funds is released. Step 7: Final Report Acceptance and Final Fund Release The Ministry examines the draft report, and the Project Director is responsible for revising it if discrepancies are noted. After acceptance of the report, the Project Director submits eight copies of the final report, 20 copies of the summary report (along with soft versions), the audited Statement of Accounts, and the Utilization Certificate. The third and final installment of 30% of the funds is released after acceptance of the final report and submission of these required documents. Step 8: Project Conclusion and Fund Settlement The Organization must preserve all collected raw data (such as filled in schedules, reports, photographs, etc.) in electronic form and transfer all raw data and ownership of the data to the Department of Social Justice and Empowerment. Any unspent balance from the sanctioned funds must be refunded by the Organization within 30 days from the date of completion of the Project. The Organization should save a copy of all correspondence, reports, and financial documentation for its records. ##### ***Step 1: Initiation and Invitation of Bids*** - The process begins when the Department of Social Justice and Empowerment invites E-Bids/Bids or willingness from qualified Organizations, Agencies, or Institutes to undertake evaluation studies of its schemes and programmes. - The Department may also consider limited tendering or selection on nomination basis depending on the specific need. ##### ***Step 2: Preparation and Submission of Technical and Financial Bid*** - The Project Director/In-charge of the project must prepare the proposal, ensuring they possess the required experience (at least 5 years in social sector evaluation and experience in statistical tools). - The proposal must be submitted through the head of the Organization or the Registrar of the University. - The bidder must submit all necessary documents, including the Technical Bid, Financial Bid, Earnest Money Deposit (or proof of exemption), and an undertaking accepting all terms and conditions of the Notice Inviting Tender. ##### ***Step 3: Bid Evaluation and Notification of Award*** - A Committee evaluates the received proposals, utilizing technical criterion parameters indicated in the Tender document to shortlist qualified bidders. - Offers received without the Earnest Money Deposit are summarily rejected (unless exempted). - The Department issues a Letter of Award (LoA) in duplicate to the successful bidder, briefly mentioning the rates, terms, and conditions. ##### ***Step 4: Contract Finalization and Initial Compliance*** - The successful bidder must return one copy of the LoA duly signed as a token of acceptance, along with a contract bond and the Performance Security (Performance Bank Guarantee for 8% of the contract value) within the stipulated time indicated in the LoA. - The Ministry then issues a sanction letter for the approved project, detailing the sanctioned amount for each sub-head of the evaluation study. - The first installment of 20% of the funds is released after the Ministry receives the Performance Security. ##### ***Step 5: Project Execution and Progress Monitoring*** - The Organization proceeds with the project execution, maintaining separate accounts for the sanctioned funds. - The Project Director must submit progress reports to the Ministry along with certified statements of expenditure actually incurred and estimates for the remaining period. - The Ministry conducts a monthly review of the project's progress. Application Process: how_to_apply: Offline Targets have been set for each district under the Antyodaya Anna Yojana. Procedure for removal of name from the Antyodaya category: If a person is no longer eligible for the Antyodaya category, the individual must inform the District Supply Officer. After the department conducts an inspection and confirms the information to be true, the cardholder is removed from the Antyodaya category. The District Supply Officer also carries out periodic inspections and takes necessary action. If a person is found to be above the Antyodaya category, removal proceedings are initiated. In both urban and rural areas, if a person's name is to be removed from the Antyodaya category, a proposal is presented in an open meeting of the Gram Sabha. Once the proposal is approved, the concerned Gram Panchayat Development Officer removes the person from the records. After informing the District Supply Officer/Supply Inspector with a recommendation for further action, the department removes the individual from the Antyodaya category. If information is received from a third party, the department investigates the Antyodaya cardholder and, if the information is found to be correct, removes the cardholder from the Antyodaya category. Procedure to add name to the Antyodaya category: The applicant must first obtain an application form from the office of the Gram Panchayat Development Officer or the District Supply Officer. The application must include the family's Aadhaar cards, photographs, phone number, bank account details, gas connection details, voter ID/PAN card, income certificate, electricity bill, and a copy of the resolution passed in the Gram Panchayat's open meeting declaring the family as an Antyodaya family. The applicant must submit the application form along with all the required documents to the respective Gram Panchayat Development Officer. After verification, the officer adds the name to the records and forwards the case with a recommendation to the Food Supply Department for further action. Antyodaya ration cards are issued in each district based on the population targets set by the Government of India. A new ration card is issued only when a vacancy arises. The individual can obtain the ration card from the office of the District Supply Officer/Supply Inspector/Regional Food Officer within 10 days. If no proposal has been submitted by the Gram Panchayat, the applicant must submit the application form in the prescribed format, along with the above documents, to the office of the Gram Panchayat Development Officer or District Supply Officer. Afterward, the Gram Panchayat Development Officer/District Supply Officer conducts verification, and if the applicant is found eligible and a vacancy exists, digitization is

carried out. Application Process: how_to_apply: Offline To avail the benefits of this scheme, the applicant must first download the application form/proposal format

