The merit list will be prepared exclusively on the basis of marks obtained by the candidate in the qualifying exams and complying with the level-of-course-wise slots allotted to the states. 1. In case the allotted quota remains unfilled for want of eligible candidates, the same may be distributed to remaining eligible students from the other NE States, as per their inte-rse merit list. 1. The scholarships will be disbursed to selected students by NEC directly in their provided and verified bank accounts using DBT mode as per the extant guidelines. > **RENEWAL OF SCHOLARSHIP:** 1. Every renewal of the scholarship is for a period of one academic year only, if not otherwise specified. 1. All existing and eligible beneficiaries of the scholarship are required to fill up the renewal form on NSP every year during their entire course period. 1. The student must upload a previous exam marks sheet/pass certificate during the renewal application. In the case of students studying for M.Phil / PhD., the renewal application shall be accompanied by the latest progress report from the guide countersigned by the Registrar of the Institute. 1. To draw a scholarship under the renewal category, the beneficiary must pass in the particular year or be promoted to the next semester/year. In case the student

could not pass all papers but was promoted to next year, as per extant rules, he/she may be considered for renewal of scholarships subject to the condition that no additional backlog, from previous years, is pending against his/her name. 1. In case the student is not promoted to next year or has backlog papers pending against his/her name for more than one year, he/she shall not receive a further scholarship for the remaining course period. It will be the responsibility of the Institute level verifying officer to ensure that the student has been promoted for a year or does not have pending backlog papers for more than a year, before accepting the application on NSP for further processing. Otherwise, such applications shall be rejected on NSP after recording reasons. 1. Any break in scholarship, during the entire course period, shall make the beneficiary non-eligible for further receipt of the scholarship for that specific course. The students shall not be provided with an option to make renewal applications in subsequent years. The student may, however, apply as a fresh applicant, upon securing admission in any advanced course, at a later stage. 1. A request for renewal of students who have changed their subject of study will not be entertained for renewal if the students have availed of the scholarship for the previous course or part of it. 1. A request for renewal of scholarship of such student beneficiaries who have changed their Institution of study will not be entertained for renewal. 1. There will be no merit list generation for renewal applications. 1. Renewal scholarship will be disbursed to all eligible and duly verified applications by NEC, directly in their verified bank accounts using DBT mode as per the extant guidelines. 1. The request for renewal of scholarships of all existing applications belonging to Academic Year 2019-20 and before will be processed as per the prevailing procedure during Academic Year 2019-20, where the respective State Government will be responsible for directly disbursing scholarships in the student's bank accounts.
Exclusions: 1. A sponsored candidate under full employment during the period of study or working/in-service candidates shall not be eligible to receive the scholarship. 1. The Scholarship will not be available for an internship or any practical training. 1. A request for renewal of students who have changed their subject of study will not be entertained for renewal if the students have availed of the scholarship for the previous course or part of it. 1. A request for renewal of scholarship of such student beneficiaries who have changed their Institution of study will not be entertained for renewal.

Secondary: Scholarship & Education, Employment & Jobs, Business & Entrepreneurship | Benefits: Scholarship, Training, Employment, Food/Nutrition, Skill D

Gender: Any | Age: None | Occupation: Student | Education: Undergraduate | Category: All

Income Limit: None | Area: Urban | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/naps

Description:

The Ministry of Skill Development and Entrepreneurship (MSDE) launched the **National Apprenticeship Promotion Scheme (NAPS)** on 19th August 2016 to provide financial incentives to the establishments engaging apprentice under the Apprentices Act, 1961. **National Apprenticeship Promotion Scheme-2 (NAPS-2)** aims to promote apprenticeship training in the country, by providing partial stipend support to the apprentices engaged under the Apprentice Act, 1961, undertaking capacity building of the apprenticeship ecosystem, and providing advocacy assistance to the stakeholders. It aims at improving ease of doing business by simplifying processes of apprenticeship engagement. NAPS-2 is a Central Sector Scheme (100% funded by the Central Government) and is one of the sub-components under the umbrella scheme of "**Skill India Programme**?. The Ministry of Skill Development and Entrepreneurship (MSDE) is responsible for the overall regulation, management, and monitoring of NAPS-2. **Objectives of the

