The Purchase Society selects and purchases the animals, inspects their health, and delivers them to the owner's home. The owner does not have to pay any money to departmental personnel. If the beneficiary is not satisfied with the animals from the listed firm, they must notify the relevant District Manager in writing. After receiving permission, the Purchase Society will provide animals from an alternative source outside the state. - It is mandatory for the applicant to be a member of the society. Any member above 18 years of age in the concerned Gram Panchayat or rural area can obtain membership by depositing a Rs. 25.00 membership fee with the nearest society secretary and receiving a receipt. It is not necessary to be a cattle rearer to become a member. - The application form can be obtained from the milk cooperative society or the nearest district cooperative bank. The form must be submitted along with Aadhaar card, bank account details, caste certificate, cooperative society membership number (if applicable), and movable/immovable property or land certificate. If the above documents are not available, two guarantors who are members of the milk society must be provided. - If a loan has been taken from any institution, its details along with the number of animals to be acquired must be submitted to the milk cooperative society. The Society Secretary certifies the application. The Manager/Chief Manager of the Milk Producers Cooperative Union Ltd. and the Assistant Director of Dairy provide recommendations after scrutiny. - After receiving the recommendations, the application is submitted to the bank. Once the bank verifies all documents, the loan is approved according to the beneficiary's eligibility, and the loan amount is disbursed to the beneficiary's account. - Upon receiving the funds, the Dairy Cooperative Society/Dairy Department's Purchase Society informs the beneficiary and accompanies them to purchase animals from department-listed dairy farms outside the state. The Purchase Society selects and purchases the animals, inspects their health, and delivers them to the owner's home. The owner does not have to pay any money to departmental personnel. - If the beneficiary is not satisfied with the animals from the listed firm, they must notify the relevant District Manager in writing. After receiving permission, the Purchase Society will provide animals from an alternative source outside the state.

Description:

The scheme "Gaura Shakti Yojana" is implemented by the Police Department under the Department of Home, Government of Uttarakhand. The objective of the scheme is to prevent crimes against women and girls and to ensure prompt action in case of any incident. Under this, a three-tier support system has been established in the state, comprising Mahila Desks at the police station level, Women Safety Helpline and Women Counselling Cells at the district level, and the State Women Safety Helpline at the state level. Under this scheme, efforts are being made to structurally strengthen the three-tier system, enhance transparency in functioning, create awareness among women and girls about their rights, and provide them training in self-defence. Additionally, the responsibilities of police officers have been clearly defined at every level to ensure effective implementation.

Eligibi

Who Can Apply: 1. Women and girls of the state are eligible to receive assistance under this scheme.
Exclusions: None

Schem

details: Under this Scheme, the following steps have been taken by Uttarakhand Police to prevent crimes against women and ensure women's safety: 1. A Quick Reaction Team (QRT) has been formed under the Women Help Desk at every police station. On receiving a complaint related to women at the police station, the QRT immediately reaches the spot and acts as the first responder, providing all possible assistance to the victim. 1. Identification of Hot Spots and sensitive areas with regard to crimes against women is being carried out. CCTV cameras/lights are being installed in such Hot Spots, and their regular monitoring is ensured. 1. Regular patrolling by Cheetah, Mahila Cheetah, and CPU teams is conducted during the opening and closing hours of schools, colleges, and coaching institutes. 1. A team comprising Women Help Desk In-charges and four constables, named "Team Gaura", has been constituted. The team regularly organizes awareness programmes to educate students on safety, drugs, traffic rules, cybercrime, etc. To strengthen this initiative, about 3,000 awareness booklets have been distributed to districts from the headquarters. 1. From 20th to 22nd February 2023, a total of 35 women personnel appointed to Team Gaura from all districts were provided Self-Defense Instructor Course (Level-I) training. In continuation, the process of providing Level-II training to these personnel is underway. These trained women police personnel are regularly conducting training programmes in schools, colleges, and other institutions across districts to teach self-defense techniques to girl students.