from the department's website https://shm.uk.gov.in/ or obtain it from the concerned Horticulture Mobile team Centre office. The applicant must then prepare the proposal in the prescribed format. If there is any difficulty in preparing the proposal, the Horticulture Mobile team Centre personnel will assist. The application requires land documents, Aadhaar card, PAN card, bank account details, expected income from mushroom cultivation, and any previous training certificates. The completed proposal must then be submitted to the office. If the farmer does not have sufficient funds, they may apply for a loan from the bank. The application form is then sent directly to the Horticulture Mission, where it is evaluated by a committee. Upon approval, the applicant is informed via telephone and receives an acceptance letter from the office of the Director of the Horticulture Mission or the Chief Mushroom Development Officer. Interested farmers can obtain pasteurized compost and spawn from the relevant district office. This entire process is currently conducted offline. Eligible beneficiaries are allocated up to 50 quintals of compost and 25 kg of spawn on a first-come, first-served basis, depending on budget availability. For training, an application must be submitted to the Horticulture Mobile team Centre. After receiving the request, the department schedules the training and informs the farmer by phone. The farmer can then attend the training on the scheduled date. - To avail the benefits of this scheme, the applicant must first download the application form/proposal format from the department's website https://shm.uk.gov.in/ or obtain it from the concerned Horticulture Mobile team Centre office. Description:

The "Spice Area Expansion" scheme is implemented by the Department of Horticulture, Government of Uttarakhand. It aims to promote and expand the cultivation of high-value spices such as ginger, chili, turmeric, and garlic among farmers by providing quality seeds and tubers at a subsidized rate, thereby increasing spice production and enhancing farmers' income in Uttarakhand.

Eligibi

Who Can Apply: 1. The applicant must be a resident of Uttarakhand. 1. The applicant must be a farmer and hold a Udhyan Card. 1. The farmer must either own agricultural land or have land on lease.
Exclusions: None

Schem

details: - To promote spice cultivation among farmers, spice seeds and tubers (ginger, chili, turmeric, and garlic) are provided at a 50% subsidy on the total cost, up to Rs. 15,000/- per hectare. These seeds are available for a maximum of 4 hectares of land. - For example, if 1 kg of ginger costs Rs. 200/-, the farmer pays Rs. 100/- to the concerned Horticulture Mobile team Center, while the government bears the remaining Rs. 100/- as a subsidy,

allowing the farmer to obtain the tuber for Rs. 100/-.

Documents: None
Application Process: how_to_apply: Offline Application forms can be obtained from the officers or staff at the Horticulture Mobile team Centre. Forms are also available for download from the department's website: https://shm.uk.gov.in . For turmeric and ginger, applications should be submitted in February or March. For other crops, applications must be submitted at least one month prior to the sowing date. Land-related documents, such as Khasra and Khatauni, must be submitted along with the application form. For leased land, additional documents including a lease certificate, Aadhaar card, PAN card, Udhyan Card, bank account details, and mobile number are required. Currently, the application process is offline. Farmers must submit their applications along with the required documents to the Horticulture Mobile team Centre. The application form outlines the farmer's proposal, and if any assistance is needed in filling out the form, the staff at the respective centre are responsible for providing support. For applications under centrally-sponsored schemes, once the proposal is submitted, the Horticulture Mobile team Centre forwards it to the district level. From there, applications are sent to the state level, and then to the Government of India. After the action plan is approved by the Government of India, targets are communicated back to the district level through the Directorate. For state-sponsored schemes, applications are sent from the Horticulture Mobile team Centre to the district level, and then to the Directorate. Once the Directorate approves the farmers' proposals, approval or work orders are issued to the districts as per the Government Order. Once a farmer's proposal is approved, the district officer issues an acceptance letter and informs the farmer via phone. The farmer can then purchase spice seeds and tubers from the relevant Horticulture Mobile team Centre at a 50% subsidy. Beneficiaries under the scheme are selected on a first-come, first-served basis, subject to budget availability. - Application forms can be obtained from the officers or staff at the Horticulture Mobile team Centre. For other crops, applications must be submitted at least one month prior to the sowing date. Land-related documents, such as Khasra and Khatauni, must be submitted along with the application form. For leased land, additional documents including a lease certificate, Aadhaar card, PAN card, Udhyan Card, bank account details, and mobile number are required. - Currently, the application process is offline. Farmers must submit their applications along with the required documents to the Horticulture Mobile team Centre. The application form outlines the farmer's proposal, and if any assistance is needed in filling out the form, the staff at the respective centre are responsible for providing support. - For applications under centrally-sponsored schemes, once the proposal is submitted, the Horticulture Mobile team Centre forwards it to the district level. From there, applications are sent to the state level, and then to the Government of India. After the action plan is approved by the Government of India, targets are communicated back to the district level through the Directorate. - For state-sponsored schemes, applications are sent from the Horticulture Mobile team Centre to the district level, and then to the Directorate. Once the Directorate approves the farmers' proposals, approval or work orders are issued to the districts as per the Government Order. - Once a farmer's proposal is approved, the district officer issues an acceptance letter and informs the farmer via phone. The farmer can then purchase spice seeds and tubers from the relevant Horticulture Mobile team Centre at a 50% subsidy. Beneficiaries under the scheme are selected on a first-come, first-served basis, subject to budget availability.