NAPS-2 scheme:-** 1. To develop skilled workforce for the economy by promotion of on-the-job experiential training. 1. To encourage establishments to enroll apprentices by sharing partial stipend support to the apprentices. 1. To provide up-skilling opportunities for candidates who have undergone short-term skill training offered by various Central and State Government initiatives. 1. To encourage enrolment of apprentices in small establishments especially Micro, Small and Medium Enterprises (MSMEs), and those located in the underserved areas such as aspirational districts and North-East Region. **Anticipated outcome of the scheme:-** 1. MSDE aims to train 46 lakh apprentices from FY2022-23 to FY2025-26. 1. The scheme envisages greater promotion of apprenticeship in India and assisting stakeholders through various measures for accelerating the performance of Approved apprenticeship. **Other important key facts:-** 1. To enhance and track the conversion of apprentices to employment, apprentices, on successful completion of their training, will be provided with a provision of quick registration on the National Career Service (NCS) portal of Ministry of Labour and Employment. 1. To boost apprenticeship engagement in the ever-growing infrastructure sector, NAPS-2 will be linked to flagship Government infrastructure programs via platforms such as Gati Shakti. 1. Innovative models to preserve and upgrade existing apprenticeship systems in the informal economy, with a focus on craftsman, artisans, traditional skills, etc., will be taken up under NAPS-2.

Eligibi

For World Championship/World Cup of different periodicities, proportionate marks will be given 2. Equivalence of any other sports discipline/tournament, not listed above, will be decided by the Selection Committee with reference to above-mentioned categories of sports tournaments and the points will be allotted accordingly. 3. For team events, marks will be computed taking into consideration strength of the team. If prescribed marks for an individual event are 'A', in the case of team event, the marks will be computed as follows: (i) A team of 2 persons: 1.5 X 'A'/number of persons in the team (ii) A team of 3 or 4 persons: 2 X 'A'/number of persons in the team (iii) A team of 5 to 10 persons: 3 X 'A'/number of persons in the team (iv) A team of more than 10 persons: 5 X 'A'/number of persons in the team 4. 80 marks will be given to the sportsperson getting maximum points as computed in the table above. Rest of the sportspersons will be given marks proportionately to the said sportsperson. For example, if a sportsperson 'A' has got highest points, say 85 points as per the table above and another sportsperson 'B' has got 80 points as per the table above, then 'A' will get 80 marks and 'B' will get (80 x 80/85) = 75.30 marks. 5. 20 % weightage will be given to the marks given by the Selection Committee for assessment of the eligible sportsperson keeping in view factors like profile and standard of the sports events in which he or she has won medals. 6. For cricket and indigenous games, not included in Olympic /: Asian Games / Commonwealth Games disciplines, the Selection Committee will take into consideration their individuals performances. 7. There will be only one award every year to be given to an individual sportsperson. This condition will be relaxed only in exceptional circumstances to be recorded in writing. 8. In a particular sports discipline, names of not more than 2 sportspersons (1 male and 1 female) with the highest marks as per the criteria brought out in the table above will be considered by the Selection Committee. 9. Sometimes, the Selection Committee may feel that as per the given criteria, a very deserving sportsperson in a team game may not get Major Dhyan Chand Khel Ratna. In such a situation, it may recommend such name giving full justification in writing. 10. Selection Committee will recommend the final list of sportsperson(s) for Major Dhyan Chand Khel Ratna as per the marks obtained in terms of the criteria indicated above. 11. Selection Committee may not mechanically recommend Major Dhyan Chand Khel Ratna to the recipient of the highest marks across disciplines. But in a particular sports discipline, award will be recommended only for the recipient of the highest aggregate marks. 12. The recommendations of Selection Committee will be placed before the Union Minister of Youth Affairs & Sports for the final decision. **Step 1:** The applicant will open the website https://dbtyas-sports.gov.in/ to register and apply for Online Schemes of the Department of Sports. **Step 2:** The applicant will click on the 'Registration' tab to start the one-time registration process. 2832. Student READY (Rural Entrepreneurship Awareness Development Yojana)

Primary Category: Scholarship & Education | State: All | Govt: Central Government | Ministry: Ministry Of Agriculture and Farmers Welfare

Secondary: Financial Assistance, Farmers & Agriculture, Employment & Jobs | Benefits: Scholarship, Financial Assistance, Loan, Training, Employment, Food

Gender: Any | Age: None | Occupation: Farmer | Education: Undergraduate | Category: All

Income Limit: None | Area: Rural | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/sr

Description:

The Student READY (Rural Entrepreneurship Awareness Development Yojana) programme, implemented by the Indian Council of Agricultural Research (ICAR) under the Ministry of Agriculture and Farmers Welfare, Government of India, aims to provide undergraduate students with rural entrepreneurship awareness, hands-on experience in real-life agricultural settings, and practical exposure to agriculture and allied sciences. The program will help in building confidence, skills, and acquiring Indigenous Technical Knowledge (ITK) of the locality and thereby preparing the pass-out for self-employment. It also aims to provide opportunities to acquire hands-on experience and entrepreneurial skills. To reorient graduates of agriculture and allied subjects for ensuring and assuring employability and developing entrepreneurs for emerging knowledge-intensive agriculture, it was felt necessary to introduce this program in all the AUs as an essential prerequisite for the award of degree to ensure hands-on experience and practical training. The Fifth Deans committee has given a detailed curriculum of the student READY program for all the disciplines in agriculture and allied sciences. The course curricula have been restructured to develop much-needed skills and entrepreneurial mindset among the graduates to take up self-employment, contribute to the enhanced rural livelihood and food security, sustainability of agriculture, and be propeller for agricultural transformation. **The following components are proposed for carrying out one year Student READY program in all the Undergraduate (UG) disciplines** 1. Experiential Learning on Business Model / Hands-on Training 1. Experiential Learning on Skill Development. 1. Rural Awareness Works Experience (RAWE). 1. Internship / In-Plant Training / Industrial attachment 1. Students Projects **Student READY program is introduced in fourth year of undergraduate education in the following subjects:** 1. Agriculture 1. Agriculture Engineering 1. Bio-Technology 1. Dairy Technology 1. Fisheries 1. Food Technology 1. Forestry 1. Horticulture 1. Home Science (now Community Science) 1. Sericulture **Five components of student READY are:** 1. Experiential Learning with business mode. 1. Hands-on training (HOT)/ Skill development training i.e. Experiential Learning without business mode. 1. Rural Awareness Work Experience (RAWE). 1. Internship/In-Plant Training/ Industrial attachment. 1. Students Projects. **Experiential Learning with business mode** Experiential Learning (EL) with business mode helps the student to develop competence, capability, capacity building, acquiring skills, expertise, and confidence to start their own enterprise and turn job creators instead of job seekers. This is a step forward for "Earn while Learn" concept. Experiential Learning is an important module for high quality professional competence and practical work experience in real life situation to Graduates. The module with entrepreneurial orientation of production and production to consumption pattern is expected to facilitate producing Job Providers rather than Job Seekers. The EL provides the students an excellent opportunity to develop analytical and entrepreneurial skills, and knowledge through meaningful hands on experience, confidence in their ability to design and execute project work. The main objectives of EL are: - To promote professional skills and knowledge through meaningful hands on experience. - To build confidence and to work in project mode. - To acquire enterprise management capabilities. **Rural Agricultural Work Experience (RAWE)** The Rural Agricultural Work Experience (RAWE) provides exposure to agricultural students to the natural setting of the village situations, work with the farm families, identify their problems and make use of various extension tools for transferring the latest agricultural technologies. The students also get opportunity to study the various on-going schemes related to agriculture and rural development and participate in their implementation. The students were given rigorous orientation and familiarization on various issues and problems expected on farmers' field and hence gain competence and confidence for solving problems related to agriculture and allied sciences. It has been implemented in adopted villages under the supervision of scientists. Activities focused on intensive observations/ analysis of socio-economic and technological profile of the farm families in rural areas, participatory extension approach and acquaintance with farming situations, farm practices and interaction with progressive farmers. Soil testing has become the integral part of RAWE. This helps orient our agricultural graduates for participation in various rural developmental programme. The students also gained first hand information on industries during attachment with identified agro based industries. The stipend rates have been enhanced of Rs. 3000/ student/ month for a maximum of 6 months for the village/ rural training under student READY programme. **In Plant Training (IPT)/ Industrial Attachment** Technology and globalization are ushering an era of unprecedented change. The need and pressure for change and innovation is immense. To enrich the practical knowledge of the students, in-plant training is mandatory. In this training, students will have to study a problem in industrial perspective and submit the reports to the university. Such in-plant trainings will provide an industrial exposure to the students as well as to develop their career in the high tech industrial requirements. In-Plant training is meant to correlate theory and actual practices in the industries with the following objectives - To expose the students to Industrial environment, this cannot be simulated in the university. - To familiarize the students with various Materials, Machines, Processes, Products and their applications along with relevant aspects of shop management. - To make the students understand the psychology of the workers, and approach to problems along with the practices followed at factory - To make the students understand the scope, functions and job responsibility-ties in various departments of an organization. - Exposure to various aspects of entrepreneurship during the program period. **Students Projects** There is number of students interested in higher education and study abroad. Keeping in view their future requirement a component of Student Project is placed to understand and identify problems of his/ her interest and field, experimental set up, taking observation and writing and documentation in the form of thesis. Project work provides several opportunities to students to learn various aspects that cannot be taught in a class room or laboratory. In order to provide such opportunities to the graduates of agricultural science, Students Project is proposed as one of the

components of the Student READY. It may be adopted based on the interest of student and expertise and facilities available with the College.The Students Project is proposed with the following objectives: - To impart analytical skills and capability to work independently. - To conceptualize, design and implement the proposed work plan. - Learn to work as a team- sharing work amongst a group, and learn leadership - Learn to solve a problem through all its stages by understanding and applying project management skills. - Learn to do various implementations, fabrication, testing and trouble shooting. - Learn communication report writing skills.