Application Process: how_to_apply: Offline In the event of death, serious injury, or disability caused by a wild animal, 30% of the total compensation amount payable for the incident will be provided to the victim or dependent as an advance. This will be based on the confirmation of the incident by the village head of the affected area, any currently serving public representative, and the forest guard of the concerned area. The advance will be provided within a maximum of 48 hours (excluding public holidays) from the receipt of information regarding the loss of life or property. The remaining amount will be paid upon receipt of the final investigation report. For the payment of the compensation, the Aadhar card, mobile number, and bank account details of the victim or dependent are required. In cases where a person is killed, seriously injured, or disabled by a wild animal, a certificate issued by a state government doctor must be submitted to the office of the concerned Divisional Forest Officer (DFO) or Deputy Director. The DFO/Deputy Director will then have full authority to approve or release the ex-gratia payment based on the final investigation report prepared by the concerned Assistant Conservator of Forests or Wildlife Warden. The DFO/Deputy Director will also forward complete details of the case to the Chief Wildlife Warden. The final investigation report must be submitted within 15 days of the incident. Before making the final payment of the ex-gratia amount, a certificate will be obtained from the Revenue Department regarding the dependents of the deceased. If the final investigation report does not confirm that the victim was killed, seriously injured, or disabled by a wild animal, the advance amount paid to the victim or dependent will be recovered as revenue. Note: The Forest Department has issued a toll-free number, 1800-890-9715, where any person can report human-wildlife incidents or the presence of wildlife in populated areas anywhere in the state. - In the event of death, serious injury, or disability caused by a wild animal, 30% of the total compensation amount payable for the incident will be provided to the victim or dependent as an advance. Application Process: how_to_apply: Offline Step 1: Invitation for Project Proposals The National Mission for Justice Delivery and Legal Reforms, Department of Justice, selects and invites implementing agencies to submit project proposals for subjects that have been identified by the Department. This scheme does not follow an open application system but rather focuses on proposals from pre-selected or identified institutes and organisations. Step 2: Preparation and Submission of the Project Proposal The selected implementing agency is required to prepare a comprehensive Project Proposal detailing the terms and conditions of the project, including the objectives, methodology, detailed duration with specific timelines, and a full breakdown of the estimated project cost. This complete Project Proposal must be submitted to the National Mission for Justice Delivery and Legal Reforms, Department of Justice. Step 3: Consideration and Final Decision by the Project Sanctioning Committee All Project Proposals received from the selected institutes and organisations on the identified subjects are systematically placed before the Project Sanctioning Committee for detailed consideration and subsequent approval. It is mandated that when the Project Sanctioning Committee deliberates on proposals from the Indian Law Institute or the National Judicial Academy, the Directors of those respective entities shall recuse themselves from the committee's discussions. The decision reached by the Project Sanctioning Committee regarding the proposal shall be considered final and binding on all parties. Step 4: Financial Approval and Release of Instalments Following the approval by the Project Sanctioning Committee, the Project Proposals are then submitted to the Integrated Finance Division of the Ministry of Law and Justice for final approval of the project and authorization to release the necessary funds. Subsequent financial assistance, which may be given in instalments, shall only be released upon obtaining the explicit approval of the Integrated Finance Division for each specific payment. Step 5: Project Execution and Compliance The implementing agency executes the project activity, utilizing the financial assistance received, which is strictly limited to covering the actual expenditure incurred by the grantee institution. Throughout the project, the implementing agency is required to adhere to the duration and specific timelines laid out in the approved Project Proposal for activities such as submitting an interim progress report and making presentations before the submission of the final report. Step 6: Submission of Documentation and Final Payment Upon completion of the project, the implementing agency is required to submit a Utilisation Certificate for the funds received, following the format prescribed by the Department of Justice. The final payment, which constitutes at least 10% of the total project cost, will be released only upon the official acceptance of the final project report by the National Mission for Justice Delivery and Legal Reforms, Department of Justice. **Step 1:** ***Invitation for Project Proposals*** - The National Mission for Justice Delivery and Legal Reforms, Department of Justice, selects and invites implementing agencies to submit project proposals for subjects that have been identified by the Department. - This scheme does not follow an open application system but rather focuses on proposals from pre-selected or identified institutes and organisations. **Step 2:** **Preparation and

Description:

The scheme "Development of Manures & Fertilizers" was launched by the Department of Agriculture, Government of Goa. The "Assistance for Construction/Installation of Biogas Plants" component of the scheme aims to effectively manage on-farm livestock waste to produce renewable energy through biogas units, converting animal waste into a sustainable energy source. The payment of the sanctioned subsidy is through the Electronic Clearance System (ECS). The applications for this scheme are accepted offline via the Zonal Agriculture Officer.