E-mail and mobile number once registered should not be changed since all messages being sent to the registered e-mail/mobile number. - During checking of new application if observation raised from ZSB/RSB and KSB is not rectified within the stipulated time frame of 10 days, then the application will be automatically rejected by the system. So ensure that the observation is rectified in time to avoid system rejection of application. - During the period from January to May, processing, selection and preparation of merit list of new application (1st year students) is being done by KSB. Processing and payment of renewal application is done as and when received by KSB throughout the year. Student/ESM to keep in mind the periodicity of checking of application (new and renewal) before raising any query relating to checking/payment status of applications. - Student/ESM should login to KSB account to check the status of application. It is to be noted while application status is showing pending to the student dashboard,

but on ground the application is in the process at different levels / functionaries at KSB. - In the cases application status showing 'New' to the student dashboard, it indicates that the application is yet to be submitted by the ESM/ Student and the application is still with the ESM/ Student's dashboard. In such cases, ESM/ Student is required to open the application and click on 'Save and Forward' button to submit the application for onward processing. - Student studying abroad as well as distance learning/ vocational course is not eligible for PMSS. - The amount of scholarship including any other scholarship or financial assistance from any other source will not exceed the total amount of scholarship available under this scheme. ***Renewal Instructions for Students/ESM:*** - The scholarship amount of First Installment will be paid immediately after the selection in merit list. For subsequent payment, the students should submit Online Renewal Application on completion of their each academic year, till completion of the course. - 50% marks are mandatory in each semester / academic year. Passing of all subjects in each semester / year in FIRST ATTEMPT is mandatory requirement for continuation of scholarship. - If a student failed / get RA in any subject, his / her scholarship will be closed forever. He will not be entitled for subsequent instalment of PMSS. The student can apply for renewal of scholarship within ONE YEAR from declaration of result. - Processing of renewal application is done as and when received throughout the year. However, during the period from January to May, processing, selection and preparation of merit list of new application (1st year students) is being done by KSB. It is to be noted while applications status is showing pending to you, but on ground your application is in process at different levels / functionaries i.e. at User level, Supervisory level and finally by JD (PMSS) of KSB. - On approved by JD (PMSS), the list of students is sent to Account Officer of KSB to process the payment through concerned bank. In the cases where application status is showing 'New' to the student's dashboard, it indicates that the application is NOT yet submitted by the ESM/Student and the application is still with the ESM/student's dashboard. In such cases, ESM/Student is required to open the application and click on save and forward button to submit the application for onward processing. - Student/ESM to keep in mind the periodicity of checking of application (new and renewal) before raising any query relating to checking/payment status of applications. Therefore, have PATIENCE and check your e-mail / KSB account for regular updates. - Student need to ensure that Mobile No and E-mail ID given for PMSS are remain functional till completion of the course because all alert and SMS about status of your application are sent on given Mobile No and E-Mail. However, in case of any change, KSB must be informed accordingly for updating your record. - The students who have already been selected for PMSS and presently studying in 2nd or subsequent year need not to apply for New Application. Such students are required to apply for Renewal Application only. > [Instructions for PMSS](https://ksb.gov.in/writereaddata/DownLoad/Important-Instructions-for-PMSS-revised.pdf) > [Check List for Student](https://ksb.gov.in/writereaddata/DownLoad/Check-List-Application.pdf) > [Do's and Don'ts](https://ksb.gov.in/writereaddata/DownLoad/DOs-DONTs_New_application.pdf)

Description:

Kerala Government has launched a noble initiative "Snehapoorvam Scheme" to provide financial assistance to orphans who are living in the family, with their relatives, friends, or the support of the community under the Social Welfare Department implemented through Social Security Mission. The mission has initiated this scheme that aims at bringing these children to the mainstream of society. The statistics reveal that in Kerala, around 75,000 children below 18 years are living in orphanages. Around 1500 orphanages are functioning in Kerala. Almost 80- 90% of the children in orphanages have families and relatives. Many orphans and vulnerable children slip further into poverty once the family's main breadwinner stops working or dies. There is nothing more traumatic for a child than to see a parent die. Added to this tragedy is the loss of adult guidance and protection. Children without proper adult care are more likely to be abused & exploited. Children in this category include orphans, abandoned children, children who have lost their parents in war, communal riots, natural disasters, accidents, etc. They are not properly fed; they have no shelter, nutritious food, health care, education, or any recreation. Most of them are facing economic and social exploitation. They are deprived of the love and affection of the family and are often unwanted by family members. **Objectives of the Scheme:** 1. To identify the orphaned children in the community. 1. To assess and prioritize children in the greatest need. 1. To provide social protection to highly vulnerable groups of orphans by strengthening traditional family and community systems for protecting and absorbing orphans. 1. To improve the basic education, social integration, and nutrition of the most vulnerable groups of orphans towards the levels of other children in the community. 1. To encourage families to live their children within the family setup rather than sending them to orphanages. 1. To extend a helping hand to these orphan families by way of providing financial assistance for the education of children.

Eligibi

Who Can Apply: 1. The applicant should be a resident of Kerala State. 1. The child who has lost either father or mother or both. 1. The applicant should belong to Below Poverty Line (BPL) category. 1. The students from the first standard to degree classes are eligible to apply under the scheme. 1. For children belonging to Above Poverty Line (APL) category, annual income should be below Rs. 20,000 in rural areas (Local body/Grama Panchayat) and Rs. 22,375 in urban areas (Corporation/ Municipality). **Note:** Candidate children below 5 years of age can be directly eligible.