2852. Pradhan Mantri Fasal Bima Yojna (PMFBY)

Primary Category: Insurance & Social Security | State: All | Govt: Central Government | Ministry: Ministry Of Agriculture and Farmers Welfare

Secondary: Financial Assistance, Farmers & Agriculture, Loans & Credit | Benefits: Financial Assistance, Subsidy, Loan, Insurance, Food/Nutrition, Identity Ca

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/pmfby

Description:

Launched on 18th February 2016, "Pradhan Mantri Fasal Bima Yojana" is a crop insurance scheme by the Department of Agriculture, Cooperation and Farmers' Welfare, Ministry of Agriculture. PMFBY aims to provide financial protection to farmers against crop loss due to natural disasters (hail, drought, famine), pests, and diseases. PMFBY provides crop insurance at a cost-effective premium to all Indian farmers. PMFBY is an affordable crop insurance product implemented through a network of insurance companies and banks. The scheme covers over 50 crore farmers and provides insurance coverage for over 50 different crops. **Objectives** - To provide financial assistance and support to farmers suffering from crop damage or loss arising out of unforeseen events. - To stabilise the income of farmers and ensure continuance in farming. - To encourage the farmers to adopt modern and innovative agricultural practices. - To ensure crop diversification, and credit-worthiness of the farmers, enhance growth and competitiveness of the agriculture sector and protect the farmers from production risks.

Eligibi

Who Can Apply: 1. All farmers, including tenant farmers and sharecroppers growing notified crops in notified areas. 1. Farmers must have an insurable interest in the insured crops. 1. Farmers must possess a valid and authenticated land ownership certificate or a valid land tenure agreement. 1. The farmer must be a cultivator or sharecropper on the insured land. 1. The farmer must apply for insurance coverage within the prescribed time frame, usually within 2 weeks of the start of the sowing season. 1. Farmers must not have received compensation for the same crop loss from any other medium or source.
Exclusions: > **Non-Notified Areas** PMFBY applies to notified areas, and crop losses in non-notified areas are generally not covered. Farmers in areas not designated under the scheme may not receive compensation. > **Losses Outside the Crop Cycle** Crop losses occurring outside the specified crop cycle are often excluded from coverage. If a loss is not directly related to the growing season, it may not be eligible for compensation. > **Negligence and Non-Compliance** Losses resulting from farmer negligence, non-compliance with recommended agricultural practices, or failure to

protect the crop adequately may be excluded. > **Losses Beyond Specified Limits** Some losses beyond specified limits or thresholds may not be covered. The scheme may have predefined criteria for determining the extent of loss that qualifies for compensation. > **Non-Premium Payment** Farmers who fail to pay their premium contributions as required may not be eligible for coverage. Non-payment of premiums can result in the cancellation of insurance.

Schem

details: - **Affordable Premiums:****** The maximum premium payable by the farmer will be 2% for the Kharif food and oilseed crops. For rabi food and oilseeds crop, it is 1.5% and for yearly commercial or horticultural crops it will be 5%. The remaining premium is subsidized by the government. - * For the farmers in North-Eastern States, Jammu, Kashmir, and Himachal Pradesh, the government also pays the entire premium. - **Comprehensive Coverage:** The scheme covers natural disasters (droughts, floods), pests, and diseases. Post-harvest losses due to local risks like hailstorms and landslides are also included.- **Timely Compensation:** PMFBY aims to process claims within two months of the harvest to ensure that farmers get the compensation quickly, preventing them from falling into debt traps.- **Technology-Driven Implementation:** PMFBY integrates advanced technologies like satellite imaging, drones, and mobile apps for precise estimation of crop loss, ensuring accurate claim settlements. > **RISKS COVERED** - **Yield Losses (Standing Crops):** The Government provides this insurance coverage for yield losses that fall under the non-preventable risks, such as Natural Fire and Lightning: Storm, Hailstorm, Tornado etc.: Flood, Inundation and Landslide; Pests/ Diseases, etc.; Drought etc.- **Prevented Sowing:** Cases may arise where most of the farmers (insured)of notified areas may want to plant or sow. In such cases, they have to bear the expenditure for that cause and are restricted from planting or sowing insured crops because of unfavourable weather conditions. These farmers will then become eligible for the indemnity claims of up to a maximum of 25% of the sum insured.- **Post-harvest Losses:** The Government provides for post-harvest losses on an individual farm basis. The Government offers coverage of up to 14 days (maximum) from harvesting for crops that are stored in "cut and spread" condition. It means that the Government covers farmers who have put the crops to become sun-baked in the field after harvesting that have been destroyed due to cyclone or cyclonic rains occurred across the country.- **Localised Calamities:** The Government provides for localised calamities on an individual farm basis. Risks such as loss or damage arising from identified localised hazards, such as hailstorms, landslides, and inundation impacting separated farmlands in the notified area comes under this coverage.