Eligibi

Who Can Apply: - Any farmer carrying out agricultural activities in the State of Goa and having a Krishi card. - Institutions and private limited companies involved in agricultural activities and having a Krishi card will also be assisted under this scheme.
Exclusions: None

Schem

details: ##### ***Assistance for Construction/Installation of Biogas Plants*** - Biogas plants constructed by the farmer would be provided 90% subsidy against the estimated standard cost of construction/installation for Biogas. - To make the subsidy more inclusive and reflective of the actual costs involved, excavation costs, transportation costs, and Goods and Services Tax (GST) included in the standard cost mentioned for both pre-fabricated and constructed biogas plants. ##### ***Standard Cost & Eligible Subsidy for Pre-Fabricated Biogas*** - For a 1 cu. m³ biogas plant, the standard cost is Rs. 31,000/- with 90% subsidy including central subsidy of Rs. 27,900/-. - For a 2 cu. m³ plant, the standard cost is Rs. 54,140/- with subsidy of Rs. 48,726/-. - For a 3 cu. m³ plant, the standard cost is Rs. 79,480/- with subsidy of Rs. 71,532/-. - For a 4 cu. m³ plant, the standard cost is Rs. 1,25,000/- with subsidy of Rs. 1,12,500/-. - For 5 cu. m³ & above plants, the standard cost is Rs. 1,12,200/- with subsidy of Rs. 1,00,980/-. ##### ***Standard Cost & Eligible Subsidy for Constructed Biogas*** - For a 2 cu. m³ biogas plant, the standard cost is Rs. 46,220/- with 90% subsidy including central subsidy of Rs. 41,598/-. - For a 3 cu. m³ plant, the standard cost is Rs. 52,070/- with subsidy of Rs. 46,863/-. - For a 4 cu. m³ plant, the standard cost is Rs. 57,820/- with subsidy of Rs. 52,038/-. - For 6 cu. m³ & above plants, the standard cost is Rs. 75,890/- with subsidy of Rs. 68,301/-. ##### ***Incentive Structure for Promoters*** - The incentive structure for promoters involved in the installation of biogas plants aims to encourage field staff including Agriculture Assistant, Field Assistant, Krishi Mitra's to actively participate in promoting biogas plants. The incentive amount for Constructed Biogas will be Rs. 1500 per unit. ##### ***Plant Size Determination*** The size of biogas units provided will be determined based on the number of cattle owned by the beneficiary. This approach ensures that the size of the biogas plant matches the amount of organic waste, particularly manure, generated, thereby promoting efficient gas production and utilization. The specific cattle-to-biogas unit ratios are as follows: - For a 2 cu. mtr. size biogas plant, the applicant should own 2 cattles with approximately 30-40 kgs. of cowdung available per day. - For a 3 cu. mtr. plant, 3 cattles are required with 45-60 kgs. of cowdung per day. - For a 4 cu. mtr. plant, 4 cattles are required with 60-80 kgs. of cowdung per day. - For a 6 cu. mtr. plant, 5 cattles are required with 90-120 kgs. of cowdung per day. ##### ***Repair Assistance*** - For long-term maintenance and sustainability of the biogas plants, repair assistance of 20% of the standard cost will be provided after 6 years. - This assistance will help ensure that the biogas plants remain operational and continue to serve the beneficiaries' needs. ##### ***Lifetime Limit and Subsidy Adjustment*** - An individual beneficiary may receive a maximum of 3 units over their lifetime. - The subsidy provided by Government of India under Biogas programme shall be adjusted within this subsidy and balance shall be paid from State funds.

2650. Solar Water Heater Yojana - Uttarakhand Renewable Energy Development Agency

Primary Category: Environment & Energy | State: Uttarakhand | Govt: State Government | Ministry: None

Secondary: Urban Development, Social Welfare & Other Benefits | Benefits: Food/Nutrition | Beneficiaries: Individual Citizens

Gender: Any | Age: None | Occupation: None | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Urban | Type: Individual | Source: https://www.myscheme.gov.in/schemes/swhyureda

Description:

The scheme "Solar Water Heater Yojana" is implemented by the Uttarakhand Renewable Energy Development Agency (UREDA) under the Department of Energy, Government of Uttarakhand. The scheme aims to promote the use of solar energy for water heating in the state to reduce dependence on conventional electricity and fossil fuels, and to encourage the adoption of green and sustainable energy sources in Uttarakhand.