Description:
The PM POSHAN Scheme, launched nationwide in 2021 by the Ministry of Education (MoE), Government of India, is implemented in the Union Territory of Dadra & Nagar Haveli and Daman & Diu through the Department of Education. The scheme continues the earlier Mid-Day Meal Programme, aiming to provide hot, cooked, nutritious meals to children enrolled in government and government-aided schools. It seeks to enhance child nutrition, promote regular school attendance, and support overall academic performance. Under the scheme, eligible children from Balvatika, Primary (I-V), and Upper Primary (VI-VIII) receive freshly prepared meals on all school working days. The meals are designed to meet prescribed nutritional norms, ensuring adequate calorie intake and essential nutrients for healthy growth. PM POSHAN also includes provisions for food safety, quality monitoring, kitchen devices, infrastructure strengthening, and community participation to ensure effective implementation. The scheme particularly benefits children from economically and socially disadvantaged families, helping reduce classroom hunger and improve retention. In DNH&DD, the Directorate of Education oversees planning, fund allocation, meal preparation standards, and monitoring through school-level committees (SMCs). Through its holistic approach, PM POSHAN aims to boost children's health, reduce malnutrition, and create an enabling environment for better learning outcomes.

Application Process: how_to_apply: Online Registered Organisations (ROs) Enrolment (first approval) Process: STEP 1. The NGO registered with the National Trust logs in to the National Trust website. STEP 2. The application form is available online on the National Trust website and has to be submitted online only. Application fees for enrolment in the Gharaunda scheme is INR 1000/-. STEP 3. After the National Trust receives the application form and the documents, these are verified. If there is any missing or incorrectly submitted information, the RO is given 15 days to resubmit it. Note: The documents related to physical verification of the RO and proposed Gharaunda centre can be submitted either at the time of enrolment for the scheme at the National Trust website or even after the online application form has been submitted. If the RO fails to submit the same on time, they will be given 15 days to submit the documents after receiving notification from the National Trust. STEP 4. The final decision on the application or proposal is taken after completing all necessary formalities and processes. If the RO meets the scheme criteria and requirements, the application is approved. In case of any discrepancies, the RO is informed accordingly. STEP 5. Communication to the RO by the National Trust will be made within 15 days from receipt of the application. If any document is missing, the National Trust will communicate to the RO within 10 days. STEP 6. If the hardcopy of the form and documents is not received within 15 days of online submission, the National Trust will communicate back to the RO within the prescribed deadline. STEP 7. Once enrolment is completed, a scheme ID is created for the RO, and confirmation of the same is communicated to the RO. STEP 8. A starter kit/Gharaunda handbook containing the complete details of the Gharaunda scheme is handed over to the RO by the National Trust. STEP 9. The National Trust begins the fund disbursement process for providing setup costs to the ROs. The existing Gharaunda centres will also need to follow the same procedure for enrolling under the new scheme, including submission of documents and proposals. The RO will stop receiving benefits under the existing scheme and will start receiving funds under the new scheme. Enrolment of PwD at the Gharaunda Centre: STEP 1. PwD comes or is brought to the Centre. STEP 2. The Gharaunda Centre conducts an Individual PwD Assessment Test with the help of a Therapist or Counsellor to understand the specific needs of the PwD. STEP 3. If the PwD is orphaned, abandoned, or from a family in crisis, the RO should approach the competent district officials authorized by the State Government to certify the same. There are no additional documents to be submitted for enrolling the PwD in this case. The PwD will automatically be included in the BPL category and enrolled for Niramaya along with registration for Gharaunda. STEP 3. In all other cases, a check is made to verify if the PwD is eligible for the LIG or BPL funding by the National Trust. The National Trust will generally fund based on the information provided by the RO, but reserves the right to verify it from other sources if necessary. STEP 5. The parents or guardian are required to fill the Enrolment Form (along with the application fee, if any) and provide original and photocopies of the required documents. The documents and records for each PwD are to be maintained in separate files. STEP 6. Upon successful verification of the documents, the PwD is enrolled at the Gharaunda centre, and a confirmation Enrolment ID card or receipt is handed over to the beneficiary's parents or guardians (if any), along with a starter kit. Further details about the starting date, rules, and regulations will be provided by the Gharaunda representatives. STEP 7. Parents and guardians of the beneficiary are given a detailed explanation of the Niramaya health insurance scheme by the Gharaunda representatives if the beneficiary has not already availed of it. The Gharaunda Centre will mandatorily register the beneficiary under the Niramaya scheme with the agreement of the parents or guardian, in the form of a certification by the parents or guardian. > **Registered