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/kapy

Description:

The Karnataka Forest Department launched the 'Krushi Aranya Protsaha Yojane (KAPY)' program in 2011-12 to encourage farmers and the general public to increase forest and tree cover. The program provides subsidized seedlings to farmers for planting on their lands. Farmers are paid an incentive of Rs 35 for every surviving seedling at the end of the first year, Rs 40 after the completion of the second year, and Rs 50 after the completion of the third year. This is done to encourage the farmers to nurture the seedlings for at least three years. The amount of money provided as an incentive (Rs 125/- per seedling) more than compensates the cost incurred by the farmer in procuring and planting the seedling. The incentive is quite substantial when the farmer plants more seedlings. In addition to the financial incentive, the farmers are entitled to get handsome returns from the grown-up trees in the form of fruits, seeds, fodder, firewood, pole, timber, and other useful products.

Eligibi

Who Can Apply: 1. This scheme is open to farmers belonging to all communities. 1. Applicant must have Pahani of the land where planting is being proposed. 1. Registration should be done before the commencement of the rainy season (by the end of May). 1. The following species of trees are not eligible for payment of incentive amount- Eucalyptus, Acacia, Silver Oak (if planted in coffee estate), Casuarina, Cassia siamea (Seemetangadi), Gliricidia, Sesbania, Erythrina, Rubber, Subabul, Coconut, Arecanut, Orange, all types of citrus species and grafted mango. 1. The following documents are required while applying for this scheme - Copy of Aadhaar Card, Passport-sized photograph of the applicant, Pahani of the land where planting is being proposed, Hand-sketch of the land, Details of seedlings (species, number of seedlings, size of poly-bags, etc.), Details of the applicant's bank account.
Exclusions: The following species of trees are not eligible for payment of incentive amount- Eucalyptus, Acacia, Silver Oak (if planted in coffee estate), Casuarina, Cassia siamea (Seemetangadi), Gliricidia, Sesbania, Erythrina, Rubber, Subabul, Coconut, Arecanut, Orange, all types of citrus species, and grafted mango.

Schem

details: Increased forest and tree cover: The main benefit of the Krushi Aranya Protsaha Yojane (KAPY) scheme is the promotion of the cooperation of farmers and the general public in the task of increasing forest and tree cover. Subsidized seedlings: Under the scheme, farmers are provided seedlings at subsidized rates from the nearest nurseries of the Forest Department for planting in their lands. Monetary incentive: The farmers are paid an amount of Rs 35 as an incentive for every surviving seedling at the end of the first year, Rs 40 for the second year, and Rs 50 for the third year. Encourages nurturing: The incentive is given to encourage the farmer not only to plant the seedlings but also to nurture them at least for three years. Compensates cost: The total amount of money provided (Rs 125/- per seedling) more than compensates the cost incurred by the farmer in procuring and planting the seedling. Restriction on ineligible species: The scheme has restrictions on ineligible tree species, which helps promote the planting of appropriate tree species and prevents the proliferation of invasive species.