Eligibi

Who Can Apply: 1. The applicant must be a permanent resident of Uttarakhand. 1. The applicant must have a valid electricity connection with Uttarakhand Power Corporation Limited (UPCL). 1. The applicant must be the owner of the residential property where the solar water heater is proposed to be installed.
Exclusions: None

Schem

details: 1. Under the Solar Water Heater Scheme, the power supply to electricity consumers in the state is often maintained by purchasing electricity at high rates by the DISCOM during peak hours, which directly impacts both consumers and the state government. The installation of solar water heaters will reduce consumers' dependence on grid power and promote solar energy projects across the state. This scheme represents a significant contribution by the State Government toward fulfilling Government of India's commitment to achieving the global SDG-7 goals. 1. The scheme will encourage the use of green and renewable energy across the state. 1. Increasing the installation of solar water heaters will lead to electricity savings during peak demand periods and a reduction in annual carbon dioxide emissions. Installing a solar water heater system with a capacity of 100 liters per day can reduce carbon dioxide emissions by approximately 1.5 tons per year, resulting in positive environmental impacts. 1. In the mountainous regions of Uttarakhand, where there is a frequent need for hot water, it is often produced by burning wood, which harms the environment. The adoption of solar water heaters will significantly reduce environmental damage caused by traditional methods such as the use of wood or electricity for water heating.

Application Process: how_to_apply: Online An online portal (www.uredaonline.uk.gov.in) has been developed for applications and selection under the scheme. Applicants must register and upload the required information on the portal, including their mobile number, place of establishment, copy of Aadhaar card, electricity bill, bill of the installed plant, prescribed self-declaration form, and the first page of their bank passbook for grant transfer details. They must also upload a copy of the demand draft for the prescribed application fee in favor of the Director, UREDA, or the receipt of the online fee transfer. During registration, the applicant must select their category (General/SC/ST) and specify the capacity of the installed plant. Applicants must also indicate whether the system is for domestic or non-domestic use based on the electricity bill. The application fee, calculated at Rs. 100 per 100 liters per day of capacity, must be paid online through the portal. Failure to pay the prescribed fee may lead to rejection of the application. Applications received on the portal will be processed by UREDA on a first-come, first-served basis, subject to budget availability. The grant will be released only if the installation is found appropriate. After installation, UREDA will conduct a site inspection upon the applicant's request for a grant through the portal. Once the application fee and required documents are received, the Senior/Project Officer of the concerned district will inspect the plant. If the installation meets the prescribed standards, a joint inspection report will be uploaded and forwarded to UREDA Headquarters for grant release. In case deficiencies are found, the applicant must take corrective action, upload the required compliance report, and request a re-inspection through the portal. Applicants are advised to make the final payment to the installation firm only after successful UREDA inspection. Upon receiving the district officer's recommendation, UREDA Headquarters will transfer the grant amount online to the beneficiary's bank account. The beneficiary/approved applicant will then make payment to the installation firm directly. UREDA will not be responsible for or involved in any dispute related to payment between the beneficiary and the installation firm. In case of non-availability of budget during the financial year, or if the number of applications exceeds the available funds, or if additional funds are not approved for pending applications, or if the state grant cannot be issued for any other reason, the application fee deposited by the applicant will be refunded. - An online portal ([www.uredaonline.uk.gov.in](https://uredaonline.uk.gov.in)) has been developed for applications and selection under the scheme. - Applicants must register and upload the required information on the portal, including their mobile number, place of establishment, copy of Aadhaar card, electricity bill, bill of the installed plant, prescribed self-declaration form, and the first page of their bank passbook for grant transfer details. Gender: Any | Age: 0-18 Years | Occupation: Student | Education: Undergraduate | Category: All

Income Limit: BPL (Below Poverty Line) | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/eacpppc

Description:

The scheme "Educational Assistance to Children of Prisoners (Pursuing Professional Course)" was launched by the Department of Social Justice, Government of Kerala. To help the children of prisoners, the Government of Kerala has devised this scheme which provides educational assistance to children of prisoners up to degree-level courses as per G.O (RT) No. 322/2014/SJD dated 08-05-2014. When an individual gets convicted and punished for any crime it's not only the person who suffers, the one who suffers the most are their children. They get deprived of all their rights; they face a lack of opportunities for education and a financial crisis. When compared to the present educational standards, the assistance provided to children pursuing degree-level professional courses in Government / Aided colleges is inadequate. Considering the different types of fee structures for professional courses, State Government has fixed the assistance amount for children of prisoners to Rs. 100,000/- (per student) including annual fees & hostel fees.

Eligibi

Who Can Apply: 1. The applicant should be a native and resident of Kerala State. 2. The applicants should belong to Below Poverty Line (BPL) category. 3. The applicant must be the child of a prisoner sentenced to life imprisonment or death sentence. 4. Those applicants who have been admitted to courses through merit basis are eligible for assistance. 5. Applicant must have secured 70 % or above marks in Higher secondary level exams. **Note 01:** Educational assistance is being provided for Degree level professional courses in Government/ Aided colleges inside Kerala. **Note 02:** For courses like MBBS, B.VSc. assistance will be provided only if the children are studying in Government colleges. **Note 03:** In case both mother and father are convicts and the child is being looked after by a relative who belongs to the Above Poverty Line (APL) category then the application can only be considered based on the inquiry report submitted by the Probation Officer. **Note 04:** If more applicants are made, preference will be given based on the percentage of marks.
Exclusions: None

Schem

details: 1. Under the scheme, State Government is providing assistance amount of Rs. 100,000/- (per student) to the children of prisoners for pursuing degree-level professional courses in Government / Aided colleges. **Note 01:** The assistance amount also includes annual fees & hostel fees. **Note 02:** The assistance will be given to more than one child belonging to a single family.

2752. One Tea Scheme

Primary Category: Social Welfare & Other Benefits | State: Meghalaya | Govt: State Government | Ministry: None

Secondary: Farmers & Agriculture, Rural Development, Environment & Energy | Benefits: Financial Assistance | Beneficiaries: Farmers, Rural Population

Gender: Any | Age: None | Occupation: Farmer | Education: ITI / Diploma | Category: All

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/otsm

Description:

The One Tea Scheme, implemented by the Planning, Investment Promotion & Sustainable Development Department, Government of Meghalaya, is designed to support tea farmers in the state whose livelihoods have been affected by declining factory gate prices and shrinking cultivated areas. The initiative introduces a single-season price support mechanism that guarantees every registered grower a minimum price of Rs. 35 per kilogram of fresh tea leaves for conventional tea gardens and Rs. 40 per kilogram for organically certified tea gardens. By compensating the difference between the factory's actual purchase price and the guaranteed minimum price, the scheme prevents farmers from being forced to sell their produce at a loss. This support helps ensure fair price realization, provides economic stability for farmers to reinvest in their plantations, and contributes to the preservation of ecological services and traditional knowledge associated with tea cultivation. In addition, the scheme offers a one-time financial benefit to bought-leaf factories to cover the gap between the price they pay for fresh green leaves from both small and large tea growers and the price at which they can profitably process and sell the manufactured tea.

Eligibi

Who Can Apply: 1. The applicant should be 18 years of age or above. 1. The applicant should be a permanent resident of Meghalaya. 1. The applicant should be a tea farmer. 1. The applicant should possess a valid government-issued identity document.
Exclusions: None

Schem

details: 1. Ensures fair and stable prices for tea farmers. 1. Prevents distress sales due to low factory rates. 1. Provides direct financial support via

DBT. 1. Farmers receive Rs. 35/kg and Rs. 40/kg support price. 1. Government pays the difference if factory rate is <semi_colon Rs. 35/kg and <semi_colon Rs. 40/kg. 1. Supports up to 10,000 kgs per farmer. 1. Encourages organic cultivation, using Rs. 40/kg as reference. 1. Targets 1,000 financially distressed tea farmers 1. Provide one time support to bought leaf factories

Description:

The INSPIRE Faculty Scheme of the Department of Science and Technology (DST) and the Ramanujan Fellowship Scheme of the Science and Engineering Research Board (SERB) offer opportunities for young scientists to initiate and sustain research careers in various fields of science and engineering. These schemes do not offer an extension of the fellowship after the completion of five years. The support link is broken after the end of the tenure of the respective fellowships. In order to provide a platform for the sustainment of their research for some more time, the SERB Board has recently approved a new 'SERB Research Scientist (SRS) Scheme' for the awardees of INSPIRE Faculty and Ramanujan Fellowships, who fail to secure regular positions after completion of the regular tenure of five years in the respective schemes. The fellows will be called 'SERB Research Scientists'. The scheme provides an opportunity for them to continue their research activities and also to explore regular positions during the intervening period. > **Objective:** Identify and provide a platform for sustainment of the research career of INSPIRE Faculty and Ramanujan Fellows for an additional period of two years after completion of the regular tenure of five years in the respective schemes.

Eligibi

Who Can Apply: 1. The scheme is open only to INSPIRE Faculty and Ramanujan Fellows. 1. The applicant should have completed or nearing completion of the tenure of INSPIRE Faculty of DST or Ramanujan Fellowship of SERB. 1. The upper age limit for INSPIRE Faculty/Ramanujan Fellows is 40 years at the time of submission of application. 1. SRS can be availed only once by a candidate in his/her career. **Note 01:** The SRS Scheme will be made effective only after the completion of the tenure of the respective INSPIRE Faculty/Ramanujan Fellowship. **Note 02:** The SRS scheme can be availed only once by a candidate in his/her career. **Note 03:** The SRS is tenable only in India and can be implemented in any of the recognized academic institutions, national laboratories and other recognized R & D institutions. The host institution should provide necessary administrative and infrastructural support. **Note 04:** The Faculty/Fellow can either implement the SRS Scheme from the present host institution or opt to choose a different host institution that is suitable to the objectives of the proposed research work. **Note 05:** The SRSs will not be allowed to work at the same Department/institution where the candidates have earned their PhD/M.S./M.D degree. **Note 06:** The SRS is purely a temporary and contractual assignment, and is tenable for a period of 2 years, extendable to one more year, subject to performance evaluation. Under any circumstances, the support is not extendable beyond three years.

2776. National Scheme Of Incentive To Girls For Secondary Education

Primary Category: Scholarship & Education | State: All | Govt: Central Government | Ministry: Ministry of Education

Secondary: Women & Girls, Children & Family Welfare | Benefits: Financial Assistance | Beneficiaries: Students, Women, Girls, Children, SC/ST

Gender: Female | Age: 14-18 Years | Occupation: Student | Education: Higher Secondary (Class 11-12) | Category: SC/ST

Income Limit: None | Area: Both | Type: Individual | Source: https://www.myscheme.gov.in/schemes/nsigse

Description:

The National Scheme of Incentive to Girls for Secondary Education promotes the girl child's enrolment of 14-18 years age group at secondary stage, who passes class 8th and subsequently drops out for various socio-economic reasons. The proposed scheme is further intended to retain such girl children up to class 12th. In the year 2004-05, the dropout rate of girls from classes 1st to 8th was about 50.8%. For classes 1st to 10th the dropout rate of girls was about 64% in the same year. Hence, only 36% of the country's girl students could be retained up to class 10th. This is the combined result of several socio-economic factors, but a major contributor is no doubt the inability of the parents to afford the cost of education of the girl child.

Eligibi

Who Can Apply: 1. The applicant should be a girl child. 2. The applicant should be from Scheduled Caste / Scheduled Tribe SC/ST 3. The applicant should have passed class 8th from Kasturba Gandhi Balika Vidhalayas (irrespective of whether they belong to Scheduled Castes or Tribes) 4. The applicant should have enrolled for class 9th in State/UT Government, Government-aided, or local body schools in the academic year 2008-09 onwards.
Exclusions: 1. Married girls will be excluded from the scheme. 2. Girl children studying in private unaided schools are proposed to be excluded since a majority of such schools charge high fees and therefore, parents of such girl students may not require the financial assistance that is being offered under this scheme. 3. Students enrolled in schools run by Central Government are also being excluded from the scheme, as these children are either fully provided for already, or are those of Central Government employees, who can afford the education of their children, without further support.