https://serviceonline.gov.in/dbt/viewServiceApplicationForm.do?serviceId=14390001&tempId=5028&templStatus=243&state=4&backButtonUrl= Step 1: Identification and Registration of Beneficiary An Accredited Social Health Activist, Auxiliary Nurse Midwife, Anganwadi Worker, or any designated link worker will identify and register the pregnant woman as a beneficiary of the scheme. This crucial step should be completed at least 20 to 24 weeks before the expected date of delivery to ensure timely access to benefits and services. Step 2: Maternal and Child Health Card Filling Immediately upon successful registration, the Auxiliary Nurse Midwife, Accredited Social Health Activist, Anganwadi Worker, or an equivalent link worker will accurately complete a Maternal and Child Health card. This card is issued in duplicate, with one copy provided to the mother and the other retained by the link worker, forming an essential part of the Janani Suraksha Yojana registration. Step 3: Antenatal Care Information and Planning The designated link worker will inform the applicant about the schedule for at least three antenatal care check-ups and the required Tetanus Toxoid injections, ensuring these services are provided. Furthermore, they will clearly identify and communicate the health center for all necessary referrals and the predetermined place of delivery, along with the expected date of delivery. The Accredited Social Health Activist is responsible for following up on antenatal care visits at Anganwadi Centres or Sub-centers to ensure the beneficiary's attendance. Step 4: Collection of Necessary Proofs/Certificates If required by the specific eligibility criteria, the Accredited Social Health Activist, Auxiliary Nurse Midwife, Anganwadi Worker, or a link worker will assist the applicant in collecting the necessary Below Poverty Line or other relevant proofs and certificates from the local Panchayat, local bodies, or Municipalities. This step should be completed within two to four weeks from the initial registration date. Step 5: Submission for Verification and Fund Arrangement The completed Janani Suraksha Yojana card is to be submitted to the Medical Officer of the Primary Health Centre for verification. Concurrently, proactive steps are undertaken to arrange transport or ensure the availability of cash for the beneficiary to reach the health center for delivery or in case of complications. It is also ensured that adequate funds are available with the Auxiliary Nurse Midwife, health worker, or Accredited Social Health Activist for the prompt disbursement of benefits. General Steps for Receiving the Benefits Step 1: Accessing Health Centre for Delivery The pregnant woman, ideally accompanied by an Accredited Social Health Activist or another designated link worker, will proceed to the pre-determined government or accredited private health institution for delivery. The Accredited Social Health Activist is expected to stay with the woman until her discharge from the facility. Step 2: Cash Benefit Disbursement at Institution Upon arrival and registration for delivery at the health center, the mother and, if applicable, the Accredited Social Health Activist, should receive their entitled cash benefit immediately. The Auxiliary Nurse Midwife or Accredited Social Health Activist (or another identified link worker operating under the Auxiliary Nurse Midwife's guidance) will typically manage this disbursement process. For deliveries occurring in accredited private institutions, the cash benefit is disbursed to the mother via the Auxiliary Nurse Midwife/Accredited Social Health Activist/link worker channel. In some hospital settings, a voucher scheme may be implemented, where an admission slip for delivery, combined with a voucher for the mother's package and transport assistance, is provided for encashment at the hospital's cash counter upon discharge. All payments before or after seven days of delivery are treated as illegitimate subject to audit objection. Step 3: Postnatal Care and Immunization The Accredited Social Health Activist is mandated to conduct a postnatal visit within seven days following delivery to monitor the mother's health and to facilitate the newborn's immunization, specifically for Bacillus Calmette-Guérin (BCG). This postnatal visit and the child's immunization are prerequisites for the Accredited Social Health Activist to receive her second payment installment. Step 4: Sterilization Compensation (if applicable) Should the mother or her husband voluntarily choose to undergo sterilization immediately after the child's delivery, the compensation money designated under the existing Family Welfare scheme will be disbursed directly to the mother at the hospital premises.

Application Deadlines: Timely registration for antenatal care, ideally 20-24 weeks before the expected date of delivery. Additionally, cash benefits for home delivery should be disbursed at the time of delivery or approximately 7 days prior. Payments made outside of a seven-day window around delivery are subject to audit objections. Where to Apply Registration for the scheme and access to services are facilitated through government health centers, including Sub-centers, Primary Health Centres, Community Health Centres, First Referral Units, and District and State Hospitals. Services may also be availed at accredited private institutions. Key contact points at the community level for guidance and assistance are Accredited Social Health Activists, Auxiliary Nurse Midwives, and Anganwadi Workers. Application Status Tracking To ensure transparency and allow beneficiaries to track their status, a list of Janani Suraksha Yojana beneficiaries, detailing the date of cash disbursement, must be prominently displayed on notice boards at all Sub-centers, Primary Health Centres, Community Health Centres, and District Hospitals. This list is required to be updated regularly on a monthly basis. Help & Support / Grievance Redressal Each district is mandated to establish a dedicated grievance redressal cell under the District Project Management Unit. This cell serves to address and resolve complaints concerning eligibility for the scheme, the accurate quantum of cash assistance, and any delays encountered in the disbursement of cash benefits. Crucially, comprehensive information about this grievance cell, including the officer's name, postal address, and telephone number, must be prominently displayed at all health centers and institutions to ensure easy access for beneficiaries. **Step 1:****** ***Identification and Registration of Beneficiary*** - An Accredited Social Health Activist, Auxiliary Nurse Midwife, Anganwadi Worker, or any designated link worker will identify and register the pregnant woman as a beneficiary of the scheme. - This crucial step should be completed at least 20 to 24 weeks before the expected date of delivery to ensure timely access to benefits and services. **Step 2:****** ***Maternal and Child Health Card Filling*** - Immediately upon successful registration, the Auxiliary Nurse Midwife, Accredited Social Health Activist, Anganwadi Worker, or an equivalent link worker will accurately complete a Maternal and Child Health card. - This card is issued in duplicate, with one copy provided to the mother and the other retained by the link worker, forming an essential part of the Janani Suraksha Yojana registration. **Step 3:****** ***Antenatal Care Information and Planning*** - The designated link worker will inform the applicant about the schedule for at least three antenatal care check-ups and the required Tetanus Toxoid injections, ensuring these services are provided. - Furthermore, they will clearly identify and communicate the health center for all necessary referrals and the predetermined place of delivery, along with the expected date of delivery. - The Accredited Social Health Activist is responsible for following up on antenatal care visits at Anganwadi Centres or Sub-centers to ensure the beneficiary's attendance. **Step 4:****** ***Collection of Necessary Proofs/Certificates*** - If required by the specific eligibility criteria, the Accredited Social Health Activist, Auxiliary Nurse Midwife, Anganwadi Worker, or a link worker will assist the applicant in collecting the necessary Below Poverty Line or other relevant proofs and certificates from the local Panchayat, local bodies, or Municipalities. - This step should be completed within two to four weeks from the initial registration date. **Step 5:****** ***Submission for Verification and Fund Arrangement*** - The completed Janani Suraksha Yojana card is to be submitted to the Medical Officer of the Primary Health Centre for verification. Concurrently, proactive steps are undertaken to arrange transport or ensure the availability of cash for the beneficiary to reach the health center for delivery or in case of complications. - It is also ensured that adequate funds are available with the Auxiliary Nurse Midwife, health worker, or Accredited Social Health Activist for the prompt disbursement of benefits. ##### ***General Steps for Receiving the Benefits*** **Step 1:****** ***Accessing Health Centre for Delivery*** - The pregnant woman, ideally accompanied by an Accredited Social Health Activist or another designated link worker, will proceed to the pre-determined government or accredited private health institution for delivery. - The Accredited Social Health Activist is expected to stay with the woman until her discharge from the facility. **Step 2:****** ***Cash Benefit Disbursement at Institution*** - Upon arrival and registration for delivery at the health center, the mother and, if applicable, the Accredited Social Health Activist, should receive their entitled cash benefit immediately. - The Auxiliary Nurse Midwife or Accredited Social Health Activist (or another identified link worker operating under the Auxiliary Nurse Midwife's guidance) will typically manage this disbursement process. - For deliveries occurring in accredited private institutions, the cash benefit is disbursed to the mother via the Auxiliary Nurse Midwife/Accredited Social Health Activist/link worker channel. - In some hospital settings, a voucher scheme may be implemented, where an admission slip for delivery, combined with a voucher for the mother's package and transport assistance, is provided for encashment at the hospital's cash counter upon discharge. - All payments before or after seven days of delivery are treated as illegitimate subject to audit objection. **Step 3:****** ***Postnatal Care and Immunization*** - The Accredited Social Health Activist is mandated to conduct a postnatal visit within seven days following delivery to monitor the mother's health and to facilitate the newborn's immunization, specifically for Bacillus Calmette-Guérin (BCG). - This postnatal visit and the child's immunization are prerequisites for the Accredited Social Health Activist to receive her second payment installment. **Step 4:****** ***Sterilization Compensation (if applicable)*** Should the mother or her husband voluntarily choose to undergo sterilization immediately after the child's delivery, the compensation money designated under the existing Family Welfare scheme will be disbursed directly to the mother at the hospital premises. > ***Application Deadlines:*** Timely registration for antenatal care, ideally 20-24 weeks before the expected date of delivery. Description:

The Pradhan Mantri Ujjwala Yojana 2.0 (PMUY) was launched in May 2016 by the Ministry of Petroleum and Natural Gas to provide free LPG connections to women from poor households. Its main objective is to promote clean cooking fuel like LPG among rural and deprived families who traditionally rely on firewood, coal, or cow-dung cakes. This shift helps reduce health risks for women and minimizes environmental pollution. Under PMUY 2.0, the scheme was further expanded to reach more beneficiaries across India. - The target under the scheme was to release 8 Crore LPG Connections to the deprived households by March 2020. - On 7th September 2019, the Hon'ble Prime Minister of India handed over the 8th Crore LPG connection in Aurangabad, Maharashtra. - The release of 8 Crore LPG connections under the scheme has also helped in increasing the LPG coverage from 62% on 1st May 2016 to 99.8% on 1st April 2021. - Ujjwala 2.0: Additional allocation of 1.6 Crore LPG Connections under PMUY Scheme with special facility to migrant households. Description:
The **Pradhan Mantri Matru Vandana Yojana (PMMVY)** is a Centrally Sponsored flagship scheme by the Ministry of Women and Child Development, Government of India, designed to support pregnant women and lactating mothers. The scheme is to provide maternity benefits to women belonging to socially and economically disadvantaged sections of society. The maternity benefit is to be provided to a woman for the first two living children provided the second child is a girl. For the first child the maternity benefit of Rs. 5,000/- is provided in two instalments under PMMVY

and the beneficiary is also entitled to receive the cash incentive as per approved norms towards Maternity Benefit under Janani Suraksha Yojana (JSY) after institutional delivery so that on an average, a women gets Rs. 6,000/-. For the second child, the benefit of Rs. 6,000/- is to be provided subject to second child is a girl child, in one installment after the birth. Cases of miscarriage/still births are to be treated as fresh cases for providing maternity benefit under the scheme. Further, as per the new guidelines for '**Mission Shakti**', applicable with effect from 01.04.2022, the scheme **(PMMVY 2.0)** seeks to promote positive behavioral change towards girl child by providing additional cash incentive for the second child, if that is a girl child. Thus, for the second child, the benefit of Rs. 6,000/- is to be provided in one instalment post birth. This would contribute towards improving Sex Ratio at Birth by discouraging female feticide. 3535. Scheme For Award Of Senior/Junior Fellowships To Outstanding Persons In The Fields Of Culture

Primary Category: Scholarship & Education | State: All | Govt: Central Government | Ministry: Ministry Of Culture

Secondary: Financial Assistance, Skill Development & Training, Senior Citizens & Pension | Benefits: Scholarship, Financial Assistance, Pension, Training | E

Gender: Any | Age: 25-40 Years | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/sasjfopfc

Description:

The "Scheme for Award of Senior/Junior Fellowships to Outstanding Persons in the Fields of Culture" was launched by the Ministry of Culture, Government of India to support artists in creative fields. Earlier, while academicians and scientists had opportunities for independent work through fellowships by institutions like the University Grants Commission and the Council of Scientific and Industrial Research, similar support was lacking in the field of creative arts. There was also a gap in schemes providing financial assistance for advanced training or independent creative work, especially beyond the age groups already covered. This scheme aims to fill that gap by offering financial support and a creative environment, including for artists in rural and tribal areas. The fellowships are awarded for research-oriented projects, and applicants must demonstrate their capability to undertake such work. However, the fellowships are not meant for training programs, workshops, seminars, or for writing memoirs, autobiographies, fiction, or similar works. **Fields/Area:** 1. Senior/Junior Fellowships in the Field of Performing, Literary and Plastic Arts. ? Performing Arts (Music/Dance/Theatre/Folk Traditional & Indigenous Arts including Puppetry) ? Literary Arts (Travelogue/History & Theory of Literature) ? Plastic Arts (Graphics/Sculpture/Painting including Folk Paintings and Research Work on Traditional Paintings/Creative Photography) 2. Senior/Junior Fellowships in the New Areas related to Culture: In the 'New Areas related to culture', projects are sought in the following fields : ? Indology ? Epigraphy ? Sociology of Culture ? Cultural Economics ? Structural and Engineering Aspects of Monuments ? Numismatics ? Scientific and Technical aspects of Conservation ? Management aspects of Art and Heritage ? Studies relating to application of Science and technology in areas related to culture and creativity. The objective is to encourage analytical application of new research techniques, technological and management principles to contemporary issues in areas related to art and culture. General and theoretical macro-studies will not be considered. The proposal should be innovative and application-oriented and preferably interdisciplinary in nature.

Eligibi

Who Can Apply: 1. The age of the applicant should be above 40 years for applying under senior fellowships. 1. The age of the applicant should be between 25-40 years for applying under junior fellowships. 1. Graduation is the minimum educational qualification for applicants in the fields/areas mentioned in the scheme guideline. 1. Applicants for senior fellowship should not be the recipient of pension from the Ministry of Culture under the scheme for grant of financial assistance to artists in indigent circumstances. 1. An applicant should not have availed of the same fellowship earlier. However, an applicant who had been awarded a Junior Fellowship can apply for a Senior Fellowship, provided 5 years have elapsed after the closure of the earlier project. **Note 01:** The age of the applicant will be reckoned as of 1st April of the year. **Note 02:** Under the Senior and Junior Fellowships, the awardees will submit a six-monthly progress report. In cases where such reports are not received timely, the Ministry may withhold further releases of the Fellowship amount. **Note 03:** The selected candidates will have to undertake academic or application-oriented research work on projects for which they have been awarded the Fellowship. They will complete their Projects within two years and submit the same to the Ministry. Extension of time by a maximum of three months will be permissible without any additional financial liability to the Government. **Note 04:** A mid-term review/assessment of performance in each case will be carried out after one year and further continuance of Fellowship will depend on such review/assessment.
Exclusions: The fellowships are not intended for providing training, conducting workshops, seminars, documenting memoirs/or writing autobiographies, fiction, etc.

Schem

details: > The number of fellowships will be up to 400 each year. These are of two types, namely, senior and junior fellowships. **Senior Fellowship:** - Number of fellowships: 200 - Monthly amount: Rs. 20,000 - Age group: Above 40 years **Junior Fellowship:** - Number of fellowships: 200 - Monthly amount: Rs. 10,000 - Age group: 25-40 years - Age is calculated as on 1st April of the given year **Publishing Grant** In addition, there could be a one time grant up to maximum of Rs. 20,000/- or 50% of the cost of the publication, whichever is less, for publication of selected Project documents. This will be restricted to 20% of the awardees.

Description:

"Dr. Ambedakar Centrally Sponsored Scheme of Post-Matric Scholarships for the Economically Backward Class (EBC) Students" is a Scholarship Scheme by the Department of Social Justice and Empowerment, Ministry of Social Justice and Empowerment. The objective of the scheme is to provide financial assistance to the Economically Backward Class (EBC) students studying at the post-matriculation or post-secondary stage to enable them to complete their education. These scholarships shall be available for studies in India only and will be awarded by the Government of State/Union Territory to which the applicant actually belongs, i.e. permanently settled.

Eligibi

Who Can Apply: 1. The scholarships will be open to Indian nationals belonging to the General Category (Other than Schedule Caste, Schedule Tribe and Other Backward Classes). 1. These scholarships will be given for the study of all recognized post-matriculation or post-secondary courses pursued in Government institutions. 1. Students pursuing Post-graduate courses in medicine will be eligible if they are not allowed to practice during the period of their course. 1. Students who after failing or passing the undergraduate/Post-Graduate examinations in Arts/Science/Commerce join any recognized professional or Technical certificate/diploma/degree courses will be awarded scholarships if otherwise eligible. No subsequent failure will be condoned except for courses in Group 'A' and no further change in the course will be allowed. 1. Students who pursue their studies through correspondence courses will be eligible towards reimbursement of a non-refundable fee. The term correspondence includes distant and continuing education. Besides reimbursement of non-refundable fees, such students will also be eligible for an annual allowance of Rs. 900/- for essential/prescribed books, as applicable. 1. Only two boys of the same parents/guardians will be entitled to receive scholarships. This restriction will, however, not apply to girls. Accordingly, scholarships availed by girls of the same parents/guardian will not adversely affect the admissibility of availing scholarships upto two boys of the same parents/guardian. 1. A scholarship holder under this Scheme will not hold any other scholarship/stipend. If awarded any other scholarship/stipend, the student can exercise his/her option for either of the two scholarships/stipends, whichever is more beneficial