Description:
The scheme "Mukhyamantri Krishi Utpadan Sanrakshan Yojana" was launched by the Department of Agriculture, Government of Himachal Pradesh by merging three ongoing protection based Departmental schemes namely Sour Badhbandi, Anti-Hail Net Structure & Green House Renovation Scheme into a single scheme having a common objective. **The three components of the scheme are as under:** **1. Sour Badhbandi (Solar Fencing):** Monkey and wildlife menace causes huge losses to crops annually in the State. The present practice of crop protection by manual guarding did not ensure 100 percent crop protection. Now the scheme has been merged under the Scheme "Mukhyamantri Krishi Utpadan Sanrakshan Yojana" in the name of Solar Fencing. Under this scheme, a subsidy of 85% is being provided if three or more farmers opt to install solar fencing, and if farmers opt to install solar fencing on individual land then an 80% subsidy is being provided. The fence is energized with the help of solar power. Current fences around the farms will be sufficient to keep away stray animals, wild animals, and monkeys from the farms. **2. Anti-Hail Net Structure:** Hailstorms in Himachal Pradesh are one of the major natural calamities resulting in substantial economic loss to the farmers by damaging standing vegetable crops both quantitatively as well as qualitatively. In order to mitigate the losses caused by hail storms the new scheme "Krishi Utpadan Sanrakshan Yojana (Anti-Hail Net Structure)" was started by the State Government in 2020-21 and implemented through the Department of Agriculture. Now the scheme has been merged under the Scheme "Mukhyamantri Krishi Utpadan Sanrakshan Yojna" in the name of Anti Hail Nets. The schemes will primarily benefit farmers helping them to substantially, reduce the quantitative and qualitative losses to their vegetable produce. Financial assistance maximum of up to 80% is being provided to the eligible farmer for an area coverage maximum of up to 5000 sqm. The monetary gains are expected to be approximately 15-20 crores annually with significant contributions to the state GDP. **3. Green House Renovation Scheme:** Farmers of the state have demanded that there should be a scheme to replace the Poly sheets. Therefore, the Government of Himachal Pradesh introduced a scheme "Mukhya Mantri Green House Renovation Scheme" in the year 2017-18. Now the scheme has been merged under the Scheme "Mukhyamantri Krishi Utpadan Sanrakshan Yojana" as a component namely Green House Renovation. Under this scheme, 70% assistance is being provided to the farmers for the replacement of poly sheets after 5 years of setting up of polyhouse or damage due to natural calamities.

2895. Price Support Scheme

Primary Category: Financial Assistance | State: Assam | Govt: State Government | Ministry: None

Secondary: Farmers & Agriculture, Rural Development, Environment & Energy | Benefits: Financial Assistance, Food/Nutrition | Beneficiaries: Farmers, Rural

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/pss

Description:
The Price Support Scheme (PSS) is being implemented by the Government of India in the state. Main crops of the state like Bajra, Jowar, Maize, Paddy, Cotton, Tur, Moong, Urad, Groundnut, Sesamum Wheat, Gram, Mustard, and Sugarcane etc. are covered. The Department of Agriculture & Cooperation implements the PSS for procurement of oil seeds, pulses and cotton, through NAFED which is the Central nodal agency, at the MSP declared by the government. NAFED undertakes procurement as and when prices fall below the MSP. Procurement under PSS is continued till prices stabilize at or above the MSP. Assurance of a remunerative and stable price environment for growers/farmers is very important for increasing agricultural production and productivity. The market price for agricultural produce many times tends to be unstable and volatile which may result into undue losses to the growers and discourage adoption of the modern technology and required inputs. The Government's price policy for agricultural commodities strives to ensure profitable prices to the growers with a vision of encouraging higher investment and production. This leads to safeguarding the consumer interest by making available supplies at reasonable prices with low cost of intermediation. Moreover, the price policy aims at changing a balance and integrated price structure with respect to the overall needs of the economy. Let us take a look at the Price Support Scheme, an initiative taken by the Government to ensure a productive environment for farmers.

Eligibi

Who Can Apply: 1) Farmers get the benefit of the scheme by selling their produce at support price in APMC centers opened by the Nodal procurement agency. 2) Farmers belong to Assam State. 3) Government employees are not allowed to apply to the scheme.
Exclusions: None

Schem

details: 1) When prices of commodities fall below the MSP, State and central notified procurement nodal agencies purchase commodities directly from the farmers at MSP, Under specified FAQ (fair Average Quality). 2) In this way prices of the main commodities are procured and protect the farmers against the economic loss in farming. 3) Price supports cause larger production and smaller consumption (since consumers will buy less of any good as its price rises), resulting in overproduction at the support price.

Description:

The main objective of starting the Mukhyamantri Beej Swavalamban Yojana is to provide up to 50% subsidy by the Agriculture Department for providing seeds to the small and marginal general farmers of the state. Apart from this, free mini kits are to be provided to the farmers living below the poverty line. So that the farmers of the state take steps towards prosperity and self-reliance by producing seeds in their fields. And they can be encouraged to produce seeds for use in their farm. By getting the benefit of this scheme, farmers will be able to produce good crops at low cost. Due to this their economic condition will also increase. This scheme of state funds was started as a pilot project in the Kota, Bhilwara, and Udaipur agriculture blocks of the state. By expanding the scheme from the year 2018-19, the scheme is being implemented in all the blocks of the state. Under the plan:- 1. **Selection of crop:**- Seed production program of notified varieties of jowar, soyabean, groundnut, moong, moth, and urad in the Kharif season and wheat, barley, and gram crops of less than 10 years duration in the Rabi season.1. **Formation of farmers group**:- Under the scheme, a group is formed by selecting farmers who are progressive and interested in the cultivation of a particular crop. Selection of 30 to 50 farmers in each group, by whom the area sown of that crop would be generally 50 to 100 hectares.1. **Selection of seed producer members in the group:**- As per requirement, 2-4 seed-producing farmers are selected from the farmer group by the group itself. The rest of the group will be those farmers who will use the above-produced seeds for sowing in the coming year.1. **Free seed distribution**:- Provision to make available the desired base/certified seeds (Stage-I) free of cost to the seed-producing farmers of each farmer group.1. **Training and Rogging for seed production:**- There is a provision to spend Rs.30/- per farmer and a maximum of Rs.1500/- per training on one-day training of a group. Description:

The scheme "Financial Aid for Providing Hostel Facility to Transgender Students" was launched by the Department of Social Justice, Government of Kerala. Transgender share the same hopes and dreams as any other individual in our society. 58% of Transgender students drop out before completing 10th grade (24% of Transgender students drop out even before completion of 9th grade). Reasons for this include- severe harassment making studies impossible and other gender-related negative experiences at school. In order to help such school dropouts continue their education, Social Justice Department has implemented a scholarship scheme for Transgender. The transgender community is still ostracized in society and cannot take up job offers or continue their education due to a lack of accommodation facilities. Though there has been improvement in the mindset of the people, still the stigma of giving transgender persons a house exists in society. Due to this problematic scenario, transgender who are pursuing the scholarship scheme are forced to discontinue their studies. For addressing this issue, the Department of Social Justice has introduced this scheme that provides an amount of Rs. 4,000/- per month as financial assistance to the Transgender community as rent for finding hostel facilities/accommodation.

Description:

The "Mangalya Scheme" was launched by the Department of Women and Child Development, Government of Kerala. Under the scheme, financial assistance is to be provided to eligible widows and divorced women for their remarriage. In Kerala, women not only outnumber men but also outlive them, so the marital status of women in Kerala is very important. It could influence the overall care and support they receive from their family and society. Statics show only 3.5% of the total male population in Kerala are widowers and the proportion of the widowed female population is 11.56%. This gender gap adversely affects women in every sphere of their life. It is in this context, that the Government of Kerala envisages the scheme called 'Mangalya' to encourage widow remarriage. The scheme imparts financial assistance for the widows/divorced to remarry.

Description:

The scheme "Bed & Breakfast/Homestay Scheme" is implemented by the Department of Tourism & Cultural Affairs, Government of Punjab with the aim of providing comfortable Bed & Breakfast (BnB)/Home Stay Facilities and supplementing the availability of accommodation across the State. The Department of Tourism will register fully operational rooms of private properties as Bed & Breakfast/Homestay units in the State of Punjab. The basic idea is to provide a clean and affordable place for international and domestic tourists and offer an opportunity for the tourists to acquaint themselves with the cultural heritage of Punjab. > **Bed & Breakfast Unit:** A Bed & Breakfast (BnB) unit in Punjab is generally a private house with at least one let-able guest room which serves breakfast to its guests. > **Homestay:** The Homestay is a unit which

provides only a stay facility without providing breakfast. However, the owner of the Homestay may also arrange the breakfast for the guest as per his demand and the charges mutually agreed.

Eligibi

Who Can Apply: **Breakfast/Homestay units will be categorized as follows:** **Gold Category & Silver Category** > **Eligibility for Gold category:** 1. The construction of the house should not be more than 20 years old at the time of submission of the first application for registration. 1. The property should have at least 25% open area such as lawn/green area/outside terrace. 1. Provision for hygienic storage of food should be there. 1. Adequate parking space for the guests inside the premises should be there. > **Eligibility for Silver Category:** - The properties which do not fulfill the criteria prescribed for the Gold category having at least one let-able room shall be eligible for registration under the Silver category. > **Other General Conditions:** 1. The owner of the property should have at least one let-able room and a maximum of six let-able rooms (12 beds). 1. The registration for Bed & Breakfast / Homestay unit will be given only in those cases where the owner of the house is physically residing in the same property. 1. In the case of BnB unit, the type of breakfast to be offered will have to be specified, the charges will be displayed and the visitors will be informed in advance to avoid any unnecessary dispute. 1. Tariffs charged under BnB Scheme are at the discretion of the individual home-owner and should be inclusive of breakfast every day. The Homestay Scheme will be excluding breakfast. However, the owner of the Homestay is free to arrange the breakfast for the guest on mutually accepted terms. 1. Every registered unit must be furnished and decorated to a high standard of comfort suitable for international as well as domestic travellers. In addition to the bedroom, guests should also be allowed to use the sitting room or other appropriate common space/area on the property. 1. Every bedroom must have a neat & clean attached bathroom with a washbasin, 24-hour hot and cold running water facility, Western-style toilet with flush and adequate arrangements for power supply and backup, ventilation, and lighting facility. 1. The premises should be structurally safe and in good condition and should also meet the standards of hygiene, cleanliness, and safety. > **Compliance by the registered units:** 1. The Bed & Breakfast/Homestay unit will be required to maintain the standards as per the checklist at all times. The Chief Executive Officer, PHTPB, or any other officer authorized by Govt. can conduct a surprise inspection of the unit at any time between 9.00 am to 5.00 pm without any previous notice. 1. In case of any violation, the CEO, PHTPB may cancel the registration of the unit. However, before cancellation CEO shall provide a due opportunity of being heard to the defaulting owner. 1. Any deficiencies pointed out by the Chief Executive Officer will have to be removed within the time stipulated by the CEO. In case of non-compliance of the same within the stipulated time or 3 months, whichever is lesser; the registration shall become liable for cancellation without any further notice.