to him/her and should inform the awarding authority through the Head of the Institution about the option made. No scholarship will be paid to the students under this Scheme from the date he/she accepts any other scholarships/stipend. The student can, however, accept free lodging or a grant or ad-hoc monetary help from the State Government or any other source for the purchase of books, and equipment or for meeting the expenses on board and lodging, in addition to the scholarship amount paid under this Scheme. 1. Scholarship holders who are receiving coaching in any of the pre-examination training centres with financial assistance from the Central Government/State Government will not be eligible for a stipend under the coaching schemes for the duration of the coaching programme. 1. Employed students whose income combined with the income of their parents/guardians does not exceed Rs. 1,00,000 per annum shall be eligible for post-matric scholarships to the extent of reimbursement of all compulsorily payable non-refundable fees. 1. In the case of unemployed students whose parents/guardians income from all sources does not exceed Rs. 1,00,000 per annum will be entitled to the scholarship under the Scheme.
Exclusions: 1. Scholarships shall not be awarded for Commercial Pilot Licence (CPL) Courses and other aviation-linked courses. 1. Candidates who, after passing one stage of education, are studying in the same stage of education in a different subject e.g. I.Sc. after I.A or B.Com. after a B.A. or M.A. in a subject after an M.A. in another subject will not be eligible. 1. Students who, after having completed their educational career in one professional line, e.g., LLB after B.T/B. Ed will not be eligible. 1. Students studying in the XI Class of the Higher Secondary School courses or the XII class of the Multipurpose High School will not be eligible for it being a continuous school course. However, in cases, where the tenth class examination of such courses is treated as equivalent to Matriculation and students who after passing the tenth class join other courses, such students will be treated as post-matric students and will be eligible for the award of scholarships.

3551. Rajbhasha Gaurav Puraskar Scheme for writing original book in Hindi

Primary Category: Social Welfare & Other Benefits | State: All | Govt: Central Government | Ministry: Ministry Of Home Affairs

Secondary: Scholarship & Education, Financial Assistance, Health & Medical | Benefits: Financial Assistance, Food/Nutrition, Identity Card / Certificate | Bene

Gender: Any | Age: None | Occupation: None | Education: PhD / Doctorate | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/rgpswobh

Description:

The scheme "Rajbhasha Gaurav Puraskar Scheme for Writing Original Books in Hindi" has been launched by the Department of Official Language, Ministry of Home Affairs, Government of India, to encourage writing original books in Hindi and to promote the official language. Under the scheme, the citizens of India will be awarded as follows: - Rajbhasha Gaurav Puraskar for writing an original book in Hindi on Engineering, Electronics, Computer Science, Physics, Biology, Energy, Space Science, Medicine, Chemistry, Information Technology, Management, Psychology and contemporary topics like Liberalisation, Globalisation, Consumerism, Human Rights, Pollution. - Rajbhasha Gaurav Puraskar for writing original books in Hindi on the subjects of Law and Police Research, Forensic Science, criminology, police administration, etc. - Rajbhasha Gaurav Puraskar for writing an original book in Hindi on subjects related to Culture, Religion, Arts and Heritage, etc. - Rajbhasha Gaurav Puraskar for writing original books in Hindi by the author of the 'C' region (on the subjects of all the above categories). - Rajbhasha Gaurav Puraskar for books translated in Hindi - For translated books on classics and subjects related to culture, art, and heritage. > **Objective:** (A) In various ministries/departments/offices/undertakings/banks, etc. of the central government, official work is also undertaken on technical subjects. Due to a lack of books on subjects like technical, science, judicial science, police, criminology research, police administration, culture, religion, arts, heritage, etc., and law, there is a difficulty in increasing the use of Hindi in official work. In addition, due to being less familiar with or not familiar with the Hindi vocabulary of these subjects, personnel face difficulties in doing official work in Hindi. (B) A new category is being included to encourage original writing in Hindi by authors of the 'C' region. (C) In addition, translation is an important means of disseminating knowledge and literature in English and scheduled Indian languages to the Hindi-speaking community. In the past years, many good translated books have also been received, which could not be included due to not having an award in this category. The vision of the Honourable Home Minister is to increase coordination between Indian languages and Hindi. Hence, a new category of books translated from English and other Indian languages into Hindi is being included under these awards. Thus, with the objective of promoting original book writing and excellent translated works in Hindi on the above subjects, the Department of Official Language has initiated this scheme. (D) Only the Department of Official Language has been made the nodal department for different award schemes related to Hindi at the national level by various Ministries / Departments of the Central Government. It shall be mandatory to consult the Department of Official Language, Ministry of Home Affairs, before launching any other award scheme related to Hindi by any Ministry / Department in future so that repetition of the award scheme may be avoided.

Description:

The "e-National Agriculture Market (e-NAM)" is a pan-India electronic trading platform launched on 14th April 2016 to integrate APMC mandis across the country under the "One Nation One Market" initiative. Implemented by the Small Farmers Agribusiness Consortium (SFAC) under the Ministry of Agriculture and Farmers' Welfare, the platform provides online trading facilities for agricultural commodities. It offers services such as commodity arrival information, quality assaying, e-bidding, and direct e-payment to farmers through a single-window system. The scheme aims to improve transparency, efficiency, and better price discovery in agricultural marketing. In Jammu & Kashmir, 11 mandis have been integrated with the e-NAM platform since May 2020.