Income Limit: None | Area: Both | Type: Organization / Institution | Source: https://www.myscheme.gov.in/schemes/kvy

Description:

This scheme aims to address the skill gap faced by construction workers registered with the Board by providing them with access to essential training opportunities for competency development and technical advancement. Currently, construction workers rely solely on on-the-job experience, lacking formal technical training due to institutional limitations. This hinders their ability to secure fair wages and access better services. Recognizing the financial constraints often preventing workers and their families from pursuing formal training, this scheme offers reimbursement for both training costs and lost wages. By bridging this financial gap, the initiative empowers individuals to elevate their skillsets and career prospects.

Description:

The Rajasthan government's Rajiv Gandhi Krishak Sathi Sahayta Yojana is a critical safety net for those who keep our food system running smoothly. Farmers, farmworkers, and market staff face inherent risks in their daily activities. This program acknowledges those risks and provides much-needed financial assistance in times of crisis. If an accident occurs while they're tending to crops, raising livestock, or selling their produce at market, the Yojana can help soften the financial blow. This can mean the difference between a family being able to afford medical care and essential needs, or facing devastating hardship.

Description:

The plastic Mulching scheme under the Agriculture Department of the Rajasthan government provided subsidies to farmers. Using plastic mulch helps prevent soil compaction and compaction. This material blocks moisture and heat and limits the loss of plant nutrients. Plastic mulch is the most restrictive of all the mulching materials available on the market, so it is well-suited for drip irrigation. Additionally, the plastic layer prevents people and pets from walking in the area, further strengthening the soil structure. > **Other important points** 1. Plastic mulching can be constructed only after administrative approval is issued by the Horticulture Department. 1. Verification can be done by the committee formed after construction. 1. The payment of the grant amount will be transferred directly to the farmer's bank account.

Description:

Launched in the Financial Year 2014-15, the scheme "National Livestock Mission" by the Department of Animal Husbandry & Dairying, Ministry of Fisheries, Animal Husbandry and Dairying, aims towards employment generation, entrepreneurship development, increase in per animal productivity and thus targeting increased production of meat, goat milk, egg and wool. The excess production will help in the export earnings after meeting the domestic demands. The concept of the NLM Scheme is to develop the entrepreneur in order to create the forward and backward linkage for the produce available in the unorganized sector and to link with the organized sector. **"Establishment of Regional Semen Production Laboratory and Semen Bank for Sheep and Goat (Genetic Improvement of Sheep and Goat Breeds)"** is a component of the "Sub-mission on Breed Development of Livestock and Poultry" scheme of the National Livestock Mission. The objectives of this component are: - Genetic improvement of Indigenous descript breeds of sheep/goat through selective breeding - Genetic upgradation of non-descript sheep/goat breeds through cross-breeding with high genetic rams or bucks to increase productivity. - Reducing negative selection and inbreeding among sheep & goat breeds by propagation of superior male germplasm through artificial insemination and other developed assisted reproductive technologies. The Central Government will provide assistance for the establishment of a Frozen Semen production laboratory for goat and a liquid semen production laboratory for sheep at regional level in a strategic location to cater the semen of elite animals to the nearby states in the said region. This Establishment of Regional Semen Station will be based on the Expression of Interest from the States in the said Region which can produce semen and supply semen for the states at the region. Also the regional semen station will work as regional semen bank for frozen semen for goat. The semen labs will need to adhere to the guidelines of Minimum standard protocols for semen processing while preparing the project proposals. The semen produced in this laboratory will be distributed to the neighbouring states.
